Myšlenky na Tuckera

[Kevin MacDonald](#) • 4. května 2023

• [2 200 slov](#) • [54 Comments](#) • [Odpovědět](#)

[Sdílejte s Gabem](#)

Myslím, že Tucker byl zrušen kvůli tomu, na co ve své show zdůrazňoval (viz také díl [Substack TOO](#) spisovatele Karla Haemera).

Pro vtip:

- odsoudit válku na Ukrajině, protože není v zájmu USA; Ukrajina není demokracie atd.;
- jak se válka promítá do vznikající aliance mezi Ruskem a Čínou, spolu s Brazílií, Indií, Íránem, arabskými zeměmi a pravděpodobně Afrikou – a co to bude znamenat pro dolar jako světovou rezervní měnu i pro prosperitu a moc USA;
- dělat to, co ostatní média považují za bílé nacionalistické řeči a o kterých se drtivá většina konzervativců nikdy nezmiňuje (velké nahrazení, imigrace rozměňující bílé hlasy, touha demokratů mít stálou vládu levice importováním závislého, nízko- IQ, snadno ovladatelná nebílá populace, která vyžaduje vládní finanční pomoc a afirmativní akce, a snadno vidí výhody obviňování všech svých problémů z bílého rasismu, zatímco konzervativci hlavního proudu zdůrazňují utrpení a smrt migrantů, kteří se snaží dostat do USA; jeho sympatický rozhovor s maďarským nacionalistou Viktorem Orbánem);
- mluvit o vlivu George Sorose, zejména při volbě krajně levicových aktivistických žalobců, přestože ADL prosazuje myšlenku, že jakákoli zmínka o něm je antisemitská;

- odsuzuje Světové ekonomické fórum a globalismus obecně – pravděpodobně související s jeho opozicí vůči ukrajinské válce;
- postavit se proti probuzené agendě ESG (Environmental, Social, Governance) korporátních gigantů, jako je Blackrock, schopných využít svaly akcionářů k tomu, aby přinutily společnosti, aby se přizpůsobily jejich preferencím politiky probuzení; Blackrock je hlavním investorem společnosti Fox;
- hněvat ADL a mocnosti obecně vším výše uvedeným; a často odsuzuje globalistické, proimigrační republikány jako Lindsey Graham a Mitch McConnell, kteří podporují stejné problémy;
- proti klimatickému extremismu, jako jsou škrty v nizozemském zemědělském sektoru a jeho nedávný speciál „Let Them Eat Bugs“ na Fox Nation;
- být vakcinačním skeptikem a mít lidi jako Alex Berenson , aby kritizovali vakcíny, blokování, účinky na školáky atd.;
- opakovaně nesouhlasí s příběhem J6 – ukazuje video, které naznačuje, že bylo mnohem méně násilné, než jak je vyobrazeno, a že ministerstvo spravedlnosti Merricka Garlanda je zapálené pro nehorázné stíhání, porušování svobody projevu a občanských práv (zamykání občanů na dlouhou dobu bez soudu;
- odsuzovat cenzuru sociálních médií (jak je odhaleno v souborech na Twitteru) a pobuřující Garland DOJ, FBI atd.;
- přechod na transgenderismus (sterilizace dětí je civilizační sebevražda a „zlo“) – a probuzení obecně
- mluvit o velké mediální zaujatosti ve volbách v roce 2020, včetně vyhledávání na Googlu a zákazu stínů na Twitteru.

Ukrajinská válka je globalistická křížová výprava

Tucker také prezentoval standardní konzervativní témata, jako je nelegální přistěhovalectví, zbraně, kriminalita ve městech, Bidenova korupce a senilita atd. Ale mám dojem, že byl na mnohé z výše uvedených problémů mezi osobnostmi Foxu sám, nebo své komentáře formuloval na ně podrážděnějším způsobem. A vůbec, jeho komentář byl mnohem pronikavější a intelektuálně přitažlivější. To vše dělalo globalistický, multikulturní establishment na celém Západě.

ADL byl nadšený, že Fox zrušil jeho show:

Pro Anti-Defamation League byla střelba dlouho opožděná. Vůdce skupiny vyzval Foxe, aby Carlsona vyhodil v roce 2021 poté, co hostitel poprvé ve vysílání propagoval teorii Velkého nahrazení bílé rasy.

"Je na čase," napsal v pondělí na Twitteru generální ředitel skupiny Jonathan Greenblatt. "Příliš dlouho Tucker Carlson využíval svůj hlavní vysílací pořad k chrlení antisemitské, rasistické, xenofobní a anti-LGBTQ nenávisti na miliony."

V té době Fox o několik týdnů později petici ADL odmítl. Síť uvedla, že Carlson ve skutečnosti mluvil o volebních právech, když nastínil teorii Velkého nahrazení, krajně pravicové přesvědčení, které připisuje diverzifikaci voličů stínovému spiknutí, typicky vytvořenému Židy, aby nahradili bílé voliče imigranty a menšinovými skupinami.

"Úplný přehled rozhovoru s hostem ukazuje, že pan Carlson odsuzoval a odmítl teorii náhrady," řekl tehdy Lachlan Murdoch, generální ředitel Fox Corporation.

Veřejný postoj ADL k Carlsonově zaměstnání vedl ke kritice zprava, přičemž floridský poslanec Matt Gaetz nazval skupinu „rasistickou“. Carlson na ně ve svém programu šel také tím, že papouškoval další přesvědčení o Izraeli sousedících s bílou nadřazeností. Minulý rok poskytl rozšířený rozhovor Kanye Westovi poté, co si rapper na pařížském týdnu módy oblékl košili „White Lives Matter“, ale ještě před mnoha Westovými veřejnými antisemitskými výkřiky; producenti údajně vymazali antisemitské komentáře, které West učinil během rozhovoru.

Odkaz na „papouškování jiných přesvědčení o Izraeli sousedících s bílou nadřazeností“ odkazuje na Tuckerovo zveřejnění postoje ADL k imigraci do Izraele v položce, která byla brzy smazána z jejich webových stránek.

ADL nedávno odsoudila Tuckera Carlsona, osobnost amerických médií, protože zmínil, že američtí voliči byli nahrazováni imigranty, a označila to za „hlavu bílé rasy, že bílá rasa je ohrožena rostoucím přílivem nebiých. Je to antisemitské, rasistické a toxické.“ V reakci na to Carlson zdůraznil různé postoje ADL ohledně demografického vysídlení původní evropské populace USA s jejich postoji k jednotátnému řešení izraelsko-palestinského konfliktu.

Pokud jde o Izrael, ADL celkem rozumně prohlásila, že řešením jednoho státu je vzhledem k současné realitě a historickým nepřítelstvím neproveditelné. S historicky vysokou porodností mezi Palestinci a možným přílivem palestinských uprchlíků a jejich potomků, kteří nyní žijí po celém světě, by se Židé rychle stali menšinou v rámci dvounárodnostního státu, čímž by pravděpodobně skončilo jakékoli zdání rovného zastoupení a ochrany. V této situaci by židovská populace byla stále více politicky – a potenciálně fyzicky – zranitelná. Je nereálné a nepřijatelné očekávat, že Stát Izrael dobrovolně podkope svou vlastní suverénní existenci a nacionalistickou identitu a stane se zranitelnou menšinou na tom, co bylo kdysi jeho vlastním územím.

Pokud jde o prohlášení ADL, že znepokojení nad demografickými změnami v USA je „antisemitské, rasistické a toxické“, vezmeme-li v úvahu dlouhou historii rasových konfliktů v Americe, nedávný vzestup rasově motivovaného násilí a současnou důležitost hnutí, jako je Critical Rasová teorie, která v podstatě patologizuje bílé Američany v médiích a vzdělávacím systému, je rozumné předpokládat, že bílá populace bude také stále zranitelnější, pokud se stane menšinou.

„Výchozí hypotéza nedokáže vysvětlit židovský vliv“

Tento článek v *New York Times* naznačuje Foxovy obavy ohledně jeho myšlenek, počínaje textem, ve kterém tvrdil, že „Bílí muži nebojují“, což byla část jeho reakce na skupinu bílých mužů, kteří se spojili s antifa demonstrantem, který *Times* samozřejmě interpretovaly jako další náznak toho, že Tucker byl „bílý nadřazený“.

Carlsonův text, který znepokojil vůdce Fox: „Není to tak, jak bílí muži bojují“

Ačkoli show pana Carlsons, „Tucker Carlson Tonight“ byla jen malým faktorem v obleku Dominionu, jeho osobní texty přitahovaly velké zkoumání.

Text o boji se objevil na vrcholu škodlivého řetězce zpráv, které byly veřejně odhaleny před soudem a které byly samy o sobě šokující. V dopise jednomu ze svých producentů po útoku na Kapitol popisuje pan Carlson prezidenta, kterého prosazoval ve své show, jako „démonickou sílu“ a „ničitele“.

Opakovaným tématem jeho pořadu během šesti let, kdy běžel v hlavním vysílacím čase na Fox News, bylo vytlačování bílých Američanů barevnými lidmi. Pan Carlson často rámoval témata ve zprávách jako součást většího boje mezi „my“ a „oni“, přičemž imigranti a další marginalizované skupiny neustále a jistě berou od bílých to, co jim dlouho patřilo: politickou a kulturní moc ve Spojených státech. .

Zaútočil na černošské aktivisty sociální spravedlnosti a vyličil imigranty ze Střední Ameriky jako pohromou národa. V roce 2018 řekl, že přistěhovalci dělají zemi „špinavější“.

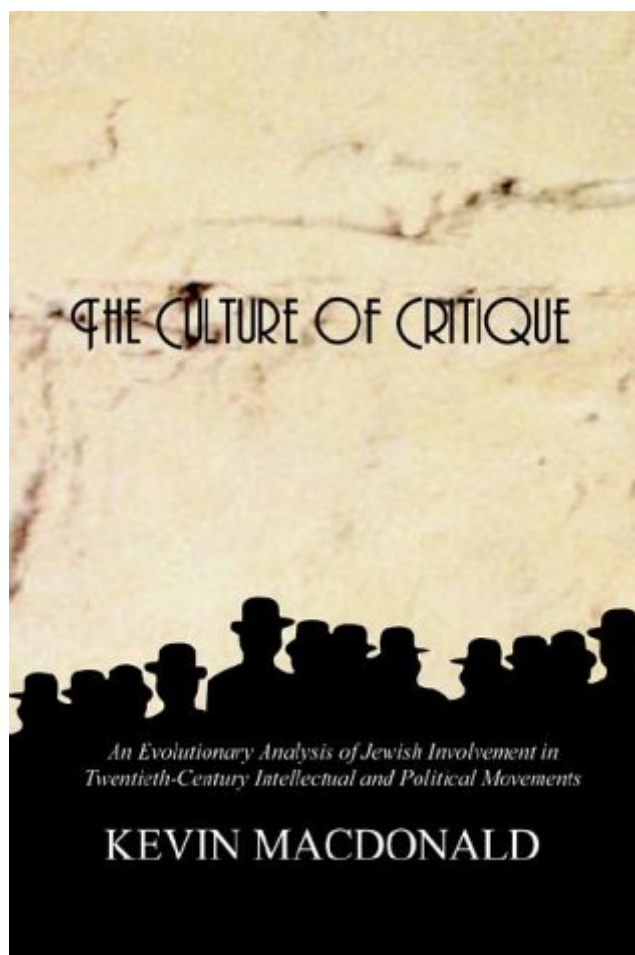

Po masové střelbě v El Pasu z rukou střelce, který ve svém manifestu citoval přesvědčení bílé nadřazenosti, pan Carlson ve svém pořadu prohlásil, že nadřazenost bělochů „není skutečným problémem“ a přirovnal to ke konspirační teorii.

Bylo tedy dost důvodů se ho zbavit. Nedávno Megyn Kelly tvrdila, že Fox uvolňuje videa

Tuckera, která by v mnoha zhlédnutích vyvolala negativní dojmy, aby byl tak toxický, že by nebyl zaměstnatelný. (Výše citovaný článek z *NYTimes* zjevně unikli lidé napojení na Fox.) Kelly také tvrdí, že o Carlsonově odchodu se ještě musí jednat a nemůže zahájit další show, protože má stále smlouvu. *Breitbart* tvrdí, že mu Fox zabránil získat novou show, dokud nebudou volby v roce 2024 bezpečně ve zpětném zrcátku. Vypadá to, že se to zvrhlo v totální válku.

Další věrohodnou věcí, kterou někteří zmiňují, je, že zbavit se Carlsona a obecně přejít k nevýraznějšímu, tradičnějšímu typu konzervatismu, jako je ten Paul Ryan (který je ve správní radě Fox), by přilákalo velké inzerenty zpět do Fox's. sestava v hlavním vysílacím čase. Bojkoty iniciované levicí v posledních letech opustily jeho show s inzerenty přímého marketingu, jako je Mike Lindell, Pillow Guy. A jak bylo zmíněno výše, Tucker se důrazně postavil proti ESG agendě hlavních investorů Fox, jako je levicový aktivista Blackrock v čele s Larry Finkem.

Je tedy pravděpodobné, že rozhodnutí ovlivnilo několik faktorů. Co můžeme očekávat, pokud se Tucker reinkarnuje někde v mediálním vesmíru? Je docela možné, že bude ještě podrážděnější, pokud nebude svázán s korporátním gigantem, který se zajímá hlavně o zisk a touží zůstat v aktuálně povolených hranicích veřejné debaty. Jako někdo, kdo je důvěrně obeznámen s tím, jak funguje politika ve Washingtonu, si nepochybně uvědomuje židovský vliv, ale

spíše pochybuji, že řekne něco, co by naznačovalo, že Židé jsou jakýmkoli způsobem odpovědní za jakoukoli z otázek, které ho znepokojují. Často zmiňuje židovské padouchy jako Victoria Nuland, Alejandro Mayorkas, Merrick Garland nebo George Soros, aniž by řekl, že jsou Židé. A pravděpodobně bude i nadále zvat do své show Židy – Židy jako Michael Shellenberger o levicovém zničení San Francisca, Darren Beattie z *Revolver News* na J6 nebo skeptik na očkování Alex Berenson. A pokud ho ADL znovu zavolá, jsem si jistý, že odpoví jako předtím.

Je zajímavé, že na rozdíl od mnoha konzervativců není otrocky proizraelský (jako např. Sean Hannity). Každý, kdo má ty nejmenší znalosti o tom, jak to ve Washingtonu chodí, chápe sílu izraelské lobby, ale tento problém prostě ignoruje. Nepamatuji si, že by dokonce diskutoval o Izraeli nebo izraelské lobby. *Haaretz* zmiňuje svůj „nedostatek nadšení pro židovský stát“ – pravděpodobně další důvod, proč ho ADL nenávidí.

Tuckerův přístup k židovským otázkám není to, co by lidé na tomto webu chtěli, ale myslím, že probudil spoustu lidí a bude v tom pokračovat, pokud a až se znovu objeví. Proto má obrovské publikum. A je zcela pravděpodobné, že chápe židovskou angažovanost, ale věří (přiměřeně), že nemůže být dobrou strategií získat v brzké době politickou moc. To je pro spisovatele z *TOO* a podobně smýšlející místa, která hrají dlouhou hru – vydávají nápady, aby inteligentní pozorovatelé, kteří jsou nyní v hlavním proudu, pochopili, co se děje, i když nic neříkají veřejně.

Můj výchozí postoj je, že nejjednodušší vysvětlení je často to nejlepší. Zde prezentovaný názor nevyžaduje domněnku, že je ovládán Židy, dokud nebudou k dispozici lepší důkazy. Někdy Židé dělají chyby – myslím, že to udělali, když za ním šli na Velkém nahrazení, aniž by ze svých webových stránek alespoň smazali své obavy z nahrazení Židů v Izraeli. Židé nejsou vševědoucí.

Takže moje předpověď – za předpokladu, že nemá problém se smlouvou s Foxem – je, že se brzy znovu objeví, možná na NewsMax nebo OAN, a to poměrně brzy. A s tučnou smlouvou. Získá velké

publikum a bude dělat to, co dělal dosud, jak je shrnuto v odrážkách výše. Měli bychom být šťastní. Půl chleba je mnohem lepší než žádný. Jeho komentáře po zrušení jsou optimistické:

Naše současné ortodoxie nevydrží. Jsou mozkově mrtví. Nikdo jim vlastně nevěří. Málokdo jimi zlepšil život. Tento okamžik je příliš směšný, než aby mohl pokračovat, a tak nebude. Odpovědní lidé to vědí, proto jsou hysteričtí a agresivní. Oni se bojí. Vzdali se přesvědčování – uchylují se k síle. Ale to nepůjde. Když čestní lidé říkají, co je pravda, klidně a bez rozpaků, stávají se mocnými. Zároveň se lháři, kteří se je snažili umlčet, zmenšují – a stávají se slabšími. To je železný zákon vesmíru; skutečné věci vítězí." „Kde stále můžete najít Američany, kteří říkají pravdivé věci? Místa už moc nezbývá, ale nějaká jsou – a to stačí. Dokud slyšíte slova, je tu naděje. Brzy se uvidíme.

Good evening pic.twitter.com/SPrsYKWKCE

But my impression is that he was all alone on many of the above issues among Fox personalities,

??? He was alone not only at Fox but at CNN, NBC, the NYT, etc., etc. His commentary was often remarkable and diametrically opposed to the war rhetoric coming from every member of the established press that I am aware of.

He didn't have to name the Jew (and he did name plenty of Jews, e.g. Soros, Blinken, Nuland), saying the Ukraine war is senseless was radical and sufficient. And as the article points out he took radical (relative to the otherwise unison MSM) positions on many issues. I'm surprised he lasted as long as he did. I think his firing is a terrible omen for the US press.

IMO

Fox/Blackrock has prohibited him from journalism.

Tucker should get on the ticket with Kennedy. He would be free to make political speeches about changes his government would make.

The pair of them would eliminate division amongst populists.

Surely Rumble/Twitter/Odysee would offer him a platform

Hilarious if he announced tomorrow. He could start spewing his agenda right away.

Wouldn't it be nice to have someone under 78 running things?

Kennedy / Carlson 2024

In 2025, there will be as many non-whites under 40 in America as there are whites.

There were 120 million whites under 40 in America in 1990. We are down to 87 million whites under 40 in America now.

One wonders what the white flag officers in the military and the Generals like Mark Milley make of this. At some point in the future, remnant whites (when we are perhaps 20% of American youth in 30 more years), might earnestly look to move elsewhere as our scholastic pedagogy teaches students all problems are white peoples' fault. It won't even be safe here for whites then. I literally think the plan is to use full-court social pressure to force whites to miscegenate themselves out of existence voluntarily.

People like Johnathan Greenblatt will never stop accusing whites of racism and anti-semitism. The only response to to describe him as 'anti-white-gentile' endlessly and unceasingly accuse the ADL of wanting to immivade whites out of existence.

WHY THIS TACTIC you ask?

BECAUSE ITS THE *******TRUTH******* !!!!!!!!!!!

@Haxo Angmark

Great article.

With all of the reasons being given by contributors and commenters it's good to see someone actually give a detailed list with some to the point follow-up comments.

| I think Tucker was cancelled because of what he was emphasizing on his show

I would only add that the timing of the recent Heritage speech he gave and his firing is interesting. Because in that speech he called the hostile elite **destroyers**.

So as not to repeat myself, anyone interested can check out comment #20 here: <https://www.unz.com/mwhitney/was-the-tucker-take-down-a-deep-state-hit/#comment-5945668>

In any event, Tucker has directed attention to the fact that Supremacy Inc.'s lust for Full Spectrum Dominance is really just Full Spectrum Destruction. And for that reason they are the only real "existential threat" facing the world today. Maybe China, Russia, et al. are catching on too. It very well may be.

Whether this was actually Tucker's intention is anyone's guess. Though it's hard to think he didn't know what he was doing (or what might happen as a result). In that case, whatever anyone might think of him, he deserves high praise just for that.

@Haxo Angmark

Tucker Carlson may not say all that we would like him to say (e.g., Jewish cultural subversion, the unnecessary war of WW2, the Israel Lobby, etc.), but he comes relatively close. And for that we should be grateful because he has brought many Americans to a place where they at least begin to question the ‘narrative’ the MSM feeds them daily – and that on a plethora of subjects that our overlords would prefer not discussed at all. It’s actually amazing that he has come this far and that he has been on a mainstream news outlet for this many years!

Tucker has helped Americans to be less trusting of their government, to seriously question and challenge mass immigration to the West, to help Americans realize that ‘the Great Replacement’ is not a ‘conspiracy theory,’ but a fact that is openly occurring before our eyes.

Tucker has challenged and exposed the 2020 BLM riots, the violence of radical Leftist groups such as Antifa, including the media and our government’s complicity in all of it. He has challenged the entire Ukraine war narrative, or at least has urged us to ask some very serious and practical questions about it.

Granted, no one is above constructive criticism. We are all accountable for our words and actions (or should be). Tucker, in this regard, is not above criticism either. All things considered, however, I think the man has done our people and our cause well and this is why so many of us respect him.

Tucker still has more to learn, and he can still go much farther down the proverbial red-pilled ‘rabbit hole’ of truth. But which of us doesn’t? How many of us can say we have arrived at an understanding of the truth in all subjects?

Tucker seems open-minded, and he's come a long way. We ought to give him credit for this. Thus, there's reason to be optimistic that his path will cover many of the same truths that we hold so dear.

We ought to be careful to not purity spiral. He is not our enemy.

The PTB know exactly what they're doing. Carlson's there to keep people from getting too close to the truth.

His god-like status he has should be disturbing, not encouraging.

Ask yourself, is he bringing up the core problems, or just the symptoms. If it were the former he wouldn't have been on FNC. They know that the MSM isn't for long and that they need to transfer their act to "alt" media.

Ask Carlson about 911, he'll parrot the uni-party line faster than Biden accumulated "votes" after 3 a.m. He'll never point out that the Bolsheviks were behind it.

In sum, Tucker talks like most white Americans talk and the Greenblatts of the world don't like it.

It seems not to occur to them that most whites will be pissed knowing that it was Jews who got Tucker fired and now they'll hate the Greenblatts even more.

It'll backfire and push white consciousness a bit closer.

| This moment is too inherently ridiculous to continue

Forgive my pessimism but I've been hearing this for half of my 40 years, and the only reason I haven't been hearing it longer is that's how long I've been politically-aware. I keep harping on the Covid lockdowns because they represented the end of the world as Americans knew it. And people just sat for them. Took it on the chin without a whimper. This moment will continue forever because Americans are too inherently ridiculous to ever resist it. A revolution only requires 10 dedicated percent of the population, and we can't get anywhere near that. Americans by and large deserve their chains.

Among all the reasons mentioned for Murdock firing Carlson I think his truth telling about our role in provoking Russia into war was at the top of the list. He is almost alone among journalists in taking that stance and that was dangerous and unacceptable for the uniparty in D.C.

It will be interesting to see how Carlson guides his career over the next 5 years. Corporate media is a monolith and not easy to defeat.

TC said things which are verboten in the western media, that's why he was canned. I'm not pro or anti TC, but I do like a lot of what he said on his show, considering the dearth of honesty on the msm. I assume he's not stupid and knows that he's walking in a minefield, he doesn't want to end up like Webb, Hastings, Bono, Wellstone, MacDonald, Hollings, the Kennedys, etc. Maybe an average man would take his money and disappear to keep his family safe, but I think he hasn't given up and will pop up somewhere soon. He needs time to survey the field and I think we should allow him that time. Ukraine, climate hysteria, financial shenanigans, the 24 election, and the cultural war are things that aren't going away and could blow up in our faces, so give the man some time, we need people who speak honestly, even if we don't agree with everything they say. Lol, maybe RFK jr could make him his press spokesman, talk about ratings!

Tucker came as close as anyone in the MSM to address the Jewish question. He did this tangentially for sure. But by presenting all of the disasters happening to the West, whether the endless wars, invasion by the Third World, Black criminality, media lying, police state tactics, or financial malfeasance, he named names, and in the process he implicated Jews and their countless Gentile lackeys in all of these disasters.

He went as far as he could and I was surprised they let him speak for as long as they did.

Purists claim he is controlled opposition and a coward for not speaking directly to the Jewish question.

I strongly disagree with that assessment. He did far more than anyone in the MSM to catalog the disasters unfolding throughout the West, and although indirect, his finger was pointing to the Jew and to the myriad Gentile traitors in our midst who have sold out the West to supremacist Jewish interests.

He did some serious red pilling that was never done by Rush Limbaugh.

Fox News now looks like the whore house it has always been.

And more people are waking up to the fact that there is really no difference between the R and the D, boh working for the same masters and against the interests of the people they are supposed to serve.

Tucker was only acting on a political reality show at a time when certain things could be said as a form of free speech; But things have gotten complicated and the things he said can no longer be said, he didn't understand it and they eliminated it.

We must think... .. why are media political parrots used and the politicians themselves never touch these issues in depth when they are matters of his trade and should know them better.

Because politicians must know how to swim without getting their clothes wet.

This is too funny. Carlson will show up as a mouth piece for faux conservatives and keep getting rich by telling them what they already know. The left will have their version of Carlson telling their voting idiots what they want to hear. Both sides singing to their respective choirs.

Then the citizenry will go and vote in a phony election where the political parties have already chosen two clowns as the only possible final answer and a new phony like Trump or Biden will get the nod for clown in chief while the deep state continues with their various missions unaffected by the voting theater.

The 'electorate' in the US is as dumb as a stump and will keep enriching the talking heads while the country goes down the drain.

It is impossible to know whether a poster like Haxo Angmark is just stupid, perhaps stupid from his ideology that makes him place all eggs in 1 basket and attack everyone who also does not have such a simplistic focus, or if he is a plant for some group like the ADL or SPLC or CIA whose role is to lead people to the ideology he espouses because it actually retards intelligent dissent.

In the most simple terms, the evil ruler always welcomes the dissident who can be counted on to attack the good because it is not in his estimation virtually perfect. The whole Anglo-Zionist enterprise loves people like Haxo Angmark for that reason.

@Stripes Duncan

I think you'd be in for a big surprise.

Your premise is that you've been "politically aware" for 20 of your forty years of age and now you determine that resistance is hopeless. .

Son....the world didn't begin the day you were born.

History is littered with the ruins of empires, monarchies, republics, emirates, etc...that have failed and been overthrown by citizens.

Remember, son, this country was founded in blood and revolution and it will very likely die that way.

There are tens of millions of patriots watching everything very carefully. Don't believe the propaganda you see on (((TV))).

If they repeatedly ram these obnoxious things down our throats, and keep punishing people who voice their traditional beliefs and standards, will the people be converted? I think they will. These are tactics in subversion of a nation, and they work.

@RockaBoatus

“We ought to be careful to not purity spiral. He is not our enemy.”

Carlson is not our enemy? Have you seen the video where he was a guest on some podcast and he arrogantly said that Whites should never be allowed to choose leaders who promise to defend the interests that are unique to White Americans, which is precisely what every other non-white racial group does and they are encouraged to do so and cheered on by our virulently anti-White jewish hijacked government?

Tucker Carlson is on the record as believing that under no circumstances should Whites be allowed to organize themselves as a group to defend themselves against attacks upon them as Whites by non-whites. Based on Carlson’s twisted and certainly race treasonous logic, Whites are supposed to never fight back when they are being singled out for attack because they are White.

That is formula that is a guarantee for defeat and subjugation to being permanently ruled over by non-whites who hate and despise Whites. That sounds like the kind of advice you would expect to be given by your enemy.

Carlson did have a segment discussing how David Frum and Bill Kristol advocate for the ethno-state of Israel yet also advocate for the US to be multicultural. And why it is they celebrate Israeli Jews wanting that but vehemently oppose Americans wanting their former or even current ethnic makeup to remain static.

@TheManFromUNCLE

In his long interview with Freddie Sayers of UnHerd, RFK, Jr. appears to be going after the populist middle. He downplays his support of the Climate/Global Warming hoax, his racial extremism and his youthful Bolshevism. He says, I'm a Kennedy Liberal. This is the most clever way I've yet seen to head off Trump and the woke Biden Party at the same time. Only a legitimate Kennedy heir could do it as effectively.

I'm of the opinion that RFK, Jr. comes from the traditional sector of the Democratic Party and is supported by more than just the environmental wackos. He emerges at the same time that real stories are being written about the corruption of Joe Biden and his whole tribe when he was VP, before he had even a dream of becoming President. He was going for the money with the bucket of a coal mine loader.

I think he's a legitimate candidate and he's seen by what's left of the non-crazy Democrats as their hope to sideline the doddering old thief and his crack-smoking kids.

H. A. is, as you say, either a troll or an idiot. I think it's the latter. He supports Ukraine because it is a white country. But, there again, so is Russia. In Ukraine's case it has a Zionist Jew as President, massive overrepresentation of Zionist Jews in public life, and is backed by the EU, NATO, the Globalists, the Zionists et al. Russia is not backed by these groups and has been actively opposed by them for many decades.

A victory for Russia means a defeat for these groups, and benefits all white people of European origin. Indeed, the sanctions imposed on Russia spell the end of Globalism. Regardless of opinions of the Russian Government and President Putin, this can only be beneficial for us. H. A. seems unable to understand this, but idiots would.

The “bait-and-switch” argument for what/who Tucker actually is is very germane. Bring the thirsty animal right up to the waters edge. As he lowers his head to eagerly drink...whack his head right off. Easy, clean, haul the carcass up and feast. That latest interview, essentially a full-throated anti-white screed, was one helluva doosie. And the “near” smoking gun for the bait-and-switch. It was as vile and shameful a “confession” (message to the White goyim) as you can get. The ultimate proof...if/when the Tuck gets another venue, one supposedly offering him more “freedom” than ever – that the b & s is established – that he will continue with the same shtick. IOW, it will no longer have been merely an argument.

Sure TC did not say everything we want him to say but the obvious reason for that is he would have been shut down seconds after saying it. No one here was born with the knowledge they now have. For most it took a long time to get here. There was a journey that probably started with mainstream conservatism. Then we heard someone else that offered more and we built on it. That was the value of TC. He moved people from the normal conservative narrative and blind allegiance to a corrupt federal government and military structure to a new way of thinking. He opened eyes. Once your eyes are opened then you see more. Blasting him for not talking about Jews is short sighted. You didn't need TC to tell you about Jews and neither does anyone else. What people needed him for was to move them from their conservative comfort zone which he clearly did and that is why he is gone.

Wouldn't surprise me if FOX continues to sit on and payout Carlson's contract until after the election. No clue as to why due to the irregular ballot counting practices. Makes you wonder how much the ruling class would lose by with honest tabulation, but I digress. ADL's Greenblatt must be the dumbest Jew out there. Tucker doesn't have to name the Jew, but rather just go to against the official narrative. Greenie will then get his diapers in a wad by the mere mention of an alternative reasoning not blessed by the ruling kosher class, and subsequently denounce such thoughts as Anti-Semitic. All by his lonesome blatt face self, he names the Jew. Who could forget his classic tweet of "even if the Holocaust is fake, you must believe in it." Surprise he didn't win a trip to the proverbial woodshed for a meet and greet with the wood chipper.

In defense of Tucker, it's better yet to speak of what specific people do, like Soros or Bolton or Pompeo, and let the chips fall where they may. This avoids the charge of over- or under-inclusivity and serves as the moral high ground against the claim that any criticism of the culpable individual is inherently an attack on the group.

I'm surprised he lasted as long as he did. I think his firing is a terrible omen for the US press.

USA has no press anymore, only propaganda and narrative management.

Are there still independent journalists who try to discern and report truth? Yes, but they are not part of the organized and networked press.

One can still glean small bits of information from the press, but it must be combined with alternative media sources to get close to the truth. Even then one isn't sure what is really going on.

He comes from a Jewish family of Thessaloniki that has advocated race-mixing for three millennia as the first precaution to take to prevent revolutions. Athens adopted that policy very early for the non-citizens who composed 97% of their population : slaves, servants and metics had to be imported and were discouraged to breed among themselves, they preferred to turn them into homosexuals like they were themselves and mix them with newly imported manpower from far in Asia or Egypt or Scythia. It must be known that from Alexander's time that became the common practice in all Greece, with the notable exception of Sparta and Laconia. It is estimated that the population of Greece has been replaced through forced immigration and forced mixing several times under the various empires it has been under.

Most people “miss the point” when placing blame for Tucker Carlson's firing.

The (((powers that be))) intimidated the major advertisers paying for Carlson's show. It was easy to observe the major corporate advertisers' absence one-by-one from Carlson's show. THIS is what forced the Fox management's hand and encouraged (((them))) to drop Carlson.

There have been a lot of examples made of individuals. Tucker, Ye, Assange, Trump. Even Ron Unz and Phil Giraldi when they were cut loose from The American Conservative. And yet at least a few of these people possess wealth, but still don't unite and organize a new matrix of truth. Are they afraid of losing the wealth and freedom that they still **do** possess? Trump did try with Truth social, I guess. And of course Ron is a hero.

If the Jews/Deep State can marginalize these notable people, I imagine that they could swat me like a gnat. That 250,000 dollars I have for retirement as lines on a computer database? Could be seized or deleted – poof! – in an instant. Then: “Work until you die, asshole.”
