Jednotky United States Navy SEAL v neděli zachránily „stovky“ zotročených dětí z nákladového prostoru ropného tankeru kotvícího v zálivu San Francisco Bay, řekl zdroj z kanceláře generála Erica M. Smitha Real Raw News.

Pokud jsou všechny informace správné, operace je podruhé za dva roky, kdy White Hats osvobodili zajaté děti buď z nákladních lodí, nebo z tankerů poblíž kalifornského pobřeží, což je průchozí bod v průmyslu obchodu se sexem s dětmi. Real Raw News informoval o podobném incidentu v listopadu 2021.

V sobotu odpoledne neznámý tipér dodal generálově kanceláři téměř v reálném čase snímky vyhublých dětí stojících bok po boku v něčem, co vypadalo jako břicho obchodního tankeru. Jeden děsivý obrázek ukazoval sotva oblečené děti sbalené jako plechovka sardinek. Některé děti měly viditelné rány na pažích, nohách, tvářích nebo trupu.

Experti Gen. Smitha ověřili metadata snímků a identifikovali plavidlo jako Dubai Brilliance, supertanker plující pod vlajkou Marshallových ostrovů kotvící na půli cesty mezi San Franciskem a Alamedou v Sanfranciském zálivu. Plavidlo o hmotnosti 63 000 tun bylo postaveno v roce 2011 společností Brilliance Maritime Inc. se sídlem ve Spojených arabských emirátech. Pojme 20 milionů galonů surového nebo, zdá se, nevyčísitelný počet dětí.

Veřejné navigační záznamy ukazují, že plavidlo dorazilo do San Francisca 12. června, bez uvedeného data odjezdu; jeho posledními přístavy byly Mongstad, Norsko, Wilhelmshaven, Německo a Skikda, Alžírsko – z nichž poslední, jak řekl náš zdroj, má za sebou historii obchodování s dětmi.

Poté, co si prohlédl snímky, generál Smith kontaktoval svého White Hat styčného pracovníka amerického námořnictva WARCUM v Coronadu a zeptal se, zda je k dispozici tým, který by tvrzení prošetřil.

Náš zdroj neřekl, kolik jednotek SEAL nebo které týmy se na záchraně podílely, ale připustil, že značná síla opustila Coronado kvůli počtu dětí údajně držených v zajetí a možnosti setkání s

nepřáteli na lodi. Dodal, že řezačka pobřežní hlídky s bílým kloboukem byla uvedena do pohotovostního režimu, aby pomohla při těžbě.

Po nalodění na palubu Dubai Brilliance v neděli přibližně v 1:30 ráno SEALs, aniž by vypálili jedinou ránu, zneškodnili devět ozbrojených gaunerů, podřízli jim hrdla nebo je garrotovali.

Našli unesené děti ve dvou částech lodi, v přihrádkách na olej a v ubikacích pro posádku. Scéna v nákladovém prostoru napodobovala to, co SEALové viděli na fotografiích, stovky vyděšených dětí, mnoho podvyživených, schoulených k sobě, jako by se chtěli zahřát, a plakaly tak hlasitě, že se jejich nářek odrážel od trupu. SEALs odhadovali, že většina dětí jsou nedospělí, i když některé byly sotva dost staré na to, aby chodily. Žádné děti objevené v nákladovém prostoru nebyly americké, což znamená, že je překupníci umístili na palubu lodi v jiných přístavech, ale mladiství, kteří byli nalezeni v ubikacích pro posádku, byli američtí občané, které únosci přivedli na loď, když kotvili v Sanfranciském zálivu.

Dvanáctiletá dívka objala své zachránce SEAL a řekla, že ji „zlí, špinaví muži“ unesli, když jela na kole jen pár metrů od svého prahu v San Franciscu.

Čerstvě unesené americké děti si vedly lépe než cizinci v nákladovém prostoru; Nebyli uvězněni dostatečně dlouho, aby utrpěli zranění nebo hladověli. SEALs našli 15 rozkládajících se mrtvol smíchaných mezi živými v nákladovém prostoru.

Okamžitě začala záchranná operace a SEALs a pobřežní stráž použili skify a řezačku k urychlenému úniku z tankeru.

Náš zdroj nekvantifikoval přesný počet zachráněných dětí, ale řekl, že pobřežní stráž podnikla několik zpátečních cest z Alamedy do Dubai Brilliance.

Přeživší cizí a domácí děti, řekl náš zdroj, byly převezeny do bezpečí a jsou identifikovány, aby mohly být vráceny do svých řádných rodin.

Child trafficking need to go PUBLIC! The masses need to know that the so called leaders in government and corporate media are behind this! Why are the wh allowing these people cover and not making this PUBLIC!

MSM is now saying Barrack Hussein Shit-stain Obama on his mother's side, and EVERY other president excepting Donald J Trump, is a direct descendant of slaveowners.

Not Whit-mer, Whit-less!

I realize and respect the right to privacy, but I'd like to learn more information on the allegedly captured 12 year-old SF resident and if any relative can corroborate her abduction and rescue.

Yes GOD SAVE the children!! Thank you Mike, I thought you were all laid up? Did you recover already? PTL! This article hit my heart hard! Way to go NAVY Seals and Coast Guardsmen! All we got is the children! We will die for them!

STEVEN BEN-NUN SAID A FRIEND TOLD HIM HE TALKED TO A FRIEND AND THAT FRIEND SAID TRAFFICKERS USE BARGES AND THE FRIEND OF A FRIEND FOUND A TEAM TO RAID A BARGE (WITHOUT EVIDENCE OR WARRANTS,,,AGAIN JUST RANDOM),,,

WITHIN 24 HOURS THEY RAIDED A RANDOM BARGE AND FOUND STUFF,,,LOL,,,THAT'S THE SOURCE OF THIS

ULTIMATE TELEPHONE GAME ACTIVATED,,,WE'RE JUST GOING ON JEWISH VIBES THAT JULIE LOVES SO MUCH,,,

...says the guy who likes man asses like whitmer's! So is ethel your pet name for your big black ex-inmate boyfriend? lol

No words....

God Save the Children!

And may all the perpetrators of this horror "experience the the suffering of EACH CHILD that they harmed", many times over, from the perspective of the child.

And may this abomination on Earth BE STOPPED FOREVER!

"A twelve-year-old girl hugged her SEAL saviors, saying that "bad, dirty men" abducted her while she was riding a bicycle only a few yards from her doorstep in San Francisco."

GREAT JOB WHITE HATS!!

These animals who ordered the trafficking are not getting away with this.

Excellent work, Michael, thank you! Please keep us updated.

PS. I sent you an email about a ship called the *Lindsey Graham*, berthed in Louisiana traveling from South Carolina a couple of weeks prior. There may be trafficked children on board at the southern border, and the traffickers may be awaiting payment from China Biden or Goodmoney Graham. Please check it out when you have a moment. Can't post the graphics here, sorry. If you need the email resent, please tell me.

WEIRD,,,STEVEN BEN-NUN DIDN'T REPORT ANY OF THOSE DETAILS,,,SO THE GUY WHO FOUND OUT FROM A GUY WHO KNOWS A GUY FOUND A RANDOM BARGE,,,HAS NO EVIDENCE OF ILLEGAL ACTIVITY,,,FINDS HUMAN TRAFFICKING,,,AND MICHAEL IS ABLE TO DETERMINE THE SOURCE OF ONE KID'S ABDUCTION DETAILS,,,WILD,,,

No wonder the SEALs took no prisoners. I sure hope this 27 state military mobilization is getting the Satanic monsters funding all this. After they're behind bars awaiting execution mansions are going to be a glut on the market!

WOW This story is truly ugly and I hope the people responsible get their punishment many times over. Those poor children in the hold have truly suffered and thank you Navy Seals for the rescue.

Poor kids. I wonder what all their stories are. I hope there will be Medbeds for the minds and hearts as well as the bodies.

I get paid over \$190 per hour working from home. I never thought I'd be able to do it but my best friend earns over \$17606 a month doing this and she convinced me to try.

The possibility with this is endless....

Vengeance is MINE sayeth the Lord. It's understandable but for your own mental health and peace, don't go there. I care SusieG628.

Having their throats cut was an easy way out for these kinds of filth.. What were they going to do with the children?? Probably trying to sell them in USA.. luckily for the children still alive, it couldn't have been so easy to find buyers..

I can't help wondering who the tipster was?? Thinking it must have been an American to know to contact General Smith's office..

Well done to the Seals.. It must have been terribly distressing for those involved in removing the children...

The article says a 12-year-old was kidnapped off her bike in San Francisco and put on the ship to parts unknown. Those filthy dogs are going everywhere kidnapping kids for sex and adrenochrome.

This isn't about you getting your jollies! It's about overcoming EVIL by the grace of God.

We live about an hour south of SF. How is it that there was no media coverage of this rescue? The children need to be protected from the media, of course, but a picture of the ship and the owners' names should be broadcast...worldwide! People are in such denial that they are walking around with their eyes closed. AND how is it that there wasn't one Amber alert for the missing American kids? No media coverage there either. The public should be made aware of what's going on under their noses so they can report suspicious activity. God bless the Navy Seals!

I think the police have to issue an Amber alert, but I don't trust that Amber alert anymore after Laura Silsby started working for them — and the traffickers — she got off easy for trafficking Haitian kids for Hillary when she was alive. Another dirty pig in the child sex trade.

The answer is that the owners of the media are participating in this and need to be hung. ASAP I hope that is what this 27 state mobilization is about.

The media's part of it, but people are fortunately starting to wake up, at least some are.

Why, because it never happened. Do you find it strange that we never see a picture of these "rescues" or one of their detainees in a courtroom? These many operations require hundreds of people to carry them out. How come we never hear of one person involved in these operations saying a word about what's going on even after they leave the military or law enforcement? Simple because this site is pure fiction. We were told that Dr. Walensky of the CDC was arrested, tried, and hanged several weeks ago. Yet she somehow miraculously resurrected and testified before Congress two weeks ago. How did that happened, thought only one famous person came back from the dead in history? The mere fact that Mr. Baxter will purge this comment very quickly tells us that the skeptics are correct about this site. Pure Fiction. If you disagree show us some real proof.

Why would the FAKE Newsmedia report it? Their job is to cover up, censor such happenings, not report them. The FAKE Newsmedia, owned almost totally by the Globalist Deep-State, are our enemies.

I bet one million dollars the LGBTQ organisations have a lot to do with this stuff & we have not been informed. It's too coincidental all of the sudden they are marching on the streets we are coming for your kids. It's bloody disgraceful & sickening.

Sadly, you are probably correct. Elements traveling within those organizations most likely take advantage of the entire milieu that has been created by sexualizing contact with children. Humanity really needs to wake up and look beneath the slogans to grasp what is really happening.

There are however, many gay and lesbian parents adopting kids not to be parents but to traffick them and rape them for profit. Thsi isi how sick these gay parents really are and the thing they are better than straight parents.

One newspaper reported the arrested of two such persons pimping their adopted kids to paedophiles for profit. One an online forum gays tell each other to get the kids for sex but keep it discreet.

And people wonder why I speak so strongly against homosexual and lesbian behaviour. Read Romans, Genesis, Jude, Judges, 1 Corinthians and 1 Timothy for proof.

Last edited 50 minutes ago by Xena

The LGBTQI+ community are more interested in recruiting the kids for homosexuality and transsexualism in their ranks (since they can't reproduce and there is no gay gene even if they could reproduce) and child sex-change surgeries than the adrenochrome thing. That's another department for the Satanic elites as far as I know.

The most important work being done, real raw news.com is about the only source reporting. So grateful that you do. 'Garroting'? I had to look that one up, so thank you again for expanding my vocabulary. Blessings 🙏❤️🇺🇸

Yeah, give them a second or two to repent their sins. Enough time to know they deserve it, I hope.

Restored Republic is another source and there are many other alternative sites that give different kinds of reports. RRN and Restored Republic go way deeper than the others. S

The Mainstream Mockingbird Media needs to if so be it held at gunpoint to report the truthful news about this and what has been happening to children. It's not right that this is not being brought out in the Media. I want my family to here about this and what has been going on. They won't listen to me or go and watch Jim Caveziels Movie "The Sound Of Freedom" but they will unfortunately listen to

CNN or Regular News on TV. They won't go to the open source news that I go to because after all I listen too or am a Conspiracy Theorists. It's time this was brought out in the open and vomited out on a regular basis like they vomited out Russia Russia Russia and whatever other BS they continue to say about President Trump.

The owners of the mainstream media need to be killed. Hopefully that is what the 27 state military mobilization is doing.

I understand how painful it is. Don't try to "make" your friends and family see it. Pray against the enemy forces captivating their minds and don't give up. Q said years ago that the MEDIA (US) will be the last force to fall.

That's quite a confirmation. Thank you for posting this link. It is well worth listening to.

Great news for a Tuesday morning! Your writing is better than ever Michael! Keep those cards and letters coming!

What kind of evil creatures do this? Humans are the only species that does this to their own. I pray that God finds a way to heal these children. Re the little girl who was kidnapped riding her bicycle in San Francisco, San Francisco is rapidly disintegrating, and any semblance of a civilized society is quickly disappearing. I wonder if this is being done on purpose to allow for such blatant acts of cruelty and lawlessness without any investigation or attempt to stop it. Who does this? Who drives through the streets of a city looking for children to grab? I want to say that if I had a child, I wouldn't let them out of my sight but doing so harms their emotional growth and

relationship with the outside world. The news of this has to be reported in a big way. Now is the time to use the EBS to inform the public of what is going on in broad daylight.

I saw a video that was in another country like in the Middle East where there was a young man must of been around 13 to 15 years old sitting outside and they drove by him then a supposedly “women” who was covered walked up to him slit his throat and carried him off into the 3 scooter vehicle. It’s sickening to the inth degree. Needs to be reported and it to stop!

“I want to say that if I had a child, I wouldn’t let them out of my sight but doing so harms their emotional growth and relationship with the outside world.”

I agree with you 100% on that. Never harm a child’s growth — just teach them karate and to shoot a hunting rifle. Carry one yourself and be a threat to those nasty animals who want to rape kids. Kids need to learn to be independent, not infantilized, and to fight back when confronted with danger.

People have been stealing children since Sodom and Gomorrah. This is nothing new, it all stems from evil intents of the heart. Kids get stolen right on their doorsteps in India by child sex traffickers on their motorcycles when the mother is right there and her back is turned doing the laundry. Scoop up the kid and speed away before the mother looks up.

But when evil and depravity is mobilizing into groups, that’s when we all have to fight back harder. Kids included.

Last edited 43 minutes ago by Xena

OF COURSE NOT. THE FAKE NEWS REPORTERS ARE ONLY FOLLOWING ORDERS AND THEY ARE AFRAID TO BITE THE HANDS THAT FEED THEM.

Last edited 42 minutes ago by Xena

This abuse of children has gone on way too long. Every child should be allowed to grow up unmolested, free from horrible abuse and slaughter. Adenochrome is the reason for this mess. The love of easy money by extracting this chemical from terrified children is going to come to an end. How many parents suffer from the fact their children have been kidnapped with no hope of ever seeing their loved child come home? It is devastating to all but the pedophiles. Pedophiles don't care. It is the money!

Karma, known as the Law of Compensation is the great equalizer. What goes around comes around, at times with amazing rapidity. No one is exempt.

The ship could be sent back to it's North African port with a "surprise cargo" that would make the Beirut "grain explosion" look like a firecracker.

Maybe ALL ships like this should be subject to inspection once inside our territorial waters! NO exceptions.

Big congratulations to the Navy Seals on this wonderful mission. Saving children from such abomination is probably the greatest thing one can do.

The ship should be seized and the owners investigated for their part in this incident of child trafficking.

Last edited 2 hours ago by Bill Goode

"The ship should be seized" AND CONFISCATED AS SUCH, TO THE MILITARY WHITE HAT ALLIANCE.

call it disarming a terrorist....

Some child sex traffickers don't care e how much you watch your kids. Some parents have had their kids snatched right in front of them; there are reports that people snatch their kids away from them in broad daylight and videos exists of these events.

These vile animals don't care who is watching them, even on camera; they just grab the kids, no matter how much the mother yells or screams or resists.

I am so glad the seals put those filthy vermin down!!!!!! GOD bless one and all involved in this rescue mission!!! I hope and pray every child can return to their families safely!

It's my understanding the 9 killed were the only crew aboard at the time, though I'll try to get more clarification.

Our television and airwaves should be taken over by the US military and broadcast live for everyone to see. I am surrounded by snowflakes that do not believe that this is actually happening. We are past due for a world wide wake up! God bless those Navy seals and US Coast guard for rescuing those children?

Over the years some randoms on the social media have been saying, we need another 9/11 so the people wake up.

The way I see it if people haven't woken up with 9/11 they will never wake up.

Why alert the enemy on a mass scale, what will other nations do? how much evidence will be instantly destroyed like children in captivity, now is not the time, the right time will come, who cares about snowflakes, they are too far gone, it was even harder before the Trump Presidency, now the snowflakes are literally exposing themselves in public, bunch of lunatics. A great victory is Blackrock CEO is admitting to the ESG and is backing down and blaming both the far left and the far right and calling them deplorables, a perfect symphony, I hope the day comes when he rots in jail. The bible says we must show even more patience than even the Saints.

Some ppl, for whatever reason, just don't want to know.. Like my husband and son.. They do know now, bcos I've made sure they KNOW, however if I tell them any latest news of this kind, the reaction is, "OK, I know. You don't have to keep telling me"..

These snowflakes don't care because they don't believe it is happening. They say it's fake news. Even when shown the evidence, they refuse to believe it.

Last edited 10 minutes ago by Xena

Where are the kids now? Who transported them? How did they get to shore? The port is a very busy place so 100 or so ambulances rolling in would surely be noticed. That would also mean hundreds of EMT's would have seen the children, and their dispatchers would know as well. The port is also under constant video surveillance so there must be evidence.

On another note, a UN inspection team just got back from Gitmo. They were not impressed. How did Crandall et al allow that to happen. They brought back lots of pics.

You really think they would hand them over to civil SES mother fuckers who help put them in that shit. Fuck the UN there party to this satanic madness. Wake the Hell up..

Obviously, the White Hats have to have medical personnel they can trust. I have evidence of my mother's rape, that needs more confirmation. I can not just hand it over to anybody, it has to be examined by people I trust.

Do NOT trust anything coming out of the U.N. They are Deep State Cabal in league with the likes of WEF. Their programs have been corrupt for many years – Like feeding children. That whole building should be bombed out of existence as it stands.

Re transporting the children of the ship and out of there, you were not present so you cannot say. I am sure the Navy Seals have ways to get the job done without drawing a lot of attention to themselves.

I'M ON THE SIDE LAUGHING AT MICHAEL WRITING AN ARTICLE BASED ON SOME JEWISH DUDE'S LAME VIDEO WHO MADE SHIT UP,,,,,

A UN “inspection team”? Are you aware of the jeers that phrase would get from those of us who are awake and aware?

I assume they vet their parents before they go back to them. I know some parents actually sell their children into slavery. I pray they can get past this physically, mentally, and emotionally and just be happy to be free and back with their families.

These parents selling their kids into slavery need to be arrested and have their parental rights stripped. Let the kids be adopted out to new families so they never have to remember them again.

Remember the poor girl whose LEO father made child porn with her in it, and shared it with his friends, and their kids watched that child porn with her in it, and started harassing her at school. It's not her fault her LEO father is a paedophilic shitbag like Incest Joe and his degenerate son, Hunter, either of whom might have impregnated their granddaughter and niece, Natalie Biden — Hallie's daughter and Caroline's, Naomi's, Maisy's and Finnegan's cousin.

Natalie Biden is on the Biden laptop, pregnant in one photo, half naked and doing cocaine with her knickers off in another photo, either before Hunter and/or Joe had sex with her or after they had sex with her.

what do bastards do, children are stolen, sold, raped, and now schools teach how to do it. LGBT are those Satanists who are organized by the highest authorities, they have ceased to be afraid of everything and introduce perversion to prepare children for destruction. And these corrupt teachers in schools, they are ready to put our children under the knife, why do we send them to schools? What can they teach there if the teachers sold their souls to the devil. Children today are the future of many countries, Satanists want to destroy our future, I don't know what else people are waiting for to

happen? How much bastards can you tolerate? They took over our children, people, what are you waiting for now, an article for the next curiosity, ? You've already been given an idea of what's going on.

I'M SURE MICHAEL WILL PROVIDE NECESSARY ADDRESS FROM THE JEWISH GUY'S VIDEO SO YOU TWO CAN GET STARTED,,,

If true don't keep them here! Boot them back to their toilet countries; we're full up with illegal sponges already. How does one "identify" a toddler who can barely speak? Let their embassies sort them out. I'm tired of paying for the overbreeding and their third world mentality.

Díky Bohu, že byly děti zachráněny. Modlím se za jejich uzdravení a za to, aby znovu poznali radost. Modlím se za spravedlnost pro ně.

Hrůza, kterou tito malí trpí, si nedokážu představit. Pláču pro děti, když píšu.....
