WASHINGTON, DC – ŘÍJEN 07: Ředitel FBI Christopher Wray hovoří během tiskové konference o záležitosti národní bezpečnosti na ministerstvu spravedlnosti dne 7. října 2020 ve Washingtonu, DC. (Foto: Jim Watson-Pool/Getty Images)

Ministr obrany Lloyd Austin a ředitel FBI Christopher Wray spojili zdroje, aby vytvořili pracovní skupinu, jejíž mise zahrnuje identifikaci, izolaci a terorizaci „spolupracovníků“ White Hat, informátora FBI nebo „pátého sloupce,“ řekl Real Raw News.

„Pátý sloupec“ označuje rostoucí počet agentů FBI, kteří po nezákonném nájezdu agentury na Mar-a-Lago začali tajně pomáhat Bílým kloboukům v jejich misi vyčistit Deep State. Zdroje z kanceláře generála Erica M. Smitha uvádějí počet „pátých sloupců“ na přibližně 500, což je údaj, který oznamovatel potvrdil. Přísahali, že pomohou Bílým kloboukům svrhnout zločinecký Bidenův režim a jeho zkorumpované ministerstvo spravedlnosti.

Christopher Wray však zjistil, že agenti pod jeho velením pracovali po boku Bílých klobouků, aby podkopali jeho autoritu, ale neměl tušení, kteří agenti sdílejí jeho zlověstnou agendu – zbavit Američany práv a svobod, které jim jsou drahé – s Bílým kloboukem. společenství. Pátrání po dvojítech agentech poslalo paranoidního Wraye po hlavě dolů do spiklenecké králičí nory plné skutečných i smyšlených spiknutí, aby ho vyhnali z FBI. Informátor řekl, že Wrayovo věčné hledání „zrádců podporujících Trumpa“ ho přivádělo k šílenství.

V lednu Wray pověřil skupinové supervizory a speciální agenty odpovědné v DC, Spokane, Dallasu, Houstonu, Chicagu, Oklahoma City, New York City a Miami, aby vypátrali „páté kolonisty“ a dali jim tři týdny na vytvoření seznamu jmen. Když uplynuly tři týdny a nadřízení a odpovědní agenti neodhalili ani jediného „pátého sloupkaře“, Wray se zbláznil a obvinil je, že jsou špioni, a požadoval, aby odebrali polygrafy, aby dokázali, že nejsou agenti kontrarozvědky, kteří tajně pracují pro Donalda Trumpa a Generál Smith. Všichni prošli a Wrayovo šílenství vyletělo do nových výšin; Všude viděl špiony a kolem něj se pletly spiknutí.

„Došlo to do bodu, kdy Chris Wray nikomu nevěří; i jeho bezprostřední podřízení jsou v jeho očích podezřelí. Když řeknu, že je blázen, je to podcenění. Využil tisíce člověkohodin a spoustu dolarů daňových poplatníků ve snaze bez štěstí zjistit, kdo jsme,“ řekl informátor.

Wrayovo šílenství pokračovalo až do února, kdy degradoval zástupce odpovědného agenta za neposlušnost a vymyšlený přestupek: neoslovení „pane“, když byl v přítomnosti členů kabinetu nebo vysokých vojenských úředníků.

„Někdy na konci února, a to datum si nepamatuji, se Chris Wray – a do té doby je naprosto ponížený, že nikoho z nás nenašel – setká s Lloydem Austinem, je to opravdový kus práce, a přinese mu funkční Agent FBI, který ho má na starosti. A tenhle chlap, a nechci ho jmenovat, je v předsednictvu 15 let. A přímo před Austinem Wray právě začíná žvýkat tomuhle chlápku novou díru v zadku a říká, že on je důvod, proč nás úřad nemůže najít. A tahle ubohá míza je jen chlap, který dělal svou práci. Chris Wray ho obléká a říká Austinovi, jak ho degraduje na práci u stolu. A vím to, protože se tím Wray chlubil a ze speciálního agenta, který to měl na starosti, se stal posouvač tužek,“ řekl informátor.

Wray, dodal, skrýval svůj stud tím, že obviňoval ostatní ze svých neúspěchů. Během setkání s Austinem Wray navrhl, aby se FBI připojila k Austinově armádě, aby odhalila a vymýtila „povstalce z Bílého klobouku“, což je označení, které použil pro disidentské agenty a kohokoli jiného, kdo se staví proti zločinnému Bidenovu režimu. Řekl Austinovi, že nedůvěřuje svému lidu a chce, aby vojáci pomohli „zajmout nebo zabít“ povstalce, a konkrétně požádal speciální jednotky, aby tuto roli plnily. Austin byl nucen přiznat, že už neřídil speciální jednotky, ale nabídl jiné řešení: Řekl, že „Bidenův kámoš“ z týmu Close Precision Engagement Team USAF se bude řídit jeho příkazy.

Wray, řekl informátor, si vybral 75 agentů, aby pracovali vedle Austinovy 50členné jednotky, ale ve spěchu, aby odhalil své nepřátele, sebral několik „pátých sloupců“, aby se zúčastnili společné pracovní skupiny FBI a Black Hat, a tito předávali informace do kanceláře generála Smithe.

Společné síly trénovaly 60 dní v sídle FBI v Quanticu a na Black Hat kontrolovaném Travis AFB v Kalifornii, kde si procvičovali střelecké dovednosti na střelecké cíle s použitím tváře prezidenta Trumpa a generála Smithe místo terče. Prováděli povstalecká cvičení a předstírané výslechy a naučili se hledět na všechny Trumpovy příznivce s podezřením.

Mezitím Wray psal seznam za seznamem potenciálních pachatelů. Podle Wraye prohledával profily stovek agentů – aktivních i v důchodu – na sociálních sítích, aby hledal ukazatele vlastizrádného chování, jako je ošklivé nadávky Bidena nebo podpora prezidenta Trumpa, což jsou hanebné zločiny.

"Wray by přidal jména na svůj seznam." Škrtněte jména. Znovu přidejte jména, která přeškrtnl. Řekl, že sympatizanti White Hat jsou vinni ze zlomyslnosti a slíbil, že nás všechny dostanou," řekl informátor.

2. dubna si Wray myslel, že narazil na platovou špínu. Stalo se to na profilu na sociálních sítích bývalého agenta Garyho Belvina, který odstoupil z FBI krátce po incidentu v Kapitolu 6. ledna. Profil obsahoval fotografii Belvina, 47letého černého muže, který stál 180 cm, měl na sobě tričko Trump 2024 a držel prapor s hvězdami. Jeho komentář pod obrázkem zněl: „Potissimum libertas“, latinsky „celková svoboda“. Dalším obrázkem byla selfie Belvina stojícího v Buckman Tavern v Bostonu s titulkem „na dovolené v Massachusetts“.

"Wray vyfoukl těsnění, když viděl profil," řekl informátor. "Myslel si, že Gary Belvin odešel z předsednictva, aby se připojil k Bílým kloboukům, a chtěl ho moc dostat."

Wray se dozvěděl, ve kterém hotelu Belvin bydlí, a shromáždil členy své čerstvě vycvičené pracovní skupiny, aby ho zadrželi a vyslyšali. Dal Belvinovu fotografii mezi pracovní skupinu a varoval je, že Belvin je pravděpodobně ozbrojený a výjimečně nebezpečný, a povolil smrtící sílu.

4. dubna agenti FBI a Black Hats vtrhli do bostonského hotelového pokoje a udeřili jediného obyvatele, bělocha ve věku 30 let, omračujícím obuškem, což způsobilo, že v agónii spadl na podlahu. Muže spoutali, odvěkli do koupelny a přivázali k židli. Jeden Black Hat se vykoupal, údajně proto, aby muže utopil, pokud by odmítl spolupracovat. Nikdo z agentů si zřejmě neuvědomil, že vstoupil do špatné místnosti a podmanil si nesprávnou osobu. Vyslyšali ho 30 minut a vyhrožovali mu, že ho zabijí, pokud neuvede všechny „páté sloupky“. Teprve po 45 minutách zkontrolovali mužovu průkazku a pochopili jejich zásadní chybu.

"Ten chlap byl pilotem letadla na mezipřistání." Tihle blázniví blázni měli Belvinovu fotku, ale stále si pletli bílého chlapa s černochem. Jsou větším nebezpečím pro sebe než pro nás. Belvin ani nebyl v hotelu, když ho přepadli. Belvin nemá ani vazby na „pátou kolonu“ nebo bílé klobouky,“ řekl informátor.

Když se zpráva o zpackaném nájezdu dostala na veřejnost, FBI a ministerstvo obrany vymyslely příběh, který skutečnou událost zatemnil. Federální agenti a vojenský personál podle nich prováděli výcvikové cvičení v bostonském hotelu a vyslyšali nic netušícího civilistu poté, co omylem vstoupili do špatné místnosti.

"Je děsivé, že Wrayovi lidé a vojenské černé klobouky spojili své síly." Pokud se dají dohromady, mohou být skutečnou hrozbou. „Pátá kolona“ je nyní bezpečná a naším cílem je, aby to tak zůstalo,“ řekl

informátor.

The very idea that this mean man Wray can pick out a Trump supporter on Facebook and try to locate him and possibly kill him means that we have to take action.....things like this cause a civil war.....and the reason Wray is paranoid all the time is because of his dreadful, sinful and betrayal ways.....be sure your sins will find out Mr Wray.....you better run.....

Wray wrote list after list of potential offenders. He scoured the social media profiles of hundreds of agents—active and retired—for indicators of treasonous behavior, such as badmouthing Biden or espousing support for President Trump, ——— HERE IS REAL PROOF THAT FACEBOOK IS AVAILABLE TO CRIMINALS AND WON'T LET US TALK ABOUT BIDEN OR VACCINES.....HMM

The story of Goliath in the Bible testifies to God's mighty power and great strength over His enemies, even in the face of overwhelming odds. It teaches us that even if we are currently fighting big enemies & giant problems that are threatening our peace & livelihood, our Almighty Creator will protect & deliver us from all the challenges of these trials.

May God protect the good soldiers & people as they continue to battle against the evil forces – seen + unseen.

Let's turn our hearts to Jesus, read God's scriptures (old & new testaments concurrently) & call upon Him. Life & Peace be with you

I'm trying to imagine what sign the FBI WHs may be using to identify each other????? Bcos if BHs are actively trying to root them out, there must be hundreds of FBI officials who are watching each other.. What a way to get rid of ppl you don't like.. Just rat them out to Wray!!!!..

WRAY NEEDS TO BE AT GITMO N HANGED FOR EVERYTHING HE IS DOING ABUSING HIS POWERS TRUMP SAID LONG AGO WRAY WAS NO GOOD

Typical.. He is acting like his "father".. He is going crazy bcos he KNOWS his time is limited..

I'm waiting to see if he pops over to England for a visit????

All bullies are cowards at heart.. They usually surround themselves with a gang of bullies.. Looks like he doesn't know who his real gang is any longer... Hahaha Weeeee...

Looks do not matter, what matters is his heart full of vile and hate....

He not only went after President Trump's personal spaces, but after his whole family's... in the raid at Mar-a-Lago, even Melania's and Barron's rooms were not off limits. This is the ugliest raid ever.

500 5th columnists?? I said it before and I'll say it again. Recruit patriots on the side of White Hats. Millions strong. Many will fight and die for this country. I'll be first in line.

That's really fucked up about more innocent people bring the victim to these morons.

Good Luck General.

Traitor is Traitor! Hang this SOB!

He raised his right hand with his left hand over the Holy Bible and swore to defend the Constitution, the Country, and the People. He betrayed all. Treason!

I don't have the links. AP, Washington Post, Law and Crime, NY Post. Just search it

Now this is a wrinkle that Q never told us about. I wonder what plan they have to counter this very credible threat. Something tells me they did not see this coming. Good thing God knows all about it.

So we knew about Epstein 2 years before anybody else? Check yourself Little Weeny.

Trust Wray is what Q wrote

We know people are placed in roles to draw our black hats/cabal puppets. Most presume this is what Wray is doing. He better be!

Q is cryptic and we have been told there are white hats playing black hats.

Q is a MI op using advanced technology, extremely advanced technology

this is why they say Trump is playing 5D chess

This site cannot possibly reveal everything but it can drip feed what the white hats want us to know

you likely know this already but others reading may not.

He said, "Wrays of Light".

I will never understand why. Wray-ter the Traitor from Day 1. Didn't Q+ see that??? It was so obvious to anyone 🙄

Very interesting but scary at the same time. Concerning is Austin and Wray motive and plans. Michael, thank you for sharing with us in what is happening...This all seem so huge and so dangerous...I honestly don't know how all this will process through, but I put my trust in God all that are fighting for us and the plans. So many set ups...thank God He is with us. I check daily here and 🙏 pray... victory is here...thank you.

it's time to end this game. Pull out the EBS, if that's really a thing, we were told on this site that Military was ready to use it when Trump was arrested. This has played on way to long

Ya know, broadcasters can disconnect the EAS receiver. It doesn't automatically take over the transmitter. White House Communications Agency originates the message but once it's out the door they have rely on "the voluntary cooperation of broadcasters in your area. "

Where does Space Force say that? They have nothing to do with the system

Star Link is an Internet service provider. They run ads all over. You could look

You're not following the plan. The EBS, QFS are QUANTUM. Words like "transmitter" are now obsolete.

Is that why my TV set appears to be in multiple locations at the same time, and why running the dishwasher changes the channel?

It all perfect for example there will be people running from the law asking other people for their free money over and over or stealing it, etc. Or assets, buy me this, buy me that.... Esp black hats that can't get EBS. They have to arrest them first. That's the hold up.

ha, many are simply giving up too easily.

awhile all of you are playing politics. i got plans in the work.

stay tune and watch the show to begin.

I'm not giving up, when, and if they call for help I will help. I'm a retired nurse which will come in handy, and my husband is a military vet, that swore a oath. We won't be going down that easy, and they're many more who feel the same!

And if the white hats get their ass kicked and lose the war, then who's fault was it for not activating the public? You sorry candy asses better not fuckin lose.

Trump and the White Hats have already won. They are doing the free movie to try waking up the brain-washed masses.

IMHO... The only solution isn't GITMO, but the Judaeo- Bolshevik way.. "A 9mm hollow point bullet to the back of their neck !"

As Putin says, we have way more evidence of treason and criminal activity than is needed to prove guilt beyond any doubt. No trial for these malevolent bastards is necessary. These guys need to start

getting back their own medicine, in the same way.

And really, who knows more about fair and impartial Justice, and the rule of law with the consent of the people, than Putin?

On her final free night Nancy Pelosi was wanting to get picked up at the bar and laid. She had no takers. She was too old and too ugly. Butt ugly, inside and out. She had phony tits which she flaunted, no takers. Well, the booze was free any way. The military focused on that target.

An important and widely read journalist said from reliable sources that shocking revelations are coming for the general public.

Comments that contain information that touch the truth are deleted on this blog, but the TRUTH comes to the surface without the will of the one who owns the blog.

I know that many things I have written here and I have been insulted consistently, and many comments have been deleted, will be confirmed step by step. Then how will you erase the TRUTH confirmed by reality?

The avalanche started with the presentation of the Trump Clan to justice. Because the weather has warmed up, the avalanche cannot be stopped until August when this third atypical world war will end with the victory of MAN and the definitive extermination of the Khazarian Mafia who worship Satan Yehova, and of the Rockefeller and Rothschild reptilians.

Happy Easter to all..

I feel so much better that Wray is going mad crazy... more mistakes to make..

May God bless our Military White Hats & 5th Column and keep them all safe.

I figured since Wray has been working for Biden they were always on the same team. To think otherwise would prove stupid. If he wasn't working for the Dems and Biden they would never have kept him.

We all know he was a Traitor when he was in the Trump admin. If Trump ever trusted Wray he was being foolish.

President Trump a scumbag, I need to see your proof of that scumbag. You do not have dog shit. It is easy to shoot your mouth off. Sound important. He fixed his business in NYC, they thought he wouldn't and put a bench warrant on him, making him a fugitive from justice. You have to be kidding. The Brooklyn bum flew into town to face his accusers. How could New Yorkers not love him? He is New York.

You have a serious brain malfunction. I'd get that looked at. Should only take a minute...

You have a serious brain malfunction. You should have that looked at. Should only take a minute or so...

and New York is a better place because of Trump.....they take him for granted.....

how can you be so mean, stupid and uninformed?.....you are a fat troll.....a dumb one too.....

American life beats the movie, a comedy with Stan and Bran.

Until now I thought that American stupidity was an invention described in jokes, but what I read convinced me that everything is real. There is a joke in which it is said that a CIA spy was in Russia for many years. The spy went to the vegetable market several times a week and bought from only one stall because that's where he found the freshest and best vegetables. One day, after he bought everything he needed, he paid and left the woman selling a bigger tip. The woman looked at the money and said: "Thank you, Mr. American

spy!” “. Surprised, the spy approaches her and asks her in a whisper:
– How do you know I’m American?...I don’t speak Russian well? The
woman: – Yes, very well... The spy: – Don’t I dress the same as
Russian men? The woman: – Yes... The spy: Then how did you
realize that I am American and that I am a spy? Woman: – There are
no black Russian men in Russia.

This shows that the CIA, FBI, etc., are a collection of fools, something
confirmed by the reality described in this article.

I laughed out loud when I read that only after 45 minutes, the great
agents Stan and Bran realized that they had confused a black man
with a white man, after they beat him well. They probably wanted to
convince him to declare that he was black, and if they failed, they
realized that he was very well trained to

Brad Pitt in the movies, not to admit the truth, and they admitted
that the white “traitor” is not a black “traitor”.

That’s what some policemen did who went wild boar hunting, and
because they didn’t hunt any boar they caught a rabbit that they beat
so that it would admit to itself that it was a wild boar.

There are only world-class scientists in these agencies, that’s why
the Communist Republic of America literally went BANKRUPT.

From now on, when I watch an American film with CIA, FBI agents,
etc. I will laugh out loud because you
you know that they are the fantasies of some deranged people, and
the reality is the one in this article: GLOBAL STUPIDITY!

Easter, Jesus has risen from the dead. he sacrificed his divine life for
us, they did not take it from him, they could not. He is GOD. They beat
him without mercy to a pulp. He did not fight back. The night before
for a few moments, maybe hours he was scared also, as any man
would be.” Father if it possible, take this cup from me.” He could have
bailed. HE DID NOT! He took it all on himself. He had committed no
crime. We were guilty.

yes, this is the true story and the true price He paid for our
salvation.....paid in full

We are in the middle of an undeclared civil war when they've stopped to this level. This is a fight for survival of our nation folks. Make no mistake about it.

Only thing for sure.....the leftist/dems/liberals are engaged in full war.....seems we need to make this fair and FIGHT BACK BIG TIME.....

This site,it is kind of like English Lit classes Which was my major in college.That of course will kick back to Latin,it has to.Our advantage over the apes is intelligence.As it was in college,I had to and still have my study books,The Bible,Websters Dictionary,Latin Dictionary, and Thesaurus.Younger in my foolish youth I did not think The Bible was the most important book.to me now,it is the ONLY book yet the others are helpful.To me Learning is power,On some of my writings my punctuation is not perfect,the computer is AI,it can't keep up with me you can get angry at the thing and punch it good and it will die. Your out 3-4 hundred bucks.That 3-4 hundred I have has more important uses.I am an artist,very emotional and passionate.A dang Frenchman.Logic overrides emotion.You need to work a plan.Many things I say better with my music.I love my country.You go to comments,which I find as great as the articles in many ways.Shakespear via William Beacon wrote for the comman man.That of course includes women.The comments get very emotional.I understand why,I am looking for wrong way Corrigan,super cool.Not only that,everyone.

I agree. He might be fair in English Literature, but his English usage, grammar, spelling, and punctuation are horrendous!

I think you got off the bus at the wrong stop. Your bible is a rewrite of Egyptian and Babylonian stories. Read the ancient Sumerian / Babylonian and the Egyptian book of the dead to read the real original stories which are often very different than the extracted parts and all the verbatim borrowed statements about Jesus! The oldest existing NT book presents Jesus as a mortal man who died. The end. The miracles are all missing. There was no resurrection. He wasn't god incarnate. The miracles and supposed divinity were all added centuries later in accordance with popular pagan mythology. Easter and Christmas have never been anything but pagan festivals. There is a great music video, "This is why Christmas is Bullshit". You can't refute what they say.

Even the CIA knows that there is a way to tell the truth. It is taping someone speak, & then playing it in reverse. Astonishingly, this tells the truth. People whom have tried to study this method, were met with serious & swift consequences for a reason. There is a way to tell the truth whether you like it or not, & be found out.

He should have gone to GITMO long ago even when Trump was president he was Dirty. He was one of many double agent traitors in Trumps administration. Now it's happening to him. What goes around comes around.

Lets just pray they don't get their act together since the "White Hats"? are the only ones that know anything. If they fail we all loose.

Wray's eyebrow will probably start twitching after he reads this RRN story. (Like Inspector Clouseau's superior who couldn't get Clouseau to behave)....

Yes, he needs to twitch.....he needs to repent of horrible and hateful sins.....in no way does God appreciate this

I see you are using the correct definition of 'disinformation' – lies you tell about yourself in order to mislead your adversary as to your own capacities and intentions. A term of art from the KGB – 'dezinformatsiya'- about a means of influencing your adversary to prepare misdirected or inappropriate responses to your own actions. Once in government training, they brought in a Russian 'defector' to lecture us on disinformation. What he described was actually black propaganda; lies you tell about your adversary through a deniable third-party source. So the Federal government was having a Russian guy practice disinformation on us, about disinformation. Defector or mole?

In any case, it's refreshing to see the term used correctly for once. Thanks.

We should put them in the circus as clowns. They would do a fabulous job at getting laughs.

If we will humble ourselves before the author of life, promised Messiah, and Savior of the world ... HE WHO DEFEATED DEATH ... we gain reason to live, believe, and not doubt for victory in both life and death, no matter the plans to destroy us.

Isaiah 40:31 But those who trust in the Lord will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint.

Isaiah 54:17 But in that coming day, no weapon turned *against you will succeed*. You *will* silence every voice, raised up to accuse you. *These* benefits are enjoyed by *the* servants of *the Lord*; *their* vindication *will* come from me. I, *the Lord*, have spoken!

Happy Easter Pastor K. Yes, I truly believe that God is for us and no one can be against us. Let us overcome fear with faith and complete trust in God alone. The lines from Isaiah you quoted are in the hymn, We will rise again. The hymn is awe inspiring and yes, we will rise again on the last day. Blessings from The REAL Delavic, 🙏🙏🙏

since you speak this loving and right, they why can't you give us a break from all the other deals you post ???
