Vyšetřovatelé JAG amerického námořnictva ve středu zatkli zneuctěnou starostku Chicaga Lori Lightfootovou na základě obvinění ze zrady, uvedly zdroje JAG pro Real Raw News. Zadrželi také Lightfootovu manželku Amy Eshlemanovou jako spoluúčast na zločinech, kterých se Lightfoot dopustil před a během Plandemie Covid-19.

White Hats, řekl náš zdroj, dlouho hledali otvor, kde by mohli chytit Lightfoota, ale když nebyl na veřejnosti obklopen doprovodem bezpečnostního personálu, žil v nedobytné bezpečné místnosti – opevněné místnosti, která je instalována v soukromé rezidenci nebo

podnik, který má obyvatelům poskytnout bezpečný úkryt nebo úkryt pro případ vloupání, domácí invaze, tornáda, teroristického útoku nebo jiné hrozby – uvnitř jeho hnědého kamene na severozápadě Chicaga.

Když byl Lightfoot začátkem tohoto měsíce hanebně vyřazen z chicagského klání o starostu, zdálo se, že jeho bezpečnostní detaily zmizely a zůstal odhalen. Deep State, řekl náš zdroj, pravděpodobně odmítl Lightfoota po jeho propastném výkonu ve volbách. Popularita Lightfoota mezi obyvateli Chicaga během Plandemie slábla, protože kriminalita vzrostla, rabování a chaos se rozmohly, což dále ohrožovalo město nechvalně proslulé stoupajícím počtem vražd a dalších násilných trestných činů. Není jasné, zda Deep State zorganizoval zánik Lightfoot – má za sebou historii házení svých vlastních pod autobus, jakmile jejich užitečnost vyprší.

Podle zdrojů JAG Lightfoot nakonec obdržel platby přesahující 10 milionů dolarů výměnou za vydávání drakonických příkazů k pobytu doma, zakazování cestování a kriminalizaci příkazů k maskování, zatímco se vyhýbal svým vlastním pokynům – zákonům pro tebe, ale ne pro mě – a objevil se na veřejnosti bez masky oslavit ukradené vítězství Josepha R. Bidena nad prezidentem Donaldem J. Trumpem. Lightfoot nařídil orgánům činným v trestním řízení pokutovat a dokonce uvězňovat popírače Covid, kteří nenosili masky, zatímco rabování, střelba a žhářství sužovaly obléhané město. Zašla tak daleko, že „zrušila“ Den díkůvzdání a Vánoce a nařídila policii, aby našla a zatkla osoby užívající si svátky s „členy rodiny, se kterými nežijete“.

Výplaty, které Lightfoot obdržel, řekl náš zdroj, dorazily v březnu 2021 a pocházely z ministerstva zdravotnictví a sociálních služeb zločineckého režimu a byly schváleny agenturou Honcho Xavier Becerra, který zůstává na seznamu „nejhledanějších“ bílých klobouků.

„Máme finanční záznamy a komunikace, které nade vší pochybnost dokazují, že Lori Lightfootová přijala úplatky, aby ohrozila město, které je již v masivním rozkladu. Je vinen ze zanedbání povinnosti a zrady proti Spojeným státům americkým. Viceadmirál Crandall hovořil s generálem Ericem Smithem o tom, jak nejlépe chytit Lightfoota, a protože byla považována za cíl s relativně minimálním rizikem, protože již neměla ochranu Deep State, rozhodli se, že JAG provede zatčení.“

Ve středu vyšetřovatelé JAG obklíčili Lightfootovo auto poté, co do něj on a Eshleman vstoupili poté, co se vynořili ze Starbucks na severozápadním předměstí Barringtonu. Lightfoot se údajně bránil zatčení a následný boj způsobil, že mu tepláky klouzaly přes boky a odhalily mužské genitálie. Vyšetřovatelé byli nuceni použít tasery, aby si podmanili dvojici, která se náhle obrátila proti sobě, přičemž jeden druhého obvinil, že se „zaprodal“.

"To, že je Lightfoot frajer, není žádné překvapení," řekl náš zdroj. "Věřím, že máme dostatek důkazů k usvědčení Lightfoota." Eshlemanův status je ve vzduchu, ale máme důkaz, že věděla o Lightfootových zločinech," řekl náš zdroj.

Edit: Aktualizovali jsme článek, aby přesně odrážel, kdy Lightfoot obdržel výplaty od režimu.

Well I just saw a video on Gateway Pundit where she/he was at a city council meeting YESTERDAY being told off. WTF is up with that?!

BS these stories are total fiction. If they were not at least something would have come out in public by now.

This news would not be brought out on the MSM and if this wasn't true they would be on attack mode as well as filing law suits.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://payathome12.blogspot.com>

the media lies 7days a week/24hrs a day. and you think they would tell you this. you cant be this dumb.

The cover for this site is satire while providing what's happening in the real world. Simple yet genius. So carolyn how many vaxx-jabs have you had?

It's a military covert operation. You simply can not go and tell the media. You mess around and we won't be able to catch them if you tell the media what we are up to. Oh, it's real, but we can't risk of exposing the operation. Not just yet anyway.

This man replaced a genetic female...it was obvious to any half-wit who watched the news.

so what happened to the original female?

...and who the fuck is this person, if not the female? A murderer?

You might have seen CGI techniques, or a clone. Military destroyed a cloning lab in Missouri's Ozark Mountains in 2022, and they destroyed another cloning lab in Alaska this year. You can find the news articles on the Archives page of this site.

I wasn't given the precise time of the arrest. I was told it happened in the first half of the day. My brain assumed morning as that's usually when arrests go down. It could have been after the meeting. Yeah, it's sloppy reporting not to pin down an exact time, but it's not always easy prying details beyond what I'm given. It's not like reporting the score of a baseball game.

A lot of what seem like troll accounts were spamming the same message and I deleted it. However, I'm pinning your comment as evidence that I'm not trying to avoid answering a logical question.

Appreciate you doing so. Of course it's confusing at times. In fact, I'm fairly sure it's meant to be. It's far easier to control an uncertain population, which has been a key theme from the deep state. People are not likely to form strong opinions, much less share them or act upon them. Keeps everyone squirrely & indecisive~ the enemy likes it that way. Strength is born of strong convictions among like-minded. So is change.

Trolls like you ask useless "troll questions" repetitively. We did not miss you at all. Trolls and bots are best ignored and banned.

Stupid and cowardly people pretend questions that poke holes in your childlike fantasy think I should be banned.

Awww.... look who's back and sniveling about his vacuous prattle being deleted... It's the **LimeGreenFucktard!**

Please see my post about updating email and the other one if you have timestamped 0639 EST. Thanks

I think Michael Baxter is referring to my comment about a Forbes Breaking News article on YouTube I posted. When I first saw this story, I didn't believe it. About two hours later I saw the Forbes video about Lightfoot having trouble at a City Council meeting.

Many of us see info out there that suggests this is just a made up info type site. I am glad to see you in pseudo name only at least respond to this post. I keep asking myself if this is fake info what would be the benefit. It never really affects the way I live my life. It is comforting to think this could be happening. In the end, we are all going to feel really good for paying attention or really stupid for believing it could be true.

“pseudo name” — Many authors use them. I’ve been writing under this name since 1993. My real name is no secret. I’ve been doxxed heavily by the MSM. They’ve harassed my family. My real name has been attached to this website’s fundraisign acconts since its genesis over two years ago.

Mr. Baxter, if the story reported at Chicago city hall took place in the morning or early after noon, it could very well be possible that Lightfoot and it’s spouse could have taken a road trip to escape the media and all the pressure , there by heading out the Barrington IL. which is quite a hike , due West out of Chicago, a good hour+ depending on traffic on the tollway. As you reported she was arrested in Barrington, and this would make sense if JAG/military wanted to make the arrest attempting to avoid media , press and lots of bystanders which would be very prevalent after the City Hall activity being in the heart of the Loop. Barrington IL. is pretty laid-back and a WEALTHY community. She/he may have some of her/his supporters out there with a place to stay as to get away from the public or possibly her/his own get-away. This again being the reason for JAG making the arrest in Barrington IL. Lightfoot had plenty of cash , obviously, so this was her/his get-away place out of the city. Lots of wealthy folks have huge homes and spreads in Barrington IL and have pricey townhomes or condos in the city for work during the week ,on the weekends they head out to Barrington.

Every time a said demon is captured they are automatically seen on the tel-a-lie-vision or news media. They dont need a clone or double they just need their devices to send the elusion’s of them, CGI what ever they use it.

I’ve noticed this as well. It’s like clock Worley! Deep stater caught and within a day or two they are in the spot light. The probability of this happening month after month is says something about who is on offense!

These articles are Baxter fantasy and have nothing to do with reality. That’s what is up with that.

The Deep-State FAKE Newsmedia uses old videos, old photos, photoshopped videos and photos, CGI videos of HollyWood quality, doubles, actors with HollyWood silicone masks such as what Arthur Roberts wears in his Academy Award winning role as Resident Dipshit Biden. As many times as Michelle O was caught being a male, the FAKE News could have ripped the fraud Big Mike to shreds, but they did not did they? No, they covered it up, protected the negro queers. Even when Joan Rivers spilled the beans publicly, was murdered immediately, FAKE News covered that up too. Only small truth

sources like RRN spread the news. Lack of lawsuits against RRN is proof of the accuracy in most reports. Some are obviously deliberate disinformation from JAG, necessary in war.

FAKE News for now will not report any evidence from Real Raw News, thus endangering their own families to murder from their Deep-State masters. Soon, Commander-in-Chief Trump will have exposed FAKE News liars so much, they will be forced to report the truth, if they have not already been hunted down in the streets and hung from the light poles as far as the eye can see.

GOOD POINT.....when the “Head Nigger” Barack Obama had Joan Rivers KILLED.... it was for the most part COVERED UP by the main stream media. It’s just too bad that Fox News has gone downhill....because CNN and MSNBC are both “fake news”. Most all of the hosts on Fox are JEWS...especially on Fox Business—and, for the most part....they are all Trump HATERS. I can’t stand LOUDMOUTH Hannity....and that unmarried Bitch, Laura Ingraham. So I only watch Jessie...and then Tucker. So much for “Fox News” now run by Liberals.

This reporting on NIGGER Lightfoot....you will NEVER see anything like this on Fox....much less on CNN or MSNBC.

Joan Rivers is ALIVE. She had plastic surgery and has a different Identity, she still is with the same guy, spouse whatever and she still roams with the same friends although she maintains a very low profile and her comedy and celebrity have ended. There are videos on the internet that show the former Joan Rivers, this has been verified.

on rare occasions I might watch jessie mostly because i like his sense of humor/the rest in the vanity club ,are overpaid fiction pushers /traitors I haven’t watched SEWER TV FOR YEARS ,they belong in the nearest dumpster ...IMO

Why do you care if she is married or not? That’s her business, not yours. Are you fathering her kids?

YEAH....I saw the same thing on TGP yesterday. Suffice it to say that this NIGGER Lightfoot is either a *butch lesbian*...or...a MAN (ie. tranny). That he was captured by the White Hats....we’ll just have to take Michael’s word for it. I look forward to Michael’s excellent reporting just about every day. I do not believe he makes this shit up—because he provides too much important detail. Speaking of Lightfoot....how can he be attending a city council meeting when he was just voted out of office ??? WTF ??

larry’s last stance He brought in paid sychophants to chant ” we love you lori”
SOOO BELIEVABLE

I don’t think this little sod has ever in his entire life been loved by ANYONE ON PLANET EARTH fugli ! doesn’t cover this gross little man but hey HE can dance like the devil

She/he was planning on being Big Mike/Michelle's running mate for the Democratic nomination for US President. ALL the jew zionist satanist oligarchs heavy donors were already lined up. Woke Tranny DARK TEAM MATTERS, " Michelle – n – Lori , Gonna Do Dis Nation DARK fo Ya'll."

Notice when RRN says one of the evil scum have been captured...You will see the next day on tv, their clones..They are trying to discredit RRN...No proof that this site is even legit but if it's not, it's very entertaining anyway..Although I do hope it's true...I would rather them suffer more though, instead of an instant death.

The story occurred a year ago. How many children did the White Hats allow to cross the border to be sacrificed? RE: Biden candy story.

Let all the trolls be discovered, made known. I'm praying that God protect this site & the author's family from all attacks & harm. God & His servants will prevail over & overcome the wiles of evil men. Glory to God in Heaven above & on earth below.

So, the viral big press deal about the decredentialed reporter rant in the news is to discredit this real report that Lightfoot is on its way to GITMO. Now I get it!

Lori, Larry, Lucifer ... one thing is certain ... 'IT' is possessed, evident from countless times of seeing 'IT' in action ... ruthless, dark, and evil as are countless too many others for us to know for certain ... but God knows all things and we will see the day when all assumed to be in secret, will be exposed to the world, out in the open for all to see and know, thank you, Jesus!

Yeah it's obvious. He actually looked almost normal in photos from many years ago. Thank you Source and Jesus for exposinf them to the world.

there pissed. now you all gotten lori. it stirred up the hornest nest. that means your winning.

I am using this forum to state our (Patriots, both Conservatives and some honest democrats) case against the lying corrupt minded evil democrats on the J6 truth that these evil corrupt demonic democrats tried very hard to keep from us. They covered up the J6 truth.

Now, the truth is out and once again these evil lying democrats are twisting the truth falsely accusing Tucker Carlson of doctoring the truth. The J6 video exposed the truth and we were lied to, again.

This is an old news. She's already been gone a long time ago. Y'all just seeing an actor or a double. 😏😏😏

Strange – the ICC has a warrant out for Putin who committed war crimes including deporting children from Ukraine. It's really weird the ICC didn't include destroying adrenochrome plants as a war crime (it should be!)

Whatever happened to Bang yo Mama and Bang yo Daddy TOO? and BANG Grammy and Grampy, EVERYBODY NEED SUM, WANT SUM, AND GET SUM.

ICC is CONTROLLED BY THE establishment inbreds, UN, WHO, WEF , EU , US CONGRESS , WORLD BANK, IMF, ALL THE SAME SHIT.

Well that's a laugh..."Deporting children from Ukraine"....more like saving children from the Adrenochrome Factories....so that means the ICC are turning a deliberate blind eye to these factories....they must be in on it....and under orders from the DS. Well Putins not gonna put up with this.

Yes, and the Hague is sending out an arrest warrant against President Vladimir Putin, accusing him of stealing Ukrainian kids during wartime...what a crock! Russia is giving them safe harbor, just like Poland, Romania, Moldova, Germany, Canada, the US and other countries taking them out of the fray. Stupid idiots!

We cannot even arrest a sitting president here (which GHWB, W, WJC, Obumster and now Paedo Joe sorely needs) and the Hague thinks they can arrest a Russian President? Show me the precedent for that!!

Please visit the link below. The URL speaks for itself.

Please watch the two clips linked in the body of the article.

If this is TRULY on the up and up, thank The Almighty, this is good news.

Michael, on March 9 you reported that marines were killed while trying to arrest Ashish Jha. You reported that his head exploded and killed them. But you also reported Jha was arrested by White Hats in your prior article entitled "JAG Arrests Past and Current Covid Task Force Members" on February 25. I posted a question about that to the March 9 article but there's no reply.

WHAT'S UP??

Michael Baxter

Looks like a major error in identification in the two articles. The 2nd Jha was ruled a clone, but that does not explain why the JAG investigators were tracking and capturing the same man twice.

Can you provide an explanation or update these two articles?

Hopefully he/she/it will start squealing like the piglet that it is. If they were turning on each other just being arrested, they will talk with little to no prodding.

Maybe something big can be learned from these 2 morons, although they are very low level.

I did see where she was on the news being told off by a reporter. The only thing I can say is if they know about this site it would be sued every day for these stories even though they are fictional.

So maybe there is some validity to the story's since you can't sue if your not able to hire a lawyer to sue.

I don't know anymore I just come here to read some great stories.

Hey Michael @michaelbaxter , why haven't you touched on the highly improbable amount of pharmaceutical companies that house their base of operations in Kiev? Or the ties of electronic moguls like Musk, Microsoft, Apple to transhumanism? Musk still has the Baphomet armor as his profile pics. Unrelated, a lot of people would put more merit into the cloning articles if you covered how we went from Dolly the sheep to corporate cloning facilities? I took a virtual tour of one that started in a lobby! I've seen the procedure to remove the piece of forehead cranium that that rapper said was removed so they could manipulate the clone's host's(for lack of a better word) memories? Also curious about the giant rectangular cube UFOs being photographed, and certain almost prophetic geographical events, such as the Euphrates drying up. I appreciate it even if you don't take the time to read this. Hope you're secure and hidden, and with more friends and ammo than i expect in the UK

Also, I'd like to update my email with y'all, can't figure out how to go about it. Any of you guys know how I'd go about that?

My family is being wrongly accused of Catholic suicide crap and CANNABLES, which we are not

I'm sure GOD KNOWS THAT AND WILL BE PERFECT

LISA CORDARO AND FAMILY

WE ARE VERY EXCITED ABOUT NEW PLANS

They don't normally pick anybody up that is still holding an office position. At least that seems to be the way things have been happening. Once they fall from grace or retire they get nabbed. The White hats seem to like to let them crush as many innocent people as possible before they make a move.

Fauci comes to mind, if they had arrested him early on and in the public light a lot of

people might not have taken the job.

If they had arrested Biden and his crime family, then forced jabs and all of this corrupt administration might not have been put into office in the first place.

That is the only thing people might hate the white hats for is the fact they had all this information a long time ago and did nothing with it to help prevent some of the death that is happening in the USA and the world.

Ukraine and Afghanistan might not have happened at all if they would have done something a little faster.

Send both of them where they belong and don't permit them to be again at large. Give them a forever bye-bye. It's sad but we are at war with devils that want to destroy everything.

Mr.Baxter...why gen.Smith and WH do not stop warmongers..we are much close to WW3 than in the Cuban crisis...1962

ww3 is a pipedream. did fallout not teach you anything? its only a dream.

never meant to happen.

We all know this ugly corrupted thing is not a he, so why refer to it as a he?

cause it was said. "its a He". we all been fooled into thin king it was a she.

because when Ellen ...oops Allan did a comparison, HE said Beetlejuice's was the same size as big Mike's , they both , had had enhancement surgery

Chicago has been in very serious decay and ruination for DECADES, just another dying city in Democratic CRIMINAL CONTROL. This is FACT.

Could very well be his homosexual partner with having nothing other but Male Genitalia too!

"he/him," also Lori might have said it was "she/her" before the arrest. Nothing said about the wife, but knowing how trannies behave, he would say, "none of your business."

Pronouns " Dead & Decaying " as he finally is used for a truly useful purpose .
Fertilizer to make flowers grow Nick , NavyBlueSmoke ,LST-1195

Oh so horrible to hear Lori Lightfoot has a male genitalia? (I hope Mr. Baxter you don't delete my comment. Everyone is entitled of "Free Speech". Besides I'm an avid follower of RRN. Thank you!)

All we are " entitled to" is that the Government won't limit or restrict our Free Speech...
Read our Constitution...And what is so Horrible about the fact that Beetlejuice is a dude
??

our UNALIENABLE RIGHT to free speech was granted to us by the Creator, not by the gov't. the constitution codifies that and prohibits the gov't from infringing upon that God-given right. YOU are the one who needs to learn to comprehend what you read.

Only way that Beetlejuice would have been missed in this new era dawning is IF some advertising campaign ,had been planned with Lori & Marty Feldmans Eyes featured in an Eyeglasses Advert !! Nick , NavyBlueSmoke , LST-1195

I doubt Mr. Michael Baxter was doing anything other than reporting facts as they were revealed ! I , when 1st seeing a picture of Lori & husband , immediately thought that a same sex contract had been initiated & was wondering which sex was the common denominator since they both looked quite odd. **I also knew that they had to be Chosen for their positions rather than earning them . Useful idiots easily manipulated by giving them short term wealth & small fame.** Can anybody really believe they'll be remembered in 10 years much less 10 minutes from now ? Cheers ring out in Chicago bars now & by the time St. Patricks Day celebration is over ,no one will remember Lori whatshisname Nick , NavyBlueSmoke , LST-1195

Fact is...just about ANY NIGGER running for public office in Chicago will get voted into office. Pretty much the same thing applies for Michigan...especially in Wayne County (Detroit). Cook County (Chicago) and Wayne County (Detroit) are 95% BLACK....and they control both states. Niggers all stick together even better than the JEWS. That's how the "Head Nigger" Barack Obama got voted into office....because the stupid Niggers all considered him to be Black....even though his 15 year old momma was WHITE. NIGGERS ARE SO STUPID....and the courts...state and Federal government are scared to death of Blacks- because they riot...and burn down buildings. That's why the judges and the government will give them anything they want. NIGGERS ARE ALL ANIMALS. So much for Lori Lightfoot. I just hope Michael's story is true.

I find your words to be offensive. We all hate Obombya, but the rest of your words are really really ignorant and awful.

hes right actually. so its ok for them to insult us. but we cant back? thats called being soft.

NO not this time, MANY BLACK leaders and former public officials has already declared support for Paul Vallas. The black guy running in this election, Johnson is a marxist communist woke S.O B. he has appeal with the jews, many Blacks maybe some Hispanics , woke white liberals , collegiate cucks, snowflakes , etc. The biggest hurdle with be the zionist satanist jew MONEY which buys the rigging , rip -offs , and FRAUD But Paul Vallas is no fool and he understands exactly how Chicago operates, I believe he knows where the corruption, graft etc. starts and ends. He is Greek and they are PLAYERS in Chicago , make no doubt about it , restaurants , gyros joints , Food Service industry and vendors , gambling

, real estate, you name it, they have someone in it, Greeks are pretty Cool. So Paul Vallas has a very GOOD SHOT at WINNING, just hope he does not loose his way if he wins the Mayor slot

You are CORRECT everyone who got vaccinated and boosted will be DEAD long before 10 years has lapsed, ALL dirt-napped, This is the heinous reality. NO ONE LEFT TO REMEMBER.

I'm not certain, but I susupect you were part of naval personel aboard the USS Barbour County during the Vietnam War, thank you for your service, God Bless.

We can't get just one other source to write on any if these articles here????
Not even Tucker Carlson????

NO , I am quite sure there are numerous journalists that have fucked their cousins and siblings and their progenitors as well. KEEP IT IN THE FAM.

Whats up with this constant "bang your cousin" thing???
Do you have a fixation with banging cousins???
I mean, I know it's meant to come across as funny, but still.

In my estimation there is no way that Michael would share his sources with a fly by night like Tucker ! He cannot have his reputation slide to basement drawer status Nick , NavyBlueSmoke , LST-1195

It would have to be approved by the Commander-in-Chief and Military Command. Not bloody likely at this point in time. Some of us amateur sleuths have been pointing patriots to these articles and have been thanked. Many are finding these articles on their own. Right now, Tucker Carlson and Elon Musk are doing exactly what they are supposed to be doing.

Maybe he has progeny with other journalists, not necessarily his cousins or relations.

That would be the KISS of DEATH, you might as well have Murdoch buy RRN, if he does not already own RRN.

There are other news sites that report these stories, but most of them copy and paste without giving credit to RRN. Other sites run a list of who has been arrested and the outcome. If you use Yandex you'll find more truthful stories that Google suppresses.

So Lori's XY Chromosomes would have been noticed by you more than a dangling participle ?? Nick , NavyBlueSmoke , LST-1195

Finally they arrested the spawn of beetlejuice & predator...
So what is Lightfoot's real name???
We all know Michelle O = Michael Robinson.....

If you could read my mind now you would know it was not meant to be an insult just a loose association. Did not intend to break your heart of glass.

She be too ugly for a female; too unspeakably hideous for a male

Lori Lightfoot is just plain fugly.

Guess NOT ! However , it does making the decision to shave which end more difficult & which end walks in the direction of travel ? ? **With Lori's eyes , I ASSume she was already trying both directions at once** Nick , NavyBlueSmoke , LST-1195

Wide apart eyes = fetal alcohol syndrome

Since fetal alcohol syndrome covers a wide range of problems, there are many possible symptoms. The severity of these symptoms ranges from mild to severe and can include: a smooth ridge between the upper lip and nose, small and wide-set eyes, a very thin upper lip, or other abnormal facial features.

Last edited 1 day ago by Zee

Maybe....maybe NOT. Eyes WIDE APART could also be an Alien from outer space. It don't matter....because anyway you cut it.... Lightfoot is still a fucking NIGGER. The Chicago Niggers voted for him, anyway....no matter how UGLY he looks. I always figured that Lightfoot was a *butch Lesbian*. The fact that he has a DICK between his legs....doesn't change anything. A NIGGER IS STILL A NIGGER.

It's why they want every sexuality acceptable
So tyranny or pedos make the rules
They are easier to be manipulated
Through blackmail
Hang her by its dick
