Prezident Donald J. Trump se v úterý bezostyšně vzepřel liberálnímu soudci, který se pokusil porušit jeho právo na svobodu projevu podle prvního dodatku, a zastavil se před vydáním oficiálního příkazu k roubení a varoval prezidenta, aby omezil svou nefiltrovanou rétoriku. Sužovaný, ale odolný Trump se navzdory radám vojenských spojenců vydal v úterý odpoledne na nepřátelské území, kde se nepřiznal k litanii vykonstruovaných, nepodložených obvinění, které měly podkopat jeho oficiální návrat k moci v roce 2024.

Po návratu do Mar-a-Lago pronesl prezident Trump plamenný projev, v němž vyzval ke stíhání zločince DA Alvina Bragga a narážel na finanční vazby mezi soudcem Juanem Merchanem a kampaní Biden-Harris. Připomněl patriotům, že ministerstvo spravedlnosti ozbrojené režimem porušilo jeho právo 4. dodatku na to, aby nebyl bezdůvodně prohledáván a zadržován, když agenti FBI loni v srpnu nezákonně vtrhli do Mar-a-Lago. Trump vypadal, že omládl, když oslovoval své zapálené příznivce; upřesnil, že ho nelze ovládat ani umlčet.

Ačkoli se Trumpovi v New Yorku nic nestalo, generálové Smith a Berger cítili, že jeho vpád na Manhattan kontrolovaný Deep State byl zbytečným rizikem, řekl ve středu ráno zdroj z kanceláře generála Smithe Real Raw News. Když Smith nedokázal Trumpa odradit, trval na nahrazení dvou agentů tajných služeb tajnými americkými speciálními jednotkami pro případ, že by se situace přesunula na jih.

„Existují dobří agenti, kteří se skutečně zajímají o prezidentovu bezpečnost, ale agentura je součástí DHS, kterou řídí Deep Stater Alejandro N. Mayorkas. Je zlý a nedá se mu věřit. Speciální jednotky doprovázely Trumpa od chvíle, kdy opustil Trump Towers, dokud se včera večer nedostal do Mar-a-Lago,“ uvedl náš zdroj.

Dodal, že speciální jednotky mají rozkaz chránit prezidenta Trumpa „všemi nezbytnými prostředky“ a doprovázet ho na všech cestách do az Mar-a-Lago.

Řekl, že zvýšená bezpečnost je životně důležitá, protože kybernetické velení americké armády sleduje žvásty Deep State, které vyzývají k ukončení Trumpova života, včetně výhrůžek Trumpovu nejmladšímu synovi Barronovi. Většina hrozeb pocházela z kanceláří vysoce postavených demokratů, jako jsou Chuck Schumer, Dick Durban a Debbie Stabenow, zatímco méně důvěryhodné zastrašování pocházelo od ufnukaných rádobyv, jako jsou Alexandria Ocasio

Cortez a Cori Bush, pěšáci, kteří se snaží pozvednout své postavení v echelonu Deep State. . Všichni tito kverulanti, řekl náš zdroj, mají podíl na Trumpově zániku.

„Došlo k 15 pokusům o život Trumpa. Několik dalších bylo zmařeno ve fázích plánování. Nemohli ho zabít, tak se ho snaží uvěznit. Znovu selžou,“ řekl náš zdroj.

Zločinecký Bidenův režim a úřad státního zástupce na Manhattanu jsou neoddělitelně spjaty, spojuje je krutý nenávislný prezident Trump a jeho poslání očistit federální vládu.

„Deep State si myslí, že má dobrý důvod chtít, aby byl Trump mimo záběr. Zabili jsme mnoho jejich lidí a oni chtějí pomstít tyto ztráty. Nepochybně obviňují prezidenta Trumpa. Jeho bezpečnost je naším zájmem číslo jedna a máme dobré, statečné lidi, kteří jsou ochotni obětovat své životy, aby ochránili jeho,“ řekl náš zdroj.

Basically, the US Military is willing to sacrifice their own lives in order to save President Trump. This reveals that President Trump did indeed sign an Insurrection Act in 2019, as alleged, before he left the District of Criminals. We are firmly under military control.

He did sign that bill one October..... So I think it be impossible he didn't enact it.... That'd be pretty dumb if him and he is no dummy

Homosexuality is a sickness of the mind. In the 1950s there were clinics designed to treat these disorders but they no longer exist. Before homosexuality was decriminalized, we didn't have Gay Pride parades or Tranny Storytime at the local libraries, Desmond is Amazing, or twerking stripdances for kids. Even homosexuals back then didn't do this in front of the kids, they knew it was wrong. NOT ANYMORE.

Today clinical therapists and clerics in California and New Jersey (at last check) are forbidden to offer counseling to gays and gay-attracted people seeking to come out of homosexuality under threat of penalization. IOW, they have to stay gay or transsexual and they cannot change, no matter how much they want to. What they are really saying is that gays or gay-attracted persons are not allowed to change back to being straight. That's like saying when you're sick or injured, you get denied medical care. That's like saying you have to stay sick or hurt, and not get help, even if it's life-threatening. And with enforced jab mandates around the world today, starting with kids as young as 6 months old, getting denied necessary and critical life-saving care because we refuse the mRNA shot that is killing us and sterilizing us and maiming us, has become a reality. That's sick.

“...and we have good, brave people willing to sacrifice their lives to safeguard his.” If that doesn't pull on your heart strings to love America and our brave men in uniform, then nothing will.

Because you have been identified as a wonderful person. 🤔 ?

IDK.

Did you get the memo?

ask what happened to Trump in the tombs—he made an off hand remark about that and Trump doesn't drop little gems for nothing—a plan even in his off hand remarks—did something happen to him ??????

President Trump has God's hand on him.... But we must all pray for his safety because even the less credible whiny wannabes such as Alexandria Occasional Cortex are still a danger. God Bless President Trump and God Bless America!!!!

You got that, after that threatening Tweet to Matt, what else can this Congressman be capable of? A Parliamentarian does not do that as a servant of the people.

President Trump is protected by God' Jehovah, and all weapon fashioned against him shall be destroyed, every tougue that lie against Trump shall be condemned forever, Amen.

Unrelated, I started a project to help save our children, inspire confidence and positivity to children and adults. Google pays \$300 on a regular basis. My latest salary check was \$8600 for working 10 hours a week on the internet. My younger sibling has been averaging \$19k for the last few months, and he constantly works approximately 24 hours. I'm not sure how simple it was once I checked it out.

This is my main concern.....

While we've been told more than enough times how we've never needed to, no one can ever seem to give a definitive one way or the other. 🙄

I'm not filing this year. Screw the IRS. I am also waiting to get back all the money I gave the IRS after more than 50 years of working. To heck with the Deep State, and the stealing of Americans wages for more than 100 years.

File an extension, then, do it again next year.

Either way, they wont get any of your money that way.

President Trump commander and chief. He would lay down his life for us. Would we for him for the sake of our republic? Yes. Most of the republicans stand dumbfounded, offering little to no support. To busy lining their pockets. That sadly is what they care about, lining their pockets.

That's nothing new, all politicians do that, they have been doing that for years, since Rome, Greece, Babylon and earlier.

So I live in Wilmington DE and stood behind hunter today in a liquor store. Now was this a drinking clone cuz I've heard several times that he's been put down.

Did he say he was Hunter or just looking like him. Look alike happen often. I used to think they were placed to make us think about people they look like to us.

I would know that face anywhere. How many pics have we all seen over the past two years? Plus, we're both in the same smallish town. The eyes, the beard, the weird grin...The lady giving out free samples of something said the same thing.

If he pulled down his drawers, would you recognize hunter then, check his feet see if they are flat, If it has no nads, it's a clone.

Since HUNTER BIDEN has been “put down”, so to speak, at Gitmo awhile back...I guess that you are mistaken.

Why didn't strike up a conversation with him? Ya know, like Columbo did.

ask hunter where someone can score some CRACK, the good shit.

did you offer to buy one of his masterpieces/ his prints are selling for \$75,000 each lots of pipe money

So I made a comment about how the arrests are doing to slowly and I got downvoted. Stop with the bullshit. Leave people tf alone!

Things are going slowly because we are not told anything of substance (besides what we learn here). If we are not told anything, we don't know how to react. Therefore, it is left to those in the know to act...we are mushrooms in the dark and therefore rendered inactive. No information, no action to act upon the information. Our ignorance is their main tool.

Maybe you shouldn't concern yourself with how many votes you get. Does it really matter that much to you?

Well if it really matters to you, I agree. It sure seems like everyone who's gonna wake up, has done so a long while ago and yet, it still drags on. On the other hand, after they execute someone and then then that person pops up again, I would think it's either a clone or body double. I think this could go on indefinitely! 🤔

When you're fighting all infiltrated governments, politicians, royals, intelligence services, banks, markets, news media,, etc., it will take time. Give them all the time they need because they ARE saving the world.

They are being REPORTED slowly, but they could be happening 100 or 1,000 times faster than that. The Military isn't going to give up to the minute reports to the public, because the public also includes the

Enemy.

Derek Johnson (Rattletrap1776 on Telegram) shows the pattern of flights from Florida to Gitmo. There are many....daily in fact. With 200,000 sealed indictments by Trump, we are only hearing about a fraction of the tribunals and executions.

100% agree with you.

Besides, as soon as an evil person is erased, a clone hits the ground running..

What kind of game are Trump and the White Hats playing? It looks to me like a guerrilla campaign similar to the TV series Swamp Fox. My opinion is that there are two main targets. Secure our election systems by any means necessary. Use the military, if we have to, to safeguard our ballots and those people trusted to count them. Expose all the members of the Deep State to the American People. Give us their names and faces. Remember, when the next presidential election gets stolen, we will all see how powerful the Deep State has become. Then it will all have been for nothing. The only course of action for the American People will be revolution.

There are many other options.

ITS NOT the ONLY course of action.

Watch and take notes

EVIL shall LOOSE

GOOD shall Prevail !

The mid terms and a couple of presidential elections have been tampered with. White hats have been in charge for 2years but were unable to stop it. So how will trump win an election and if the courts are corrupt then he may not even be able to run.

The military needs to put their money where their mouth is and guard the elections. If they don't, they are working for the DS, pure and simple.

“Bragg’s indictment may violate Trump’s 6th Amendment rights: legal analysts“

Bragg is a fraud, corrupt as can be.

Compare Trumps innocence and biden’s guilt.

Trump did not commit a crime like bragg says he did while and the biden crooked family committed serious crimes yet the DOJ and FBI have not done anything to arrest and convict the biden crime family.

What is the Supreme Court going to do about this injustice done on Trump and the justice not yet done on the biden crime family?

Nothing wrong with spending time with a friend.

It’s none of our business

The MSM just wanted to stir the shit.

Happened ALL the time with DEMOCRAT HYPOCRITES !

Again , partision politics, and conjecture aiming to division and argument

Yep. Clocking in at 270lbs, it can’t be him. We know the WH Dr said he was 239!

Are you sure, ? How do we know that you are not just making this up ?
Like anyone cares anyway....

Trump is not just a threat to liberal judges but to the entire BAR Association ... the British Accreditation Registry. Why is there a BAR Association in the United States. Why is there still a BAR Association in India? Why is there a BAR Association in Australia? Why is there a BAR Association in Brazil?

Is the British Empire secretly the One World Government?

Oh ye of little knowledge. There is no British Accreditation Registry in the United States. Just because some Internet hoople says it doesn't make it true

Yesterday, Derek Johnson explained the recent Commander-in-Chief actions very well.

Awaiting to read the arrest of Chuck Schumer.

In satire: Chuck was followed by Marines leaving home, visiting brothel, then followed to Mikveh. Upon exiting was apprehended.

Marines said: quickest brothel visit they ever seen.

Schumer will be taken to Israel and given sanctuary by ORDER of TRUMP, count on it. Trump do for the jew, but not you.

chucky is more of a chicago bath house

rahm /hammered paul type of a guy, when Iris is not looking

Ha ha, talk about walking into a wall blindfolded.

Bragg, you fat assed halfwit, did you check the signature on the check?

Was there a 'Jr'?

Just toss a bare hook into the swamp, and a million Democrats will grab it.

Our Commander-in-Chief is well-liked by New York police officers, fire fighters, and first responders, part of the reason he so daringly enter the lion's den. Also, Trump personal security counter-snipers and Special Forces arrived early and coordinated with New York police officials in setting up key posts on and inside the buildings, plus the Special Forces security sent by General Smith.

Immediately after the devastation of 911, New Yorker Donald J Trump was on scene with his own work crews assisting the first responders, and through his career has quietly helped dozens of their families after a hero was lost or seriously injured, and that personal caring does not get forgotten.

Absolutely. All of that happened. BTW, Trump never went to Ground Zero and never sent workers to help. FDNY confirms that. HIs story changes every time he tells it. Those of us who were there know it too.

How many showers have you taken with your 12 year old daughter you sick bastard.... Any supporter of a known pedophile is also a fucking pedophile...I hope you hang

Not everybody who votes for paedophile is a paedophile himself, but all of them who do vote for Incest Joe having a love of the worst immorality if they think having sex with children is not a deal breaker for them. People look at me oddly when they find out I didn't vote for Hillary and supported Trump, they think I'm crazy. Crazy to support a fighter for the kids and lock up the sex offenders? Yeah, call me crazy deplorable.

Sodie, I'm going to let you in on a little secret. Insults are only effective if the insultee holds in insulter in high esteem or respect. Neither of those conditions apply to you, so your pointless shrieking about a daughter that I do not have just makes you look foolish. I will never hang for any reason. If it makes you feel better to write that, go ahead. But it means nothing to me.

It may make her look foolish, but I'll bet pointless shrieking makes Sodie feel better.

And isn't that what's really important?

Last edited 3 days ago by Will Caulfield

He did not say who he supported? So how do you come up with this BULLSHIT, Sodie? Are you projecting onto other people the behavior and afflictions that you harbor and engage in, are YOU a PEDOPHILE Sodie? Do you abuse young children Sodie? Were you too, abused as a child so you feel that you can do the same to other children, Sodie. Is this the degenerate CRIMINAL behavior that you practice? Are these evil acts that drive you, a ritualistic behavior of yours Sodie, Explain yourself Sodie?

Hey kid. What does this meaningless phrase have to do with anything? Or is your Tourette's acting up again?

Unfortunately these TRUTHS will never convince DJT worshipers for they are deranged and mentally deficient and maligned just as those afflicted by TDS. Both sides harboring severe extremist views

well beyond reality, they are mentally ill.

Looks like President Trump is showing all the “i”s are dotted and all “t”s are crossed.

“Let it roll, baby, roll”

FYI: “I”s are “jotted” and “T”s are “tittled”, idiom: jot your “I”s, and tittle your “T”s.

BTW: lower case “J”s are jotted.

If the Judge is part of the deep state and the whole court thing is corrupted by the deep state. They could still find him guilty. Then they will say it’s Trump against the rule of law which would be a big statement and he will be barred from running in the next election. An election they will also rig as the mid terms were. So how is this going to be handled?

Not until far into 2024 as now scheduled, and more than likely Commander-in-Chief Trump will return early in 2024 to the presidential seat he won in 2020. By then, Soros owned Bragg and Judge Merchan will be long gone, swallowed up by the Justice served in the JAG courts. Yes, the COG (Continuation of Government) constitutionally served by the US Military overrules the civilian courts. There will be no 2024 election.

No election? And you know this how? Did Austin Steinbart travel to the future and tell you?

Do your research.. and stop asking foolish Questions. . the rest of us find you infantile!

Calm down you lunatic. If there are no 2024 elections, why is Trump building a campaign and staffing it, and spending millions of dollars to boot. Answer- There WILL be a 2024 election. Trump knows it, along with millions of other people who live in the real world. You may find me infantile. I find you deluded.

Jag .. have you on the list !

You won an all expense paid one way permanent vacation to gitmo!

Congrats 🙌🎉

Do you really think the JAG is going to send people to GITMO for making snarky comments on the Internet? GITMO isn't big enough for that, kitty.

Lol. Main Stream Media doesn't even know to report that they have gone missing.

But we know what happened, and who is in the body bags and safely stored on Ice awaiting the big reveal ! 🤔

There better not be, because Dominion Voting Machines have not been abolished in any way, shape or form. And the military has not said they will guard any paper votes. That is where we stand, at the present moment, in Canada and in the USA.

Oh ye of little faith and understanding 5D chess game.

This case is just where T wants the bastards.

is there even going to be a "next election" As president Trump won in 2020 /what is the point of a 2024 election?

That makes sense since Trump just made a show their advice was not an issue. I figured they should take their own advice and not go themselves and they did. Trump must have had a future view from his base but I guess they sent a body double because Trump is I hear away working with some dead people that didn't die somehow like

Fauci according to the supersoldiers SSP Secret Space Program. I think they hung Fauci but his soul wasn't in the body by then already moved on.

The level they are at in the knowledge is way above what most of surface earth is involved with. Everyone is tracked like from when their soul enters and leaves the body. At that level they aren't using microchips, just frequency scanners.

He went to NYC, not a fake him for real. And kicked ass handily. That was how it had to go down. If not a bench warrant would have been issued and that would make him a fugitive of justice. That would really get those stupid hens clucking on the view. He is a coward too.. Well you can blow that out of your ass, He rocked into NYC first class on his private jet. New York is my town. How could New York not love him? The Brooklyn bum? One of their very own? He took it into his own hands. I can't imagine great Marine generals to be so timid. This one is for all the cards my friends, do we have a republic or don't we? Not a democracy, a constitutional republic.

The Marines are not timid, they are simply thinking military. I'm sure Trump understands that.

Listen up, how about we the citizens of NYS Demand separation of State,

Let's cut off NY city and the lower portions of NY from upstate. We the working people are sick of paying the taxes that NY City officials SUCK UP

Like milkshakes. Do you have any idea how much money that STUPID waste of time has cost the people of NY? I've never seen as many complete waste of space, as the bunch of self indulgent pigs who somehow have managed to cheat their way into the positions they hold.

You can bet NOT FOR LONG.

I agree with every word you say, I live in GA. and I was furious at the time and money this Bragg DeepState crowd cost us.....I can't help but believe they are hiding something that would blow heads off.....this is how they work.....and I sure pray that New York separates the bullies from the hard workers.....The deep state would be mad, they suck up money and see just how much theatrical harm they can do with the money.....This needs to stop asap....

The US dollar is about dead, and this will suck a bunch of whats left out of the fake Corp. ,They are imploding themselves, And they think they will try to put a Central Bank cashless system in!?? Aint going to happen..,

But theres a gold backed system coming in to save OUR day, not theirs.

And, how many people died 'cos the POLICE were too busy doing BS service to the KM who don't want you to know their faux Gov. IS FAUX AND WAS A CORPORATION, NOW ENDED IN Bankruptcy a few years ago.

100% agree. California is 10X worse. We only have a greedy control freak uni-party out here, all communist Dems. No patriotic conservatives allowed in.

These people going after Trump aren't any smarter than a box of rocks !

I'm dame good at reading people. The DA is a complete joke, not going to normalize crime ! What the F—— Do you call letting criminals out of prison, with no bail ? He has lost all credibility 100% . Fact is the Democrats are eating their own. Don't walk away from the democratic socialist party, RUN gas fast as you possibly can...

This was what Trump wanted, For people to see more of how corrupt the govt is to the sleepers, and now it has opened the way to expose all past and present presidents, and all govt officials.

Yes, President Wilson will enjoy the sodomizing prostitutes (non-human renegade angels alias Jew) in HELL for enslaving Americans by Rothschild's Federal Reserve Board.

you must NEVER say one single derogatory word about a 'JEW' Any other cult ,it's ok but jews (very touchy ,when it comes to criticism and exposing the lies of the chosen by satan) out pops the rant diatribe ,with their buzz words and mantra/the holloween cost /the khazarian myth and the fav ...to play victim

“ANTISEMITIC ...oh wait ..the talmud said JESUS IS IN HELL BOILING IN EXCREMENT ”

Jesus was sumerian

I have never witnessed a braver man in my life than President Trump walking so confidently into the lion's den. Money can hire the best security in the world but only God can give the courage. I truly believe he was chosen by our living G-d of Abraham for such a time as this.

I saw that scene ... it appeared the cop let the door slam on POTUS Trump because the heathen looked at POTUS to see his reaction as the door slammed on him.

I am not looking to Military to SPLAY and SLAY the evil humans and evil renegade angels alias Jew. Rather, I am looking forward to Father Jesus as HE fulfills HIS promise to Americans to cause an exodus of aliens out of America simultaneously for their “unworthy intentions” of coming to HIS favored nation, America.

To the non-human renegade angels alias Jew, America sends this message: FATHER JESUS BURNED YOUR WORTHLESS BODIES, NOW FATHER JESUS SHALL BURN YOUR WORTHLESS SPIRITS FOR AN ETERNITY IN HELL!

AMERICA NEITHER WANTS NOR NEEDS “DETESTABLE SODOMIZING PROSTITUTES” ... FATHER'S WORDS, NOT MINE.

They let the door slam on him. Total disrespect. But that's cops. They are higher beings than the rest of us, don't you know.

I don't think that God involves himself in our politics, but you are correct that he is brave and that our country needs him to return to DC.

I disagree with you thinking because Father Jesus authored humankind's "user manual," HIS Holy Bible, and HE chose righteous men to scribe HIS words just as HE did when HE authored the Declaration of Independence, Constitution and its Bill of Rights, and Immigration Law, the only lawful Immigration Law. WHY? Because Father Jesus said America is HIS favored nation, hence, HIS promise to cause an exodus of aliens simultaneously leaving America because of aliens' UNWORTHY INTENTIONS of coming to America.

DID YOU HEAR THAT WORTHLESS NON-HUMAN RENEGADE ANGELS ALIAS JEW?! You shall primal scream into your deaths for your crimes against humankind, and you know first-hand that Father Jesus is coming for YOU, not HIS "beloved humankind"!

"America is his favored nation"

1 PETER 2:9

"But you are a chosen generation, a royal priesthood, a holy nation, his own special people, that you may proclaim the praises of him, who called you out of darkness into his marvelous light"

They are the First Responders that folks like you have been heaping huge praise upon and worshiping since 9-11 2001, but now the tides have turned, ReJe

you don't think "GOD involves himself in our politics" Are you stupid or just pretending

I believe Almighty God anointed President Trump, too, for such a time as this. I believe he is the last Trumpet: "In a moment, in the twinkling of an eye, at the **last** trump: for the **trumpet** shall sound,

and the dead shall be raised incorruptible, and we shall be changed.”
(I Corinthians 15:52 KJV)

That is why God gave him an easy blessed family life & made him a billionaire in this lifetime as well. God must like President Trump very, very much!

THANK GOD! PRESIDENT TRUMP GOT THROUGH THE FAKE NEW YORK SCAM TRIAL SAFELY. NOW SAVE AMERICA! AGAIN!

It wont! How did all those other fake scandals turn out for ya? Now we can get into those Bush, Clintons, Obamma Mamma, and Biden files, even though some might be found in his garage!

Who will officiate the proceedings? The ALIENS are using BRITISH law instead of AMERICAN law.

The ALIENS are the evil humans and evil non-humans who are the renegade angels alias Jew who declare they've nearly reached their 6,000-year agenda to genocide humankind and destroy Earth.

Father Jesus uses both evil humans and evil angels alias Jew to economically oppress HIS “beloved humankind” that disobey him. The only recourse to humankind is to PRAY, REPENT daily, and don't disobey Father Jesus again! HIS words, not mine.

There has NOT been a “trial” of the case(s) being brought by the NYDA. Trump DID get through the “trial” of courage & risk by appearing in person for his arraignment, to hear the specific charges against him, just revealed by the cowardly & paid-off DA. i HOPE he doesn't do that again. Tell them to talk to his attorneys & go whistle.

First, there's an arrest, second an arraignment, and third a trial; however, the renegade ALIENS' IQ is between 80 and 95. So, they're “practicing” BRITISH law instead of AMERICAN law. STUPID IS,

THAT STUPID DOES.

hahaha-a-a-a.

There is scheduled a court day in December next, more disclosure and trial additions in January, then a trial probably set back repeatedly because of important election conventions and caucuses until far into 2024 as now scheduled. More than likely Commander-in-Chief Trump will return early in 2024 to the presidential seat he won in 2020. By then, Soros owned Bragg and Judge Merchan will be long gone, swallowed up by the Justice served in the JAG courts. Yes, the COG (Continuation of Government) constitutionally served by the US Military overrules the civilian courts. There will be no 2024 election.

It's over by then (the 4 yr term) they won't reinstate, might do elections to catch more criminals changing ballots and other vote cheat methods.

But nothing will be done about the criminals. Elections with Dominion voting machines are null and void.

And there are many other voting machine brands as well. You can order them on the internet. You can also buy information portals into them as well. On the internet. Anyone can. I am watching a documentary on it now. Gotta finish watching. I am not a techie so it is the most I can explain. It's bad. I know that much.

diebolds EVERY ATM is DIEBOLD and diebold voting machine ARE RIGGED to switch anyway they want

Big Johnson my ass.... Probably a pinky dick.... That's why you stick it up little asses you sick bastard.... Hopefully you will hang

When he returned he was tired,you could see that.So you would not be asswipe?He was glad to be home.In his citadel,his fortress.Try to raid it again.There are no guests there now it is all military.on 24 hour alert.all of the trees cleared out for an open shooting range.

In your “case”, there’s no “would be” required. And you seem rather well used.
