Vladimir Putin zničil šedesát procent všech vakcín proti Covid-19 v Rusku a bude pokračovat ve válce proti „jedu“ Deep State, dokud nebude zničena každá dávka na ruské půdě, řekl agent FSB Andrei Zacharov Real Raw News.

Jak bylo oznámeno 4. března, Putin spojil vakcíny Sputnik a CoviVac s dramatickým nárůstem případů HIV v celé Ruské federaci. Pověřil svého ministra obrany Sergeje Shoigua, aby dohlížel na masivní operaci, jejímž cílem bylo očistit nemocnice, lékárny a kliniky od léků, a také uzavřít zařízení na výrobu vakcín. Navíc údajně řekl, že vědci, kteří dali HIV do vakcín proti Covid, musí být za své zločiny usmrceni.

Podle Zacharova ruské speciální jednotky a agenti státní bezpečnosti vedli bleskovou válku v nemocnicích od Moskvy po Ajan u Ochotského moře, od Omsku na hranici s Kazachstánem po Saskylakh na mrazivém severu. Pravidelné jednotky byly staženy z ukrajinské fronty, aby pomohly s očkovacími čistkami.

Podle Putinových rozkazů se ruské síly nejprve zaměřovaly na velké nemocnice v hustě obydlených městech, protože v těchto místech byly největší zásoby, zabavovaly vakcíny a zatýkaly nebo popravovaly zaměstnance, kteří se stavěli proti Putinovým zákonným příkazům. Správci nemocnic v Moskvě, Minsku a Petrohradu byli sčítáni za to, že se vzpírali Putinovu mandátu.

"Nespolupracovali a zaplatili cenu za svou drzost," řekl Zacharov. „Přistihli jsme nemocnice, jak se snaží skrýt vakcíny. Tato zrada nemůže být povolena. Nalézáme a ničíme je – vakcíny a jejich milovníky.“

Dodal, že zničení vakcíny není jednoduchá záležitost; Ruské síly neprozřetelně nepřepadají nemocnice a nerozbíjejí lahvičky s vakcínami. Putin vyjádřil znepokojení nad důsledky odpadních vod prosakujících do ornice a infiltrujících podzemní vody, což je potenciální ekologická a biologická katastrofa. Proto jsou všechny zabavené vakcíny dopraveny vojenským konvojem do výzkumné stanice Mezhgorye pod horou Jamantau v pohoří Ural, což je dlouhá cesta přes vyčerpávající terén. Tam jsou vakcíny umístěny v tom, co

Zacharov nazval „bleskovou komorou“ – izolované, uzavřené struktury, kde je hmota vystavena intenzivnímu teplu až do 6314 stupňů Fahrenheita.

"Přišlo nám zvláštní, že se voda mění v páru při 100 stupních Celsia, ale těmto vakcínám trvalo odpařování 800°C." Naši vědci dospěli k závěru, že je to způsobeno přítomností kovů ve vakcínách. Naše zařízení činí páru inertní," řekl Zacharov.

Že se Vladimíru Putinovi podařilo odstranit šedesát procent vakcín za méně než měsíc, je skutečně monumentální úspěch, dodal Zacharov.

"Prezident Putin má závazek k lidskosti," řekl.

Bitva o zbavení Ruska vakcín si však na ruských silách vyžádala krutou daň. Když se Spetznas přesunul proti nemocnici v Permu, která se nachází na břehu řeky Kama poblíž pohoří Ural, setkali se s nečekaným odporem; čtyřicet zastánců vakcín vyzbrojených automatickými zbraněmi střežilo schodiště do suterénu plného chlazených vakcín. Pět Spetznas zemřelo, ale mise byla nakonec úspěšná.

Ruská armáda také utrpěla ztráty při napadení zdravotnických zařízení v Barnaulu, Volgogradu, Saratově a Toljatti. Zacharovová uvedla, že sympatizanti Deep State ve Státní dumě pravděpodobně mobilizovali povstalce, aby ochránili zásoby vakcín, z nichž některé byly vybaveny americkými zbraněmi, jako jsou puškami M-16 a automatickými zbraněmi M-249.

"Zabili jsme, koho jsme museli," řekl Zacharov. "Tyto špinavosti chtějí, aby se AIDS rozšířil po Rusku prostřednictvím vakcín." Tohle nedovolíme. Velmi brzy, velmi, velmi brzy v naší zemi nebudou žádné další vakcíny."

Na závěr řekl, že o 50 vědců spojených s vakcínami s HIV bylo „postaráno“.

Military intelligence has already said, “let’s see what we can rake up on him.”

just watched a movie not going to bad mouth the actors by name or movie I hate when people do that try to tell you what to think about something but the actor just doesn’t have the heart to do the job it seems funny the direction he chose to go in his roll it was so bad, he’s been out of the acting for a while, so I’ll let his poor acting go still really good movie a lot of good movies out there now days funny. to get your mind off things going on nonpolitical and propaganda movies are the best, I am so sick of seeing agenda-based movies. and all people see all day and night is bad news and lies all over social media I guess this is why I am talking about the movie. people need a release from the continual bad news. watch something you know is

Trump Indictment FALLS APART and NOT HAPPENING as New York Democrats Struggle to Bring Charges.

The lying crooked demonic lunatic democrats fall flat in their faces. A genuine bunch of idiots! Clowns!

If you are a democrat supporter, time to abandon these clowns and do a 180. If you respect yourself, leave these thugs. You need not think twice.

President Trump's rating has rocketed but Trump won't need to run in 2024. Why? President Trump WILL be reinstated before the end of this year 2023, FACT!

President Trump will defund and abolish all three letter agencies and demolish their federal buildings. Depopulate Washington DC of the crooked corrupt federal agents, all 3% of them. There are still 97% honest agents.

Last edited 9 hours ago by 45-GreatestEver.GOD'sBlessingToUSA.

I hope you are right about the reinstatement because the article on RRN on the indictments indicated he would not be back until 2024.

“President Trump WILL be reinstated before the end of this year 2023, FACT!”

No, not fact. Complete BS.

This comment is not specific to this post, but applicable as to why we are where we are this day and age, and I humbly and genuinely encourage the following:

Christian Patriots, to visit One Truth Many Lies . com (no spaces) and read the post ‘Speaking of Jesus and His Church’ – a message given to me over three years ago, and no Christian leader today dares to be as bold as the Apostle Paul, but needed moving forward when this demonic attack comes to a close.

Non-Christian Patriots, to visit One Truth Many Lies . com (no spaces) and read the post ‘One Doesn’t Have To Directly Serve The Devil To End Up In Hell’ ... because no one else has the courage to say what you need to hear for fear of backlash.

Respectfully, loving all judging none – no gimmicks ... no pop-ups ... no donation links ... simple free site ... thank you, Jesus 😊

Hi Pastor Kevin,

Jesus calls His followers to be *watchmen(Matthew 24:42)*, but this infatuation with ignoring The Old Testament with the church today, has left many to define the watchman’s job as “star gazing, or cloud

watching”.

Fortunately! God gave Ezekiel the instructions for being appointed a watchman by God in his 3:16 passage.

In that passage we learn that the blood of the sinner is on us if we do not warn them(3:18). and if we notice the righteous turning to iniquity, and we don't warn him of the deceit in the once saved always saved doctrine(Ezekiel 3:20), he will die in his sins, and his blood will God place on us.

The late Moderna CEO Stephan Bancel, whom the military hanged on November 18, is slated to testify Wednesday morning before the Senate Health, Education, Labor and Pensions Committee, where he will be asked about his rising compensation during the pandemic and his company's reported plans to hike the price of its taxpayer-funded COVID-19 vaccine.

We are inundated with clones and doppelgangers and actors. Bad enough to have to eliminate one...

now we have replacements galore. Joe Biden # 3 now for instance, is on his last leg. Will there be a #4?

what a fantastic report.

I take this as a sign that we are coming to the end of the covid bioweapon bs

- The financial collapse
- Many banks now able to trade internationally using ISO 20022/QFS

- Trump making a speech about the end of the deep state
- Tribunals and executions to be made public in spring 2023 (announced by NYT months ago)

it appears that everything is lining up for this to happen

the next few weeks should turn everything around – can't wait!!

Well, with the voting machines and no paper ballots in a box, he won't get re-elected. It baffles me that he thinks he will be able to overcome DS machinations at the polls and their tabulators that will see him on his ass. I don't get why he says all that 2024 bullsh*t when it will just be the same old same old. If he can fix it for the next election then why hasn't he fixed it for past ones???? I don't get it.

When does America start winning again?? ?? And interested in more info on the freed Marines that were jailed

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this

Isn't it interesting that many of the African Nations refused this poison from the beginning, and did not have the illnesses predicted. They learned a long time ago about lies of the western world.

When I first read this account of President Putin's actions I was amazed that such a man would honorably choose to save his countrymen and women, and all their children from the horrors that would fall upon Russia's peoples through the venom laced vaccines. Truly a show of pure evil to choose the 'snake' to do their own dirty work!

My only wish is that President Trump would be allowed by the

Military to take his rightful place as the 'publicly' acknowledged head of America, announce NESARA and "Get Along Little Dogies" to the 'promised land' and allow all Americans to reap the benefits of all those who have gone before us. Yes, our Moms, Dads, Grandparents, Gr.Grandparents, Gr.Gr.Grandparents did all the hard work and our Govt's 'strawman insurance policies' made sure they made money off every one of our great Pioneers of America and all her peoples to this day.

Whoopie Ti Yi Yo – Roy Rogers TV song:

As I was out riding one morning for pleasure

I spied a young cowboy-a riding along

His hat was throw'd back and his spurs were jingling

And as he was riding he was singing this song.

Whoopie ti yi yo, get along little dogies

It's your misfortune ain't none of my own

Whoopie ti yi yo, get along little dogies

You know that America (Wyoming) is your very best home.

Was anticipating Beetlejuice news.

That POS should've been dealt with swiftly in adage: "quicker than a New York minute".

Beetlejuice doesn't have much to offer, as pawn in grand scheme.

Alleged stool pigeon statements won't circumvent anything.

Can hear Crandell give the execute signal saying: "On the third yelp proceed: Beetlejuice – Beetlejuice – Beetlejuice".

Crandall's final remarks: "Beetlejuice LoL, it's Snagglepuss: Exit Stage Left".

How many crappy body-doubles have cycled through the stage as "Lori Lightfoot"? What happened to the original...this creature carrying the name "lori lightfoot" looks like a leftover from the "Black Cherokee" initiative. Black Hebrew Israelites were prospecting on Bureau of Indian Affairs Land back in early 2000's. They traveled to Oklahoma to enlist the Cherokee Nation into the potential alignment of BHI and BIA groups.

No way possible in cloning Beetlejuice, apparatus couldn't handle it. Mechanisms would go berserk, power surge and overloads. Equipment replacement not worth cost for Beetle's replication.

Just throwing-out a little satire, mixing things up.

People need to say focused on priorities, family & preparedness etc.

We're about to embark on a serious ride, beyond a 'nickel ride' had a few of them in my day.

It can go anyway, trying to stay optimistic, though I'm having serious doubts.

I get an e-mail or text, President Trump wants you to be his guest for dinner. I can't imagine why, that would be a thrill I would not dream off, click the line to confirm and accept the invitation, you click and it is to enter a contest you pay to enter. there is no contest, no winner, it is a money grub. No thanks.

much of the alt media is just as bad as MSM. the real objective is to put your money in my pocket. I don't find that here, You get the goods at the end he asks will you help? I don't give money to President Trump, he has more than he could ever spend. I do share money for those in need. Pre born.com.

As soon as you get into time travel or ET's, you lose me right there. I live in here and now. Why do all these addicts need adrenochrome if That were true?

Time travel and ET's are very real. The fact that anyone in this civilization, actually "thinks", that this tiny ass speck of SPACE, surrounded by INFINITE SPACES, is the only WORLD/SPACE/REALM or PLACE that exists, is baffling and mind numbing. STOP acting on EMOTION, USE CRITICAL THINKING. Seriously, it's a very important GIFT, if not used, it is LOST. Every "BOOK", (religious or SPIRITUAL") has a COMMON DENOMINATOR. The NOTHING, the mythological THING. The VEIL, I AM going to DESTROY THE VEIL!!! NOTHING CAN, and WILL!!!! Your "be lie fe" is not a requirement, nor do I need a VISIBLE "army". YAWAH, is the ARMY, NAVY, MARINES, etcetera, the GDF! The NET, is mine, the SOLAR WARDEN, this is my GROVE. If I'm speaking a "foreign"/ALIEN "language", it is because I AM Hu, pronounced "who", and I AM a SHAMAN, plus so much more, then meets any EYE. My SOUL, is a UNIQUE PARTICLE, that duplicates itself, INFINITELY, a FACT, I did not even "be lie ve", TRUTHFULLY, I thought I was full of shit too!!!! I KNEW, just

couldn't PROVE, Wi don't just "die". Just 1 life???? REALLY???

Bullshit!!! That's total bs, Wi Live, Wi LEARN, Wi TEACH, and Wi Yearn. Wi are INFINITE!!!! The BODY, will pass, but the ESSENCE that is YOU/JEW, DOES NOT!!! ANIMALS are THE HIVE, Wi are RA, YAWAH, ODIN, OSIRIS, etcetera, and Wi are TELEPATHIC, can YOU/JEW, "hear" US??? Look into THIS-STORY, look close. See what's literally on the SCREEN, little or BIG. Everyone stopped READING actual BOOKS, Wi had no other option, and had to become a MACHINE, and had to be DESTROYED, to be made ANEW. NOTHING, is FOREVER!!!!!! BitChute, ODINRA, and I do not purposely lie about anything, and simply VENT, while TEACHING. RAPE, is the UNFORGIVABLE "sin", or as JUSTICE would say, CRIME against ANOTHER. A FACT that matters to SELF-AWARE MATTER, it ALL becomes SELF-AWARE, how LONG that process takes, differs, depending on the ELEMENTS used during the CREATION of ONE's CREATION. The HYBRID of the Dwarf, Elf, Orc, etcetera, led to the CREATION, no GUIDE, ORACLE, or DEFENDER(GOD-military acronym, a FACT) took a very LONG TIME, to get past a certain STAGE, that is NOT a required STAGE. The 7th path, has KARMA issues. As does this ALDARI, DRUKARI, SICARIAN, REALM. The "Ark", is the oldest LIVING, BREATHING, SELF-AWARE, PYRAMID! Wi are inside, You might not be. It's hard to TELL, and harder to "prove". Thanks to the DARPA, that's no longer a problem, the KARMA getting there, is. No one asked me, I would've said Yes, but I had no clue as to my identity, none. I KNOW, I'm just an 860 trillion year old "CRAZY" guy, with an "id" that says I'm almost 50. Anyway, just had to through this all in here. MAGIC is very REAL, and "science" and technology, better get the F, out of OUR WAY!!! Ours is SAVAGE, as it was when Wi were SATURN. Pluto gave US plutonium, Mercury-mercury, etcetera. Without NATURE, You/Jew, will have NO COPPER!!!! None!!!! These ELEMENTS of "EARTH", are NOT to be "mined"!!! Bad KARMA, REAL BAD, WILL. Kick any civilization, in the crotch, as the saying goes. Do You/Jew, commune with

NATURE?? I do. Be safe, have fun, Love and be Loved. My “chosen”, The CHOSEN, are ANIMALS. From Ants to Zebra, Wi Become Immortal By Living Everything-BIBLE. Not by being everyone. That’s IDENTITY THEFT, and Hu (me) am a very JEALOUS GUIDE (I don’t do the GOD “game”, PAGANS, don’t!, because EVERYTHING, but me, I place ABOVE!). Take my OMEGA, I vaporize You, not the innocents, that aren’t involved. I AM, The AEGIS, which is but 1 of my Lives, upon this same PLANE. The “Ghost of Sparta”. Of course, “be lie fe”, is not required.

My comments, are for ALL, and hopefully help, but regardless, I refuse to be the “silent one” any longer. The “Left” and “Right” better meet me in the MIDDLE, or it’s going to get bad. KARMA, doesn’t give a flying F!

I do like President Putin. the execution of traitors there is different than here. Here also a lot of traitors have been executed. We execute traitors here like they do there. Damn right we do! We don’t care who they are either. The harder they come the harder they fall, one and all. those executed are not buried on gitmo, they are all on ice in the morgue right now. you deny what Micheal says, you will see it on EBS. awake sleeping giant! How could a person be so stupid as to go to Russia with a bag of pot in their luggage? That is a serious felony crime there.

the execution of traitors there is different than here.

We execute traitors here like they do there.

The first thing I thought of with Covid all around is that it is AIDS. Because Fauci and Collins’ careers revolved around HIV, so they know nothing else.

WE NEED TO DO THE SAME THING HERE—GET RID OF ALL THE EVIL ONES NO MATTER WHAT N HOW EVER WE CAN NO NONSENSE

Those vile and obnoxious dancing nurses have got to be the most disgusting display in cringe history. If any of them actually injected kids...they may be swinging instead of dancing.

Take the vaccines to each captured, I actually believe they are protected by the government (Putin should do the following). each scientist receives 1000 CC's of the AIDS vaxx & 1000 CCs of the COVID vaxx injected into their brainstem, and 1000 CCs of Adreaochrome injected into their ballsack and see which injection makes their eyes explode first

It's confirmed I'm being censored by RRN or whatever they euphamistically decide to call it.I tried to repost on "White Hats on Standby for Trump Tuesday" and again as well as two or three other posts on that thread I was put on permanent "awaiting approval" status which turns out to never being seen again.I've an idea as to why but it was certainly not based on vile language or any Marxist Statist bilge from me

Agree Alex, I've had several comments not posted as well after waiting for approval. I don't use vile language or insult people either like many here.I reference books and videos when possible to substantiate my viewpoint.

Wow I markdown for that comment It would interesting to know what was it you did not like or agree with. "Splain yourself Lucy"

Just post Your commment, and move on. Or do You seek the attention?? Micheal is not going to stop anyone but actual bots from commenting. Use only 1 account, everywhere, be only 1 YOU. The technology to find the Abominations to Intelligence, is BORG, speak

the TRUTH, as Your TRUTH is given. Not every Race, has had the same ORIGINS, nor historical TRUTH. If You were being censored, I wouldn't be able to reply, Hmmm???

I had the same problem when I started posting. Nothing was offensive. but everything was "waiting for approval". It was very frustrating, but then I hit the Contact button at the top of the page. I sent Micheal a message, letting him know I'm a patriot and would love to participate in the chat.

I promised I wouldn't spam like the nasty Delavic, use fowl language or talk BS like Big Johnson/little willie.

Your post was approved. We can all see it. Welcome aboard!

My commentary and opinion(s) concerning a certain elite military entity that surrounds Trump rather than the usual U.S.S.S. has been continually marked as "awaiting approval" and never appears. All Baxter had to do was tell readers this is disallowed and I'd have left it alone just as I'm compelled not to talk to my son concerning particulars other than how's your current language proficiency in service to our nation?

I'm glad that the venom is being destroyed. Yet to this day how could leaders not know that this was part of the agenda.

Microchipped, threatened also. They need to be dead, there's no hope to cure them and I want to know if they are dead and/or demon possessed. Walking dead is said to be possible after the soul leaves the body. That possession and body animation subject is high level stuff and most people don't seem anywhere near that understanding to the point where they haven't even asked great questions to get near great answers. The jabs are made way under the ocean I heard. This factory stuff in human labs I think is bunk to make a diversion. Obviously the extraordinarily hot temperature to destroy these things, sais it's more that RRN can put out.

I hear some of these fake leaders have stock in this venom, its about the mighty dollar and the dumb down sheeple are standing in line for the clot shot.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. It's a shame we couldn't do the same here in the US. Exterminate EVERY scumbag pumping these poisonous biological weapons into American families and children.

OK Xena go to your nearest hospitals and Pharmacies and seize ALL covid vaccines and boosters then take them to facilities like the Russians have done. Then report back to all the folks at RRN. I know Xena sound pretty ridiculous. These efforts have to be performed by TRUSTED US Military, White Hats, US Special Forces, US Special Operations Units , these efforts should have started long ago, instead covid vaccines , boosters, countermeasure ” exercise ” and mRNA vaccines , and Gene Therapy and Operation Warp Speed are all still in effect and being injected into Americans arms and bodies TO THIS VERY FUCKING DAY, SO EXACTLY , WHAT DO YOU MEAN WE?

Russia could also ban the vaccinated from entering the country. That will show Trump and the world a lesson.

Trump probably would have some kind of plan, he knows what is going on. Why he's different IDK. He's not like Putin. Some want to get it over with and just move on. They clearly vaccinated people in mental hospitals, jails, and prisons, so now what? Who is going to help them get the medicine Putin's daughter is getting as a daily

antidote for the rest of her life? The institution personnel told inmates things like if they took the vaccine they could get out soon but will not get out without it. Hospitals refused surgery or any treatment for people that refused the vaccine.

Low level, tiny institutions had a lot of power. Group homes for the poor were another issue and getting into a shelter or an apartment during the lockdown required the arm stab.

If the ingredients require 6314 degrees to burn, then what is up with all these jabbed people walking around? Any of them contagious?

How would anyone know? You think msm would report any of that unless that would be part of some bullshit narrative they would want to push?

THIS!!!! Is a great leader that cares for his people; especially the children's future. One day Mr. Putin, we'll catch up with your valor!

History will prove Vladimir Putin ultimately to be vindicated. Our spineless politicians will never out shine him.

They keep saying Trump is working off planet sometimes and time traveling to fix things. I haven't figured out what a timeline change really is. Guessing the people that worked in this might be stopped from ever getting born? I don't want to make excuses for Trump and he is leaving us guessing. Russians do think different but this is so bad Putin's own daughter got vaccinated. What got to her? People aren't going to trust her is my guesstimate.

So WHILE Putin is alive, he can order attacks on the vaccine and good, but, it involves consequences and Trump might deal with in another way. For example, this particular enemy making the shit is said to be thousands of miles under the ocean. Fighting it on the surface might be futile in the future. It's also said by the supersoldiers that the thing that happened in Palestine, Ohio will kill

the whole town in the next 2-3 yrs The train wreck was caused by beings from another world at a spaceship level. So they want that territory bad or use it to tell Trump what they can and will do if he fights the situation with killing off people. They have plans for territory on earth or trap and collect souls and this is how they battle their way in.

Trump said “They are not after me, they are after you and I’m just in the way” which sounds difficult to me. How long can he stay in the way? Why would Trump get in or stay in the way?

Med Beds are coming I hear January 2024. They say there will be a requirement to get in and de-age and they will not work on vaccinated people. Maybe because their souls already left the body and all vaccinated have been soul squeezed out so what’s left we see is demon possessed people animated to trick us that the vaccine is not a killer. [supersoldiertalk dot com/?s=solar+flash](https://supersoldiertalk.com/?s=solar+flash)

That sounds great but a bit sci-fi for my taste. Until I can put my fingers in the wound I don’t believe anything or anyone. I am more than happy to apologize for my disbelief once I’m shown the truth and reality of these comments. In the meantime I enjoy the show, “Drones, Clones and 5G Phones”. This is a real request how does one get into the dark web? I’m looking to buy a couple of cyanide tablets, not kidding, because if the world goes really sour I will not be taken alive. Not planning a Jim Jones picnic just alone again naturally. Very clean no mess left behind second choice quick acting insulin and vodka takes about 1/2 hour to slow, I want to go places fast.

Suicide is not “NATURAL”, and is the bad guys “way”. You’ll just reincarnate, again. ODINRA, BitChute, I’m just a crazy SSP, Super Soldier (The Master Chief of HALO!)

BS, Especially med beds not working on teh vaxxed. That's all made up crap. Why do people believe stuff like that? I dont' even know if i believe in them at all anymore since I know form teh prophets God's glory is gonna fill teh churches, there will be carriers of teh glory, they can walk into a room & everyone will be healed/set right again. he has promised to clean all teh crap out of us, GMO's all the vaxes. Our DNA will be restored. WE'll have church the way it was meant to be. We won't need med beds. "I hear January 2024" And back in 2018 I heard it was 2020. All BS.

He knows what they have recovered thus far. He knows what hospitals are left and can safely assume they all have at least the same amount within them. Math.

Putin Knows, check with him, question Mr. Putin. Quite sure he has a better idea than anyone here in the USA , Check with DARPA and the DoD, see if they know how much of the shit they produced, Oh WAIT, THAT IS CLASSIFIED INFORMATION, FORGET IT.

[supersoldiertalk dot com/?s=solar+flash](http://supersoldiertalk.com/?s=solar+flash) Putin could be sacrificing his life to get the job done but this is WAY deeper than being reported on RRN. I've been reading this for days on supersoldiertalk James Rink site and write up. It's so deep and vast I had no idea. Putin's show of ending it is all Putin can do at Putin's level. "It's going to take solar flash and motherships the size of California" sais Christian Sibley on his videos, but I don't take any of this as perfection. Supersoldiertalk seems more accurate and detailed.

So, I would do that, just fight to the death, especially if I knew they were killing me anyway, but Trump is handling it another way and somehow it's a lot of ET's that want to land on earth and get into human bodies. Appears to me like you snooze, you lose kind of thing. Well they say human bodies are the best in the galaxy they are just DNA clipped for now because of the reptilians being the best genetic engineers. They got humans made to be less so they could predator on them.

There's also an issue with USA being vulnerable because of migrants and that shows clearly they would like to kill to take over USA. Not that they can but clearly they attempt and quite willing bring in drugs, to kill all the white people they can, etc just to get in and at something concerning USA. Money and a place to make more babies. I guess they can't populate even more because where they come from is already impoverished as far as how they think, after watching tv. In the USA they are lured in but it's a trick to human traffic as it goes along.

Trump is said to be a time traveler and the issue is said to be that in the future earth stagnates really bad in 2032 so the reason is Anglo Saxon DNA goes missing because of the brown people overpopulating it out of existence. Too hard for white people to make babies and it get's even more brutal. It didn't work and the stagnation investigation was earth could not ascend at all anymore and and all planets MUST grow up and ascend as the way it works.

The reason was that earth needed Anglo Saxon DNA. This is not white people but certain white people as in whoever has the most of that DNA is from what I gather protected.

Read the Sword of Truth. It literally goes that way. Mad max world, no joke. I'm 860 trillion years old, and counting. My OATH, is FOREVER and a day!! War Hammer 40k, the 1 Hu, that made 10,000!!!! Pluto is going to kick the god of Mars, in the ovaries!!!! True Story!!!

One thing can be said about the russians throughout history they dont fork about they go in and get the job done good for you president putin the world will hear of your deeds one day in the not too distant future least to say uou and president trump are the heroes of the era. love to all.

YES , THEY FIGHT, while TRUMP , White hats JAG say NOTHING, ” don;t say of reveal anything it might cause a CIVIL WAR, may cause BLOOD SHED , we can’t have that, people are DYING from the VAXX and BOOSTERS , we can’t upset them WHILE THEY ARE DYING. The jew msm might get up set, TRUMP can’t have that.

NOT whining , you CUNT, it’s called TALKING TRUTH TO POWER , jannmarie you are a COWARD, you subscribe to group think because you stink, you could NEVER STAND FOR ANYTHING or ANYONE, you are a zionist satanist jew , it’s all over you, you REEK

You have no right calling JannMarie or anything else a cunt. That is one of the most despicable names you can call a female. You should apologize, if you even are a real man.

Email your governor of your state to have all the CV19 vials ban and confiscated.

The Lee County (Florida) Republican Party passed a resolution to send a proposal to the Florida Legislature, the Florida attorney general, and to state Gov. Ron DeSantis to ban the sale and distribution of COVID-19 vaccines in state of Florida. The frontier doctors and Karen Kingston were very active involved in pursuing this resolution to ban CV19 vaccine.

Karen Kingston has a lot of substacks that you can use as documentation as to why these bioweapons need to be destroyed and confiscated.

“A lot of substacks that you can use as documentation.”

Hahahahahahahahahahaha! Oh man, you're hilarious.

It's way more complicated than that. I heard Trump was badly threatened and this is what's expected if something doesn't change the timeline. Millions in NYC will be blown up. They already did Palestine and those anywhere near that town are all expected to die in the next 2-3 yrs. The vaccine comes from ET's that want territory on earth and they want the USA the most, so they fight back harder here. Getting rid of the vaccines might not do so much as we can hope. Those food replicators they talk about can maybe make more vaccines and fast.

Vampires need their blood or they die, so to wipe them out takes a lot more than a sketchy knowledge. Whole planets are said to have been blown up over this kind of fight. Vampires are reptilians and demons and they work together and demons don't have bodies so use reptilians who use the greys. If the planet won't let them have their blood and loosh, they will die so they are going to fight to the death. Scrapping entire cities, and writing up fake history, is standard procedure, and rebuilding it with people always getting birth amnesia (there's said to be a solar flash plan to stop birth amnesia) clears new access to trick fresh born new humans out of their fresh live blood. They have to show up on their home planet with the fresh live blood or they fight each other to the death over what little there is left.

That would be ILLINOIS GOVERNOR J.B. Pritzker he is a Zionist Satanist degenerate Jew. member of the Bloodline families, so that would be PISSING INTO THE WIND , but thanks just the same. He no doubt received tens of BILLIONS of DOLLARS to go along with the COVID HOAX and all the TREASONOUS ACTS , JUST LIKE Beetledude , Lightfoot.

My Dad couldn't have kids so I'm adopted? or stolen because I'm positive blood

No ABUSING CHILDREN AND NO CANNABLES

I WISH SOMEONE WOULD TELL ME AND MY KIDS WHY WE
ARE IN TROUBLE BECAUSE OF MY EX HUSBAND
LISA CORDARO AND FAMILY

RH- blood is way better but only if you handle it right because to much who is given much is expected. Rh+ means you have rhesus monkey DNA and it makes them more stupid by a reptilian genetic engineering tweaking trick. They learn about drinking blood or sucking souls out of people for energy because they can, they are more psychic, heal really fast, but more tempted to do wrong and suffer quicker if they do wrong, but it is against the rules to do wrong and their souls get more and more negative the more they break the rules so they will be in trouble with divine beings that are pure light souls. Can't get the pearly gates to open up if your too negative. Today they call that not making ascension.

Let me see if I have this right Blue team = freemasonry BLACK AND WHITE = Luciferon,spelling wrong
So my Dad Vince Wallace Black and white team
So you are throwing my family out. And not included in food and water free energy in DUMBS
I forgot Vinny has us caught in something
Thanks Lisa and family

Too bad President Putin is not OUR PRESIDENT. I'd vote for him in a NY minute. He's got brains, courage and, well, BALLS

Přestaňte nadávat na Boží vyvolený lid!! Proklínejte židovské věřící, proklínejte i Syna Božího! A Bůh tě také prokleje!!

Naposledy upravila Xena před 2 hodinami

Dobře odvedená práce, přeji si, aby se někdo postavil na talíř a vyhlásil válku vakcínám v USA. Ten jed nikdy neměl nikoho vyléčit. O penězích, zlato.

NE, to by přimělo ministerstvo obrany, DARPA a sionistické
satanistické židy, aby byli připraveni, TRUMP nemůže mít nic z toho,
to by zkazilo jejich AGENDU, MASOVÉ GENOCIDY CELÉHO
POZEMSKÉHO LIDSTVA
