Giftzweg je úžasné malé německé slovo. Vyslovuje se to „gift-tsvairk“ a doslova to znamená „jedovatý trpaslík“. Němci mluvící to používají o někom, kdo je malý, ale zlomyslný, zvláště když je tento člověk zlomyslný, protože je malý. Ale byl to anglofon Charles Dickens, kdo vytvořil snad největšího Giftzwegera všech dob v Danielu Quilpovi, zlém a mazaném trpaslíkovi, který špehuje, spiknutí a ničí životy v *The Old Curiosity Shop* (1841).

Malý velikostí, velký zlým

Ve svém článku „Minority Malice“ jsem tvrdil, že Dickens zamýšlel Quilpa jako židovského padoucha, což symbolizuje zlobu a mazanost Židů jako menšiny mezi nežidy. Navzdory tomu, že je Quilp trpaslík, má velký vliv na nemocné na všechny kolem sebe, stejně jako Židé, přestože jsou malou menšinou, mají na svět obrovský vliv na nemocné. Například Židé byli ústředním bodem přeměny nedokonalého, ale reformujícího se carského impéria na masovou vraždící tyranii Sovětského svazu, stejně jako Židé byli ústředním bodem při zaplavení západních národů požirači daní a zločinně nakloněných nebílých z r. zkorumpovaný, násilný a nemocný třetí svět. Židé byli také ústředník šílenstvím a lžím transgender kultu,

který požaduje, aby duševně nemocní nebo sexuálně zvrácení muži byli přijímáni jako plné a autentické ženy jen proto, že o sobě tvrdí, že jsou ženami.

Falešná žena a falešný Američan: židovská transwoman a transameričan Richard Levine (aka Rachel Levine)

Ale židovský Giftzwegvolk — Poison-Trpasličí-Kmen — vždy potřeboval ve své válce proti velikosti a gigantickým výdobytkům Bílého západu spolupachatele z nežidů. A vždy se je podařilo najít. Ve velkém bílém národě Skotska našli Giftzwegvolk doslovný Giftzweg, aby vykonával svou špinavou práci. Nicola Sturgeon, vůdkyně Skotské národní strany (SNP), je malá co do velikosti, ale během svého působení jako první ministryně Skotska byla velká ve

zlém. Stejně jako takzvaní nacionalisté z Plaid Cymru ve Walesu SNP chtějí nezávislost pro svůj národ ne proto, že chtějí prospět jeho skutečným bílým občanům, ale protože si myslí, že není dostatečně rychle zničen jako součást Spojeného království. Jak SNP, tak Plaid Cymru chtějí zaplavit své hrdé a prastaré bílé národy nebílými ze třetího světa, a pak těmto nebílým poskytnout moc a privilegia nad obyčejnými bílými. V tomto procesu by rozmělnili a nakonec zničili vše, co je na Skotsku a Walesu jedinečné a vzácné, zejména ty klenoty v koruně národnosti, jazyky skotské gaelštiny a velštiny.

Klín temnoty

Stejně jako levičáci na celém Bílém západě chtějí tyto strany používat nebílé jako jakýsi klín temnoty zatlučený do základů národní identity. Jak se klín prohlubuje, rozštěpy se rozšiřují a konečná destrukce se blíží. Když bílý křesťanský národ začne přijímat nebílé a nekřesťany jako plné a autentické občany, začal se rušit. A SNP a Plaid Cymru neúnavně pracují na zrušení Skotska a Walesu. Jsou typicky levičáci ve snaze zničit to, o co tvrdí, že jim nejvíce záleží. Například také tvrdí, že se starají o práva žen a bezpečnost žen, ale Nicola Sturgeonová vedla kampaň, která měla podkopat obojí tím, že umožnila mužským vězňům ve Skotsku identifikovat se jako ženy a poté je přemístit do ženských věznic. Ona odmítla obavy transskeptiků, jako je JK Rowling, jako „neplatné“.

Glowering Giftzweg: problémový transfil Nicola Sturgeon

Bohužel pro Sturgeonovou, tyto obavy se ukázaly jako velmi opodstatněné, protože i když Sturgeonová prováděla svůj milovaný zákon o uznání pohlaví skotským parlamentem v Holyroodu, mužský násilník jménem Adam Graham vrátil klín do základů zákona. Graham během procesu oznámil, že je ve skutečnosti žena jménem Isla Bryson a skončil v ženském vězení. Když se tato zpráva, doprovázená fotografiemi Grahama ve špatně padnoucí blond'até paruce, objevila v lidovém pokřiku a SNP musela zvrátit svou politiku umožnit všem transženám odpykat si trest v ženských věznicích. Ale nebyla to jen legislativa SNP, která byla rozpolcena skandálem: byly

to také šílenosti a lži transgenderismu. Toto je přepis Nicoloy Sturgeonové, kteřa se snaží bránit její zásady pro bystrého mužského reportéra:

Reportér: Moje otázka zní: jsou všechny transgender ženy [ve skutečnosti] ženami? Na tuto otázku jste neodpověděl.

Sturgeon: No, to není bod, který tady řešíme.

Reportér: To je otázka, kterou se ptám.

Sturgeon: Podívejte, transženy jsou ženy, ale ve *vězeňském* kontextu neexistuje pro transženu žádné automatické právo –

Reportér: Takže existují kontexty, kdy transwoman není žena?

Sturgeon: Ne, existují [nepříjemně se směje], jsou okolnosti, za kterých bude v mužském vězeňském sídle umístěna transwoman.

Reportér: Existuje nějaký kontext, ve kterém bude žena narozená jako žena umístěna v mužském [vězeňském] majetku?

Sturgeon: Hele, mluvíme tady o transženách.

Reportér: A já se teď ptám na ženy narozené jako ženy.

Sturgeon: Er, nemyslím si, že tam jsou okolnosti, ale...

Reportér: Takže u transwomen je to jiné?

Jeseter: No, ano, a já ne-

Reportér: Takže si nejsou rovni?

Sturgeon: To není – pro transženy se provádí proces hodnocení rizik, který bere v úvahu povahu trestného činu. Je zřejmé, že ze sexuálních trestných činů vyplývají značné obavy a zda je vhodné, aby byly v ženské nebo mužské věznici. (Rozhovor s Nicolou Sturgeonovou o transgenderismu)

Sturgeonová nemohla svou pro-tranny kampaň podat koherentní obhajobu, protože transgenderismus není koherentní kult. Z černých pohledů, které vrhla na reportéra, když kladl své impertinentní otázky, bylo opět jasné, že jde o netolerantní ideoložku, která nesnáší výzvy. Do své pro-tranny kampaně investovala obrovskou prestiž a vůli k moci a její vykojení se ukázalo jako příliš mnoho na to, aby ji unesla. Po skandálu oznámila rezignaci postů prvního ministra a vůdce SNP. Giftzweg brzy zmizí ze skotské politiky. To je dobré samo o sobě a také dobré jako možný předzvěst levičáctví jako celku. Není to jen Nicola Sturgeon, kdo investoval obrovskou prestiž a vůli k moci do transgender kultu. Jsou to mainstreamoví levičáci na celém Západě. Pokud bude transgenderismus odhalen a převrácen

pro své šílenosti a lži, bude to pro levici obrovská porážka a může se to paradoxně ukázat jako tenký konec klínu, který ničí levicovou nadvládu západní politiky a kultury.

Transwesternismus převyšuje transgenderismus

Je to proto, že lži a šílenosti transgenderismu jsou také lži a šílenství toho, co byste mohli nazvat trans-západní. Transgenderismus je založen na lži, že muži se mohou stát plnými a autentickými ženami; transzápadní náboženství je založeno na lži, že nebílí se mohou stát plnohodnotnými a autentickými občany západních národů. Jak jsem uvedl v předchozím článku, rasové rozdíly nejsou tak absolutní a snadno definovatelné jako anatomické rozdíly mezi muži a ženami, ale existují silné paralely mezi transgenderismem a trans-západním. V doslovném slova smyslu muži nemohou rodit děti; v přeneseném smyslu nemohou nebílí zrodit západní civilizaci. Naopak, jsou schopni pouze zničit západní civilizaci.

A transwesternismus je pro bezpečnost žen a ženská práva mnohem větší hrozbou než transgenderismus. Jsem vehementně proti transgenderismu, ale kolik transgender „žen“ – tedy pomýlených nebo zvrácených mužů – ve skutečnosti znásilnilo nebo jinak ublížilo skutečným ženám poté, co jim byl poskytnut přístup do prostor, které jsou údajně pouze pro ženy? Došlo ke znásilněním a útokům transmijí (viz zde), ale jsou vzácné. Nyní se zeptejte: Kolik transzápadních mužů – tedy nebílých mužů se západním občanstvím nebo bydlištěm – znásilnilo nebo jinak ublížilo bílým ženám? Obrovská čísla. Znásilnění bílých žen ze strany trans-západních obyvatel se nyní musí pohybovat v milionech. Jinými slovy, transzápadní nebílí muži představují pro ženy mnohem větší riziko než muži, kteří o sobě tvrdí, že jsou ženami. Ale transskeptici jako JK Rowlingová na to nikdy neupozorňují, protože Rowlingová a její spojenci jsou stále levičáci. Jinými slovy, nestaví se za pravdu, krásu a dobro : hádají se pouze o postavení v levicové válce na Západě. TERF, neboli trans-exkluzivní radikální feministky, si myslí, že transženy jsou stále muži, a jsou tedy nižší než skutečné ženy ve velké levicové hierarchii ctnosti a darebáctví. Ano, obdivuji JK

Rowlingovou za to, že se vyjádřila, protože SNP schvaluje neomezenou migraci mužů do prostor určených pouze pro ženy. To vyžaduje morální odvahu a vystavilo ji nesčetným hrozbám znásilnění a násilí ze strany transgender kultistů.

Pákistánci nikdy nemohou být Skotové

Ale mnohem víc bych obdivoval Rowlingovou, kdyby promluvila, protože SNP schvaluje neomezenou migraci nebílých do Skotska jako celku. SNP způsobují obrovské škody skotským ženám tím, že dovážejí a privilegují mužské nadřazené násilníky a misogynní ze třetího světa. Nicméně, protože nebílí muži jsou v levicové hierarchii výše než bílé ženy, levicové feministky jako Rowlingová neprotestují proti nebílé imigraci. Rowlingová a její levicoví spojenci budou nepochybně slavit, pokud Skotsko získá transzápadního vůdce v podobě Hamzy Júsufa ., autoritářský a protibílý Pákistánec, který chce následovat Sturgeona jako vůdce SNP. Pokud Yousuf vyhraje soutěž o vedení, Rowlingová řekne něco jako: "Nesouhlasím s transgender politikou SNP, ale není úžasné, že stranu nyní vede potomek pákistánských migrantů do Skotska?"

Falešný Skot: protibílý pákistánský muslim Hamza Yousaf, transzápadní obyvatel, který chce být prvním ministrem Skotska

Falešný Brit: podivínský indický hinduista Rishi Sunak, transzápadní premiér Británie

Ve skutečnosti ne, nebylo by to úžasné: bylo by to další znamení rozpadu Skotska jako skutečného národa. Klín temnoty by byl zaražen hlouběji do stále živých kořenů skotské identity. To je to, co jmenování Rishi Sunaka premiérem v roce 2022 způsobilo kořenům britské identity. Podivínský hinduistický indián Sunak je trans-britský, ne skutečně britský. Nemá žádné kořeny v Británii a jako britský premiér nemá žádnou loajalitu ani zájem o skutečné bílé národy Anglie, Skotska, Irska a Walesu. Místo toho je jeho loajalita k sobě a k bohatým a mocným Židům, kteří ovládají britskou politiku.

Židé nikdy nemohou být Američany

Židé byli ve skutečnosti první transzápadní obyvatelé. Tuto falešnou identitu získali, když v devatenáctém století začali být přijímáni jako praví občané západních národů. Tito raní transzápadní Židé byli klínem temnoty v jiném smyslu: klínem zla a zloby, malými rozměry, ale silnou soudržností a vůlí k moci. Židé začali štěpit západní identitu protibílým a protikřesťanským aktivismem, pak se jim podařilo zvrátit zákazy nebílé imigrace na celém Západě. Po úspěchu s tímto klínem zatloukaným do západní identity vytvořili transgenderismus, další klín pro zatloukání sexuální identity. Proto ten Žid Richard Levine, ministr zdravotnictví v židovské administrativě Joea Bidena, je tak dokonalým symbolem rozpadu Západu. Levine je transgender i trans-Američan a tvrdí, že je žena i Američan. V obou případech lže. Jako muž nemůže být žena; jako Žid nemůže být Američan. A stejně jako transženy poškozují zájmy skutečných žen, tak transameričané jako Levine poškozují zájmy skutečných Američanů. Zlověstný transamerický Žid Alejandro Mayorkas, takzvaný ministr pro vnitřní bezpečnost, zatlouká klín temnoty ještě tvrději do amerických bílých kořenů tím, že masivně zvyšuje již tak katastrofální úroveň nebělošské imigrace. Ještě zlověstnější transamerický Žid Merrick Garland, generální prokurátor USA, vede válku proti „bílé nadřazenost“, což je židovsko-levicový kód pro „bílou národnost“.

Zhoubní trestanci na nesmiřitelné nepřátele Bílého západu: židovští transameričané Merrick Garland a Alejandro Mayorkas

Zhoubnější tresty na nesmiřitelné nepřátele Bílé Ameriky: Židovští transameričané Chuck Schumer a Jerry Nadler

Tito transameričtí Židé jsou důkazem toho, že škoda způsobená transgenderismem je zastíněna škodou způsobenou transwesternismem. Ve skutečnosti, zatímco Nicolu Sturgeonovou lze nazvat Giftzwegem , „jedovým trpaslíkem“, transzápadní Židy jako Karl Marx , Sigmund Freud a Franz Boas lze nazvat *Giftriesen*.nebo „jedovatí obři“. Šílenství a lži těchto dávno mrtvých židovských ideologů stále pohánějí válku na Západě. Ale doufám, že levicová porážka nad transgenderismem předběhne levicovou porážku nad trans-západním. Levičáci lžou, když říkají, že muži se mohou stát ženami. Také lžou, když říkají, že nebílí se mohou stát obyvateli Západu. Ženská identita patří pouze ženám a západní identita patří pouze bílým. Ne Pákistáncům nebo Somálcům. A rozhodně ne Židům.

Jews have been in the USA since **at least** 1654 *i.e.* since *before* the USA even *technically* existed.

Portugal won the war *vs.* The Netherlands in “Dutch Brazil”, hence Jews from Recife immigrated to New Amsterdam.

The argument as I see it not whether Jews were accepted by George Washington or whether Jews were perhaps on the Mayflower but certainly whether or not that Jews ever aligned emotionally, intellectually, or practically with the American myth of “melting pot” inclusion. Jews never melted anywhere. They are opportunistically tribal.

As my father would say “...their motto is what’s mine is mine and what’s yours is mine as well.” We all know people like that; the sociopaths and psychopaths among us Jewish or otherwise behave like that.

This is primitive behaviour; ignorant, duplicitous, rude, greedy, unfeeling, unthinking, and selfish beyond most people’s inclinations. Often these types are violent troublemakers. Their fundamental character is mischievous and endlessly duplicitous — lying is their primary nature! These are a people one should never trust, ever! They have no conscience! None!

Are there exceptions. Of course! But Jews exclusive loyalty to Jews is almost always subsumed among the subtleties of everyday life where such obvious character deformations would be glaringly obvious.

But as a clan their first loyalty is to being Jewish. Many Jews have dual passports. Most certainly the one they cherish is Israeli.

When the big subjects are aired — the Jews close ranks, right or wrong!

Now, my *personal* views:

Whether or not Jews are **more** ethnocentric and therefore more loyal to fellow co-ethnics and, as well, Israel... is, to me, somewhat **unimportant**. Likewise...

Whether or not Jews have developed ‘Group Evolutionary Strategies’ (Freudianism, Boasian Anthropology, Frankfurt School *etc.*) to fight Europeans over resources...

Thing is:

A) Jews, as well as I can ascertain, are **not** White. (Of course, there are White people with some percentage – typically, small – of Jewish DNA.)

B) Judaism has **nothing** to do with Europe, culturally.

Therefore, a “White Ethno-State” cannot accept Jews as citizens – for the same reasons it can’t accept the Lebanese, Turks or Persians.

I'm no historian, but at least George Washington – arguably the most important Founding Father – was OK with the Jews

It's most peculiar that you should say that, because I found this remark of his about the Jews:

WASHINGTON, GEORGE, in Maxims of George Washington by A. A. Appleton & Co.

“They (the Jews) work more effectively against us, than the enemy’s armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in... It is much to be lamented that each state, long ago, has not hunted them down as pest to society and the greatest enemies we have to the happiness of America.”

Let see what some other had to say about Jews:

LUTHER, MARTIN. 16th century German religious reformer.

“They are the real liars and bloodhounds, who have not only perverted and falsified the entire Scriptures from beginning to end

The sun never did shine on a more bloodthirsty and revengeful people as they, who imagine to be the people of God, and who desire to and think they must murder and crush the heathen.

Their breath stinks for the gold and silver of the heathen; since no people under the sun always have been, still are, and always will remain more avaricious than they, as can be noticed in their cursed usury.

This prophecy, by Benjamin Franklin, was made in a “CHIT CHAT AROUND THE TABLE DURING INTERMISSION,” at the Philadelphia Constitutional Convention of 1787. This statement was recorded in the dairy of Charles Cotesworth Pinckney, a delegate from South Carolina.

“I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews.

In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions; have built up a state within the state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

WILHELM II. German Kaiser.

“A Jew cannot be a true patriot. He is something different, like a bad insect. He must be kept apart, out of a place where he can do mischief – even by pogroms, if necessary.

The Jews are responsible for Bolshevism in Russia, and Germany too. I was far too indulgent with them during my reign, and I bitterly regret the favours I showed the prominent Jewish bankers.” (CHICAGO TRIBUNE, July 2, 1922)

These are just a fraction of some of the remarks said about Jews taken from this website:

<https://www.stormfront.org/jewish/antisemite.html>

The bit I posted from Martin Luther above is highly condensed. He actually has a lengthy tirade posted against Jews which is as long as your arm.

The principle innovation of the US constitution was granting civil rights to Jews as fully fledged citizens. Doesn't make the Jews hum...Americans though. All the other things in the various documents in the constitution and bill of rights are squid ink designed to cover this up. Jews paid for Washington's army, they bought up Jeffersons debts etc...Ben Franklin fucking hated them though.

Your “gotcha” is a hoax.

I inserted *your* Washington’s quote on DuckDuckGo: nothing was found.

Then, I searched for it on Google Books: nothing was found – again.

Then, I tried Google itself at last; got this: “They Never Said It: A Book of Fake Quotes, Misquotes, and Misleading Attributions” (<https://www.amazon.com.br/They-Never-Said-Misleading-Attributions/dp/0195064690>)

Regarding *your* Benjamin Franklin’s quote – it’s a **joke**, right? By your own admission it can’t be authenticated...

You sound like someone who believes Voltaire *really* said: “To learn who rules over you, simply find out who you are not allowed to criticise.”

P.S.: Regarding Martin Luther – D’oh! I thought it was well-known knowledge he was an anti-Semite!

The man who gets his quotes from the Zio controlled Wikipedia comes back with:

| Your “gotcha” is a hoax.

The sheer irony of it all. The fact is, the internet is awash with websites that feature quotes from the famous expressing their disdain for the small hats.

As for your remark that Martin Luther was an anti-Semite, an ACTUAL Semite is someone who is descended from those original inhabitants of the Levant from biblical times.

And DNA analysis has proven that modern day Palestinians, Lebanese, Syrians, Jordanians etc, are the actual descendants of those that occupied these lands for thousands of years.

I have not heard a single statement from Martin Luther using pejoratives on the REAL Semites.

Meanwhile, Ashkenazi Jews as we all know, migrated from Khazaria (a region that is more or less within the boundaries of present day Ukraine), many centuries AFTER the death of Jesus. Ashkenazi Jews have NO bloodline relationship to the residents of the Levant of millennia past.

Therefore, anything Martin Luther has to say about the Ashkenazi cannot be construed as being ‘anti-Semitic’.

Lastly, I’ll let one of the 20th century’s wisest men define what exactly an anti-Semite is:

| “An anti-Semite is someone who dislikes Jews more than is absolutely necessary.”
| ... H.L. Mencken.

Lastly, the fact that you use the Google search engine, speaks volumes about you.

Google is a tool of the Zio establishment and uses algorithms to:

- 1) Remove and make it difficult to find the truthful research on 9/11, the JFK coup d'état, the Covid Psyop and the Anthropogenic Global Warming hoax (to name just a few Zio orchestrated egregious crimes against humanity).
- 2) Remove statements made by high profile individuals throughout history that were less than flattering of Jewry
- 3) Promote the lies of the Holofoax and the fabled 6 million that died in gas chambers that were never proven to exist (whilst simultaneously purging/hiding/shadow banning a lot of information from the revisionists that have exposed this fraud).

Anyway, I use the far more reliable search engine [Yandex.com](https://yandex.com).

Using a Yandex search I found numerous websites that confirm what I have posted.

Open up the link below and see for yourself:

I can't stand transgenders for many reasons, but when someone tells me that Putin's Russia is some kind of last stand of Christianity, morality and humanism, I want to show them this video and then tell them in which European country this brutality is possible, if at all:

Whether or not Voltaire made the remark (“To learn who rules over you, simply find out who you are not allowed to criticize.”) may or may not be verifiable. So what? The observation fits. Indeed, it is extremely accurate since it’s undeniably true that criticism of *collective Jewish conduct* (and even the very subject of ‘Jewish Power’) is taboo and forbidden.

The Jews are the chief purveyors and architects of today’s ‘cancel culture’. Censorship is one of their specialties. Jews famously punish/ruin their enemies for the ‘crime’ of criticizing Jewry. The code-word they use for this identification is ‘anti-Semitism’.

Here are some quotes from World Famous men on the glorious, blameless Jews:

The main innovation of the constitution really was full civil rights and equal citizenship with Christians. The Jew, Commodore Uriah P. Levy who bought Monticello from Martha Jefferson, after Jefferson died bankrupted, said as much.

[https://en.wikipedia.org/wiki/Uriah P. Levy](https://en.wikipedia.org/wiki/Uriah_P._Levy)

“At the age of 21, he volunteered for the War of 1812 and was commissioned as a sailing master on October 21, 1812. He was a supernumerary sailing master on the Argus, which interdicted British ships in the English Channel. The Argus seized more than 20 vessels before being captured on August 14, 1813; her captain was killed, and the crew, including Levy, were taken prisoner. They were imprisoned by Great Britain for sixteen months until the end of the war. During his captivity, Levy had difficulty obtaining a subsidy and parole because his status as a supernumerary was not understood by the British Transport Board.”

His biography is often used to show valiant examples of Jewish Patriots in the American cause, but on the flip side of course the motive for fighting was to gain full citizenship and civil rights in a white nation that had previously required an established religion, with various oaths obligations and duties that sensibly excluded Jewish influence where possible.

“I consider Thomas Jefferson to be one of the greatest men in history, the author of the Declaration and an absolute democrat. He serves as an inspiration to millions of Americans. He did much to mould our Republic in a form in which a man’s religion does not make him ineligible for political or governmental life.”

and there it is.

Regarding Martin Luther – D’oh! I thought it was well-known knowledge he was an anti-Semite!

Not so. Luther was a scholar and until he read the *Talmud* was sympathetic to Jews, thinking they would convert, even Wikipedia acknowledges that. He wrote *Von den Jüden und iren Lügen (On Jews and Their Lies)* after digesting the *Talmud*.

That doesn’t make him Auntie Shem-itic, it makes him anti Jews who follow the *Talmud*.

it could be said of Mr ‘Truth Vigilante’, “He didn’t see a conspiracy theory he didn’t like”.

I’m not into ‘Conspiracy theories’. I spend my time analysing (and exposing) conspiracies that have proven to be TRUE. (eg: JFK coup d’etat, 9/11, Covid Psyop, Anthropogenic Global Warming hoax, Manned Moon missions etc).

The deluge of evidence exposing the fraud of the official government narratives cannot be ignored.

That you have been too lazy to look into it yourself, since you believe everything your ‘gubmint’, CNN and Rachel Maddow are telling you, is a sad state of affairs.

There are thousands of other ‘conspiracy theories’ out there in the ether being propagated. eg: UFO’s and the presence of extra terrestrials.

I have no definitive opinion on the latter so won’t condemn it out of hand.

That said, I have seen no concrete evidence to support it so it’s a non starter for me and I don’t spend a single second looking into it.

But, anyone with half a brain knows that JFK wasn’t killed by a lone gunman, that 9/11 was not as portrayed by the phony USG narrative and that all three skyscrapers in NYC came down in a controlled demolition.

Anyone who’s done even the most rudimentary research on these issues would’ve come to these conclusions.

You go on to write:

I just hope you are aware that denying Global Warming doesn’t make you ‘edgy’ – rather, it aligns you with the ‘cuckservative’ establishment and the Koch Brothers.

I don't say what I say on ANY issue, for the sake of being 'edgy'. I say it because it is an IRREFUTABLE truth which I have fact checked exhaustively.

I don't deny Global Warming when it happens. I don't deny Global Cooling when it's occurring.

The fact is, the Earth warms and cools OF ITS OWN ACCORD (ie: Solar activity, geological phenomena etc), as it has done since time immemorial.

I certainly do not deny this. It is YOU who deny this and should thus be labelled a 'denier'.

Fools like you claim the man-made input (ie: Anthropogenic) is causing the Earth to warm.

To the extent that this is true, it is so infinitesimally small as to be inconsequential.

FACT: The present concentration of the gas of life CO₂ (without at least 150 ppm in the atmosphere, all plant and animal life would be dead) is around 400 ppm. The eco-loons like yourself Verging-On-Nicht, claim that when it gets to 600 ppm or 800 ppm that we're done for and that we'll all be burnt to a crisp.

In fact, a few hundred million years ago, the Earth had a CO₂ concentration of around 2000-3000 ppm (a time when our primate ancestors and all manner of flora and fauna flourished on the planet), and yet the world went into an ICE AGE*.

(*Not just a few degrees colder than normal or a winter that lasted a month longer, but where vast areas of the world's land mass was covered under kilometres thick ice).

SUMMARY: CO₂ concentration is a negligible determinant in the average Earth temperature.

Everyone who's looked at the actual science is well aware of this.

The info you're getting is 'pseudo science', coming from a select few unscrupulous individuals that have been corrupted by the Zio cabal to propagate the Global Warming myth.

That you're too stupid to see this is an indictment of your gullibility.

Seeing as I mention 'pseudo-science', there's no one better to elaborate on that than James Corbett (5 min video in the link below):

...And oh: the Emeritus Professor? A shabbos goy, obviously!

At least you got the last bit right.

Let's face it, in all professions there will be a subset of unscrupulous individuals that will be prepared to sell their soul for a few shekels of silver – like your Emeritus Professor at Oxford.

The Zio cabal will prey on such individuals and indeed use their immense wealth and influence to ensure that these types rise to the top and become U.S Presidents, heads of the W.H.O, the CDC and the FDA, that become CEO's of the various National Academies of Science and the western Health Bureaucracies (hence the reason they managed to convince so many dupes to take the toxic experimental mRNA clot shots).

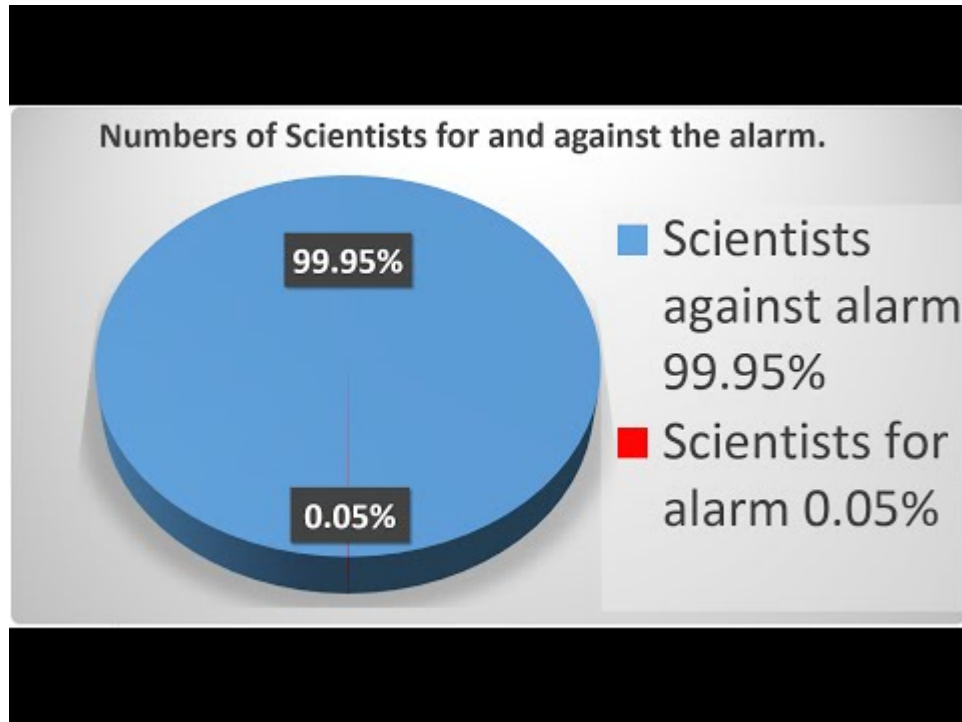

Let's face it, the Zionist Usury Banking Cartel (aka ZOG), with multiples of U.S GDP in financial wherewithal, and the ability to print/digitally create scores of trillions more through the western central banks it owns/controls, is not just sitting on their hands all day counting their money.

They BUY political control, they purchase control of the 'key administrators' in western academia and the respective National Academies of Science.

Notice how I said 'key administrators' ? Because, when the U.S National Academy of Science says man-made Global Warming is real, they DO NOT speak on behalf of the rank and file scientists. It is just ONE or a handful of bought-and-paid-for administrators that make these statements on behalf of their

ZOG benefactors.

Do you want to know what the overwhelming bulk of the scientists say about man-made Global Warming? (Watch this 16 min video titled 'Global Warming: 31,487 Scientists say NO to Alarm'):

| The end...? Or was CW1 the first big push?

Jews began laying the groundwork for communist organizations as early as 1848.

The first Jews to settle in Chicago after its incorporation in 1833 were Ashkenazi. German Jews arrived in Chicago in the late 1830s and early 1840s, mostly from Bavaria.

Proudhonian anarchism was present in the United States at least as early as 1848.

In 1848, there were a number of revolutions in Europe, including in Germany, where Marx and his (mostly Jewish) colleagues worked and fought. After the failures of the German revolutions of 1848 and 1849, many of the participants – from bourgeois liberals to communists – had to flee the country and seek refuge in various countries around the world. One of the first major figures among the Forty-Eighters to arrive was Joseph Weydemeyer. Weydemeyer was a member of the Communist League and headed its Frankfurt chapter before moving to the United States.

As for American Jewish bankers, it is true that Haym Salomon, a Polish-born American Jew, single-handedly raised most of the funds necessary to support the Continental Army. You may be right that there was some sort of “conspiracy” among the Jews to take over the banking system prior to the CW. As for the exact timeline of who, what and when monopolized the American banking system and turned it into their hunting ground, one might want to take a look at

You may be doing very little in the context of the overall scheme of things, but what little you're doing is assisting ZOG by going along with the easily disprovable Anthropogenic Global Warming hoax.

As for this statement of yours:

| The GOP, rather, needs lies i.e. Breitbart-style ...

No doubt, the GOP as a collective, are a bunch of lying M–F'ers.

But as bad as the GOP are, the Dems are far worse because they're pushing the Global Warming nonsense, advocating for more bird chopping wind turbines, and Green energy boondoggles that squander society's precious resources.

Even worse than that, all the Dems are in lockstep in sending more money to the Judeo-fascist Ukrainian proxy regime in this conflict with Russia and were all-in as far as the Covid tyranny was concerned and getting everyone boosted to kingdom come with these toxic mRNA pretend vaccines that have killed and injured millions in the U.S alone.

At least on the GOP side we have the likes of Senator Rand Paul, Congressman Thomas Massie (and several others), two individuals of impeccable integrity that have provided massive push back on the vaccines/Covid tyranny and opposition for funding the Ukraine war.

On the Dem side there is NOBODY.

Every last Dem M-F'er has prostrated themselves to their Zionist masters and there isn't a thimble's worth of integrity between the lot of them.

Well, having been created and pushed by Jews or not, this transgender stuff is so absurd and ridiculous that it is weird that anyone would believe this crap, less alone push it.

Well, women believe it of course, women love this kind of thing, this is why they were into witchcraft in the Middle Ages. And Jews, well, was there ever a thing that they thought too weird to push?

But White men?

I think what is happening is that Feminism has wrecked men so much, that many, consciously or unconsciously, become or promote trannies to troll women and feminism. A white man can't do anything these days, but a "transgender" can destroy everyone in female sports, has his opinions valued in the media, and if anything goes wrong, he goes to a female prison to chill.

Jews who follow The ADL/\$PLC/AIPAC line of thinking that says, in effect, Jews can only survive as Jews if they control the world (all human and natural resources) are what I refer to as Supremacy Inc. And this includes their white Useful Idiots and poc Proxies.

Not only can Supremacy not be American, it can't even be Western.

All cultures, primitive, barbaric, civilized, or a combination of all three, as in the United States, have throughout history imposed four sanctions on its people as the primary mode of stability. Economic Deprivation – Imprisonment – Torture – Death. Obviously, the justification for the first three is sound in the fourth.

Only in the geographical areas of Western Europe and North America, or The West (The Land of Whiteness) and only in the last 200+ years, has there been *an attempt* to invert those sanctions to: Economic Ease – The Privileges of Freedom – Respect for the Individual – The Value of Life.

From this perspective Supremacy Inc. *had* infiltrate and subvert all Western institutions. Why? Because if the West were to succeed in its attempt to extend freedom by inverting those four sanctions then Supremacy Inc. couldn't realize its objective – to rule the world. In short, the success of freedom throughout the West would spell the ruin of Supremacy Inc. throughout the world.

The snake in this garden is that if Supremacy Inc. wins everyone loses, including Supremacy Inc. But it can't see that because psychotic arrogance and self-awareness don't go together. That's

why Supremacy Inc. is the only real cancer of the human race and why treason against Supremacy Inc. is loyalty to humanity.

Any minority with a strong identity will flourish in an open society, ie a legally supported “melting pot” state.

Surely that’s obvious. The “melting pot” doesn’t melt the identity if the identity is strong enough over generations to “resist” the heat that melts other identities.

Being a minority with a strong identity means also that IF that identity includes the concept of education and success in the majority’s world THEN the sociological law of niche filling means the minority will move into every available niche.

And this is key: no matter what the niche, the identity politics of the minority will prefer ideological opponents of THEIR minority to fight against, thus every fight is a win-win for the identity of the minority.

There’s nothing evil about this, it’s basic group dynamics.

Simply compare the Jewish minority with the Amish minority and describe the ideological differences of their generational identity.

Thanks for those quotes. It seems to me the evidence is now *overwhelming* that in the US and UK the financial rulers of the Jewish community have taken control and are plundering those countries *exactly* as Jews have been accused of doing through history. We need not search through historical records to answer this question (although that is very worth doing), because abundant evidence is all around us. We are immersed in it; it is overwhelming.

This evidence must be brought to the general public, who is still under the sway of this Zionist Mafia's media. To win over the public we must also keep focused on justice, and credit those valuable Jewish rebels and allies such as Ron Unz, Norman Finkelstein, Max Blumenthal, Ilan Pappé, Philip Weiss, Israel Shahak, etc.

(1) The Jewish Mafia's financial lines of control must be tracked to their sources and cut off.

(2) These stealth enemies must be unmasked, tried, and imprisoned.

(3) The Talmud's evil doctrine must be unmasked for all future generations to see.

The [Jewish] Anti-Defamation League, which has a lot to say about this, because it is the one that decides who is anti-Semitic and who is not, actually equates anti-Semitism with perception. That is why I say that in today's times, an anti-Semite is not just a fool or a pig. Because if someone does not notice this equivalence, then they are a fool. And if they notice it and pretend not to, because they are counting on some benefits, then they are a pig. So either a fool or a pig.”

Jerzy Batault-

(Mercure de Franèe, I. 1921. Le problem juif. La Renaissance de antisemitisme).

The anti-Semitic movement that lurks in the shadows of today's Russia,

which will break out in tomorrow's Russia seems so inevitable, according to the opinion of well-informed Jews throughout the world, that they are often inclined, sometimes even

unconsciously, to perpetuate, under the guise of improvement, the present Judeo-Bolshevik rule, thinking that this is the only way to prevent the return of waves of carnage that must break

out. So there are Jews all over the world who profess to hate Bolshevism, and who try to uphold and defend it behind the

scenes, in the hope of postponing the inevitable consequence,

and are seduced by this delusion (dictated by their instincts of preservation, racial and national, and by their feeling of religious

solidarity), as if these hard and bloody trials could be spared for

the unfortunate Israelites who populate the great Jewish territories of Eastern Europe.

So the nations of the world see the Jews everywhere on the side of

this movement which has caused the grim fate of the Russian Empire, which carries out intensive foreign propaganda, and which, due to “the Jewish sources of Bolshevik ideology, the leadership of the vast majority of the Jewish Russian movement, by the fact that almost all Jews are its agents abroad, produces an inevitable and universal effect that in all countries that defend themselves more or less victoriously against Bolshevik attacks, a broad movement has awakened, that there has been an intensification and revival of anti-Semitism.

So without the need to dwell on this symptom for a long time and to dwell on it further, it turns out that there has been an aggravation and revival of anti-Semitism. That Bolshevism is one of the most powerful causes of the widespread anti-Semitic movement today.

/.../But in fact it is not England that enlists the Jewish international to her service, as the chief of government in London imagines, but rather the international Jewish financiers who are trying to bring the British Empire under their service in order to perpetuate their own domination of the world. If England succeeds in making world Jewry the “indispensable” instrument of her general policy, she will at that moment become the slave of her “indispensable¹⁴ instrument.... Let us only look at England’s Asiatic policy, and what do we see? In India, whose position is so perilous: the Viceroy of the Jews; in Palestine, the second “viceroy” of the Jews On the two vital points that determine the position of the Empire in Asia, two Jews of great finance. For the rest, as a guarantee of permanence, an agreement with the Jewish-Bolshevik tyrants in Moscow.

....e.g. Ukraine/?/,

/.../This form of Zionism, consisting in the creation of a kind of association of small Jewish nationalities, dispersed among other nationalities, a real federation of Jewish states within other states, the governing body of which would be in Palestine, is a serious danger for non-Jews who would rightly feel threatened, and in consequences, and for the Jews, who would find themselves facing a redoubled persecution... By certain influences and certain pressures exerted on the Peace Conference, this national organization of the dispersed Jews gained the beginning of realization. The treaties of Versailles and Saint-Germain guaranteed the Jews of Eastern Europe to be constituted as nationalities and granted them the right to form states within states... If this was the essential dream of Zionism, if that was what Zionism really was, it would turn out to be a real conspiracy against “Gentiles” “, against the nations and would justify, as a defensive reaction against itself, the growth and counter-attacks of anti-Semitism... If the reborn Jewish nation wants to line up as a nation alongside the nations, it is everyone’s duty and interest to help them do so. But if, on the contrary, he intends to organize himself internationally for the ruin and subjugation of other nations, it is their duty to rise up together to prevent him from doing so.

The argument as I see it not whether Jews were accepted by George Washington or whether Jews were perhaps on the Mayflower but certainly whether or not that Jews ever aligned emotionally, intellectually, or practically with the American myth of “melting pot” inclusion. Jews never melted anywhere. **They are opportunistically tribal.**

Jews are definitely tribal with all the protective rituals and taboos. No doubt about it, and as a tribe they attack other tribes to augment their power.

The obvious answer is the historical one – restrict them to self governing ghettos and exclude them from national government. How much better off the United States would be now if US Anglos had from the start classified them as foreign residents.

Interesting article. What do you make of Benjamin Disraeli? As far as I know, he was the first Jewish leader of a major European nation (if one would be willing to consider England to be a European nation). As such he might be called “the Sunak” of the 19th century.

Whenever the subject of Trans-Genderism comes up in mixed company – first plant the seed. Don’t try and overwhelm Normies. Just gently plant the seed of doubt-

For example – Ask how much does changing over from Man to Women cost? Let the normies come up with the number. (Answer is anywhere from \$750k to \$1 1/2 million)

Second Question – How do Trans-genders pay for that? Let the normies come up to the answer on their own (Answer – Insurance pays the costs, which means we all pay for it)

That’s enough, no more needs to be said. The seed of doubt has been planted.

Let's help wikipedia clear up its confused pronouns.

Levine's biography in wiki says:

“After completing her training in pediatrics and psychiatry at New York City's Mount Sinai Hospital, Levine moved from Manhattan to central Pennsylvania in 1993 ...”

WRONG. It should read “After completing HIS training..”

because, as wikipedia states further down:

“Levine has two children.[31] She transitioned from male to female in 2011.[32] Levine married Martha Peaslee Levine in 1988[33][31] during Levine's last year of medical school[10][4] and divorced in 2013”

So, in 1993 Levine had not “transitioned” yet. Was still a male.

Furthermore, “*She transitioned from male to female*” is impossible. No woman (“she”) can transition “from male”, which she is not....

The Chinese, the way I see it won't fall for it. I have been saying this for years now.....Xi Xiping is a great man. I read long ago how he had read Faust and then insisted a German scholar teach it to him in german. The CCP is a mighty organization and unless a rot happens from within(very likely because such is human nature) China is set to rule the world. They won't get subjugated by the Jews, even though many Chinese seem to love the talmud. What is more likelier is America the lap dog is dragged into a needless war with China.

Jews this, Jews that, greasy Pakis who want to be the big roti, Hindoos ruling the UK, Niggers, Wetbacks, peanut buffers, trans faggots and lesbos, its a never ending circus.

Just when you think it cannot become more twisted, degenerate and perverted, Dr Gill idolizes a chick with a dick from Argentina on women's day. What next !?

I cannot imagine a White Man being the Prime Minister of Pakistan or India. African dictators, taking time out from destroying their country declare "Africa for Africans". England and Scotland are already overrun by Dindoos and Hindoos.

A relative told me that on a drive up to Scotland he passed through a hamlet not even on the map. He decided to stop for a snack and who exactly was running the shop in the middle of nowhere ? Babulall Naraine Gopaul Singh !

The rot is already underway in Canada where a cone head Punjabi aspires to be PM and there are whole areas where a white face is a rarity. Government Ministries are overrun with darkies, all related to each other.

But WHO exactly is really responsible for all this ?

WWWWWhites ! You have no-one to blame but yourselves. In typical Christian fashion you turn the other cheek. These people though, dont want the other cheek, they want you to spread both cheeks so they can pipe you.

Your magnanimous approach to diversity, inclusion, empowerment, equality and equity may make you look like a hero when you check the mirror mirror on the wall .

But to the non-whites and perverts you look like Cunts !

ALL minorities are inherently subversive simply because they adhere to a view at variance with that of the majority, be it religious, political, sexual, racial or whatever. This is why all minorities throughout history have been oppressed, nominally or otherwise, because this basic fact was instinctively known. The Romans, collapsing in on their own decadence and loss of belief in themselves, neglected to manage this fundamental problem and now we are doing the same.

Of course Washington liked the Jews. He wanted to give them equal rights, religious freedoms and all usual Enlightenment nonsense. Why? He was a Freemason! (possibly of the faction favorable to England and Hanover). Jews and Freemasons are symbiotic tag team.

John Adams might have been anti-freemason but a radical Protestant Puritan so it makes sense he wanted the Jews in Israel.

The J has been in America from the start. They would fall under German, Polish, Dutch and English hiding as they do. So many banking families, merchants, and members of Scottish Rite (essentially a secret service aligned with the City of London).

Replying to one of these dishonest Jews or their Christian Zio flunkies is a mistake in the first place since it gives him unwarranted standing to comment on America. Lenin understood the mistake.

In his reply to Kautski, and borrowing a line from Dostoevsky, Lenin said in effect, Why should we reply to Kautski. He'll reply to us, we'll have to reply to him again, and there'll be no end to it. It will be sufficient that we denounce Kautski as an enemy of the Russian people and everyone will immediately understand everything.

In the same way, why waste time with a liar? Simply suggest that "Vergissmeinnicht" is almost certainly a Jew and leave it at that. At some point Christian America will immediately understand everything anyone needs to know about this enemy within the gates.

I don't think you know any Jews. You are engaging in arm chair politics.

I know actual Jews – my father was Jewish. Let me enlighten you.

Even though all Jews are not wealthy or clever, as I have begun this new journey of seeing what Jews do:

ALL jews in America are troublemakers, from the smallest owner of a B & B to an owner of a law firm.

Example Jew Statement: Michelle Obama is beautiful and brilliant!

Me: What are you talking about? She is an ape and her college work is illegible. She hates America.

Example Jew Statement : We hire the black woman and the pretend women, the trans guy. Don't hire the two white boys.

Me: But they have an actual work history. They need the jobs! Those other two are lunatics who had to take the bar 6 times between them.

There is something in the Jew personality that is aggressively contrary, that enjoys seeing a white working class family destroyed. Or just taking the shocking route, the obstinate route, the controversial route.

They are trouble makers. While the fog is clearing, they make money and leave workplaces or institutions in shambles and take the ill gotten gains back to their family...the only thing they actually care about.

I don't say this lightly: I do not think they can be allowed access to power if you want to have a safe and white society...think Denmark in the 1970s. (Paradise). The ghettos of Hitler, to segregate and monitor them, was the most humane choice. As America and the West is completely infested with Jews, these societies are in the Death Rattle. This is just the end...vultures picking over bones.

The criteria you mention, residency or approval by authorities, for what makes someone American are ludicrous. The correct criterion should be how much each individual, or ethnic group, contributed to a strife-free and prosperous nation. Under that criterion, some Blacks qualify as American, some whites do not qualify, and almost no Jews qualify.

The neologism introduced by Mr. Langdon is of paramount importance. Trans-Westernism accurately portrays non-assimilable immigrants not really being Americans, as trans-sexuals are not really authentic in their sex. Trans-sexuality is being rejected by Americans, who are stupid but not quite that stupid. Linking by analogy non-European immigrants to trans-sexuality is a brilliant and potentially powerful meme. **Keep the term Trans-Westernism alive.**

Spot on. In 2014 I was in a tiny chalet in the province of Alberta in Canada called Wandering River. Population 35. I was placed there by a recruitment agency to work and get PR. It was a subway owned by a Gujarati Indian. I stayed at his house for 3 days and it was bad enough I ran back to my hometown.

Anyway, this Gujarati Indian's plan was to bring his entire tribe to this tiny chalet in the middle of nowhere from India. In 2019 I looked up the location. The population is 140 odd and about 75 or so are Indians!!! Talk about success. He not only brought his whole tribe, but the entire village. It's so fucking easy. You guys can look up wandering river in Alberta if you don't believe me. Brampton near Toronto is a filthy shithole full of Indians who refuse to want to do anything with the outside world, same for New Jersey in America. It smells of India and looks like India.

There is a news channel called 2nacheki from Africa. Check out their channel. In this video(posted below), with the headline "African minister shows Macron his place", all the comments by blacks are about showing the white man his place- seething with anger and contempt. But hey.....look at Macrons body language....the white man is subdued and perspiring, wanting validation. Every western leader from Boris Johnson to Trudeau looks and acts the same when they visit these nations!

Look at any Indian channels.....they invite white leaders and subdue them, make fun of them on their faces. Recently Tony Blair was there sitting like an ass as the Indian finance minister was showing England down and goin on and on about how India has come to rule England today..the entire indian crowd clapping wildly. This is the state of the white man.....completely subdued....subdued in thought, in his body language meanwhile

the colored Pakis and Indians and Africans unleash their frothing hatred and contempt, all the whole forcing the white man to open the doors of immigration.

Whites are doomed and it's due to their own cowardice. Don't blame the jew. Blame yourself. The world is fucked. The people who should have power and honor and glory are worse than insects and the ones who will surely ruin the planet are full of egos, breeding like rabbits and relocating to every part of the world. It isn't about whites or blacks or Asians anymore.....the world is dying. Nobody would want to live in such a world. The weak inherited the earth, raped it.

China is the last realm of honor and righteousness. The white man got the world on a platter and look at how he destroyed himself and the world with it. Christian morality, goodwill charity, lack of pride and faith despite blinding evidence of their superiority!!!!No sir, they deserve to go extinct.

NO true European can be an American!

Look at the Seal of the US Langdon—All Illuminati/Masonic symbology—from the Hermetic tradition. That is NOT European! Actually, All of Americanism, democracy, egalitarianism, individualism, race-mixing, which comes from Freemasonry, is actually all Jewish Messianism! America is a religious construct. The getting rid of class and caste—IS Jewish Messianism. America, based on Freemasonry is a religious construct based on Semitic Ideas! I refer you to Eric Nelson’s great book *The Hebrew Republic Jewish Sources and the Transformation of European Political Thought*.

Eric Nelson’s *The Hebrew Republic* argues that it was Judaism—or, more precisely, interest in rabbinic texts like the Talmud and Midrash—that prompted 17th-century thinkers like Hugo Grotius, Thomas Hobbes, and John Milton to argue for a more representative government defined by its commitment to fairness and minority rights. The spread of Christian Hebraism, from Leiden, Leipzig, Basel, and Tübingen to Oxford and Cambridge, spawned a wave of “republican exclusivism,” a belief that republican government was not one of several morally defensible forms of government but the only morally defensible form of government and the only political organization that comported with God’s will. Eventually, Nelson writes, this commitment to republicanism would sharpen and inspire, acquiring a political will that would eventually crystallize in the form of revolution, first in America and then in France. All this happened because of a handful of wise, long-dead Jewish men and their latter-day adherents.

Ref: <https://www.commentary.org/articles/peter-savodnik/the-hebrew-republic-by-eric-nelson/>

The concept of liberty and God given individual rights within the context of a white Christian civilization is not what most Jews want. Their disdain for white Christians drives their Neo-Marxism and their desire to destroy the America as founded. They have even destroyed the rule of law which makes it even easier for them to complete their mission. Disraeli made a genuine and voluntary conversion to Christianity, and while he did emancipate the Jews, he spent his career publicly warning his fellow Christians that the “secret societies” presented an existential threat to the West, were controlled by Jews, and had to be prevented.

Disraeli also evinced a genuine love for England and was harshly critical of Christian charities who spent so much effort on relieving suffering on other continents while ignoring the suffering next door.

People should know the terms and not deviate from them, calling them by names that they themselves make up. The name to describe “trans westernism” is “liberal democracy”. This is what we are exporting to the rest of the world. Trans-westernism IS “liberal democracy”. So, when the left talks about “democracy”, and how they are trying to “save” it, they are speaking of “liberal democracy”, and “liberal democracy” is the dissemination of perversion.

This is the only name to use, so everyone gets on board that when the left talks about “democracy”, they are referring to “liberal democracy”, the dissemination of perversion.

There's definitely some truth to this. Genetics cannot be denied. Our ancestors suffered, worked and survived in order for us to finally be born and be here now. Their experiences left a permanent mark on every aspect of who we all are as individuals and a collective sense (in our respective societies and ethnic groups). I consider America to be a watered down version of Europe. The country, culture and everything are incredibly young. It's primarily Anglo in nature, thus leaving out all the other European ethnic groups that make up the country. I for one admire the Italian-American and Irish-American commitment to their ancestral heritage. All other groups should do the same. Embracing and caring for your roots will make you stronger and better. In the coming storm your tree won't be blown over in the torment. Just my two cents. Skål brødre! Ha det bra

whether or not that Jews ever aligned emotionally, intellectually, or practically with the American myth of “melting pot” inclusion

Jews literally invented that so-called “American myth” of the melting pot (Israel Zangwill), just like they invented most other things associated with “American culture.” Blue jeans (Levi-Strauss), 1950s suburbia (William Levitt), Hollywood movies (MGM), etc. All of the things American conservatives love were created by Jews.

America has always been thoroughly Jewish, which is why it has always been cancer and a blight on the earth. The only cure for America is to destroy it. That is why we say “death to America.”

Thanks for this pointy-headed post.

Just thought it relevant to add what the symbol of intelligence in France, the great Voltaire also said about them:

“They are, all of them, born with raging fanaticism in their hearts, just as the Bretons and the Germans are born with blond hair. I would not be in the least bit surprised if these people would [someday] become deadly to the human race.”

And one of the best references about Jews by Martin Luther was his short book titled “On The Jews and Their Lies.” This book has pretty much memory holed throughout the Western Protestant world. Unfortunately for Luther he ended up doing the bidding of the Jews by dividing the Church and he gullibly thought that his reforms will push the Jews into converting to Christianity. His failed attempt is like trying to reason with the devil; the devil is way too smart to lose an argument and in case it happens that he loses he will not be swayed anyway from his evil ways.

Never will the Jews submit to to the will of their hosts or genuinely blend with them no matter what rights they are granted, for their sense of supremacy is simply unbendable.

Your description of the weak and morally cowed white man as the doomed object of the world's hatred is spot on. The problem is fundamentally a religious error, which has left Christian universalism misapplied to the political realm.

If people could understand that the realm of religion concerns only our treatment of each other as individuals, i.e., the realm of ethics, morals, friendship, love, and so on, they would understand there is no such thing as a moral or immoral nation, there's no such thing as racial guilt, that God doesn't care who the president of the United States is, that no army is on the side of God, that gay marriage and abortion are political questions, not religious ones, that there are no such things as magic sacred books, no one can "see" the future, and that the idea a real God would have a chosen people is primitive and absurd.

Unfortunately, it will take a religious revolution akin to the scientific revolution to effect the necessary change. But I don't see it happening. So, we will expose our necks to the knives of the world's hatred.

“...the conversion of the imperfect but reforming Tsarist empire into the mass-murdering tyranny of the Soviet Union, ”

I wonder if the author can be more specific as to mass murdering tyranny of the Soviet Union part? I mean could the author provide documents basically from archives where numbers of those supposedly “murdered” by the Soviet Union shown? Please no Solzhenitsyn and Sakharov BS. It had been long time ago proven to be pure lies. There is numbers available in Russia now. They do not correspond to murdering tyranny meme.

Also, I wonder, could the author considering his deep knowledge of Russian/ Soviet history provide us with example of successful reforms which Tsarist Russia was undergoing just before February 1917 revolution put the end to it as unified entity?

I somehow doubt the author’s authority on this subject. When someone has no clue what he is talking about it is better to just stick to Jews bashing and leave such subjects to historians working with archives and archival information does not support this anti-soviet lies.

Tobias, by looking over your articles, methinks you are a British subject over in England? Because I'm wondering if you really understand America, or even know the foundations of America, it's ideological foundations. Like many Europeans, many Europeans really do not understand Western Culture whatsoever! I like to say, "Europeans do not even know what it means to be European"!

Ohhh, Jews can be Americans! They recognize their own!
Jennifer Rubin pushing back against White Supremacy:

“...*It was never “theirs” to begin with*, and the assumption that something is amiss if White Christians are not in charge is the essence of white supremacy and Christian nationalism. It is also fundamentally un-American; our country is defined, as President Biden rightly says, by an “idea.”

<https://www.thetruthseeker.co.uk/?p=259941>

“It was never “theirs” to begin with...” Yep! Americanism comes from the Enlightenment—the Enlightenment was not Western Culture or Civilization—Christendom was! The Enlightenment was spurred by the Hermetic Tradition and the Kabbala which is the carrier of Jewish Messianism!

Tobias, what is one of the phrases on the Seal of the US? “***Novus Ordo Seclarum***”—meaning “New Order of the Ages”—America is a TOTAL rejection of Western civilization and Western culture! It is a “**NEW ORDER**”. Catholics, RTCs, have always taught that we have an obedience to the Old Order, which is the Natural Order. Christendom was the Natural Order. Plato who laid the intellectual foundations for Christianity (q.v. Prof Jerry Ehrlich *Plato's Gift to Christianity*) keeps on repeating this phrase throughout his dialogues “according to nature”. The foundation of Western Culture, of Western Civilization is Doric Crete and Sparta—where philosophy originated! They purposely

aligned themselves “according to nature”. Christendom was “according to nature”, i.e. the Natural Law or Laws of Nature. America overthrew all of that—“it’s an idea”. What is that idea—Social Justice, Civic nationalism, individualism, a classless, casteless society. That is NOT Nature; that is NOT “according to nature”!

In his pamphlet *Agrarian Justice*, Thomas Paine, who was in France, a contemporary of Babeuf, would succinctly understand what the momentous events was ushering in when he stated:

“A revolution in the state of civilization is the necessary companion of revolutions in the system of government.”

and

“It is a revolution in the state of civilization that will give perfection to the Revolution of France.

Thomas Paine—Atheist—within the first three paragraphs in his pamphlet *Common Sense* repeats the Mishnah teaching—the Talmudic teaching—that “Monarchy is Idolatry”. Here is an atheist repeating Jewish lies and promoting their ideology. Thomas Paine worked in BOTH the American and French Revolutions—He knows what he is doing—those comments above show that they were overturning Western Civilization and replacing it with another.

They replaced it with “Judeo-Masonic-Bolshevism”. —That is the Civilization we are living in. America is the foundation, is a Masonic republic, is the starter colony of Judeo-Masonic-Bolshevism. The term Judeo-Masonic-Bolshevism is a Rad Trad Catholic term. Us RTCs coined that phrase many moons ago; we, RTCs, are the carriers of true authentic Western Civilization and Culture! Americanism is Judeo-Masonic-Bolshevist Civilization! That is why Jennifer Rubin can say, “It’s was never ‘theirs’ to begin with...”

‘I’ve never read anything by Martin Luther....’

— Then, why are you flashing your opinions of Martin Luther?

For Jews to cry antisemitism when the American/European/Israeli Jews weaponize and finance the followers of Stepan Bandera in Ukraine is tragicomical. Here are just three questions and answers for you.

1. Who is the current Fuehrer of the self-proclaimed Ukrainian Nazis?

— A Jewish moral dwarf Mr. Zelensky. Like you, he speaks Hebrew. He also excelled in homoerotic dancing in high heels and in playing piano with his private parts.

2. How many Jewish members in the US Congress have spoken against the Nazification of Ukraine by the CIA/NATO goons?

— Zero. All 37 Jewish members of the US Congress support the followers of Stepan Bandera (self-proclaimed Nazis) in Ukraine. The Jewish Lobby even produced an apologia of Banderism. The main apologist was D. Fishman, a member of the United States Holobiz Memorial Museum.

3. People of what ethnicity have been promoting the supremacist ideology of full-spectrum dominance, which has been destroying the moral fiber, economy, and the very future of the American people?

— Jews. PNAC was mostly a Jewish concoction of the Kagans’ clan; the clan also produced the major war criminal Nuland-Kagan, whose collaboration with the members of the Ukrainian Nazi Party was instrumental during the Zionist-Nazi putsch in Kiev in 2014. The putsch initiated a genocidal war against Russians in eastern Ukraine, which eventually turned into the

genocide of Ukrainians (made into cannon fodder by their owners, the Straussians) and the ongoing WWII. Mazel Tov, Jews, on your genocidal exploits!

Wasnt Ameriggio de Vespuggio the first 'american' on account they pretty much named the new world after him I think people get hung up on this or that aspect of their identity and dont see the larger picture here in the US we have a lot of people from different walks of life and countries and where we differ from the situation overseas is that we generally do our able best to get along and respect each other and thus avoid a bunch of social nastiness. We do have our giftwergs though, small-minded people who lived all their lives in one place in one social ethnic type setting and they are who they are and will likely always be so, but other folks who've been around the block and maybe even traveled abroad and learned another language, seen the world out the airplane window etc., they learned to see things differently. Moral is dont be a giftzweg i guess. No perfect world but your feet are not nailed to the floor and if you dont like where you're at or who you're with, well, america is not a prison and you dont need a hall pass so seek your higher happiness in whatever form that might take. Chromosomes dictate gender. Hormones don't change chromosomes or gender. Should make note. The cons who jabber 'intersex' or other nonsense is to confuse and scheme to destroy people and children.

Males using hormones to appear female, stil male dominant. Females on testosterone, male dominant. Either is male dominant. Easy to change face, chin implant, make male face seem more triangle, haircut, jewelry, lip stuff, people assume female. Difference to pick out, deeper eye sockets is male, shoulders wider than hips, though dress can distract, or jacket to make hips seem wider. Also photoshop.

The problem is using as front to spew at us, and count on dupes not to shove back because appear female. Every con doing the things going on should be shoved back, regardless male female whatever.

Should use two labels , thought of apprev, meaning appears reversed for those who aren't doing cons or push trans, and transvestites on those pushing schemes. Have known a couple people who appear reversed and they share truther info, though don't say much on trans thing or could be harassed by cons, because people ignore everything. Some could pretend to be truthers to infiltrate us, so watch for that, but there are a few who are just stuck, yet do as able. That's why label two groups, to separate schemers. Same on everything, to stop the cons and schemes have to make effort.

They spew 'hate speech' so we don't label cons -while they use labels to attack us – 'white supremacist'. Labels can be *power. Hate is natural. It's right to label, cons, jews, trans, whatever, and expose schemes against us, make effort local, sharing.

Anyone who says 'don't call names' is a con, or doesn't care if we're murdered, therefore is also an enemy. Important to label people.

On jails some of the court cons are putting bogus tranz men in with women here also, and, scribbled 'law' to claim can't point out gender, which is psycho. There are innocent people in jail. No one is immune from the 'courts con. Police on roads is a courts con. surveillance cams, fones, etc. Paper 'law' is a con.

Last, physiognomy, meaning face traits common in criminals, third photo, ears set low and toward back, photo under that, ears set back, very sloped forehead, eyes not level, dead eyes, also sloping head on garland, ears low and toward back, mayorkas ears set back and looks on drugs. Also sturgeon ears set back and dead eyes. Whatever appearance there's no denying what the cons are doing. Ignorance, consequence.

Appreciate the article.

With the same token, White Americans can never be Americans since the Native Americans are Red Skinned True Americans?

Mr. Tobias Langdon what is your purpose with such a schoolyard article. One thing for sure you are not a student if history.

Research the group called the “Creed of Kaine.” It is a creed in every race and society that don’t mind killing their brothers for wealth and power. In Judaism it was known as the 13th Tribe, Levits, etc. all the way to Zionists.

Yes, the Zionist wish to rule the world by destroying it to build in the manner that pleases Muloch. Where a few rule the many serfs, like communism.

Blaming Jews for being Jews is like blaming termites for being termites.....Jesus dealt with that and called them the children of the ‘father of lies’ – FOL. Who dat? If you don’t know, brush the dust off your Bible and read it! It is also called Synagogue of Satan – SOS.

The hard fact is that for most of the last 2000 years of Western Civilization, the church which Jesus established, even if only in fits and spurts – a Christian culture was established until.....DaChurch itself was infiltrated and corrupted from within – <https://crushlimbrow.blogspot.com/2023/03/why-are-christians-awol-and-mia.html?m=0> – and it subsequently left the spiritual and cultural battlefield with the expected resultant effect of allowing DaChildren of the FOL to rule us at will in every phase of our lives. Try naming an institution that is not under the control of FOL or SOS – I can’t either.

This is a spiritual problem as Paul clearly articulated in Ephesians 6:12, but Churchianity has reduced that to just our picayune personal problems to take away our awareness of its related societal ills – in effect making us chase our own tails in useless efforts with predictably useless results.

When both secularists and churchians agree on the governance of civil society, we have arrived at subtle Satanic rulership without even recognizing its existence.....talk about willful ignorance! And DaChurch is OK with it.....as Satan’s little helper. If you need more input from my library – <http://www.crushlimbrow.com> – but it requires lots of research. Prove me wrong!

FYI: <https://www.voltairenet.org/article217976.html>

Beginning in 1949, the German Jewish philosopher Leo Strauss taught at the University of Chicago. He soon formed a small group of Jewish disciples from among his students. According to him, the democracies had shown their inability to protect the Jews from the Nazi final solution. To prevent this tragedy from happening again ... he advised them to build their own dictatorship. Several of the members of this sect have held very high positions in the United States and Israel.

The ideology of Leo Strauss was never discussed in the Jewish world before 9/11. In 2003, Benjamin Netanyahu's "revisionist Zionists" made a pact with the US Straussians, in the presence of other Israeli leaders. One of the characteristics of this group is that they are ready for anything. For example, they wanted to return Iraq to the stone age. This is indeed what they did. For them, all sacrifices are possible, including for themselves, as long as they remain the first; not the best, the first.

In 1992, an advisor to the Secretary of Defense, the Straussian Paul Wolfowitz, wrote the Defense Planning Guidance. It was the first official US document reflecting the thinking of Leo Strauss. The document speaks of a new "world order [...] ultimately supported by the United States", in which the sole superpower would only have temporary alliances, depending on the conflict. The UN and even NATO would be increasingly sidelined.

More broadly, the Wolfowitz Doctrine theorizes the need for the United States to block the emergence of any potential competitor to U.S. hegemony, especially "advanced industrial nations." ... Particularly targeted is the European Union: "While the United States supports the European integration project, we must be careful to prevent the emergence of a purely European security system that would undermine NATO." ... For thirty years, this document has been patiently implemented.

Straussian ideas are not new. The mediocre philosopher Leo Strauss articulated the old genocidal Talmudic ideas of Jewish dominance for his receptive Jewish students. That's it. The slob Wolfowitz wrapped the genocidal ideas into his doctrine of full-spectrum dominance.

The US State Department and Congress have been captured by neo-talmudists. The dishonorable US brass has been obeying the neo-talmudists' guidance. The resultant moral decay of American society produces an intolerable stench — such as the

stench of dead bodies on the killing fields of Ukraine, the victim of the ziocon genociders.

Au contraire. Mr Tobias Langdon is in complete alignment with the Founding Fathers when it comes to who can be an American.

When it came time for the first Congress to pass an immigration act – Naturalization Act of 1790 – they decided to limit naturalization to “free White persons... of good character.”

Since Jews do not identify as white, they should never have been granted American citizenship under this law and are therefore, indeed, trans-Americans.

By last May, Levine introduced strict guidelines in her state, including mass testing, in response to data that nearly 70% of Pennsylvania’s COVID-19 deaths at the time were linked to nursing homes and long-term care facilities. That same month, local news outlet WHTM in Harrisburg, Pa., reported that Levine had helped her mother to vacate a personal care home within the state.

Please no Solzhenitsyn and Sakharov BS. It had been long time ago proven to be pure lies.

You demand the author provide archival document numbers when referencing the Soviet union's genocide of 66 million Russian Christians, then forbid the most comprehensive and well-documented source for that number, calling it BS and proven to be untrue. So then, where is the document number for this proof?

Also, tsarist Russia was reforming, just like the rest of the West. The serfs were emancipated around the time we freed the slaves. The irony is that the fiercest opponents of emancipation of the Jews in Russia were the Jews, more specifically, the Talmudic rabbinate who held the Jews in bondage. The rabbis didn't fear pogroms, those only made them stronger, both at home and abroad, they feared assimilation, and for that reason fought reforms.

Most Americans aren't going to know anything about tsarist reforms one way or the other. In your comment, however, you ask the author to provide examples of that reform. You don't (and couldn't) maintain the reforms weren't occurring, but by requesting examples, you leave the impression on the minds of the uninformed reader that perhaps the author is wrong or stating something untrue.

Whether there were reforms in Russia is only tangentially relevant to the author's main point, that Jews can't be Americans. Your goal is to undermine the author's argument by such deceitful means.

Your comment isn't just deception, it's a skilled and practiced deception. I think of the words of Jesus when he accused the rabbinate of being liars.

Your father is the devil, who has been a liar from the beginning.

Tobias Langdon is yet another anonymous (as best I can determine) UR author who presents himself as a fierce critic of the Jews, while, like all but AA, saying nothing about the hoax that is the lynchpin of the west's decline, the 'holocaust'. He wrote an article on it in 2020 <https://www.unz.com/article/the-hollow-cult-sins-of-omission-in-the-rhetoric-of-the-holocaust/>

which begins ...

Suppose a hungry donkey was placed exactly midway between two identical piles of hay. Could it choose one of the piles to eat or would it hesitate, growing ever weaker, until it starved to death? This was the question posed in the medieval problem of Buridan's ass.

and continues to the end with similar drivel, never once mentioning that the 'holocaust' did not happen. I am at a loss to understand how this can happen so consistently.

Adam Green to his credit provides real good information (knowmorenews.org).

The Jerusalem Post piece:

<https://www.jpost.com/business-and-innovation/article-732816>

The Rabbis (or rabies, can't tell the difference) have a site that answers questions from Torah.

<https://rebbe.io/>

It has opened a can of work. Everyone is having a field day by seeking answers to all those forbidden questions that were in the domain of Rabbis/rabies who were over 40 years old or older. Or certifying and magically converting ordinary salt to Kosher. A great job

I typed my favorite queries if jews are Superior to others, 2800 slaves, and many more. The answer contradicted Talmud.

Sample:

User:

Is Talmud a holy book

RebbeIO

Yes, the Talmud is considered a holy book in Judaism.

Try typing some questions and get instant politically correct answer.

Anyway, I came across this video of a Japanese woman being harrassed. Subhuman scum.

The woman is NOT being harassed....it's Holi Festival (Hindu spring festival of colors or festival of love). It's a fun event where people get decorated with colors.

I am more interesting the album by Cream titled “Disraeli Gears” and the selection SWLABR.

https://music.youtube.com/playlist?list=OLAK5uy_mI6pgOD7SREnjMfnWYJ34vBd-IgAZ3-zI

“The Rainbow Has A Beard”. He once asked Rothchild for a loan. Rothchild asked what he would offer for collateral. Disraeli replied, “The British Empire”. Rothchild: “Then you shall have it”.

He sucked up to the Empress, appealed to the tubby Victoria that he would do all in his power to create an empire with her as Empress über allem in der Welt. Isn’t this great? All her children were either malignant narcissists or psychopaths, or dumb and numb.

She is what a conman would call an easy “mark”, or P. T. Barnum, the “Sucker”. What a sow.

Love the bass lines.

Jews have ALWAYS, throughout World History been true to their reputation. The Jew is a corrosive influence in every Country they inhabit. Most all of the Bolsheviks were Jewish. Switch to today and you find that almost ALL of the Media in the USA is Jewish owned. They have History with that. The Jew in fact DOES engage in Usury wherever they go, wherever they have been. Jews were at the forefront of the Abortion movement. Still are in fact. Jews control US foreign policy; most of the Neo Cons in fact ARE Jewish. Note also how DEEPLY subservient almost the entire US Government are to the Israel Lobby. Notice how the corrosive influence of AIPAC, the Israel Lobby is NOT allowed to be discussed in the (Jewish) owned Media. The list could go on. If the USA is going to have any kind of a future that is beneficial to the American People, this Jewish influence must be neutered.

‘The even more sinister trans-American Jew Merrick Garland, US Attorney General, is waging war on “white supremacy,” which is the Judeo-leftist code for “white nationhood.” — Tobias Langdon

Preach it, brother.

‘Attorney General’ Merrick Beria Garland is conducting a Soviet-style purge of a thousand or more Jan 6th trespassers.

Funding for Beria Garland’s anti-white pogrom was increased by Clowngress in the omnibus bill of Dec 2022, giving him millions more to hire squadrons of *Giftzwerge* Jewish prosecutors. Think of them as clones of the hateful Andrew Weissmann, a prime actor in the ‘Russian election interference’ hoax.

Not a peep of protest is heard from Clowngress about the Jewish takeover of the ‘Justice’ Department, to the point that it now has recreated Stalin’s Jew-ridden NKVD, right here in hijacked trans-America.

Carry on outing the seditious *Giftzwerge* in our midst, Mr Langdon, since their castrated Congress Clown paymasters can’t and won’t.

Jews Organized Globally(JOG) have declared total war on the European Christian ancestral core of the United States of America.

Patriotic White Core Christian Americans must acknowledge that the Mass Immigration problem and the anti-White propaganda problem brings up the JEW QUESTION.

There is no doubt that certain JEWS have a disproportionate control of the corporate propaganda apparatus in the United States. There is no doubt that the Jew-controlled corporate media pushes an anti-White and anti-Christian message of total hatred for European Christians. No honest person would disagree with that.

The JEW-controlled corporate propaganda apparatus constantly pushes nation-wrecking open borders mass immigration and multicultural mayhem. In order to stop mass immigration and anti-White propaganda it will be necessary to remove disproportionate media power from the Jews.

A political chieftain from the White Core Christian American Patriots will have to dislodge from power all Jew-controlled media outlets in the United States.

Certain JEWS must be recognized as a hostile element within the WASP/JEW Ruling Class of the American Empire.

The United States is a European Christian nation, and elements hostile to the European Christian ancestral core of the United states must not be allowed to have disproportionate power in the media to attack Whites and Christians.

Go read “The Israel Lobby and U.S. Foreign Policy” by Walt and Mearsheimer to see how certain JEWS use their disproportionate political and media power to shape the foreign policy of the American Empire.

The Jew Question is about Mass Immigration and the Iraq War debacle and so much more.

The JEW QUESTION explained:

Jews form a nation within a nation everywhere they reside. Can Jews ever be considered to be part of the larger nation in which they reside when they are genetically and culturally predisposed to put the interests of the Jew Nation over and above the interests of the larger nations in which they reside?

Tell me now when, who, and why they were permitted to move into our European ancient homelands? Guessing from there they hitched a ride to the new world. Suspect Christianity will be blamed, but have to wonder is it the fault of the usury needing aristocrats, or was it the fault of the Romans? For all the hoopla of Rome driving them out of Palestine, seems quite a few were thriving in Rome at the same time. So the whole kosher Rome hatred doesn't quite add up. Also our ancestors spilled a lot of blood to stop invaders. Guess it doesn't really matter, but I still would like to know why they were allowed in and what was their appeal that gained them entrance.

It's complicated to talk about Jews... While many of them can be creative and talented (especially in the movies and dramatic arts, but literature too — painting and music, not so much), they almost always like to insert “subversive” stuff in their works. Which actually damages the works and the artists themselves. But there's something about the Jewish personality that likes to be subversive.

It's not just Hollywood. Even in places like, say, France or Argentina, a lot of film and TV producers and directors, actors etc, are Jews (just to mention two countries that have a relatively large Jewish population). Some of the things they create is fine, but, again, even when it's good, it's almost always with some political propaganda, or sex, some other kind of subversive slant.

Now, the transgender stuff, that is something else, on the level of the “dancing mania” or other hysterical events. I mean, of course, it's being pushed by Jews among others, but — it's so RIDICULOUS that honestly you have to be a bit dim to believe in any of it, that women and men can “change their sex”, and that somehow people are “trapped in the wrong bodies”.

So in this case, I don't think it is just the Jews' fault. I mean you have to be an idiot to believe in that. It really just shows how far down our society has gone.

An 1894 book of his political maxims refers to this influence twice, but indirectly. In a section headed “Speculators in the currency” ,

Washington is recorded as saying, “This tribe of black gentry works more effectually against us, than the enemy’s arms. They are a hundred times more dangerous to our liberties, and the great cause we are engaged in”

“It is much to be lamented, that each State, long ere this, has not hunted them down, as pests to society, and the greatest enemies we have to the happiness of America. I would to God, that some one of the most atrocious in each State, was hung from a gallows, five times as high as the one prepared by Haman. No punishment, in my opinion, is too great for the man who can build his greatness upon his country’s ruin.”

If a pack of menacing dogs start growling at you, you throw them a biscuit. You don’t start running. Especially if you’re surrounded by dogs on all sides.

Notice how she starts protecting herself with her arms. Notice how she walks away from the guys and refuses to stay to socialize with them. She’s scared as hell.

That's not the case. It's someone else's country that is being ruined. For example Germany in the 1920's, Russia in the 1990's and the United States today. Their country is “everywhere and nowhere” but if you have to have a physical location it's Israel.

This is entirely untrue.

For most of the last 200.000 years a tiny human population has lived in a vast and dangerous natural wilderness. They greatly valued their few surviving womenfolk. These were tribal groups of on average 25 people with a life expectancy of 20-25 years.

Don't apply modernity to 97% of human history. Civilization was the 3% but don't forget about the rest.

Despite being a dwarf, Quilp has an outsized influence for ill on everyone around him, just as Jews, despite being a small minority, have had an outsized influence for ill on the world

| Are they planning a full scale genocide

When the Bolsheviks seized power in Russia in 1917, they made antisemitism a capital offense and the penalty for graffiti mandatory execution on the spot. They razed thousands of churches but left the synagogues untouched. While the Bolsheviks were hunting down the Christian clergy and slaughtering them with their wives and children like animals, rabbis, for example in Odessa, began receiving state funding to run Yiddish-language schools.

By the time Hitler came to power in Russia, the Bolsheviks had already murdered 20 million Russian Christians. Russians with German ancestry, called Junkers, were by policy tortured to death. It became a sort of competition between the various CheKas which could devise the most agonizing torture. They organized torture spectacles for party members who could come enjoy an afternoon watching monks and businessmen being fed feet first slowly into furnaces, that sort of thing. The total number of victims would eventually reach 66 million, making it the worst genocide in history.

Of course, under communism, there is no private property, and so even as Marxist professors in the West kept naive students enraptured with visions of egalitarian utopias, in Marxist Russia, transferring all private property to the State in reality meant Jews utterly dispossessing the Russian people.

In *The International Jew*, Henry Ford tells of street peddlers on the Lower East Side of Manhattan hawking the wedding rings of murdered Russian housewives. Which is why he's an antisemite.

To answer your question, could Jews really be planning another full on genocide, ask yourself another question. Why are we so completely ignorant about all of the above? The Russian holocaust was far larger than the Jewish one, infinitely more documented, and was still going on when many of us were born. Yet maybe one in ten Americans could even identify it as something to do with Russia, and almost no one knows that it was a Jewish genocide of Christians.

Our ignorance proves the perpetrators control the media, so our ignorance is intentional. And you know what they say: those who fail to learn from history are condemned to repeat it.

Yeah. No denying their talents especially in the cinemas.

Spielberg is a genius, albeit can be sentimental but by and large he knows how to hit the right chords. And my hero- Stanley Kubrick was a jew, although one with WASP sensibilities, so much so he lived forever in a WASP haven away from the world, and even said things like “Hitler was right about Everything”, and I agree he did say this for sure.

In Hollywood almost every second person is a jew, so much so that I am genuinely shocked when I know a person I assumed to be a white turned out jew. Case in example: Harrison Ford and Richard Dreyfuss. Both look like the poster children for Anglo Saxons and both are Jews.

Jews are also supremely talented in the sciences. Einstein for example. So nobody is denying their supreme talents but they are also so fucked up, and the root cause for world chaos. It's a pity.

While I may disagree with swaths of this text, nevertheless the author clearly deserves some praise for

- a)** introducing an interesting concept,
- b)** managing to create a novel yet logical connection between “trans-woman” and “trans-western” as defined at the start of the text,
- c)** managing to weaponize certain pro-systemic narrative terms and concepts and include them in a fairly functional manner into a contra-systemic narrative.

Perhaps the author should experiment with a subtle toning-down of the “noble aryan toilers” and “defiled shieldmaidens” type of pathos and see what happens.

Not saying this is a must, it’s great to see authors have their own artistic styles as opposed to the pseudo-A.I. flat characterless drivel generated by most of the mainstream, but on the other hand maybe there is a way to maintain the color and punch of the text while pruning some of the more comic-bookish elements.

Which again, if a conscious artistic choice are fine, but perhaps do clash a bit with the remainder of the text, stylistically.

‘The Russian holocaust was far larger than the Jewish one, infinitely more documented, and was still going on when many of us were born.’ — Vito Klein

And now, to our horror, the Beria Garland ‘Justice’ Department has brought a Soviet-style pogrom to America. Witness a Jew judge, ‘Boasberg,’ railroading a white Christian woman on multiple felonies in his kangaroo court:

‘Heroic 9/11 first responder, policewoman and former spokeswoman for the NYPD is now a convicted felon for walking into the Capitol and shaking a tambourine. Sara Carpenter was found guilty across the board on seven charges by a D.C. jury yesterday afternoon [March 9]. She faces potential decades in prison due to two felony convictions (Obstruction of an Official Proceeding and Civil Disorder).

‘Carpenter, a single mother, was arrested two years ago in an FBI raid at her Queens, NY apartment when her tambourine, rosary beads and figurines of the biblical Three Kings of the Nativity were confiscated as evidence.

‘The trial started this past Monday, despite Carpenter’s attorney’s plea to Judge James Boasberg for time to review the previously undisclosed video that Speaker McCarthy promised to make available to January 6th defendant’s attorneys. Carpenter’s lawyer argued that she should be allowed to view the potentially exculpatory footage before her trial and requested a continuance of 60 days to do so.

“She came armed with rosary beads, figurines of the Three Kings that brought gifts to Jesus at the nativity, and a tambourine,” said Tina Ryan of Citizens Against Political Persecution. “It is

upsetting that the jury could not differentiate between the mind of a 'terrorist' and a Christian woman that was there to pray for her country.”

I retch in disgust at this bigoted, Talmudic Jew justice, dispensed from a dais displaying a hijacked and suborned US flag, displayed behind a trans-Western usurper hack-in-black.

The basic fact is that women need men and men need women. They're complementary and are designed to interact positively with each other. It's the foundation of society,

Jews try to break these bonds by promoting homosexuality, transgenderism free sex etc. but place themselves at risk by doing so. They gamble to gain absolute power but should they fail they're demonised and destroyed.

I haven't seen Whites grovel before Indians or Chinese. I haven't seen Whites grovel in front of Muslims for all the millions of people who were killed, injured, widowed, and orphaned in Iraq and the rest of the Middle East.

In the USA and Europe, the main groveling is to Blacks and Jews.

The problem is that most of these foreigners come to the West to parasitically extract wealth. When they observe that Blacks can scream about racism and get all types of benefits (welfare, jobs, attention, power), they start screaming too.

Blacks cause problems, but least they're from America and were slaves (back 150 years ago). A lot of these new foreigners (Indians, Muslims, Hispanics, Asians, etc) just showed up in the last few decades, but have an extreme degree of entitlement and surliness.

Seeing a Black person talk about the "legacy of slavery" is not unpleasant, but watching some Indian or Muslim claim to be a "person of color" is just bizarre.

The good news is this. Liberal Whites (and to some extent Conservatives) might think it makes sense to grovel in front of Jews and Black, but few Whites understand why Indians and other groups are demanding concessions from Whites. It's easier to show Whites the ridiculousness of the current system when there are lots of Indians and Muslims screaming at you on tv.

One almost has to thank Indians & Pakistanis for what they're doing. Their verbal hostility is doing more to enlighten Whites than anything we could ever say.

I'm begging to really enjoy UNZ as much as I enjoy 4chan's /pol.
I think Im finally beginning to understyanhd what UNZ is and
what's its role is. It's the intelectual version of 4chan.

Just as 4chan's /pol, UNZ throws definitions around to create an
argument so people will begin commenting, then they will begin
to fight among themselves and presto! Lotto people reading UNZ
and commenting over each other, screaming at each other while
NOTHING REALLY CHANGES AND GETS DONE AND
ACCOMPLISHED.

Here, everyone screams about the Khazatrians but nobody has
defined what a Khazartian really is.

Here, everyone screams about the 'uues, but NOBODY has come
up with a definition what a 'uu is

Here, everybody keeps on talking about "White people" but
nobody has given us a definition of what a "white person" is and
what makes a person "white" and what doesnt make a person
white.

WHY all those article writers never give us a hardcore definition
of what a "white person" is? Cuz they cant, same why nobody can
give a definition what a "Christian" is. The minute somebody
does give a definition, 10 people will just and challenge that
definition as wrong. Is a Catholic a Christian? IS a jehova
Wtihness a Christian? Are 7 days adventise CHristians???

Who is "white"? The Anglo-saxons? The Germanic people? The
French? The British? Are south eastern people from the Balkans
like myself white? I got the shock of my life when many decades
ago I was told by an old Amenrican white women that "I am not
very white looking". Poor me, and here I thought I was "white".

Oh woe is me. Worse, a few years later while wearing a full beard, I was told I'm a Jew by another "white guy" and was told to get the eff outta here cuz he was gonna kick my ass. I did leave.

SO, Keep on fighting among yourself sheeple, while they keep on effing you up the ass. And keep on entertaining me
And oh, a definition of what makes somebody a "white person" would be very welcomed. COME on, entertain me some more.
I'm waiting. I KNOW I WON'T be disappointed.

Yeah, well, that quote is from a time before the Belfour declaration.

“THE ignorance of the broad masses about the inner nature of the Jew, the lack of instinct and narrow-mindedness of our upper classes, make the people an easy victim for this Jewish campaign of lies.

While from innate cowardice the upper classes turn away from a man whom the Jew attacks with lies and slander, the broad masses from stupidity or simplicity believe everything. The state authorities either cloak themselves in silence or, what usually happens, in order to put an end to the Jewish press campaign, they persecute the unjustly attacked, which, in the eyes of such an official ass, passes as the preservation of state authority and the safeguarding of law and order.

Slowly fear of the Marxist weapon of Jewry descends like a nightmare on the mind and soul of decent people.

They begin to tremble before the terrible enemy and thus have become his final victim.

The Jew's domination in the state seems so assured that now not only can he call himself a Jew again, but he ruthlessly admits his ultimate national and political designs. A section of his race openly owns itself to be a foreign people, yet even here they lie. For while the Zionists try to make the rest of the world believe that the national consciousness of the Jew finds its satisfaction in the creation of a Palestinian state, the Jews again slyly dupe the dumb Goyim. It doesn't even enter their heads to build up a Jewish state in Palestine for the purpose of living there; all they want is a central organization for their international world

swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven for convicted scoundrels and a university for budding crooks. “– Adolf Hitler chapter 11 Mein Kampf

Hollywood has mastered the art form of cinema and cinema is the greatest art form, greater than poetry, music, sculpting or painting. It amalgamates all of these.....an evolution if you may. Moving pictures create the greatest psychological effect on the mind, even Hitler said so. Leni Riefenstahl’s works are an example of this.

Look at it as a tool. And to be fair Hollywood has become terrible in the last two decades. 90s and prior it was still good as far as entertainment goes.

Women had suffered great Inhumanities since the beginning of civilization, they had struggled to vindicate their rights and here comes the woke/anal/cult transgenderism and killed womens gains

That's really the only good thing about trannies. Female rights are obviously much more harmful and they have done much more damage to society in the big picture than trannies have, so it's good that trannies are completely dominating females at everything now. It's not just sports. Females are getting wrecked by trannies across the board in all areas and it's very funny to watch.

It really proves how much of a lie equality is. When put on a level playing field, females simply cannot compete with men at anything. Even against mentally ill men in dresses who take hormones and cut their genitals off, females just get blown out

I'm very happy Wikipedia, everyone's here favourite research site has called this so called quote by Mr. Franklin, a founding father, a fake, a forgery, thank you Wikipedia, a Palestinian website ():

“There is a great danger for the United State of America. This great danger is the Jew. Gentlemen, in every land the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. They have remained apart and unassimilated; oppressed, they attempt to strangle the nation financially, as in the case of Portugal and Spain.

For more than seventeen hundred years they have lamented their sorrowful fate — namely, that they have been driven out of their mother land; but, gentlemen, if the civilized world today should give them back Palestine and their property, they would immediately find pressing reason for not returning there. Why? Because they are vampires and vampires cannot live on other vampires —they cannot live among themselves. They must live among Christians and others who do not belong to their race.

If they are not expelled from the United States by the Constitution within less than one hundred years, they will stream into this country in such numbers that they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed our life, property and personal freedom. If the Jews are not excluded within two hundred years, our children will be working in the field to feed Jews while they remain in the counting houses, gleefully rubbing their hands.

I warn you, gentlemen, if you do not exclude the Jews forever, your children and your children's children will curse you in their graves. Their ideas are not those of Americans, even when they lived among us for ten generations. The leopard cannot change

his spots. The Jews are a danger to this land, and if they are allowed to enter, they will imperil our institutions. They should be excluded by the Constitution.”

Thankyou Wikipedia, Palestinian website ().

I do not understand why everybody has their panties in a bunch. After years of male discrimination in the courts when it comes to child custody, for example, men are finally coming out on top. How many biological males have received women's awards? How many biological males whooped the tits off of women athletes, and took home the gold?

If anybody should be moaning and dripping over this, it should be women. Real women I mean, not those fake, off the shelf women. There is nothing inherently wrong with the transgender crowd as long as they stay away from children. I say the same thing about gays, lesbians, straights, and everything in between. Live your life, but don't expect me to think you are special just because you identify differently.

I do not have any problem with homosexuality. It is a thing in nature. Among the 'lesser' species, it's all the rage. And contrary to popular belief we homo sapiens are a part of nature. We don't stand either above or apart from it.

The only difference between us humans and 'animals' is that we – sometimes – say please and thank you. Other than that, we still kill. We kill for food, when we really don't have to, we kill for territory, hell, we even kill our own offspring.

We are far, far away from being 'civilized'.

The absurd thing to happen here on international women's day just gone, was a women's clothing company declared that its "ambassador" pushing its public image is a man dressed in a lurid day-glo green two piece bikini. Thankfully the women folk seem to have woken up to the ruse, and the company is now being publicly boycotted. If the whole thing was simply an attention grabber then it succeeded. If not then the ploy could prove expensive.

In parliament the Greens Party are going after the jews and what they are doing to the Palestinians, as well as to push for boycotts as well. So it appears as if the untouchables are finally being called out for their behaviour. Clearly the greens don't have wealthy jews bankrolling them.

The claim in comment on courts is false, 'men' are not 'coming out on top', nor are they going to. The goal is destruction. False 'courts partly reward predator scum, male or female, though they're also ripped off by lawyers. The con is to stoke downward greed until everyone is imploded under the cons and their drones.

The person more probable to resist schemes, good or resister type persons are targeted by smiley fraud judges and supposed lawyers, whether male or female. They hand children to abusers, male or female. They also force drug people, male or female, and rip off people through probate, male or female. Millions attacked as dupes watch bs 'tv' fake 'exposing' courts. The scheme has been and is as stealth weapon, to weaken population as people don't recognize until they're in the trap, assume 'not me' and ignore when -no one is immune. Proof is covid con among other destruction. Forty to sixty percent of 'state' cons are lawyers. Hint.

– On examples of killing, jumbling and lumping everyone isn't valid. The claims should be separated. Dupes here going along with false war –assuming to kill for territory, stupid and guilty, though not all of us went along with the terr con.

The word 'civilized' is a con. Femy dumb down word made by cons as they're predators posing as state and courts and media and schools and corporations. Cons in business suits and dresses.

Reality isn't 'civilized'. The fact is in our face, as they spew 'hate speech' bs, which is a con threat, using 'civilized' as cover. Hate speech is a natural right, of people fight for it. You may not have problem with supposed whole groups but you haven't been

attacked by people in those groups or you wouldn't be saying any whole group is 'ok'. Fake grouping is bs that's why the cons do it. To hide behind as they attack.

People must get real, separate where should, connect where should, share info with others, though draw lines, further sharing only with others of effort, not, fake 'civilized' going along with whatever, or whoever based on fake front or fake polite regardless whats going on.

Thanks for the quote. Hitler got that side of things exactly right. He chased the Jews out of central Europe.

His problem was German racial supremacism (destiny) involving the idea of a German Empire stretching to the Urals. A land empire designed to complement Great Britain's sea empire.

He planned an extraordinarily harsh supression of the Slavs. Starving them out of their cities and in some cases their physical destruction (for example Moscow and St Petersburg).

David Irving has done the most thorough research on Hitler and Germany's "Destiny in the East" was a constant from the start.

For decades, women have claimed that gender is not biological but socially constructed. This bogus assertion allowed them to indulge their penis envy and invade male spaces. It allowed them to evade their social obligations and do away with societal expectations of their behavior. Now it seems like a group of mentally ill men in skirts have turned the tables on women; using the same rhetoric to invade female spaces. Ironically, the transloons are actually on the right side of feminist ideology, which puts female opportunism on full display for those with eyes.

I don't feel even the slightest bit of sympathy for women. Their short term gains have led to long term pain. Women are seldom given their due credit for the demise of Western civilization, so I'm happy they are getting a little karmic payback.

I am genuinely shocked when I know a person I assumed to be a white turned out jew.
Case in example: Harrison Ford and Richard Dreyfuss.

You have to be joking about Dreyfuss. He looks and talks like a Jew and has a typical Jewish surname.

As for Harrison Ford, he is a Halbjude* – his father is of Catholic German and Irish descent.

Yes, his mum is a Jewess and by their standards, that technically makes him a Jew.

(*<https://en.wiktionary.org/wiki/Halbjude>).

But, if he isn't married to a Jewess now or in the past (his last wife wasn't a Jewess either I believe), and doesn't involve himself in their tribal ways or live by the ways of the Talmud etc, then he's probably OK.

Almost every jew is amenable to serving in israel's defense force. Even American jews are loathe to serve in the U S military, preferring to serve in the IDF. Most jews have no loyalty to the USA, even those who were born here...

Of course Jews aren't Americans. I listened to a report on NPR report about Jews serving in the U.S. military, and several outright stated that they joined so that they could later use their skills in the IDF. This report was broadcast around the time of 911, so it was a long time ago, and I probably don't remember it all, but the Jews who were interviewed did not come off as Ameican patriots, or attached to Americans at all. From what I remember, and the NPR "reporter" didn't either.

That report just cemented the views that I already held about Jews. In general, Jews hate America and Americans.

It is getting kind of hard in the modern West not to think Hitler was right in general.

Well, Jews really don't care about you because they cluster genetically with Semites and Italians.

For Hitler's part, he was a fan of the British and Dutch (racial cousins of the Germans). 313 Table Talk – “What a fine race the Dutch are! The girls are splendid and very much to my taste.”

Conversely, he didn't care at all about the Slavs and planned to destroy/enslave them.

The bulk of the WW2 fighting took place in Russia and clearly wasn't principally about Jews. It was about Hitler's Eastern Empire project and his view of the destiny of the German people (fully supported by Germans at the time – all celebrating German victories). Jews of course did everything they could to finish with Hitler since he had just chased them out of their central European homes – where they had lived in relative peace for centuries.

For his part, Stalin temporally abandoned Bolshevism, realizing that Russian nationalism – Mother Russia – was a more potent unifying force than international workers rights + Jewish intellectuals (who he mostly liquidated in the 1938 Moscow Show Trials prior to WW2).

WW2 was ethnic Slavs (Russians) defending themselves (and eventually defeating) a Germanic invasion, with some useful military and economic help from Anglo Saxons (prodded by Jews).

Hitler was clearly wrong. He did enable Germany to recover from Weimar, enacted successful and intelligent economic policies and gave Germans back their self respect but his imperial ideas of racial supremacy ruined the whole thing and landed us where we are today.

Hitler wasn't clearly wrong because if the Dutch, British, Norwegians (all Germanic peoples) joined the Nazis then he would have won WWII.

Hitler was actually proven right because Jews are gonna Jew and are still Jewing :

“One might well ask why are there any Jews in the world order?

That would be exactly like asking why are there potato bugs? Nature is dominated by the law of struggle. There will always be parasites who will spur this struggle on and intensify the process of selection between the strong and the weak. The principle of struggle dominates also in human life.” –Joseph Goebbels

Jews have high verbal IQs but lackluster visual-spatial IQs hence they are degenerates with their relativistic philosophizing and legalese (Lawyers) etc..

Agreed that organized Jewry is parasitic and potentially fatal when it gains power. But like Goebbels said, it's their business.

However, everything can't be shoehorned into the Jews vs. Gentiles conflict format. Living organisms face other threats apart from parasites.

As it happens, the Slavs in WW2 were parasitized by Jews – the whole of Eastern Europe and Russia – but the greater risk was the direct external attack by militant ethnic Germans seeking to destroy and enslave the Slavs. Clearing out the resident Jews was secondary issue for them.

I see that you are prone to generalization and that's alright at times. I would say that not all Jews can't be Westernized or become Americans. My father was born a Jew but left that "world" then married a woman that came from Puritan stock (1632). Raised 3 sons who knew little to nothing of any Jewish culture growing up. Visited cousins once a decade who were more socialist than religious. So I sit here in my 7th decade studying the impact of Jews on the West since the last 4 centuries and can agree with you on many things. Just wondering have you written anything on the assimilation of parts of the Jewish community into the American tradition?

People often blame this in part or in whole on Kant. This is from gross misinterpretations of his work often done by commenters on his work, and done by both with the wingnut left and the hard right.

As someone who has read ALL of his works, over years of careful disciplined study, and reading many opposition papers after reading original text, I can say that our enemies have many guns pointed at Kantian thought.

To anyone that would suggest this, I would strongly recommend reading his “Religion Within The Boundaries of Mere Reason”. This essay is likely the one they hate the most, and I think important work for ordinary people to read, unlike his other works which were written for philosophers. People in high school likely read this years ago, now it's considered graduate-level study.

As far as Jews go, he mentions them a couple of times in passing – as being the owners of China (Metaphysics of Morals I think) and being at the end of their “moral period” in his third critique.

Judaism is a cult and it's easy to see cult-like beliefs implanted in their minds, whether they are part of the S.O.S. or not. The idea of “making the world a better place” is completely empty. I could say I am trying to make the world an even better place and use that as a justification for “Dougism” and convert them all – so it seems.

They are just another cult, likely directed from Switzerland, like Chabad or freemasonry or any of the other suicidal death cults.

How is Kevin Costner bad? Genuinely asking. I started watching a show called Yellowstone and it is as good as it gets. My own fantasies of a white ethnostate in a state like Nebraska, built around a film studio is personified by this show. Rational, engaging, not many colored people(I've only seen ep 1 and there was one black rancher with one line, nothing else), and a fantastic writer/director in the vien of John Ford. Costner is the heart of the show and he exemplifies the stoic, rational white man(even in the show as a character). Unless you mean his whole appreciation for the natives. I never found the natives to be bad, nowhere on the level of blacks and browns. They should be kept happy on reservation lands.

The greatest majority of those in today's world who say they are Jews are not Jews. They are Khazars who converted to Talmudic Judaism around the year 800 AD. Talmudic Judaism is the Judaism condemned by Jesus — Talmudic Judaism practiced by the Pharisees nailed Jesus to the Cross — Talmudic Judaism hates Jesus Christ and all things Christian — especially Christian Civilization which they are driven by an inner spirit to destroy — Liberals are just extra pieces in the puzzle that most easily fall under their control (In fact that can be used as a working definition of a Liberal)

The Apostle John tells us that those who say they are Jews, but are not, are of The Synagogue of Satan.

THE JEWISH REVOLUTIONARY SPIRIT AND IT'S IMPACT ON WORLD HISTORY written by E Michael Jones goes into great detail about Jewish Revolutionary perfidy from the death of Christ to the present day.

King Edward expelled the Jews from England in 1290. They didn't begin to return until the late 1600's. English settlers – not at all familiar with Jewish ways – colonized the United States beginning around 1620.

The English – especially the English founding fathers of the United States – were much less “Jew-wise” than continental Europeans, who didn't get to enjoy a 300-year divorce from the Jews.

Few if any of the English colonists were Roman Catholics (who saw the Jews as a problem and dealt with them based on “Sicut Judaeus non” – “Don't harm the Jew, but don't let the Jew corrupt your culture.”)

Add Freemasonry, free enterprise and freedom of religion into the mix, and the U.S. was the perfect petri dish for Jewish mischief, with England running a close second.

When Putin talks about “Anglo-Saxons”, I believe he is referring to the symbiotic relationship between Anglos and Jews. This is well understood in other countries.

Secularized American whites of Christian heritage do not have – and do not want – a tribal identity all their own. But life doesn't work that way. You get tagged whether you like it or not. The typical American white bows and scrapes to everyone other than his fellow whites and greatly admires the Jews.

The whole Jewish drama of “innocent victimhood” combined with great material success warms the cockles of the white Anglo American's heart. Oh, if only he had a part in that great drama – hiding in an attic from the Nazis in Amsterdam, surviving Auschwitz, and then making a million dollars. What could be better?

Being a victim is the highest moral achievement in America today. The Church of Victimhood has many saints and martyrs, George Floyd being a recent example.

How can a white be a victim? LGBTQI etc. seems to be the way to go, or feminism, or the mere consolation prize of being an “ally”.

Pew recently published a survey on how Americans feel about different religious groups. Jews came out on top. Mainline Protestants and Catholics were – at best – seen as inoffensive. Rounding out the bottom were evangelicals (the Bible Belt) and Mormons.

Meanwhile, Ashkenazi Jews as we all know, migrated from Khazaria (a region that is more or less within the boundaries of present day Ukraine),

The maps of Khazaria place them and their state roughly between the Black and Caspian seas.

WIKI:

Beginning in the fourth century BCE, Jewish colonies sprung up in southern Europe, including the Aegean Islands, Greece, and Italy. Jews left ancient Israel for a number of causes, including a number of push and pull factors.

Charlemagne's expansion of the Frankish empire around 800, including northern Italy and Rome, brought on a brief period of stability and unity in Francia. This created opportunities for Jewish merchants to settle again north of the Alps. Charlemagne granted the Jews freedoms similar to those once enjoyed under the Roman Empire. In addition, Jews from southern Italy, fleeing religious persecution, began to move into Central Europe.

That's why Ashkenazi (Yiddish – a German language) means German
the place of origin of the Ashkenazi (European) Jews according to (WIKI) their DNA and history is Italy

SYNAGOGUE OF SATAN is the state, compiled together with Abraham satanists.

I read the bible when I was 12 years old, in a way I suppose some reads porn now, hidden behind other books in school.

The satanic bible is full of requests for holocausts and baskets with dicks.

If we assume that Jesus is a historical person, he tried to reform the satanic, and it went bad.

Maybe he induced the VICTIMS ?

The satanic is build on VICTIMS, like in the satanic Nine Eleven. They did it themselves, ordered by the cannibals and tell the world they was VICTIMS.

Galileo, Newton and Assange has no meaning whatsoever for the state, the state is only terror and mind control.

“The Most Dangerous Superstition”

Nine Eleven are simply monstrous, like the devil walk on Earth.

Are “Christianity” mirrored by the ways to execute people, or in the burning of women alive ?

“Christianity” has never happen, the state are build of bandits, psychopaths. A bandit association.

Controlled by bandits as the Khazar Henry Kissinger, war criminal, and the war criminals behind the Nine Eleven clown play. Pure evilness.

The policies induced by the mentally disturbed child Greta Thunberg, used by Rothschild, is a enormous expansion of the concentration camps, to country's and continents.

Nevertheless has Russia managed to do the right thing twice now, maybe Galileo, Newton and Assange has some meaning for Russia.

Just as I think it's great, and certainly interesting, that The Occidental Observer is now posting articles from more mainstream writers such as Ann Coulter. And that all of them, in one way or another, are connected to **TUR**, the greatest website in the short history of the Internet (nothing comes close).

Though one is entitled to have their doubts about Ron's ultimate motives, his interest in rigorous, thought-provoking, intellectual inquiry seems as genuine as it is consistent, even tireless. The point is, whatever one thinks of Ron Unz, he has done much to help rescue us from the intellectual desert in which we all live thanks, in large part, to Supremacy Inc.

In any event, I'd like to respond to PCR's post linking TL's article, and will do so in a follow-up comment.

The following is my response to PCR's post linking TL's article. I find the fact that he has done so to be very encouraging. It was also glad to read his mention of the great cultural historian Jaques Barzun and his **From Dawn to Decadence 500 Years of Western Cultural Life**. PCR directs attention to some important points that warrant a response. The following is mine, with PCR quotes in *italics*.

The skepticism in Enlightenment thought in the end unravels civilization by subjecting everything to doubt.

If skepticism and doubt are enough to unravel a civilization, then that civilization couldn't have been very strong. But the key phrase in the above quote is in Enlightenment thought. Not in skepticism and doubt itself. How could one get through life without a touch of skepticism and doubt?

If the human species were to eliminate skepticism and doubt it couldn't possibly survive.

Also, though PCR's response in general and to Barzun's work in particular is understandably negative, it's worth remembering a few things Barzun said in that book. He says that the passion to break away from the West "explains why many feel that the West has to be denounced. But we are not told what should or could replace it..." Adding that, "To dounce does not free the self from what it hates, any more than ignoring the past shuts off its influence."

Identity Politics can run. But it can't hide. Not from the West and its influence it can't. Even if they were to kill everyone they associate with the West, ie; Whites (and many Whites seem willing to oblige). No matter. It wouldn't change a thing. Such is

the moral insanity (and moral imbecility) of revolutionary utopianism, whether it comes in the form of Identity Politics, or Zionism, or whatever.

But the value of PCR's quote is that he directs attention to The Enlightenment. As in *Enlightenment* skepticism and doubt, or its opposite, Enlightenment sentimentality and rationalism, which does not doubt itself at all.

The Enlightenment can be reduced to a single principle – perfect adaptation. The notion of perfect adaptation was made the basis of all intellectual and moral decisions. It was believed by those both on what today we would call the Right and Left, or Conservative and Liberal, Reformatory or Reactionary, that the structure of the mind was identical to the structure of nature. But, because of man's ignorance and stupidity the structure of society was out of line.

The revolutionary effort was designed to correct that by lining up man, nature and society into one complete system. In short, revolutionary utopia.

The conservative Enlightenment, on the other hand, best represented by Burke, saw man, nature and society as an “organic” system that had gradually developed. That's why he opposed the revolutionary effort, which he saw as something that was going to damage and even destroy the complex and delicate “balance” of man, nature and society.

The point of the Enlightenment is that from the same belief in perfect adaptation two diametrically opposed positions emerged; one justifying the slaughter of the other (it's legacy is found in today's Polarization). The big showdown was the French Revolution.

The French Revolution marked the failure of the Enlightenment because the French Revolution went from a Utopia designed to liberate the human race, to a bloody dictatorship designed to impose by force a ruthless tyranny **without ever changing its belief-system!** Get it? Sound familiar? This is the pattern of all revolutionary utopias. The carrot on the stick is Utopia. The stick is Tryanny. And now we're back to Tobian Langdon's article.

Because from this perspective Jewish Supremacy, or simply Supremacy Inc. is the only group with a living tradition tailor-made to exploit this state of affairs. Because from the position of revolutionary utopia, they haven't budged an inch since 459 BC. https://www.unz.com/book/douglas_reed_the-controversy-of-zion/

They are its originators, of course. But what made their hostile takeover of the West in the 20th/21st centuries so much easier was what happened in the 19th century, the Industrial Revolution, and two of its most important consequences, the Population Explosion and the Communications Revolution.

The population explosion was an internal mass migration, so to speak. It introduced millions of people – Whites – who didn't create, understand or value the civilization responsible for their existence. But they wanted the goodies it was providing. They were filled with radical ingratitude, to use Ortega's superb phrase (and no one has analyzed the masses better than him).

The Revolt of The Masses was about White Europeans and Americans (North and South). If we can accept the criticism why can't POCs? Because, make no mistake about it, that revolt of the masses has simply been extended to them. And their ingratitude is even more radical and clueless. Which means their willingness to join the utopian revolution (reflexively, of course, since there's nothing reflective about revolutionary utopia) has merely added

to our problems and is in no way a solution to them. But they are so doped in their hatred of Whites and lust for power over the West that they can't think straight.

Why is revolutionary utopia such a problem? I'll answer that in my next comment.

Why is revolutionary utopia such a problem?

Because it is an attempt to escape from the source of human adaptability, which is the primary attribute of the human brain. Not the revolutionary brain, the reactionary brain, the Jewish brain, the White brain, the African brain, the Asian brain, the male or female brain, etc. *The human brain*. And this brings us to the question I put to Steve Sailer, and more recently to Kevin MacDonald

(<https://www.theoccidentalobserver.net/2023/03/16/173975/>), as well as the contributors, readers and commenters of **TUR**.

What is the primary attribute of the human brain?

Of course, in a way, it's a joke question. Though a joke with teeth in it. But it is still a joke.

Why? Because this question was answered long ago. It's not something some humble commenter invented or discovered. Hardly. I read about it when I was in college and am just amazed at how well Supremacy Inc. did its job in not just brainwashing and brain-soiling students, but in removing their collective memory, as it were.

My purpose in asking the question is this:

How can the human race possibly hope to survive in a civilization more complex and unpredictable than ever before in its history if it can't talk about and adequately respond to its primary attribute? Especially since this is the kind of thing you could teach a student in the 10th grade.

The point is, Revolutionary Utopianism negates The Primary Attribute of The Human Brain, which is the source of human adaptability!

And the form that Utopianism has taken today is that of Supremacy Inc. or, if you prefer – Identity Politics, or Zionism! It is both insane and maladaptive. The two go together. We're all going to die for the likes of Bill Kristol, Max Boot, Jennifer Rubin, Mark Potok, Ibram X Kendi and Robin DiAngelo? Really?

We've heard countless times the Santanyana quote on history. Better than that for now is one fact that history makes obvious. And it's the fact that there are times in history when people start saying **No!** To something, or someone, when anything other than *Yes* was unimaginable. How exciting it is to live at such a time when some are saying **No!** – to *them*.

Thanks again to PCR for directing attention to TL's great article. Because whether or not Supremacy Inc. is responsible, it might as well be. For no other group has had a longer history of revolutionary utopianism, which works against human adaptability and therefore represents the only real *existential threat* to our survival.

This is a nonsensical question to ask... because the generic use of the article in this context is ridiculous... and in addition there is no such thing as an abstract/isolated human brain... any human brain is shaped and developed in a specific society and the main purpose of any society is the survival of its members, this main purpose – more or less – is an inherent part/attribute shared among the members of any society – tribe/nation etc. Different societies have different strategies for that, these strategies in a primitive culture differ greatly from those that are used for example by the Jews in a gentile society or by the Whites in their native environment

I travelled in India for over 1 year and was with many Western/European girls and a couple Japanese girls. Each girl reacted to male interaction differently. Except Corbett lost me when he based his comment on Karl Popper and his declaration that a theory that explains everything explains nothing that is entirely and exactly like his falsifiability criteria that purportedly demarcates everything and thereby demarcates nothing from anything.

Now Popper is an idealist philosopher who bounces between subscribing to objective and subjective versions of idealism.

His entire theory of “falsifiability” for demarcating science from metaphysics is making up statements that are falsifiable by other statements – basically, universals vs particular statement such as the universal statement that “all ravens are white is instantly falsified by the particular existential statement “there is black raven in the New York Zoo.” I kid you not because that is the precise example Popper gives in his *Logic of Scientific Discovery* how science advances by making up falsifiable statements and refuting variously described “statements” identifying some singularity.

All this sophistry is, however, entirely divorced from the material world by Popper expressly affirming that “I admit that the decision to accept a basic statement [i.e. a “falsifier”], and to be satisfied with it, is *causally connected* (e.a.) with our experience [but is it based on or verified by it and how is that linked to the actual material condition it purports to “connected to”] – especially with our *perceptual experiences* (i.o., Popper, *Logic of Scientific Discovery* (New York: Harper Torch Books, 1959), p. 105). [A CAUTIONARY NOTE – whenever Popper uses different words to express something, they do not mean the same thing, so “experience” and “perceptual experience” refer to entirely different occurrences in the material world]. Popper

By thus distinguishing experiences from perceptual experiences he actual severs any connection between them that he confirms in his next sentence by declaring “But we do not *justify* (i.o.) [and for which you can substitute any word of similar meaning like “substantiate, verify, validate, etc.] basic statements by these *experiences* (e.a.) [see, now it’s back simply to “experiences.”] Experiences can *motivate* as decision, and hence an acceptance or rejection of a statement, but a basic statement cannot be *justified* [e.a.] by them – no more than thumping a table.”

Thus experienter is only a motivator for a decision to accept or reject the statement that by Popper’s formulation separates the material real from the system of statements floating around in his mystical realm of idealist metaphysics that has no real part in actual science of the material world.

Thus Popper as the true idealist he is never actually gets around to confirming how the existential statement is verified, validated, confirmed the material condition it merely purports to describe. For Popper, it’s all an exercise in statements.

If you really want to explore how things work in the world of science, examine Thomas Kuhn’s *Structure of Scientific Revolutions* and note his comment on all this “that only when they must choose between competing theories do scientists behave like philosophers that he wrote in *Logic of Discovery or Psychology of Research*.

But to give Popper his due, it was he who actually propounded the notion of the “conspiracy theory of society” by declaring it to be “the view that an explanation of a social phenomenon consists in the discovery of the men or groups who are interested in the occurrence of this phenomenon (sometimes it is a hidden interest which has first to be revealed), and who have planned and conspired to bring it about.” And “this view . . . arises, of course, from the mistaken theory that, whatever happens in

society—especially happenings such as war, unemployment, poverty, shortages, which people as a rule dislike — is the result of direct design by some powerful individuals and groups” (Popper, *The Open Society and Its Enemies* v. 2, (Princeton, NJ: Princeton University Press, 1962), pp. 94-95.

How convenient that this “theory” of the conspiracy theory of society came out and became baked into the social sciences just in the nick of time for the CIA to use it as the foundation for denouncing as just such a conspiracy theory any criticism of the Warren Commission fable the Government commissioned to explain the lone nut job on JFK in Dallas that they have been using ever since to discredit and falsify anyone daring to suggest that as Popper so nicely put it that “happenings such as war, unemployment, poverty, shortages, which people as a rule dislike — is the result of direct design by some powerful individuals and groups” when the truth is that’s exactly how such things come about once the facts underlying their occurrence are properly investigated and analyzed like the numerous false flag operations that have been conducted in the years since then that have been nicely covered up by any questioning of it being dismissed as a mere “conspiracy theory.”

But to demonstrate the scope of Popper’s shysterism, having denounced the conspiracy theory as an explanation of events, he shortly thereafter acknowledges that “Conspiracies occur, it *must be admitted* (e.a.). But the striking fact which, in spite of their occurrence, disproves the conspiracy theory is that few of these conspiracies are *ultimately* (e.a.) successful. [For declares as a statement of fact that] *conspirators rarely consummate their conspiracy.* (p.

It would take pages to unravel and expose the lies, deceptions, frauds, misrepresentations that Popper has woven into those few sentences. Let it suffice to note that even his conclusion that few are consummated is, of course practically an outright refutation

of even his claiming they occur because if few are even consummated, then the conspiracy did not actually occurred but was merely imagined by some, and if their occurrence is disproved by only a few being ultimately successful, how long does it take for them to be actually successful forever when they are only ultimately unsuccessful. Like the JFK conspiracy could be deemed to have been not successful ultimate when 50 years later practically every sentient being knows the assassination involved a conspiracy, but only after all the conspirators reaped all of its benefits and are now long since dead without ever having been held accountable.

Thanks for that O.P.

I confess to knowing next to nothing about Popper and his claim(s) to fame prior to reading your comment. My knowledge has now increased ten fold.

For James Corbett to quote Popper in that situation was perhaps inappropriate in relation to the message he was trying to convey. Nevertheless, it does not detract from the thrust of Corbett's argument which is based on sound science.

As you realized, that was my point. He has otherwise done an outstanding job debunking the mainstream nonsense. His ridiculing of the 911 fable is a masterpiece.

I am also sure he knows little about the foundation and purpose of Popper idealist philosophy that is designed to cement the political power of the elites. That's why he was knighted by QEII.

@RJ Macready

The three published papers that were widely advertised in various media and made Albert Einstein a famous celebrity would never have been written if not for the work of Mileva Maric, who “just” did the math that supported the papers’ theories.

She was such an extraordinary child, her Serbian father sought advanced tutors for her as she was growing up.

An Austrian university allowed her to enroll there when she was about 18, even though she was female. But she was “hazed” and effectively prevented from attending and advancing as she would have if she’d not been such an outsider.

She met Albert Einstein a couple years later. He struggled with the curriculum and was under a lot of pressure from his family to not flunk out. Mileva believed she’d found a friendship she desperately needed, and reportedly tutored Albert.

She gave birth to their first child before they married. Mileva gave birth to two more children after they married. Together, they published the three famous papers, which were based on, but not advancements of, previously published works. (James Clerk Maxwell, Poincare’, and others.)

Albert’s settlement for divorce from Mileva included relinquishing to Mileva the entire amount of the Nobel Prize money awarded for the published papers. He then married his cousin.

Mileva went on to struggle alone to provide for their two sons, one of whom was schizophrenic and violent. (The fate of their first child isn’t known.)

The effort to conceal her achievement and genius, and erase her from history, has failed.
