V létě roku 2017 si hurikán Harvey, monstrózní bouře kategorie 4, prorazil cestu zkázy přes metropolitní oblast Houstonu, zaplavil silnice a rozbil domy, když vítr o rychlosti 130 mil/h bičoval pobřežní oblasti státu Lonestar. Okresy potemněly a životy byly zničeny.

Bouře vyhnala 30 000 obyvatel a způsobila škody ve výši 124 miliard dolarů, což z ní činí nejnákladnější tropický cyklón v historii. Sotva vítr utichl a přestalo pršet, vtrhla do města FEMA, odhadem 5 000 příslušníků, mezi nimi i zástup ozbrojených agentů, jejichž úkol neměl nic společného se záchranou životů.

Byly to činy těchto mužů, které zajímaly viceadministrátora Darse E. Crandalla, když ve středu večer pokračoval vojenský tribunál Brocka Longa.

Oslovil tři důstojnice, které si JAG vybral, aby vyslechli důkazy proti Longovi. „Když se prezident Trump doslechl, že agenti FEMA vyplenili zatopené domy, ukradli soukromý majetek a byli fyzicky a emocionálně násilní vůči populaci, která byla náhle velmi zranitelná, předvolal obžalovaného do Bílého domu a požadoval odpovědi. Obžalovaný samozřejmě hrál hloupě a řekl, že neví, o čem prezident Trump mluví. A když mu Trump ukázal důkazy, obžalovaný z toho obvinil ‚několik nepoctivých agentů‘.“ Prezident Trump dal obžalovanému rozumnou nabídku: doručit odpovědné strany do jednoho dne nebo zaplatit cenu za jejich zločiny sám. Víme to jako fakt; máme místopřísežné prohlášení prezidenta Trumpa, které to potvrzuje.

"Pronásledoval obžalovaný zlotřilé agenty?" Admirál Crandall pokračoval. "Ne, neudělal." Osm hodin poté, co viděl Trumpa, byl Long na letu do Argentiny, kde žil až do 19. června, kdy byl přistižen, jak se plíží zpět do USA.

Admirál se napil vody. "Šokovalo by mě, kdyby byl ochoten otevřít ústa s vysvětlením." Na 30 sekund se odmlčel a pak řekl: "Asi ne."

Long seděl tiše u obranného stolu a jeho jedinou útěchou byl džbán s vodou, jehož kostky ledu rozpouštěly stejně rychle jako jeho svoboda. Jeho oči přestaly sledovat admirálovy pohyby a byly nyní zavřené.

"Nebo možná může této komisi vysvětlit, co je to člun FEMA," řekl admirál.

"To je mýtus," řekl Long ospale, aniž by otevřel oči. "Jsou to nemocniční čluny." Spiklenci je rádi nazývají FEMA nebo vězeňské bárky."

Admirál Crandall ukázal panelové snímky člunu kotvícího poblíž Port Aransas, pořízené poté, co Harveyho oční stěna přeletěla pevninu. Ukázal také satelitní snímky stejné bárky, která mířila s bouří do přístavu, hned za vnějšími pásy. Poslední admirálové snímky byly uniformovanými agenty FEMA, jak se zbraní v ruce naváželi něco, co vypadalo jako bezdomovci, na pevné čluny Zodiac, údajně transportované na člun.

"Co se stalo s těmi lidmi, zadrženo Long?" Tohle nebyla práce pár zlotřilých agentů, že? Byla to velká operace," řekl admirál Crandall.

Dlouho zase nepromluvil.

Admirál požádal porotu, aby shledala Longa vinným ze zrady, a oni to udělali a odsoudili ho, aby visel za krk až do smrti.

Admirál Crandall stanovil datum popravy na 10. července.

## Timeline

The First Week of July the Military began Mass Arrests according to Fulford.

Either Mon. 10 July or Sun. 23 July could be the Inauguration of Pres. Donald J. Trump and his VP, JFK Jr. in a celebration where those in the World Protection Program would come out.

A Japanese General told BENJAMINFULFORD.NET that the Rockefeller controlled Biden Horror Show will be over by Mon. 10 July 2023 with Trump re-instated as President and JFK Jr. as Vice President.

Please ignore any downvotes or negative comments made by paid trolls/closeminded/atheists. The Plandemic was a 'trial by fire'. Be thankful to The Almighty that you are still alive and hopefully still 'unjabbed' and just the way He created you by way of your parents and their parents all the way back to Adam and Eve.

And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

So this guy just left the country for a few years when confronted by Trump? I found it hard to believe he was able to stay in a foreign country for so long so easily. He didn't try and come home till 3 years into Biden's run is hard to believe as well.

Weird story for me with an unexciting whimper of an ending.

Long should be executed with a FEMA guillotine, while facing up to see the blade as it drops.

Thanks White Hat contingent ! The 9th of July is my birthday , 71 years young. Hearing that Brock Long will be executed near my birthday is the greatest present I have ever received. Without people like him using his Position and power to harm ordinary citizens, this type of criminal behavior could never have occurred. I pray that all the people whom actually herded those homeless into the barges are found and dealt with in the most efficient way possible. The evidence of what happened to those citizens must be eventually be released even if it is gruesome. We must show why we take out the trash. Humans must be treated with respect , and using them for Sexual exploitation , organ harvesting must stop . Everyone in that operation must pay dearly. Thanks Again White Hats ..... Carry On ..... Nick , NavyBlueSmoke , LST-1195

Maybe I'm misinterpreting that the panels job is to determine guilty or not [nothing else], and Crandall passes sentence.

Herein I'm interpreting that the panel selects execution method, could say, wearing two hats, acting as jury and prosecutor/judge.

Thank you Michael: alias Long lost a lot of sleep thinking, yet he was totally uncooperative to the end. I wonder who he was protecting ... the agency or someone or something in particular? I'd like to think the entire agency will shut down. There is no reason states cannot manage their own crises. After all, the extreme climates from state-to-state is different — the residents know better than anyone else when, where, and how to address vulnerabilities. Perhaps Americans need to consider voting on this matter to transfer careers from federal to state without federal oversight, and then, shut down federal agencies altogether. Didn't POTUS Trump say there are 2.5 million federal employees? Yeah, we need to vote and shut down federal agencies just as quickly as Military is executing the communist rats.

Monday, monday morning, la la, la la la. ( July 10th) Glad to see the crooked FEMA barges/body parts business is now coming to a close.

Lesson here is, never ride out the storm if the storm don't get you then this 4 letter agency will. Forget your material stuff just take your family and pets to a safe place.

@Just Me — I don't know of Texas, but I do of Florida. There aren't enough highways to get out of the way of the storms in time because the population exceeds the infrastructure. Americans are warned every year not to settle in Florida, yet the warnings are ignored. It's heartbreaking to see the devastation, and the loss of human and animal life that over populate that state. And worse, Governor DeSantis continues to invite people to relocate to Florida ... he's a criminal for such behavior. There are thousands of dogs collected that still haven't been placed with adoptive owners because the ratio of adoptive pet owners to homeless dogs is low. It's a troubling situation in Florida.

It was not just homeless people but people who lost their homes during this horrific storm. These wicked morons thought that their secret would never be divulge. Long is not the only one who should be held accountable, those corrupted agents needs to be brought to justice too. I hope Long gives up their names as well. Next!

Last edited 7 hours ago by Just Me

There must be personnel & pay records. Doubt he knows their names. They should be hunted & dispatched like the vermin they are.

Good, I'm glad he was found guilty because he is. Hang his treasonous ass! As I keep saying there is no shortage of traitors. Next!

GREAT NEWS!! I HOPE LONG HAS A SWINGING TIME ON JULY 10. 🐷

IT'S TO YOU, NOW, GOD!

MAY LONG ROAST IN HELL.. 🐷...LIKE THE PIG THAT HE IS.

THE ONLY TRUTH THAT COMES OUT OF HIS MOUTH IS:  
"OINK...OINK! OINK!" 🐷

The Long of it, was that he had all those years of freedom and what did those victims get? Total loss of life, liberty, family and possessions they could not rightly have. The short of it.....Speedy deliverance of his just punishment, I might add! Thank you for your three part timely message.

Justice comes when least expected. The deceit the Deep State actors have played upon “we the people” is horrendous. Only demons and devils perpetuate such actions against innocents to include children. 🎵 Another one bites the dust. 🎵

Where and what happened to the detained at gunpoint the victims on the barge, and the FEMA agents! Find them

@Jeffrey Rumsey — The evacuees are forced onto FEMA boats and never seen again — it’s been reported people were incinerated on the boats. FEMA targets the homeless, disabled, veterans, aged, indigent, and Christians.

He should have had his head chopped off. Perhaps JAG is not as barbaric as this waste of human skin. Bye Mr. Long. Get off our world.

Yes! Like Comey, the guillotine would be a fitting end to this sneaky, lying bastard.

IT WILL STRETCH A LITTLE,,,NOT ENOUGH TO KILL HIM BUT WITH A BASIC UNDERSTANDING OF PHYSICS,,,YOU WOULD ALREADY KNOW,,,

During Operation Paperclip from 1945 until 1959, a whole bunch of Nazis were brought to America as innocent people looking for a new way of life in America. Unfortunately, Operation Paperclip also re-established the Nazi Party in Washington DC, under a different name (Democrats), and we are still suffering the Nazi extermination mentality even today with the Covid death shots, and the Fake News Propaganda 24/7. Their mass crimes against humanity are still evident through their actions. The Nazis won WWII after it was over by gradually taking over the Federal Govt., but now we are kicking

their Swastika-loving asses and exposing them for the scum they are. Thank You, President Trump and all your Warriors for leading the way back to victory.

Jews took over our country with the creation of the Fed and Hollyweird, dude. Look up the kinds of books the Nat Socs burned... degenerate filth. Now we're dealing with the after-effects of fighting on the wrong side of WW2.

Not the Jews. The Khazarians. They are the ones that are mucking up our world They mucked up southern Russia, they mucked up France, they mucked up England, they mucked up Germany, they mucked up America, they mucked up Russia and now they are mucking up the Ukraine Many genuine Jews love God and love His Word, and they do not do the evil things these vipers do to us and the Jews. The Jewish people are getting the worst slap in the face from these Khazarian traitors who lie about being like them. They are not.

Sometimes, it is difficult to separate the good Jews from the bad since they are all claiming the same ID. Then throw in the cabal Jewish Defense League and you have a never ending propaganda sandwich of whining and law suits and false accusations to shut people up from saying the truth. The first truth is that the fake Jews are NOT Semites. That is a very dishonest claim that any of them are Semite related. They aren't. In fact, I am not an anti-Semite. I'm anti-Fake Jew.

The US Govt was sandwiched between evil on all sides during WWII. The American People, especially the military, received the worst part of it.. The US Govt was DRAGGED into another fake war by then-president Roosevelt, whose real last name was ROSENVELT. He changed his name to avoid scrutiny as a Jew... WWII was another cabal-created war to make money for the central banks. The Rothschilds and Rockefellers made money from BOTH SIDES by starting wars and then loaning money to both sides to

make big profits. We were played by the cabal, and we were still being played all these years until President Trump came along and put a stop to it. The Cabal NAZIs killed JFK, with their good buddy George HW Bush, who was a NAZI from Germany who snuck into the country under the Bush name and was the CIA chief in Dallas when JFK was killed. So it's not Russia OR Germany – it's BOTH plus the Cabal. who are the pigs responsible for the sorry state of affairs in America. Now after Russia purged themselves of the Bolshevik (fake Jew)-Communist swine running their government, they got back on the right track, which is why the NAZIs and the Fake Jews are trying to kill them even today.

@Mark David — Are you referring to President Truman who imported 1,200 of Hitler's rocket scientists post WWII? If so, a large number of Nazi SS were slipped into that round-up. George Bush Sr [birth SCHERFF] was a Nazi SS pilot to Hitler. Upon Bush-Scherff's arrival into America, Allen Dulles was made Director of the newly-created CIA agency. Bush-SCHERFF was employed, and was one of several men who assassinated President Kennedy. Allen Dulles also joined the Warren Commission to investigate President Kennedy's assassination, but Dulles didn't investigate Bush-Scherff who would become President of U.S., create fake wars to genocide Americans and other nation-state warriors, and commandeer poppy fields to create a heroin dynasty that destroyed millions of lives among nations, and trafficking children. Bush-Scherff's evil pedophile lifestyle with MALE wife Barbara and store-bought sons would emerge to bring continued horrors and deaths to Americans and other nations until POTUS Trump and Military executed that wicked pseudo "family."

By the way, the Democrat Party was founded in 1821 ... King George and Rothschild installed their cronies to take down the United States of America and that war is not yet over.

Last edited 5 hours ago by FireDog

I agree. The Nazis slipped in many scumbags, who eventually created unconstitutional agencies and policies against the American People.. Innocent Americans are still surrounded by these enemies, but not for much longer as the Trump-Military Team takes down and executes those involved.

“ whose ice cubes melted away as quickly as his freedom was” has to be my favorite line of all time. Thank you Michael, blessings 🙏❤️🇺🇸

I'm surprised to see so many Americans who actually hate this country and other Americans. This is not a few disgusting creatures; they're the helpers who do much of the background work of the deep state criminals. Whenever there's some anti-society, large-scale crime, from weather warriors to chemical explosions, food processing sabotage, and so much more, you just know it took a lot of “helpers” to get it done.

If you think about it from a different angle.. the bad guys were doing bad things under a disguise of doing the right thing. No wonder why the mass public thought America was not on the up and up.

Our mistake was trusting all the politicians were on the up and up.

Knock on the door: who's there, we are from the government and here to help you. Sounds familiar? Why of course. Blessings from The RESL Delavic

@American Living in Canada — If you had been born, reared, and retired in Washington, D.C., then you would NEVER have trusted ANY of the “installed” creatures that arrive in waves every Presidential election ... all communists ... Luciferian-Satanists — they're rotated like rolls of toilet paper with the contents thereof.

I Love a story that has a happy ending... can't wait to see these executions for ourselves!! Bring on the popcorn and beer..!!!!!!

You forgot to mention that COMEY was involved and he enjoyed beheading those folks..... the obammah 'yo mama, oslammah was the most evil President who ever lived and I pray he's had a painful end to his constant rage against American's..... it's sickening and EVERYONE NEEDS TO KNOW ABOUT ALL OF HIS ATROCITIES. He and killary are just pure evil.

Comey's "project" had two objectives, one was the testing of the guillotines and, the sale of body parts in 55 gallon drums for a measly \$77,000 per drum. Q says, these people are evil. Blessings 🙏🙏 from The REAL Delavic.

The END, can't get here fast enough. Contemplate a critical, and totally ignored REQUIREMENT, SERVICE. GOD makes \$4.30 per hour, approximately. I was making approximately \$7 per hour, before the 2020 election. For everyone "behind the scenes" and hiding behind the "veil" of COLLECTIVES 🙌. KARMA is very LONG, over due!!!

Sorry I lived in Houston during and people were afraid of fema. Plus we hated them. They did not help any one.

Fema didn't help anyone with the recent Hurricane Ian in southwest FL last fall. They did the same thing as Harvey. People got screwed by Biden and DeSantis. DeSantis is NOT a good man.

Main reason there are still homeowners and businesses who have not recovered from Harvey. We live 26 miles south of Houston and by the grace of God thru the intercession of The Blessed Virgin Mary who's statue is in our backyard, we were spared from the brunt of the flooding caused by Harvey. Blessings 🙏🙏 from The REAL Delavic.

Mary was not a virgin, far from it. Fairy tale bullshit!!!! The Joseph, has a fuchin clue!!

And with good reason. Never did we think the Director of the FBI was a killing agent of humanity. As nasty as J. Edgar Hoover was, that dirty homosexual racist and blackmailing scumbag, even he would never go that far.

So I guess the people that were taken to the barges were probably executed and presumed lost in the storm? This makes me sick to my core!!!

Well

If you have listened to the conspiracy theorists of past.....

Human beings are a FOOD source.

I wonder 🙄🙄

If

They are filling their freezers ??

Their planet will leave our solar system

So they got to be stocked up.

I posted a video link but Michael Baxtor deleted it.

Hopefully you dont end up on the cattle car.....

These satanic Globalists are heartless monsters. There were hurricane ravaged families living among the homeless, lost their homes, their jobs, everything. How many families were scooped up with the regular homeless victims, taken to the barges, exterminated by FEMA?

Sh!t.. I never knew the depths of how fucking low these scumbags are. No wonder why it had to be taken care of thru the Military. These pos would of been torn apart by the everyday people if confronted head on.. face to face.

The coming tribunals will reveal them. Meanwhile, please pray for Derrick, he needs peace after getting justice for his dad. His testimony nailed Comey hard, but he is still very traumatized are

witnessing his murder on that FEMA barge.

Derrick, if you are reading this, please know we are all fighting for you and for justice for your dad. President Trump, the White Hats and JAG are bringing these traitors to justice, Michael Baxter is writing these articles exposing what they've done to all of us, and to you, and your mom, and we as prayer warriors are petitioning for your protection and your success In Jesus Name. Don't ever give up. We've got your back.

Yes, and Derrick made a very narrow escape, or he would have been beheaded, too.

Maybe after being beheaded and thrown to the sharks. Which is exactly when we all should do to these traitors. Derricks dad may have been homeless and on the outs with his wife, but he was still an innocent human being. no human being deserves to be treated that way.

'President Trump gave the defendant a reasonable offer: deliver the responsible parties within a day or pay the price for their crimes himself ....

“Did the defendant hunt down the rogue agents?” Adm. Crandall continued. “No, he did not.”

These details seem familiar. Have they already been on here at RRN (or somewhere similar) a while back?

Thank you Michael for all the FEMA stories. I hope your own FEMA contribution is progressing, it certainly seems amongst the worst of Deep State stuff that we are so relieved is coming out into public consciousness.

Take care of yourself too, prayers all round.

Military justice seems to be the ONLY justice these days. Everything else is just lip service.

There are no wheels on the “Justice” vehicle. “Bill barr” “Rosann Barr”, 1 “thing” in common??? More than 1, besides both are actors.

Everything’s a “joke”. 1 SOUL decides, and HE, was told to FUCH OFF. Stating an observable FACT, in “2023”.

Thank you for keeping us informed on the retribution behind the scenes. It is one of very few sources I am able to access that restores my wavering faith that our military (white Hats) are very active and cracking some balls. It is morally imperative that the patriots out hear in no man’s land have our hearts lifted from time to time when we learn about these Deep Staters getting Deep 6’. Can’t thank you enough. Mike

Do You need a team of journalists to help you carry on your mission ? Does Trump and the so called white hat military need to release information also on any platform ?

Thank you Michael. I know you are working through physical health issues but your updates are greatly appreciated.

This so angers me !when is there going to be an EBS and the American people told what has been happening in this country? They are still believing the lies of the media and of biden. THIS IS ENOUGH!!!!

When??? After the Bio-Geological Event, that can not be stopped now??? Continents ripping apart, 90% or more, “Human” “loss”???? “Humanity” “modern mankind” (regardless of gender or RELIGIOUS “be lie fe”), has repetitiously destroyed Planet after Planet “farming” them!!! Resources, from elements to PEOPLE!!!! Why??? Feeding an illegal “war machine”!!! This WAR, is ILLEGAL, as is EVERY SINGLE CONFLICT, for the last 2,000+ years!!!! Milkyway, obviously doesn’t want to EXSIST!!! Very Well!!!!

A stupid machine is “running” “Humanity”!!!!!! Rocket ships need

“something” for booster rockets to push against, a medium. How do they work if SPACE, is a vacuum??? They wouldn't!!!! If SPACE, contains a retarded (un-taught) amount of hydrogen, oxygen, and other ELEMENTAL PARTICLES, it would be LIKE WATER!!!!  
Rockets would work, but would ignite the hydrogen and oxygen, not to mention suffocate the FLAMES. THINK!!! If “they” tell US, “oxygen” gets too thin, the higher Wi go, is it the TRUTH?? Or, do Wi run out of other ELEMENTS?? Say Nitrogen??? Atmospheric composition does change, but THINK, mirror image, and for the LOVE OF BIOLOGICAL LIFE, THINK!!!!

It infuriates me when they put the Paxlovid ad on tv for covid in Michigan.

Paxlovid is killing people & they believe the ads. BIG pharma ads every other commercial. On the dang weather station. Give us a break.

Hanged????? This piece of shit deserves the Comey Cut – a little off the top. These scum bags die way to fast. Should be skinned like Khashoggi.

Last edited 13 hours ago by kaddleman

So the boy was telling the truth when he said that they were killing people on the barges...that they killed his dad right in front of him, and let him go because if he told anyone they wouldn't believe him, they were right to some extent...I believe him, though. They should trick the traitor into giving more information, somehow.

This was already talked about in the Coney trail some time ago on this site, and that child you speak of gave testimony.

Have the guards give him a phone and tell him Obama wants to talk to him. Get a good impersonator on the other end. That could be a riot, but I don't suppose the Admiral would be amused.

MB already wrote about the "new" Renegade. It's Tim Russ, the actor. Learned how to talk, walk, and body language. Mr. Renegade Russ has prosthetic ears to match Obomba's

These actors deserve to hang too for deceiving the people. Why would anyone in their right mind want to play the part of any of these evil politicians? They are complicit in perpetuating the deception and evil.

A reform would be to make impersonating a public official a felony, and further, as you state, to make them guilty of any crime of the person they are impersonating.

Thank You Admiral Crandall. Questioning the defendant with the surety of a Perry Mason!  
Keep after 'em, White Hats.

Thank You Michael Baxter, You may not be 100% healthy but Your composition has not suffered in the least.
