Čtyři armádní důstojníci rozmístění v německém Vilsecku byli v úterý ráno zatčeni operátory Delta Force jako součást iniciativy White Hat s cílem identifikovat a uvěznit to, co generál Eric M. Smith nazval „Machiavellianská armáda“, kabala zvrácených důstojníků a vysokých Poddůstojníci, kteří odváděli vojáky sympatizující s Bidenem do osobních milicí věnovaných pádu prezidenta Donalda J. Trumpa a jeho příznivců.

Jak bylo oznámeno včera, White Hats zatkli majora americké armády a CSM, kteří přesvědčili 250 vojáků Fort Drum, aby se zúčastnili falešných válečných her zaměřených na násilné potlačení pro-Trumpovy řeči, pokud Biden v roce 2024 zvítězí nebo Trump bude nezákonně uvězněn. Major a CSM jsou v současné době ve vazbě White Hat, stejně jako 163 z 250 vojáků Fort Drum, mohou nyní hlásit Real Raw News. Probíhají výslechy, řekl RRN zdroj z kanceláře generála Smithe. Nechtěl říci, zda informace získané od vězňů inkriminovaly důstojníky Vilseck, které odmítl jmenovat.

Čtyři důstojníci – tři poručíci a kapitán – jsou připojeni k 2. jízdnímu pluku, aktivní strykerské pěchotě a kavalérii v Rose Barracks ve Vilsecku.

White Hats tvrdí, že důstojníci podmínili narukované muže, aby odsoudili Donalda Trumpa a prohlásili jeho příznivce za „nepřátele Spojených států“. Náš zdroj uvedl, že jeden poručík byl hlasitým aktivistou ANTIFA před tím, než začal v roce 2021 navštěvovat školu Officer Candidate School; jeho přijetí bylo částečně založeno na doporučujícím dopise napsaném Chuckem Schumerem.

Ačkoli neexistují žádné důkazy, které by naznačovaly, že by tito důstojníci, na rozdíl od majora Dunbara a CSM Mobarakzadeha, dohlíželi na nácvik střelby proti zesměšňovaným Trumpovým příznivcům, zastávali se neutuchající nepřátelství vůči všemu, co se týká Trumpa, a řekli podřízeným, že násilí vůči „trumpistům“ bylo ospravedlnitelné, protože Trump a jeho přívrženci se snažili podkopat americkou ústavu.

„Jediný dobrý Trumpista je mrtvý Trumpista,“ řekl údajně jeden poručík.

Na otázku, jak mohou vojáci v Německu zranit nebo zabít Trumpovy příznivce v USA, náš zdroj řekl, že mnoho vojáků ve Vilsecku podepsalo 3-4leté smlouvy v aktivní službě a pokud se znovu nepřihlásí, oddělí se od vojenské služby před prezidentskými volbami v roce 2024.

„Naše teorie je, že odpadlí důstojníci připravují tvárné vojáky, aby bojovali jménem Deep State, jakmile se stanou civilisty, a protože všechny vojenské smlouvy jsou technicky na 8 let, pokud Deep State vyhlásí stanné právo, mohli by být povoláni do služby jako záložníci.“ řekl náš zdroj.

Na otázku, jak může tolik lidí zradit svou přísahu, řekl: „Nedělejte tu chybu, že si nebudete myslet, že každý, kdo narukuje, tak činí z pocitu vlastenectví. Ozbrojené síly přitahují mladé muže ze všech

společenských vrstev, včetně dětí bez volebního práva, které nás po střední škole vidí jako jedinou možnost. Tyto děti se nepřidají s očekáváním, že budou bojovat; narukují v naději, že si vyčkají čas, stráví několik let podřadnými úkoly, ušetří peníze a vrátí se do civilu. Také, podívejte, milujeme své bratry v Greenu a jistě, měli jsme svá špatná jablka, ale armáda je nejsnadnější větev, do které se dostanete. Pokud umíte dělat kliky a kliky a střílet rovně, každý se může stát 11 Bravo.“

Military Occupational Skill (MOS) 11 Bravo je označení armády USA pro pěšáky.

S odvoláním na provozní bezpečnost neřekl přesně, jak nebo kde Delta zatkla zrádné důstojníky, pouze to, že generál Smith schválil plán poté, co mluvil s kolegy z Velitelství speciálních operací americké armády.

Na závěr náš zdroj řekl, že další podrobnosti poskytne co nejdříve.

HOPE that America will remain a REPUBLIC, that it will be ONLY the evildoers that seek to HARM the rest of us, that low-information voters would WAKE UP, and that America would remain a country of freedom and liberty for all who support our constitution!

You will need to learn how to apply Writ of Habeas Corpus to rid the nation or your state of civil servants who fail to uphold their oaths of office. An attorney is not needed. You will need to explain how the civil servant voided his oath, the statutes that apply and why the civil servant needs to be eliminated from his job. You will also need signatures of about 1000 state residents/citizens for a federal Habeas filing. This is not difficult to do. No one in DC is legitimately employed by us. Habeas Corpus also applies to state and local civil servants, too. I did it....the judge in my case is now unemployed. The founders gave us ammo and directions how to use it in the Federalist Papers. What state are you in....?....I can send you the correct form to use.

No, I take an interest in my birth rights....what are they, where to find them and how to apply them. Haven't you noticed that the legal industry is just a sales job? The monthly quota is earned just like any sales job except lawyers void their oaths to hold a license to practice law when they apply maritime law....as they do now. There is no applicable bar association or lawyer worth a grain of salt. All they want, and will go to great lengths to attain, is money. Even if you are

collecting damages you won't get more than 10% of it in the present real time conditions. Lawyers are not needed in today's court room. They are illegitimate.

That is excellent information, good job! Hopefully more people will do this, including myself.

Even down to our school boards, these positions are entirely unsupported by the Constitution. They have been DS strongholds, with their people placed therein. A good Mayor can call for their resignation, or for them to be arrested & tried for Corrupting the Morals of Minors, Providing Pornography to Underage Minors, & other such existing statutes. Run for Mayor. Talk to the local Mayor. Tell them their neck is on the line too. There is much that We The People can do right now to help our cause.

Is there somewhere I can follow you are you on Truth social by chance? Or youtube? Rumble? You sound extremely informed and I would love to get to know more about what you know.

If you happen to be on Truth social could you send me a follow and a message letting me know? I don't want to miss your message back

I too, am impressed with all these healthy and informative conversations going on here.....wow, this is so much better than some who come here to ya'ya' about nothing worth a flip.....I pray we each can use this time and space to better our lives with whatever time we each have left here.....blessings on each of you who care about our nation and others.....

I'd like to know more. Is there a source you can refer me to?

Remain a republic we haven't been a republic in 200 years where have you been doing hard time freeze dried

Our nation needs a “pick me up” in terms of our American experiences. The crooks have been on our shores since the landing of the Mayflower...including the Bushies. Everyone should listen to GH Bush’s speech on September 11, 1991.

Why would I want to listen to anything that treasonous trader had to say put me through some more misery and I don’t think so

I thought you would enjoy a refresher course as to when and how things began to get really, really bad. Exactly 10 years of that surprisingly demonic speech, the World Trade Center was bombed. I would hope Americans would put two and two together so that we all can see behind the veil. Our troubles didn’t begin suddenly, eh? Sorry to bother you, though.

George Bush Sr. New World Order Live Speech Sept 11 1991 excellent reminder. It’s hard to believe back then we didn’t have any idea this agenda was in the works. 🙏❤️🇺🇸

When I heard his speech that day I immediately started talking about it to everyone I knew. All but my spouse thought I was being ridiculous and speculative. I knew at that moment they were gaining steam on the NWO. Now they know and now they listen to me.

I remember that speech. He said with a smirk, “And we will have it.”

And remember that the World Trade Center was 1st bombed in February of 1993. It was in the north tower when a van bomb exploded only killing 6 people and injuring thousands. Ahh, yes, the FBI had their dang hands on this one, too. There was a power outage at the time causing more problems with people trapped in the elevators, news stations out, etc. Oh yes, Daddy Bush Sr. had his

fingers in a lot of pie holes and watching the video of his new world order speech can still turn your stomach. So glad he is dead so we can be safe. Cannot wait till they capture more of these dogs.

And of course this very sick scumbag was a Nazi & changed his last name to Bush, but he was positively incriminated in the assassination of JFK JR too since JFK said he would destroy the CIA into 1,000 pieces & immediately after that speech JFK was assassinated.

If you look back on Operation Paperclip, just after WWII a bunch of Nazis scattered all over the world and infiltrated themselves into governments, universities, the medical field and pharmaceutical field and big corporations. George H.W. Bush (real name Sherf), was a former SS Officer in the Third Reich. After he was installed as CIA Director, he was later installed as President. Klaus Schwab, of course, was another high ranking Nazi.

that's old news dude I know all about Bush and rumsfeld freaking blowing up the freaking twin towers I know all about it dude and it took this long to fucking get them come on meanwhile let's let colvin 19 wipe out another couple hundred thousand people and then the next pandemic will come into play and wipe out another couple million people but oh we got to wake up the masses we can't just run in there and make mass arrest with all this evidence we have to wake up the sleeping Dead first

Last edited 1 day ago by Mike Huntsucker

The Bush family are ALL NAZIs, when they were alive. Curious George was Jr, the scurrying little coke weasel

Another jackass who can't tell a "trader" from a "traitor".

Go read a book. Come back when you're fit to talk to adults.

I don't agree with the way he is writing, but many bad spellers are dyslexic. Some can learn to spell better but many cannot without a miracle. Those kinds of comments are unfair and rude.

Personally, I don't care about misspelled words or grammatical errors. Sometimes we type so fast and we feel so passionate that we hit send quickly. I have no idea why it irks people because we have all been auto-corrected or our fingers just slip. It isn't important at all.

I am an expert speller and grammarian and will never correct anyone publicly. I may respond using correct language. We are all adults here. Let's not argue with each other.

Nah, he's not dyslexic. He just wanted to make a quick, one sentence statement...kinda like when you're just gonna have one glass of wine. 🍷 lol

Dyslexia is not a affliction, but a gift. Our ruling Rockefeller masters see it as a threat to their empire, though. ADD and ADHD are also gifts and these folks have some rather dandy perks that go with programmings. The DS loves to use fear porn to scare the little people. These so called "afflictions" that people possess have higher IQ's, too.

Three words (NWO) in GHWB speech that most people missed back then and should've alarmed every American. Learn from past history so present history isn't repeated.

I remember everyone hating on him about his new world order. I don't know how he got elected after he said that stuff after he went to his first Bilderberg meeting in the early eighties. Looking at the timing of it I would imagine they made him Reagan's handler. They defeated Reagan in the end. That's when he started showing symptoms of Alzheimer's disease.

The reason he got re-elected was that many don't do their homework to learn how to vote or for whom. They go to the polls and vote for the names they recognize. It's sad.

Funny, they use to blab out there plans out in the open.

How the tables have turned.

Rule number one anime villain mistake: never reveal your plans.

It was 1871 that we lost the Republic to taking a loan from the city of London. We became a captured country. A bad business move.

If you notice, most all of dc call it a democracy. Right and left and that needs to end. All part of the indoctrination into the NWO.

Unless Almighty God has plans for a last minute revival, it is obvious from the signs that Jesus Christ gave in Matthew 24 and elsewhere that the U.S. is slowly going back into slavery and bondage because of its mountain of sins. Wake up Linda! God does NOT bless a sinful nation!

WE are not sinful in regards to our nation. Our government and the demonic people in it are sinful towards our nation. Why do you think God would punish US when it's THEM? I don't believe God lumps us into the cesspool of those satanic misfits who are trying to destroy the world. God has bless me more times than I can count

Yes that is true. He has blessed me in many ways possible as well. That does not mean riches either. I too am a sinner and yet he has blessed me in my life's travels in many ways more than riches. It is "Them". The end times are for THEM. "They" messed with the bible, as they say "ALL roads Lead to Rome," Roman Universalism/Catholicism "Jesuits", they are on planes leading to gitmo 1.0 – 2.0 – 3.0. Vengeance is mine sayeth the Lord of Hosts. If you care to do research on the deception there is a great resource to check out named Israel Anderson at [andersondiscoveries.com](http://andersondiscoveries.com). check out his work

Yes, the demonic people in our government are sinful toward our nation, I believe that as well.

The hope that evil men who've caused so much misery & death will be pursued & brought to justice, with firm determination & a good conscience. Yahweh Elohim & the Lord Jesus will continue to guide & grant success to DJT and the good military..in the war against the evil cabal. NCSWIC 🌍 WWG1WGA 🌅

I have NO idea why you are even here! On this site, & living in the USA! Unless, of course....you live in the sand. Get your head out of it. Or, go away.

We're am I supposed to go....facebook suspended my account  
Twitter suspended my account all for sharing Hunter Biden laptop pics.....so you so called Patriots are stuck with me

I know of many Ukrainians that moved here for hopium. Although they are still in the dark, they are not that dumb. They at the time, loved trump and voted for him. They don't see that politics in general are the same all over the world. Its the evil in power in charge whilst the good, are trashed. Someday soon. everyone will see that we are all the same, it has been evil all along, we just couldn't see it until NOW

O right away.... I would move to Russia first...at least Putin doesn't dick his people around he does what he says he's going to do.....  
Ever since the white eye landed on this continent they've been lying murdering and raping since 1492 my boy this is my fucking country

Last edited 1 day ago by Mike Huntsucker

All nations and people of all color of skin and EYES are complicit in lying, murdering and raping since the beginning of time. The good people of all these nations are not doing these abominable things to our fellow human beings. You cannot condemn an entire nation of people. That is beyond ridiculous. And BTW, the native people that

were here before us were not peace loving tribes. The leaders of the tribes were murdering, lying and raping just like the leaders of governments that thrive on war and power. It's always about power with disregard to peace loving citizens.

I have read the Bible a few times and I remember the entire nation of Israel (except for the stupid and needy) was carted off to Babylon. Remember that story? Why do you think that He loves us more than He loves Israel? Also remember that those He loves He chastises. But, if the people were deceived by their governors that they were honest, upright God fearing men and women then the Lord, if they repent and call upon the Lord (which we have done) He will hear from Heaven and heal our land. So, I would not get too complacent about whether God would or would not turn us all over to our own evils. He has done it before to both the righteous (Daniel, Shadrach, Meshach and Abednego) and the unrighteous alike.

And what is the old white eye do to the native Americans which I am a part of they raped murdered stole their land lied to them backed out of every treaty they've ever signed so save your bullshit for someone else dude how many native American women and children were discovered murdered in Canada just recently do your homework pally

Have you noticed Tucker speaking freely? Robert Kennedy? Ice Cube? And more. If we were not winning in the background they would be silenced. Not saying all demons are eradicated, just not in control of everything as they once were or thought they were.

Probably you are thinking now they got Trump and is going to get arrested you and millions of people like you will never see that day NEVVVER

The Hope that you or your Deep State Rat Comrades are totally defeated & destroyed!

Can you please ask your sources where we stand in this battle are we winning are we ever going to get this thing over with where the hell are we right now on this battlefield????? Thank you

This battle is already won, but not over. I have heard it will take one more year to finish it off, to clean out all of the deep state. Keep faith and prayers.

You have to remember this started getting dealt with since 2016 that's why they are saying maybe one more year. Also you can go to Restored Republic GCR ie Military news. They have daily information and re-enterate news from Real Raw News

This "plan" began right after JFK was murdered. President Trump was chosen to implement the plan to expose the deep state and to continue to make them expose themselves at this point. It is a BRILLIANT plan and they have succeeded so far. The deep state no longer is hidden from us. Everything hidden is being shown to us and we would not have been awakened to their NWO dream of depopulation and enslavement without President Trump.

I have a real problem with the phrase "depopulation" because to depopulate, you have to MURDER people. I hope the brainwashed folks who have been indoctrinated wake up to that reality.

The mutilation of our children makes them sterile for the most part. All a depop effort. People don't see that.

Imao... yeah earth 2023 currently feels like much winning is happening for certain. You must have takens trumps beautiful vaccine.

But that is exactly what is happening with the clotshots, people are getting murdered en masse. This is pure genocide of every stripe, race, creed language and hue.

Sue is right...you ,not only...but only...must get the very few at the top and a few further down the chain and the rest will fall...hard!

It won't be "over" on Election Day, 2024, either. But with a LEGITIMATE president elected & later, formally "in charge," it'll move, I believe, with remarkable speed & efficiency. However, Installation / 'transfer of power' normally happens Jan.20. November Vote to Jan. 20 Install/Tfr is a VERY long time, indeed. High time to be "Well Regulated," folks.

When the Apostle Paul prayed for God to remove something in his life that he felt was too difficult for him, God told him in scripture that God's GRACE was sufficient for him. God's GRACE will be sufficient for the rest of us, too! Keep the faith and continue praying.

Sufficient to heal him. Paul was healed once he learned that God's grace was sufficient to heal Paul. Healing for believers is a right not a privilege. It's not a right that God restricts only to certain people.

It's a right that satan fools people into believing is something less than a right. What do people think "righteousness" is if it's not about rights? Jesus didn't die to gain salvation for a few. He died to make salvation an available right to everyone.

The only qualification to receive Jesus as healer is to accept him as the healer that healed you on the cross with his stripes. That's how Paul had to claim his right also. God was not doing him special favors – God require Paul to be healed the same way all of his followers got their healing. By faith in God's grace to do what God promised. Not getting healed like he expected God sought a solution & God corrected his thinking so that he could receive healing. The religious lie that God withholds healing flies straight into the stripes of Jesus & curses them in the hearts of believers who believe that.

If someone doesn't consider God's promises as conferring rights they they have no idea what a promise is. If I make you a promise I have no right to revoke it without your permission. In other words a promise confers a right – so powerful that you can successfully sue

someone for breaking promises that cause loss. Grace is God's power to do whatever needs to be done to redeem the situation. Yet flaky theologians keep preaching this stuff to justify their lack of understanding.

Reading the scripture about Paul and his thorn does not really reveal that this was a sickness. It says that it was a thorn in his flesh given and by a messenger of Satan so this may have been a matter more of taking authority over demonic attacks by Satan and a demonic being—The question to ask is how many people take authority over demons and demonic attacks in the Name and Blood of Jesus !!! As Paul once said I can't give them meat because all they want is milk

---

This is exactly correct. The thorn in the flesh was persecution. We'll be dealing with persecution until Jesus comes back.

obviously I got some negatives below and with no explanations—I read the scripture and maybe someone can tell me where does it say Paul got healed from a sickness—I am not disputing our authority but it does say a MESSENGER from SATAN—not an illness—now may have been trying to make him sick but does not say—

To Surf Nazare: I've noticed someone or something is putting negative numbers on really good comments and patriotic comments. I hope Michael Baxter can fix this somehow.

Btw, have you watched Last Days on y.t. (with Brandon) he has prophetic dreams about the end times. He's for real not fake.

God bless you!

Amazing how we forget something so important yet so simple to remember... and forget! Thanks for the reminder! Shouldn't need it, but I did!!!

Yes we can! It is hard to stay focused in every day life, but in the end, real people, good people, will thrive because we want our children to thrive. God be with you and grant you peace.

Yeah tell me about it I've already lost four close people in the last 2 years and it was probably cuz of the fucking Jab but oh we got to wake up the masses we can't call in EBS and the military just yet we got to wake up the sleeping dead.... fucking joke!

Sometimes it is LONGER and HARDER to get clear to the root of the problem. These people (Deep State) and our enemies have infested our government at all levels. They have to be identified and removed. It doesn't do any good LONG TERM to just put a band aid over it.

They've had years to infest our government, people can't expect things to be taken care of overnight, we've got to get this right the first time around. We've only got one chance.

They have written the Civil Service code so that the only one that is able to remove that unflushable turd is "The Grim Reaper"!

There is a LOT going on in the background which will help us moving forward. The next move can't be broadcast to us because you know who is reading all this as well.

White Hats have the EBS. Blame them. They could be doing something but instead, this war will go on fooooooorever

The military IS IN CHARGE NOW. You can keep whining if it pleases you. Sorry the schedule isn't to your liking. Borrow a towel.

Screaming obscenities and doing nothing is not going to help anything. It's nice to sit back on your rear-end and criticize those who are risking their lives when you don't have to. You have no idea what they are up against. They are working all the time to make our country a safe place to live again...are you?

If I were I'd be arrested one man can't do shit but if we all stand up start questioning things start demanding some action we might get something done otherwise we end up in fucking prison like the people from January 6th so you might need to shut your hole lady you're sitting on your fat ass

You don't know what you don't know, because our side has had to work covertly. Many are volunteers and are paying their own way; so they deserve our gratitude, not criticism.

I'm not criticizing them I'm saying give the orders they've got all the information they're basically just milking us along for what reason I have no fucking clue they got all the evidence they need dude they like jerking off the American people because they can

True, they have all the evidence on the fraudster JB administration and have disappeared many. As for all their skills all over the world . . . those involved in child trafficking, bio-weapon labs, profiteers, warmongers, et al, they are scattered but being arrested, but not overtly.

And don't forget Joe Biden the traitor of traitors have FEMA the license to kill — including purchasing automatic firearms from China. Then he has the nerve to tell We the People we don't need the 2A and that the 2A is shit.... then he can order his regime to go after us and kill us.

“I have no f\*\*\* clue.” So let the experts who do have a clue make their decisions....

I do agree that all of us need to stand up to corruption peacefully. Failure to do that got us here.

And we were lied to. Spun to sound good, like the patriot act. But took away some of our rights.

Some of our white hats are now giving bits of information about their ordeals and indicate more information is to come.

I know your frustration, I have days like that, but we've only got one chance to do this right.

The military IS IN CHARGE NOW. You can keep whining if it pleases you, Mr. "white eye", but you can't change the FACTS. Sorry the schedule isn't to your liking. Borrow a towel.

And if there were not popular support, the deep state would persuade the sleepers to go after Trump and destroy him. Then there would be no rescue. I am very sorry about your losses.

We've all lost loved ones for one reason or another. I don't presume to know the details or timing of any of this. But I do know that we aren't privy to all the information behind the plan. You don't know any more than any of the rest of us. When the time is right, they will handle what comes next. Instead of anger, I prefer to thank God for this world He gave us, my family and waking up each day with a clean slate to make it the best I can. I know God's timing is always perfect and leave it up to Him to take care of

My comment posted before I finished my sentence. I leave the timing of the operation up to God because He knows best. God is directing our White Hats and Donald Trump and that's a fact.

very comforting words but that doesn't do Jack diddly for the people losing their homes losing their jobs freaking dying in hospitals that are killing them this shit show needs to be over today

Everyone who is HERE now was INTENDED to be here now! Perhaps those of us who live Godly lives will be the remnant that restores the Republic. Keep the faith and continue praying.

Confucius say man can never have too much ammo unless on fire or swimming...

..I haven't had much luck in praying...but I continue do do so

Anybody can pray, but not everybody can pray and fight back and help clean up the mess. That's what we all were doing during Trump's first term before Covid and the shots geocide and the stolen election took place. It's takes a lot more than prayer, it takes action. God doesn't like passivity He likes activity. Sitting around does nothing. We need to put action behind our words and our prayers by going after the corrupt leaders and taking action against them legally, with petitions and resistance against the NWO's lackeys and LGBTQI+'s servants. trump can't do it alone and even the White Hats and JAG can't do it all alone. I pray but I act, too. How many of us are putting our intentions and actions behind our prayers?

You haven't had the balls to use any you've had before, so don't act like it's a big decision.

You haven't a clue the size of my fucking balls dude step up to the plate I'll show you a big old set of nuts there dicky

The guy in Fargo recently figured about 1,800 rounds were enough to clear out a street festival. Use that as a baseline.

May it not come to that, yet thank you for being ready & prepared just in case it does.

I hope it never comes to that as well ..may God have mercy for I won't

There's going to be millions of innocent people who are going to end up as collateral damage in between.

Thanks Steve for a post to give us more hope. It gets confusing to me what's been done and and what still needs to be done. Pray we get this over as soon as possible. We are getting tired and weary, but Keeping faith and prayers 🙏❤️🇺🇸

Please also ask how much longer? I know no dates but a general idea would be so helpful. God bless you Michael and your source. May God look over all of the White hats and keep them safe. 🙏🙏

Yes Amen to that I pray everyone stays safe but the longer they drag this crap out the more people are going to die I just don't understand why they keep milking the bull.. the American people deserve some clarity all this misinformation that's out there all these dates that have been said Trump will be back on this day JFK Jr will announce his and being alive on that date all it is doing is removing any trust that was there once you take that trust away from me you never get it back. Enough stroking the bull...

Apparently, the people who received the MRNA jabs have serious mental problems now. It destroys by clotting the small vessels in the frontal brain that controls personality. If you have a friend or family who no longer is a part of your life, that's the reason. The rest of the people just die from the jab.

Yeah, I read yesterday that the shots were the equivalent of a frontal lobotomy, & that sounds about right. The loss of twenty points in IQ is pretty dramatic, & evident in the 'vaxxed.' Please drive carefully, because they aren't all there, & could go at any moment.

Someone bought a bicycle trailer delivered to the post office, and drove off without it leaving it in the handicapped spot, and their sunglasses were left on top of the box were the tell tale sign it was a forgotten not an abandoned pkg. As it appeared, they never came back. I watched it for a while. The package had already been there for some time.

I can only suspect why people are showing signs of dysfunction. The heat is bad, is always known to cause lack of ability to think fast, though when it was cooler I still got mail in my po box that wasn't

mine so many times and some pieces were critical. Other people's financial cards or statements. That NEVER used to happen before.

I know several dozen vaccinated I watch closely. Signs of serious zinc deficiency are common, they can't taste or smell and if they get a scratch or insect bite it don't heal for months. That in itself is obvious but, running out of zinc is well known to slow the brain down to a crawl.

I see profuse bleeding out of old wisdom tooth surgery or the top of the head on one from a very old injury. Stumbling on stairs barely making it up, from ladies 30 and 40 yrs old.

The doctor's favorite antidote I see is blood transfusions. They don't say to people what's really going on but some do clear out the clog of mRNA and graphene oxide by blood transfusions and they make a lot more money that way.

That's why they are waiting for the jabs to start killing.

Then the briccs come into play. Nwo succeeds into everything Chinese.

Well then, some one sounds like – need a great big ole “CHILL PILL”.

The White Hats & Military are doing a great job – stay safe WARRIORS !!!

In simple terms: the white hats are fighting psychopathic communists worldwide, and many have died for our cause. Try to see the whole picture.

The deep state goes ... deep ... far deeper than almost all of us, White Hats too, grasped initially. And each advance in victory also uncovers more layers of corruption. The Deep State has been in the making for thousands of years, even though only now is it coming to evil fruition (fulfilling prophecies etc).

And what made it go in recent decades so bad so deep and so fast has been input from the dark ET powers that aligned with the Hitler regime but are even earlier. Those have, in my understanding, now been stopped off-planet, but on-planet we have to clean up our own stuff, the ET's cannot interfere with what we can do ourselves that is not a wider threat in the universe.

Read Dark Fleet by Len Kasten – please!

As to keeping dates, check very carefully just who claimed ANY dates, and which claims may have double meanings, and are dates put out to mislead the enemy.

Please watch Last Days Brandon on y.t. it's prophetic dreams he's had... some scary stuff.

He even seen the "other groups" infiltrating US, as in eye sus talebaan xxkydaa...

When God stops REVEALING or the evildoers are all REMOVED, THEN this will be OVER!

Mostly, I think people want two things: A little financial security right now, before they lose their homes, & the hope that their beloved family members who took the stupid shots might be healed somehow with the suppressed technologies. The rest of going after the bad guys... hell, we're in for as long as it fecken takes.

I'm all for going after the bad guys. And yes, people need money to survive, and their families have been sickened, crippled, sterilized and even killed by these bloody shots. If things like that don't make people angry, they are not human beings.

What is it about & which channel? I tried to find it & only saw Last Days Brandon Lee.

I read astronomy, so I can confirm that through the energies directing our course (God's intentions, if you will), our nation is subdividing, obviously. Look for 2025 to be the year we leave the past behind. Currently, Earth is busy cleaning up the surface of all DNA that won't be moving into the future. Modern day humans don't understand that an extinction event always brings those being eliminated to the surface in a state of chaos. Look around, it is easy to see all the ancient nations that are being brought to their knees. I believe the invaders are here to get the job at a commission of \$46,000 per 20 deaths for the health "professionals" involved. Depopulation is natural. Investing in death is not.

Yes, it is. DNA has a "use by" date attached to it...just like a carton of milk. All breeds of life forms on Earth eventually fade away for a reason. Humans are not special. You might want to ask why and how did the ancients disappeared. The ages of man throughout time display the art of evolution...for example the age of motion took us to the age of energy and now we just entered the age of technology. If man did not evolve, which is an intellectual and physical event, you'd still be a caveman. The sciences are fun to study if you grasp the purpose of the knowledge.

you do realize why the ancients died right?

atlantis was punished by zeus for corruption.

science is fun? i guess that's debatable. depending what area of science your talking about.

science has many areas. many areas of forbidden knowledge to.

that's what happen to atlantis, they went too far. got punished for doing so. 7 days and 7 nights.

they were survivors and survived.

china maybe falling next.

I've heard from several different military websites Sept. 11 is when it's all suppose to start happening. Don't know how accurate that is, but it's coming very soon.

Predicting the future? Isn't that a first for military websites to be predicting the future? Which ones say that?

Or, until y'all are gone.

Or restored to your right minds.

Whichever comes first.

There is a LOT to do here to set things right. Just as Rome wasn't built in a day, America will NOT be restored in one day. God has his OWN methods and timing. I just know that since we are covenanted with God by the founding fathers, He will deliver America from all who would seek to undermine or harm her. God could do all this in ONE day if that was His intention, but I think He has offered ALL the evildoers a chance to repent and change course before bringing judgment. Keep the faith and continue praying.

As will smith in independence day movie use to say:

It's not over till that fat lady says it's over.

I Agree. Please watch Last Days Brandon y.t. he has dreams & close relationship with Jesus. He sees these evil groups infiltrating the US... eye.sus. I.ki.daa. talle.ban... along with the big countries.

Thank you Michael for your reporting. God bless you & I pray for your safety as well, in Jesus' name

You're asking too much information it's not possible the end of this war is maximum end of 2024 but I am pretty sure it's sooner than that

Oh yes.....it appears he has banned Rusty/Jim again and I haven't seen the vulgar mouthed BIG ED on the last 2 articles I don't think. Hank and Oliver are just a matter of time.

I do give one word comments sometimes. I guess I best abandon that practice. It's merely my knee-jerk reaction to a lot of life. I can't always express thoughtful wording when I am triggered. Sometimes being wordy is insincere. JMO.

Michael – do you have any information on the former National Archivist, David Ferriero? Was he arrested? I have always been suspicious of him. I went to a talk of his. I can't remember if it was a half an hour long or hour long. Anyway, his whole speech was about bashing Trump. It was weird and unprofessional.

It would be FINE if they were talking trash about someone (FREE SPEECH) if what they were saying was TRUE! The problem is that with Trump most of it against him is NOT true.

Your work is legendary, MB! I applaud it, and will keep you in my prayers, sir! \$\$\$ will be sent next week!

Later,

Bob —

Thanks Michael for all your hard work here at RRN! I wonder if a script or an AI program can help you with maintaining this site so you don't have to do all this work by hand one at a time? Hope you are doing well & I'm so glad the white hats are making progress chipping away at the DS goons!

Can you approve my great uncle's account? He said he's banned and is using the name Rusty.

Comments are really hard to follow up on, find again, and see who replied. IDK what can be done about it but it's hard to believe there's so many that comment when they seem to get wrote far more than read.

Well all the comments are pinned to the top. No sense trying to find any more comments or read any. They are 240 comments down and burried. No comment. I will wait for more news.

I never voted until Trump because he said he would bring the jobs and 20 % millions of Americans never got off the birth certificate system because Trump put a spell on AMERICA

SAVE THE KIDS

THANKS WHITE HATS

LISA CORDARO AND FAMILY AND AMERICA

People, just saw Mayorkas testifying in Congress, in DC....

What up about holding him "accountable for all the Illegal Trafficking of men, woman and children, through his Opened Border Policy????  
GOD BLESS AND PROTECT AMERICA.

Outside of saving the kids in 2016 Trump put a spell on AMERICA only and repeated it 3 times and made AMERICA addicted to their phones And Trump said What paperwork has to be in What date is it What are you thankful for Canada said 20% millions of Americans didn't get off the birth certificate system and this is very important between the spell and unfortunate my family thinks it is a posey scheme so MY family and AMERICA need a little help

Our legal President Donald John Trump has told us, "We are NOT doomed." He is under God's protection and it is our responsibility as We the People, to continually pray for him, the United States, each other, and all people.

No matter what the wicked people try to do to destroy America, ultimately God's will is going to be done. We must fight and resist the enemy in every way, as they are very desperate now and are doing their last ditch effort to take over the whole world. Of course, they are failing and their whole system is collapsing.

Don't give up now, fellow Americans! We are approaching the finish line. We WILL HAVE the VICTORY!

Intriguing Michael.... U.S. Military and POTUS Trump moved Gina Haspel, former Deputy Director of CIA, under bright lights with cameras and microphones to bring America's attention upon her newly-appointed assignment from ENGLAND TO GERMANY. Gina Haspel was reportedly shot / injured by U.S. Military while attempting to escape from a U.S. Military base in GERMANY with a server having received transmissions of the 2020 election votes.

ALL EYES: There is always a CAUSE and EFFECT "corollary" of GERMANS [Jew? Catholic? Muslim? Baal?] invading ENGLISH PROTESTANTS' lands, culture, and social norms (family, government, economy, education, religion) to destroy ENGLISH PROTESTANTS' morals and ethics that made/make ENGLISH and AMERICAN PROTESTANTS' societies civilized.

Today, ENGLAND and AMERICA are stocked full of recognizable MONGREL HUMANS unleashed from hell into cities, suburbs, ranches, and farmlands bent on performing "ungodly, unworthy intentions."

ENGLAND AND AMERICAN PROTESTANT CHRISTIANS have but one solution remaining to reverse the scourge upon their lands:

PRAY EVERY DAY IN UNITY TO FATHER GOD, AS HE COMMANDS,

ASK FATHER FOR FORGIVENESS OF DISOBEDIENCES TO HIM, AS HE COMMANDS,

ASK FATHER TO COMPEL ALL ALIENS OUT OF ENGLAND AND AMERICA, SIMULTANEOUSLY,

ASK ALL THINGS TO BE DONE IN THE NAME OF JESUS, AS HE COMMANDS.

Do all things as FATHER COMMANDS, and FIGHT BACK HARDER, as HE COMMANDS.

OFFER BLESSINGS AND THANKSGIVINGS OFTEN TO FATHER JESUS.

Another side not:

Trump's election indictment....

How do you show the world that Trump was correct.

How do you present evidence legally???

How do you overturn a rigged election???

I give you President Trump – Master chess player

Checkmate DS – bye bye DS

Do you believe the Deep State are only drumming up anti-Trump rhetoric in Germany? I don't know how much longer we have to wait, before the EPS, all I know is the world is crumbling around us. Let's hope they don't wait too long. It might end up being too little too late. Many of my friends are asking me why I believe that the tables will be turned. They think nothing will ever happen, it's all a bluff.

AMG-news reports the EBS alert will not occur as planned because Rothschild et. al., were cornered on the chessboard; therefore, Ba'al worshipers do not possess a chance at "checkmate" for the first time in centuries. The outcome of losing is Ba'al worshippers' eradication on Earth as we knew would occur because Father God Jesus Creator of Life always wins.

An easily verifiable fact: The 1983 Grace Commission Report to President Reagan states the NONE of the money collected by the IRS ever went to the Government. Here's how it works. Also, any paper money printed by the Bureau of Printing and Engraving. The Fed, electronically, exchanges the IRS cash for US Treasury Notes which are interest bearing, hence more national debt. It ALL goes to the Rothschilds.

Yea sir. Read *The Creature From Jekyll Island*, and *The Tyranny of The Federal Reserve* and you will completely understand the origins and intent of the Fed Reserve. They just bought off politicians to control the money supply and the politicians were able to spend will above budgetary constraints with printed money. It's the biggest Ponzi scheme in the history of finance besides other Fed Reserve Banks set up by the Rothschild family! It literally should be burned to the ground. Btw... this is the 4th US federal res bank... the previous 3 were failures as well for Americans, but a huge success for the bankers!

The closer we get to President Trump returning to office, the more frequently the black hats and swamp creatures will be arrested and dealt with.

Hooray for our side!!

seems Canada falsely passed a law of paying Iranians families tax and such, im like???

why do Iranians feel threatened by our the west existence?

Muslims invading all WHITE PROTESTANT NATIONS are not "threatened." Rather, Muslims are exacting Islam's political communist squatting colonizing thievery instructions by Satan's "user manual" called the Quran. Jews, Catholics, and Muslims are intrinsically worshipers of Satan (Baal) by "religiosity of rituals."

Firedog—you are officially cancelled!! How dare you say that Catholics worship satan—that is an absolute falsehood!! Shame, shame, SHAME on you!!!!

Castrate them all, replace with free skinflap manginas  
Waterboard them all, until they cry and scream for the Dark Lord Obama to enter the room, but The Dark Lord Obama doesn't bother to show up...

The sewage-waterboarding continues ,

ALL of these soldiers having registered allegiance to Biden need to be tried in military court for treason!!!! not just in Germany but also in New York!!!!

A sigh of relief has just left my worrisome heart. Thank you for letting us know. This is wonderful news... 

actually, both of these traitors have already hung at Gitmo and have been replaced with impostors or clones!!!!!!

@Oliver ... sigh. You must sequence your thinking by patterns to reach a plausible answer. Try again.

Faith runs eternally. Faith that the light will conquer the darkness in this Republic Demonic Entities who prey on God's Children. Medical Freedom , Religious Freedom, 1st and 2nd Amendment. God Bless All White hats and our COMMANDER IN CHEIF 45

Disenfranchised is right...

The malignant narcissistic elitist jacka\$\$ cult do all they can to break down the family dynamics...

No father.

Mother on welfare.

Intercity youth competing to kill each other.

Sick twisted LGBTQ+++ HORSE\$HIT etc. Decomposing comprehension/ self awareness perpetually spreading mental illness...

Driving our youth mad with instability stealing their God given cognition of individual talents.

Their immaturity applauded/ encouraged by increasingly depraved peers.

The military fails to envelope what the Godly designed family unit was initiated to innately instill.

Extremely well said...right to the point and you were classy about it! A breath of fresh air, rather a breath of fresh literature/writing.

Thank you!  
God bless you!

Have you watched Last Days Brandon on y.t.?

@Dave — EXCELLENT! You've sequenced the patterns of the evil ones who tear apart a nation's hierarchy of "social norms" that Father Jesus founded for "civilized societies" ... FAMILY, GOVERNMENT, ECONOMY, EDUCATION, RELIGION. If one social norm is ripped apart, one or more social norms are negatively affected. When all social norms are ripped apart, no social norms stand.

the china show has floods everywhere.

gaia revenge against china, lol.

I have said it from the beginning the white hats DO NOT CONTROL THE MILITARY, only small bands of special forces and some Marines! Until all this is made truly public and believable, this goes at a snails pace, if at all, as as the troops will follow orders regardless of legality with respect to the constitution! Control the media and military, you control the whole show! They obviously do not!

Bob, You are SOOOOO wrong on this!!!! it is the other way around!!!! be careful what you say, your lies may send you to GITMO, too!!!!

I'm certainly the least concerned about going to fantasy Gitmo island. There is no "De Plane"! Now we're hearing one more year! Heard that for three years running. Can only cry wolf so many times!! I was a huge supporter of "the plan", but I now think it's a ruse! Nothing this big affecting so many could be kept so in the dark for so long in an era of cell phones and social media! Impossible! Furthermore, how many Americans will answer the call if asked to fight for this country?! Would be less than the 5% from the Revolutionary War!

There will be massive death from the death jab and when 5g is turned to whatever frequency required to do the intended damage. This will be blamed on an alien invasion or another plandemic to get us to beg for more control by the government resulting again in less freedom. Next, the implanted chip, which IS THE MARK OF THE BEAST, put into all people to be able to eat and just do life! Is Trump SELECTED in 2024, it was always meant to be the "plan"! It's all rigged, and whomever thinks you can out vote an algorithm, then you do not understand simple math! Be careful not to argue with stupid people... they will drag you down to their level and beat you with experience (Mark Twain!)

@Bob — 5G is not technology, rather, IRRADITION of all life. More importantly is the GeoEngineering of jets spraying ammonia and aluminum over the Earth simultaneous to the "silver screen" placed over the sun IRRADIATING all life and Earth to destruction.

The Baal worshipers have eradicated 90% of insects, 80% of animals; and humans and Earth have less than 10 years remaining before all is destroyed. Go to [GeoEngineeringWatch dot org](http://GeoEngineeringWatch.org) for critical news and share with others to help stop this Satanic madness.

Thank you for the information!

Can they reverse the GMO in mostly all of our food & drink with anything scientific yet?

And, reverse the affects of the vax and the mRNA?

So, the irradiation is not only in the air, food, water, but also in just about everything including gaskets, tires, tubing, vaxed humans?

If anyone has the answer I would love to know!

Thank you

God bless you all

I knew from the start that these jabs were not good, my God given intuition told me not to take it. I did my best to warn family and friends to no avail. As for much talk about aliens, this is another lie, unfortunately people will be believe what they are told by the corrupted news media. This evil cabal will crash the dollar then make us all go into their crypto currency which I believe it is the RFID Chip, mark of the beast. Without it you can't buy, sell or work or do anything.

As for Trump, I am not so sure if he is part of this cabal, after all he is hated and they are trying to put him in prison to keep him from running for President.

@Bob — Add AMG-news to your list of military-sourced news and more scriptural readings to vitalize your spirit.

You might escape punishment from US Government, but not Father Jesus' commandment against turning the hearts and spirits of humanity to lose hope in HIM ... remember that commandment.

America was flushed with recognizable mongrel humans to break the spirits of Americans. There is more than ONE righteous human in America, therefore, Father Jesus is always with Americans. Follow HIS instructions everyday.

PRAY EVERY DAY IN UNITY TO FATHER GOD, AS HE  
COMMANDS,

ASK FATHER FOR FORGIVENESS OF DISOBEDIENCES TO HIM,  
AS HE COMMANDS,

ASK FATHER TO COMPEL ALL ALIENS OUT OF AMERICA,  
SIMULTANEOUSLY (as he promises),

ASK ALL THINGS TO BE DONE IN THE NAME OF JESUS, AS HE  
COMMANDS.

Americans shall be victorious by faith and prayer!

They have the EBS though and they aren't using it! They're scared  
of the DS and they should be

@Oliver — Incorrect, Oliver. There are seven (7) moves for each  
chess player. One player was in "check," so player chose EBS move  
that stopped the EBS announcement; now winner will complete the  
game to "checkmate" opponent and end opponents' 6,000-year plan  
to "genocide humans and destroy Earth."

Thank you Michael for all your updates and its only proves that this  
War is real and that it is in every sect including the Military... I only  
hope that the White Hats can get to the bottom of all this and let  
those that they have been brainwashing can be told all the truth.  
These individuals need to learn that they are also PAWNS in this  
WAR as well as WE THE PEOPLE are....

Good job, fellas! Now, why would these bad actors be acting from  
Germany? Is it a Deep State stronghold? All DS sympathizers must  
be routed out as well, because each & every small act to weaken  
America, & destroy our Constitutional Rights, is an act of Treason.

It is very refreshing that we still have Intel coming in fresh and can  
catch so many quickly ! I am shocked there are so many whom are  
able to get past initial training and not be screened out as unsuitable

for military service. I'd normally expect only one or two in each service to be treasonous scum. As usual , Thanks White Hats .... solving situations before they end in critical results with Trump supporters dead for being Patriots. May God Bless You n Yours , Nick , NavyBlueSmoke , LST-1195

Love it, your thinking...

Have you ever watched Last Days Brandon on y.t.?

God bless you!

Trump 2020++ forever

Jesus Is Lord!

I feel sure they have a long list. Austin and Milley have fled the country. They will get them like they will all the others who went into hiding.

I personally believe these men were trained assassins long before Trump entered the race. I believe they were all placed in the military by the communist demonrats, just for a time like this, to take down and destroy our country. Marxist, Communist, Facist, BLM, Antifa and the likes.

Just like the Movie, 'No Way Out', with Kevin Costner.

Is Prosecutor Jack Smith actually working to demonstrate how totally corrupt the Federal Judiciary and Federal Grand Jury actually are? Maybe it is time to arrest hundreds of corrupt judges and drag their asses to Gitmo on charges of Treason, Corruption, Capital crimes.

President Trump has been indicted on 4 federal counts on this Jan 6th indictment:

1. Conspiracy to defraud the US
2. Conspiracy to Obstruct an Official Proceeding
3. Obstruction of and Attempt to Obstruct an Official Proceeding
4. Conspiracy against Rights

These 4 are not actual crimes

\* \* It is \*very\* important to note he was not charged with Seditious Conspiracy or Insurrection

Those 2 charges, if convicted by a Leftist DC jury, would prohibit him from running in 2024

These charges are desperate acts from a desperate regime trying to stop President Trump

remove 3 spaces

Since when has “Conspiracy” become a crime? lol

If anyone should be convicted of “Conspiracy”, it should be MSM & the Biden Regime for committing a Coup with fraudulent Electors & Selectors.

Its all self evidentiary.

Bottom Line – This has Obammy written All over it.

I do hope you are right. It is way past time to see some justice 🙏❤️

Isn't #3. the same as #2?

Thank you for the link, I'll try it in the morning. But, was wondering if the last pdf shld have a slash in front of it and not a period.

God bless you!

Please watch Last Days Brandon on y.t.

Yes, pretty much the same, but non-crimes as presented by Jack Smith.

No, the link works just like that after removing the 3 spaces Terese.

Ok, will do.

Thank you for your reply!

Btw, it's Last Days (Brandon has prophetic dreams...on y.t.)

Thanks for checking him out. I just found him myself and am amazed by what our Lord Jesus shows him!

God bless you and yours.

The man is committing a Brady violation, he is in danger of losing his license and his career. No lawyer on the planet wants to go through that

Have never seen him live but always loved his music as he really relates to the people & what is going on in the world. His music is amazing. His album "Tea for the Tillerman" was one of my favorites. The song "Morning has Broken" is just beautiful. His songs just resonate with our hearts and moods. Wondering if anyone is helping you, Steph. Sending prayers. Riding on the Peace train. It is sounding louder.

I have a family member who never finished high school, and is as dumb as a box of rocks, total loser. He joined the army just to have a place to live. When he took the written test to enter, they told him he scored the highest of anyone! I questioned what kind of people the Army is enlisting! Bottom of the barrel type.

I'm confused. Can someone help me understand how the military white hats are able to arrest military black hats? From what I know, military is hierarchical, and everyone in the military takes orders from the top rank.

Patriots reading RRN for the past few years predicted that there would be two competing militaries. How is it possible that General Smith and General Austin are on completely different sides and yet still giving orders and taking them???

It's that one is a politicalized bureaucrat in DC and following the Resident (fake president) and the other recognizes what PResident Trump did while he was still in office and recognizes that Trump is still Comander In Chief!!!!

Last edited 1 day ago by Denny

Yes he is! Trump 2020++ & forever!

Also, someone is putting negative scores onto good patriot comments. I hope Michael can fix this or find out who's doing this.

The White Hats go after traitors and it doesn't matter who they are. This is not about rank or anything except their actions.

I believe our Military is divided, the white hats believe in the Constitution while the other half are taking orders from a Residence who we all know did not win anything, he was foisted on us.

I'm wondering what was offered to these "officers" who knowingly broke their oath to become part of the Deep State. Did they think they would be ignored or forgotten? Communications are monitored by the White Hats and Black hats, so how did the deception work? All done from lip to ear?

The Deep State always seems to have plentiful money available from taxpayers to go toward Black Budgets for bribes & threats. They had control of the printing presses also. Why do dumb people always believe they are smart? These low~lives haven't a clue about Civics, History, Morality, nor the Keeping of Oaths to Uphold the Constitution, & protect We The People from the over-reaches of a corrupt government.

I think, if you sign out & come back in, there is a choice whether or not to be notified of replies & responses... maybe.

When you post whatever you want to say, there is a little box before Post Comment...if you check that box you get all these notifications. Just hit post comment and leave that box alone and you won't see them.

One thing is for sure, there are 20+ million veterans in this country who are awake and a swor an oath and not one of us has been relieved of that oath. They better hope we don't organize and

coordinate an uprising because we know how to concur continents and are highly skilled at killing the enemy at sny and all costs. Just 100 veterans equipped in combat gear snd weapons would be one hell of a force gor any deep state terrorist organization to try and tske on head to head. I know ehich side I'll be on and everything will be neutralized without mercy and dispatched on the spot. Send it Hoorah!!

That's exactly what we now need! We cannot wait until it's too late to organize!! I was talking a retired marine friend the other day, and he said organization and communication are the keys to fighting back!! If you own a gazillion guns and tons of ammo, does no one any good except to "protect" your home! Has to be much larger economies of scale and more organized! That is what scares these despots the most! I know this would be hard to do, but hope retired military will step up to lead the general population!

Well they are too busy being oppressed by the Government. They are treated like shit and expected to live on the streets, etc. etc. etc.

I totally agree.. veterans are the most valuable resource we have, and the cabal knows there are the biggest threat. So, they run them in the ground by denying them even basic healthcare or funding any need they have! It is a national tragedy!

I think ALL would agree veterans and active military personnel should be paid very handsomely... at the very least! They Defend our country and do so at the willingness to give up their lives!!! Why is it the military has an \$800 billion dollar budget, but pay troops so poorly that they need food stamps! They are operating very technical machinery and weapons!! All this cash is being funneled to military industrial complex for \$10,000 "toilets"!

I admire your patriotism, thank you!! God bless you!

Btw, have you watched Last Days Brandon on y.t.?

Well. . . after some attempts to speak with surly Fort Drummers (JAG, MP), I was referred to the Public Affairs Office (315-772-5461) who said they were “tracking this”. . . but also said “it’s not true”, and when I asked whether the story of arrests was being denied, there was silence followed by a quiet “yes.” So officially the story is being denied, but they are also tracking it.

Why would they be tracking something if it’s not true? I think they contradicted themselves. They know they are in some serious trouble.

I’m so glad to hear the White Hats are busy with their operations overseas too.
