Viceadmirál Darse E. Crandall ze sboru generálního advokáta soudce amerického námořnictva požádal porotu výhradně žen, aby uznala Liz Cheney vinnou ze zrady poté, co se téměř přiznala, že zradila svou přísahu, a vyhrožovala, že její lidé zavraždí admirála a jeho rodinu. .

Pronesl žhavé prohlášení, v němž vykreslil Cheney jako zkaženou, zahořklou ženu, jejíž nenávisť k ústavě USA konkurovala jejímu otci a jejíž neospravedlnitelné nepřátelství vůči prezidentu Trumpovi ji přimělo dopustit se volebního podvodu a později škodolibě předsedat výboru, který nedokázal zahanbit ani trestně stíhat. obžalovat Trumpa.

Cheney zabručel, když mluvil. Admirál ji varoval, že nebude tolerovat přeludy v soudní síni; pokud by přerušila jednání, buď by jí dali roubík, nebo by ji vyhodili. Vztek v ní musel vytrysknout jako láva, protože přimhouřila oči a žvýkala rty, když admirál předvolal svého prvního svědka, Cheneyho bývalého ředitele komunikace a zástupce náčelníka štábu Jeremyho Adlera. Přisahal, že bude říkat pravdu, i když mu byla za svědectví udělena prokurátorská imunita.

V Cheneyho očích se objevil vztek; zamračila se na Adlera.

Adlerová řekla porotě, že Cheney před prezidentskými volbami v roce 2020 zorganizovala „sběrný kroužek“, pomocí kterého najala „nenávidící Trumpa“, aby dokončili a odevzdali několik hlasovacích lístků ve prospěch zločince Josepha R. Bidena. Adler řekl, že Cheney byl odhodlán změnit Wyoming Blue navzdory prezidentu Trumpovi. Cheney, dodal, ztratila rozum, když Trump, navzdory její snaze ho vykuchat, porazil Bidena ve Wyomingu se 70 procenty hlasů.

"Liz mi řekla, že ohne nebe a peklo, aby zničila Trumpa," řekl Adler. "On je vše, o čem mluvila." Nemohla udržet jeho jméno z úst; dokonce mi řekla, že měla noční můry o Trumpovi. Měla mstu."

"Pan. Adlere, řekla vám obžalovaná, proč tak nenávidí prezidenta Trumpa? zeptal se admirál Crandall.

"Ano, činí jeho a toto místo odpovědnými za smrt jejího otce," řekl pan Adler.

V lednu 2022 vojenský tribunál v Guantánamu odsoudil Dicka Cheneyho ze zrady za to, že profitoval ze své role v tragédii z 11. září. Byl oběšen k smrti 29. ledna 2022, na popravu dohlížel tehdejší kontraadmirál Darse E. Crandall.

"Takže, řekla vám obžalovaná, že viní Trumpa a mě ze smrti jejího otce," řekl admirál Crandall.

"Ach ano, a myšlenka na vaši a Trumpovu smrt je pro ni jako kyslík." To jí bránilo dýchat," řekl Adler.

Cheney se zhoupla na svém místě u obranného stolu. Naklonila se dopředu a její ledově modré oči upřely na Adlera. "Nemohou tě ochránit," řekla.

Pak zaměřila oči na admirál Crandall. "Jsi bílý klobouk." Jsi mrtvý. Vaši lidé jsou mrtví. Byli mrtví v okamžiku, kdy zabili mého otce. Vaše rodina – mrtvá, Trumpova rodina – mrtvá, vaše nenarozená vnoučata – mrtvá. Nějaké otázky?" Cheney si odplivl.

Pomalou otáčela hlavu k panelu. "Tvoje také."

Admirál Crandall vypadal otřesený. Na 15 minut dal tribunál přestávku a zmizel v komorách. Když se objevil, žádal porotu, aby uznala Cheneyho vinným ze zrady.

"Jaký otec, taková dcera," řekl admirál.

Panel řekl, že Cheney by měl viset k smrti.

A viceadmirál Crandall stanovil datum popravy na pondělí 24. dubna.

Funny how 2 days after RRN reported the Space Force fiasco, they push dude into then MSM....as predicted....

it's a tell. Out of candor, I must admit I am disappointed at the lack of imagination these days on the part of who we affectionately call the 'deep fucks'.

Liz's threats to crandall and the panel are nothing but vacuous bluffs. I mean, she's DS. They deceive; it's their sordid religion.

We beseech you Lord divine protection for those who work for justice especially those in our Special Forces, those working in the military detention centers and their dependents. We ask that they would be safe from the wiles, ravages and harm from satanic forces ever present in their work. May the blessing be with them always.

FOX is singing in the NWO choir. Paid off Dominion with nary a wimper on a lawsuit that could easily have been fought and won. They are solidly NWO. Watch FOX go down just like Bud Lite.

They probably shouldn't have told so many lies on air about the election being stolen, huh

They avoided talking about the election being stolen like it was a skunk at a garden party.

No they told plenty of lies about it in the 2-3 months following the election, they only stopped after the lawsuits came. You reap what you sow lol

didn't fox pre-empt everyone else when they called the prez early? so yea, I agree, they do lie.

Yeah right.....a shot, senile, boring washed up Biden who don't know what day it is, won the 2020 'election' with 85,000,000 votes....bullshit. We are in a war everybody and the Marxist behind this all will have hell to pay once the populace wakes up.

high pitched giggle = chinese writer.

Sources say female ccp and apes routinely mate to assist the black hats with clones since the DS seems to be throwing a perennial temper tantrum!

No. If you watched Tucker you would know he has this really strange, girl-like laugh. It's unsettling. I'm not in the least Chinese

What in the fuck are you babbling about? Have you ever considered writing posts that make sense?

Lol, no. This was the last minute of his final show on Friday. Did he say goodbye to his Fox audience? No, the last thing he said was "We will be back Monday." They definitely canned his ass.

Say hi to many of the 9/11 souls that are no doubt there, the ones that didn't know Jesus, and have no doubt already welcomed Dyck, but will likely be looking for you as well.

Lori Lightfoot on a panel supposedly live ---if these people are really being removed then their doubles are doing business as usual---that was Friday---the left sure is fast with the clones and or doubles---how is HAARP doing---the Russians will take it out before we get around to it---

So where is the humor. parody and satire? is it not the stories themselves?

yeah, you don't know. and you have NO proof that any of these stories are true.

Look no further than the comments section.

The idiocy of the shills are all too hilarious.

oh sure, let's get all the others, the reporters, the audience, everyone in on the "recording" too. ridiculous.

Come back to reality and offer hard evidence. If you dont have any, then say that.

hard evidence and proof is needed, not just a "belief"

nah, for him they didn't have to. they just rely on the dim perceptions of viewers like you!

I can't help but feel sorry for souls so filled with bitterness and hatred. They tend to erode from the inside out. They're evilness erases them.

Excess loathing and resentment and hatred carried 24/7/365 unceasingly and indiscriminately is like a disease. Experts say constantly remaining in excess hatred and bitterness and unforgiveness can lead to sicknesses of different sorts. I saw a born again Christian who, despite being redeemed over 30 years ago, still carried the vestiges of detestation and anger on his face. He was brought up in a secret society and still had the remnants of the evil forced upon him and the evil he forced upon others. Excess hatred and anger and execration leave vestiges on a person even after repentance in some cases.

The shocking part is one of the speakers at GHWB's funeral service in Houston said something attributed to his mother that "hatred corrodes the vessel that contains it," or something to that effect. What makes it so shocking was that very same hatred and evil and execration dwelled in GHWB for many decades soon after his marriage to Barbara in 1946 and before his graduation from Yale AND Skull and Bones in 1948.

He never stopped worshipping and serving Baal, Baphomet and Lucifer, and as a result of his becoming a Satanic paedophile, child

sex trafficker and serial Presidential assassin, those marks of evil and abomination remained in his face in later years before his execution. It wasn't just the facial puffiness from the medications he was taking for his sickness, which can happen to anyone; there was a definite evil lurking beneath the surface that is detectable to those with spiritual discernment as born-again believers.

The 24th that is today. The TV news will have to scramble to get a Lizzy body double together, another crisis actress? It does not end at death these days. What a bloody waste of tax dollars on this false 1/6th raid, that she lead. Where the hell is FBI's crisis actor Ray Epps?

Last edited 1 hour ago by BroAndrew

Uh, no. This stuff is all easily verifiable. And not really surprising, either.

Last edited 18 minutes ago by Will Caulfield

verifiable from a chinese influenced site?

Chinese have an inherent aversion to potatoes. It's how the chinks were bred by the white man 3 or 4 dynasties ago!

Question—have you been warned not to post me—if so doesn't that raise a red flag to you and if you are not posting for some other reason then that tells me you are not what you say you are or pretend to be—have nice day !!!

Use the refresh (F5) often and maybe your already approved comments will show up.

I often wonder when these people go bad 🤔 and how do they make the clones think and carrie on do they control the clones 🤔 .any way god bless all amen and please find cure for cancer and all the other

things bring your people down Praying for a better World and
Univers Amen 🥰🙌❤️❤️❤️❤️❤️❤️❤️

There has been a cure for cancer for at least 30 years. The Deep State has been suppressing them, hiding the information and prosecuting the doctors that are curing people for at least that long. Big Pharma owns the FDA and the CDC and they make a fortune off of cancer “treatment”. Until the political power of Big Pharma is removed, the people will suffer.

you would think with all the stuff happening globally we would have 2 post a every day. i guess you are not in the know! expand your info

Hey Michael, based on the approval of comments written after mine, and mine not being approved must mean I am over the target. Thanks, that’s all I needed to know.

Use the refresh (F5) often and maybe your already approved comments will show up.

AMEN. The sad thing is these lo\$er\$ do not believe in hell, never gave Jesus a chance in their hearts. The 24th that us today. The TV news will have to scramble to get a body double todgether. another crisis actress. It does not end at death these days. What a bloody waste of tax dollars on this false 1/6th raid, that she lead. Where the hell is FBI’s crisis actor Ray Epps?

Dead lizard at the Gallows.

Scheduled for a neck stretch, !

Any last words ? More drama ☺. ?

Is our favorite President #45 there to witness the Epic event ?

Its way past time for the Drop and Snap !

Good riddance and welcome to the Lake of 🔥 fire 🔥 burn baby burn!.

You ever stop to think about that whole lake of fire and the eternal torment. God by definition can do no evil, which torturing people for eternity certainly is. Consider also Satan and all his helpers, the demons and all. Bathmat and all those other pagan gods. They are created beings. God created them and they turned on him, but God let them live instead of just wiping them away in the blink of an eye. What's more, he built an infrastructure for Satan and staff, creating Hell and populating it with lots of help to keep the hell fires burning. Finally, he sets Satan loose on the world to do whatever he wants, and then says, more or less, I'm going to sit passively here in Heaven while you wreak chaos and terror and death and misery on the world. And one day when I get bored we'll fight the battle of Armageddon and then I get to run things for 1,000 years, and maybe after that we start all over.

It does make you wonder if God truly loves us, or if we are just the butt of a very large and elaborate practical joke.

While God is full of mercy and love, enough that He gave His only Son as a sacrifice and atonement of our sins, He is also HOLY. He is full of righteousness and cannot let wickedness and evil stand forever. This is the consequence of free will, the right to choose to love the Creator and live with Him in bliss and comfort for eternity or to reject Him and suffer eternal judgement. "Choose this day, whom you will serve..."

If Donald in attendance would wager him saying: "you're a sick puppy Liz".

The Donald often says that.

Wowie Zowie. Clone Depot must have been in overdrive this weekend. Already saw Liz on C-SPAN looking very un-hanged. Yes, yes, I know, Clones, masks, CGI, Holograms, time travel, superpositioning, projections, all the usual dodges.

And the single troll turd with multiple fake names like Roger and Will, continues to have conversations with himself, because no sane person on here with a functioning frontal lobe will do so.

Pretty sure its not the same guy. You're a little obsessed with this topic Dave. Let it go

Dave do you have a big board on your wall with all the troll names written on it, all connected by a big web of thumbtacks and yarn?

well, if Liz looks unchanged then mos def that is a clone in that she walks around looking hanged.

“Admiral Crandall seemed shaken.” What the hell is this? Why? Admiral need new shorts? Kill that fuckin bitch.

Might have been a brief few minutes to make a few phone calls to ensure that his loved ones were safe and protected. Reasonable thing to do, wouldn't you agree? The Admiral has consistently demonstrated his willingness to follow through and mete out justice as so deserved. The Cheney and Bush families are well-connected with the DS so I think AC is wise to take precautions.

Very probable, nothing wrong with checking up on family members and friends.

Vice-Admiral Crandall, if you are reading this, please know you have many prayer warriors fighting on your behalf and your family's behalf. Don't let this abominable Luciferian witch and her collaborating demons get to you. She cannot touch you, or your family, or Trump, or his family, or the panelists, or their families, no way. WE FIGHT BACK IN JESUS NAME FOR YOU ALL. Keep fighting back, we are fighting back for all of you White Hats, too.

I won't be surprised if the holy man offering last rights sees a demon when he offers her last rights. Perhaps that's why the admiral seemed shaken. Perhaps he wanted to quickly call his family and make sure they are protected.

We've got the Crandalls' backs and the Trumps' backs as believers. Anybody she threatened in that courtroom that day, even the unborn children, we have their backs.

I love what RRN reports. For those of us that have been awake for quite some time in years, this movie seems like it will last forever. We seem to have a long way to go to the end.
God bless all of you..

If wishing and praying made it so, this movie (nightmare) would be over NOW.

So true, these hangings should have taken place at starting 40 years ago and we would not have had our country sold out by these criminals in high places.

Is that why the Admiral seemed shaken?
Excessive evil.

I wouldn't be shaken, I'd be outraged and shoot that bitch in the face right on the spot.
Enough with the stupid tribunals. They're guilty or they wouldn't be there.

US Military code is what it is, and they are following it. Be glad it isn't tied up in some corrupt civilian court for the next umpteen years.

imagine typing all of that with a straight and serious face.

as if there's some fantasy alternate civilian court which would try fantasy cases against clones and shape shifters lmaoooooooooooo

Thank you for another very important & very informative article, Michael. It seems like the ones who hate Trump the most have also betrayed the American people & have the most to hide. We are grateful to President Trump for exposing the Truth of what's really going on. And grateful to you for reporting on it.

So it's 8:30 am 4/24/23 as I write – but I doubt I'll get another chance today so I'll go a head and post this ahead of schedule
[musical notes] And another one's down ... another one's down ... another one bites the dust!

You ought to follow your own advice, Sandi Koufax, with your “hit the ground running” bs that you always post after a DS DF gets sent to Hades.

Michael, Ask Vice Admiral Darse E. Crandall if I can have Cheney's ranch... There are plenty of vets that need homes and work. It's cattle country and plenty of acreages to build homes on...

Sorry bro but the Liz and Dick Cheney clones are already moved in there

And they can be eliminated as well, like they did the Bill and Hill clones in New York and San Diego in a previous RRN article.

Okay, it's 7:00am Monday April 24th and DIZZY LIZZY should be finished with HIS last breakfast on Earth.

Next up: MILITARY escort DIZZY LIZZY to the hangman's platform to perform the “air dance” on the end of the hangman's rope!

I wager DIZZY LIZZY will shoot-off HIS satanic mouth with death threats to Military as HE did in Court. Anyone care to wager, too?

hahaha-a-a-a-a.

T minus 2.5hrs and counting – the normal time of hangings 10:30 AM GITMO time...

another one bites the dust!!!

“Cheney rocked in her seat at the defense table. She leaned forward, her icy blue eyes fixed on Adler. “They can’t protect you,” she said.”

Just like the DS can protect her – IRONY

I love it when a plan comes together....

I’m making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I’m my non-public boss. Everybody must try this job now by just using this

Maybe today all J-6th political prisoners will be released. Hopefully Liz’s departure as signal flare.

Suspect Gitmo airstrip been busy, dignitary arrivals. Wagering a visitor will speak a few unscripted words.

Believe as quickie event. Departing hand shakes, cigars gifted, ride to airstrip, all home for dinner.

Keep fingers crossed for J-6’ers release.

Cheney’s earthly departure in retrospect is insignificant as to holding cell departures of American political prisoners.

Best earthly departure was Adam Schiff dancing the worm at Firing Squad extravaganza. Vice Admiral Hannack providing the coup d’grace.

Yes, yes, and yes! Adam Schiff’s “worm dance” by 3 chest-shots is a perfect ending and curtain-call to Lucifer-Satan’s renegades. 😊

Take notice to search feature at tippy-top, often overlooked, in symbolism as magnifying glass. Simply type in keywords.

Honestly, you people are appalling. Like 7th graders looking at their first Hustler. Trump isn't going to be there. He has too many legal issues to deal with. Try to contain your imaginations

Sorry junior, you guessed wrong again. That's number 3. You don't go to casinos, I hope. You'd be broke in 5 minutes

Never referenced Trump, whereas his legal matters has nothing to do with travel unless incarcerated.

Lawyers handle legal matters, the rational just chug-a long, conducting business as usual.

The Donald won't cloister himself, especially over frivolous litigation.

Oops, myself inadvertently failed to articulate gifted cigars as victory cigars.

Smoke-em if you got-em, and indulge the ambience of Chaney's curtain-call.

They will keep throwing shit at the wall, but nothing will stick, because Trump didn't break any laws. This is all a smear to try to sway the public against him. It won't work.

Nothing will stick on the wall, baseless charges.

Sherar v. Cullen, 481 F.2d 945 – for a crime to exist there must be an injured party..., without an injured party a complaint is invalid on its face.

Sherar referenced the second maxim of Jurist Oath: “in the absence of a victim “”Corpus Delecti”” there can be no crime, the State cannot be a victim”.

Who's is the competent witness to take the stand as victim, accusing Trump for wrongdoing?

Would that be correct for him to oversee a trial that concerns him and his family? Or is that different in a tribunal? Seems like it would be conflict of interest? Anyway, I hope they do hang her but all of this seems too good to be true.

D.J.T. would not be influencing the proceedings in any way. That's all over with. If The Donald showed up today it would merely be spectating!

I was thinking the same thing. Build a special gallows right on the beach and leave her there. Let everybody see her rot in the late April sunshine.

RISE and SHINE, LiZ, it's TIME for your BiG SCENE.

it's MONDAY the 24th here,

TIME for that LAST big HUNTING TRIP in the SKY with your DAD, today!

GOOD IT'S ABOUT TIME N WE NEED TO GET THE REST OF THE EVIL WITCHES N WARLOCKS OUT N HANG THEM ALL

I knew what Liz was about when her father was Vice President. I knew she was bad. I can only imagine what was going on in her eyes in this trial. Eek! The way she spoke was creepy. I can tell.

Good! Let this witch be hang and join her evil father in Hell today. No great loss to the world.

Yep that's our President Trump for you. He has a way of dancing in people's heads to the point of making them ride the crazy train. Well now Cheney will be with her father.....in hell where they both belong....Next.

Michael, a helpful suggestion. Please begin to add full dates to your articles. These articles will be historical news reports one day and there are often no full dates. Such as 'yesterday' or 'on Mon' or 'on March 4' this happened. Thank you!

The Smithsonian should hang too. Burn it down! It's an institution that covers up truth and rewrites history. Fuck the Smithsonian

Pretty tough to hang several huge buildings but Geo, I'm sure you can do it. They don't have necks and spines, you know. Now sit down, take some deep breaths, and wait for the Andy Griffith show to come on in a few minutes

Naw, I don't get paid. I do it for free just for the sheer entertainment. But frankly I'm spending too much time here so it may be time to say tally ho for a few weeks.

TEĎ MÁ SPRÁVNĚ PROČ PLAKÁT JEJÍ N LIDÉ JAKO ONA SI
MYSLÍ, ŽE MOHOU DĚLAT VŠECHNO, CO CHTĚJÍ OSTATNÍM
BEZ NÁSLEDKŮ

Měla noční můry o Trumpovi!! LOL. Teď už víme proč. Celou dobu byla jasnovidná. Viděla svou vlastní smrt a věděla, že se blíží.
