18. září 2023. GITMO.

Pokud Moderna Monster a „královna mRNA“ Melissa J. Mooreová litovala bezpočtu úmrtí způsobených vakcínou, kterou sestrojila, nevyjádřila je, když jí viceadmirál Darse E. Crandall nabídl minutu na vyjádření. z výčitek, když balancovala na šibenici s provazem omotaným kolem tlustého krku.

Místo toho recitovala dogmatickou mantru Deep State, která je všudypřítomná mezi mnoha Deep Statery, jejichž čas nadešel čelit oprátce: Plnil jsem rozkazy. Nezasloužím si zemřít. Udělal bych to znovu. Vakcína zachraňuje životy.

White Hats odhadují, že útoky Big Pharma COVID-19 zabily nebo zranily miliony Američanů. A exposé, online publikace, která prosazuje odpovědnost za Covid, extrapoluje toto číslo na 22 milionů po celém světě na základě recenzovaných studií a empirických dat.

Na otázku, zda chce Poslední obřady, Moore odpověděla, že ona a její domácí partnerka Janet Kosloffová cvičí pohany „v rovnováze“ s Velinasem, bohem mrtvých v baltské mytologii, a že pouze on ji může soudit. Velinas, řekla, jí pomohl v demystifikaci složitosti života.

"Nepotřebuji vaše kněžské invokace," vyprskla a pohlédla na kaplana námořnictva.

"Můžeš pokleknout k Velkému Púovi z věrného řádu vodních buvolů (odkaz Flintstonea) za všechno, co mě zajímá," řekl viceadmirál Crandall. „Něco vám řeknu: Když jsem dostal tento úkol, bolelo mě to. Ale brzy jsem zjistil, že vy lidé nemáte žádné vykupující vlastnosti – jste nenapravitelní. A jsem otupělý."

Oběšenec na plošině dal Moorovi přes hlavu pytel. Počkal na admirálův příkaz a pak stiskl tlačítko, čímž se dveře pod jejíma nohama prudce otevřely.

Moore byl prohlášen za mrtvého v 10:45, 18. září.

Good!!

It's almost hard to fathom how so many countless DeepState/Dark Cult fanatics were systematically turned away from God/Source over the decades...and embraced the blood child sacrifice cult. What a waste of energy.

You're saying there are about 22 million worldwide injured or murdered from these bio-weapons, assuming there were about 200,000-500,000 murderers involved. At the rate these hangings are going, it would take centuries to get them all.

Thank you very much for this report and the others. The world needs to hear that elite criminals don't have free reign.

Good riddance to these demons. Quite accurate : "no redeeming qualities". The only path is to remove them from the planet.

US Military tribunals are being held at GITMO 🌟

1. Trump said he would fill GITMO up with some “very bad dudes” during the 2016 campaign for president.
2. There have been two major upgrades to GITMO under the Trump presidency and Biden has not been able to shut it down.
3. There has been a continuity of government (COG) since Trump ‘left office’ because the US is in a state of emergency/war.
4. Logical thinking says now, under Pretendant Bidan, is the best time to quietly convict most of the deep state criminals. Many are executed.

This is a perfectly lawful process (military and civilian courts have important differences) plus other media outlets have been given access to these reports. Only realrawnews(dot)com (Michael Baxter) has chosen to publish them thus far.

As a somewhat humorous discussion on grammar, was she hanged or hung? No specific reference made to Big Mike who is clearly hung! 😊

I believe this is one of the verbs that can be either, hanged or hung... strictly addressing the grammar legitimacy... Ugh....BigMike... I HATE even seeing his or Barry’s photos any more... they make me sick.

Why is it that Crandall and Smith have no problem hanging all these treasonous pigs but they don’t try DJT?

Trump continues to brag how his opposition Warpspeed has saved 100 million lives and how his ventilators saved lives (they killed 80%+). Being put on a ventilator was a death sentence as it caused the lungs to burst. We know that 0.5% of the vaccines were a deadly poison killing most within 2 weeks. We know exactly which batches were the deadly ones and we also know that so far more than twice as many died in red states as blue states and that they alternated the release of the deadly ones so it wasn’t so obvious how they were killing people.

MB says they killed 22m. The question is how many would have died if Trump was opposed to the vaccines?

The fact is vaccines are only permitted when there is no other proven effective treatment (this includes zinc and vitamin c). And Dr. FAUCI'S own 2005 paper on Hydroxichloriquinestated that it was more effective than any vaccine in treating coronaviruses. The fact is this was a lie that Covid-19 was a novel (new) virus which they had no idea on how to treat it. So what did the CDC do? They put out false studies showing that it wasn't effective and neither was Ivermectin.

What would have happened if Trump pushed the FDA to make these 2 drugs which are safer than Aspirin an over the counter drug? Would this coronavirus ever been an issue? And whay if he also held a symposium extolling all the most effective treatments, like these 2 and vitamins C and D and zinc and and others? He never did any of this instead he perpetually made sure that everyone at all his meetings were tested and social distanced. Which did what? It provided the optics that this was a deadly virus. And Trump still believes this. His 100m number comes from when the US military force vaccinated its soldiers in Spain and brought them home and caused the flu to spread and about 50m people and about 650,000 were in the US. So Trump quotes some insane study that shows without the vaccines we could have seen 100m die, it's 100% BS. Yet Trump continues to push these lies, how is that not influencing people every day to get the shot? Trump doesn't need to mandate them, he just needs to endorse them and tens of millions will follow his lead and because of this millions have died.

Bluewater addressed this today on his channel on bitchute! Please go see T's vaccines  as they were good, but TH33 D33P state hacked them, and have since been poisoning some of us!

Get help please there will be MED BEDs coming to treat you when you wake up from them your mental illness will be no more at least I pray. You have the TDS bad. Good luck.

MB reported in 3 or more posts how White Hats had warned Trump that they were executing criminals for pushing people to take the vax and Trump defended his position each time and in one report MB said a source inside Mar a Largo said that Trump was tricked into believing that the vaccines were safe.

But isn't it the presidents job to know how safe the studies showed they were? All the studies showed that the results were so bad that sick people were removed from the studies. Why did Trump fire RFK in July of 2017 after Bill Gates told Trump in April 2017 that there was no truth to those rumors that the vaccines weren't safe? Trump knew in 17' that the vaccines weren't safe. And Trump pretended to be tough on Big Pharma but he slipped them \$13B to make the deadly vaccines. And now we learn it was run by DARPA who contracted with big Pharma to make them which is why they were shielded from liability. I knew all this years ago, so how is it possible that today Trump is still ignorant?

How can these people be hanged by the neck and Trump continue to push his vaccines? Did you know that Trump said that it was very hard to criticize Biden because he thanked him for the vaccines? That's insane? Look it up, he really said that. There's no doubt that the DS is planning more deadly viruses to be released so how can we trust Trump when he's provax?

'Asked whether she wanted Last Rites, Moore said she and her domestic partner, Janet Kosloff, were practicing Pagans "in balance" with Velinas, the god of the dead in Baltic mythology, and that only he could stand in judgment over her. Velinas, she said, aided her in demystifying the complexities of life.'

From Encyclopedia Britannica:

Velnias, also called Velinas, Vels, or Velns, in Baltic religion, the god of the Lithuanian *vėles* or Latvian *velis* ("zombie"), the "phantom of the dead." He is a one-eyed, prophetic trickster capable of raising whirlwinds and leading the host of the dead through the skies.

Velnias is akin in type to the Germanic Wodan or the Scandinavian

Odin and is identical with the god Patollo, or Pickollos, of early Old Prussian and Lithuanian sources.

Bye, Felicia! Say hi to your real god of the dead, Satan himself. Your lesbian lover's prayers will do you no good.

Fine work, Michael, thank you; please keep us posted on the Milley tribunals.

MB, I tried searching the expose (DOT) news site for keywords such as covid, vaccine, and others and the researched did not return a single result. That seems VERY STRANGE??? Michael, I wish you could've referenced at least the title of the expose article or even the research articles they had referenced. Thank you for all your reporting... I sure hope and prey your articles are truly true. 🙏❤️🙏

Ah yes, the esteemed Velinas is clearly the best god. This is what happens when you let people destined to dig turnips out of the mud for a living go to university. Too many crude, self-absorbed people sitting in too many offices, reading too few history books, being paid too much money to come up with too many stupid ideas. I have old friends who are academics and scientists who are a bit like this. Not mass murderers as far as I know, but just as delusional. Most of them respond to almost any challenge nowadays by reciting paragraphs from crank journalist, Karl Marx. He's obviously almost as cool as Velinas.

Boy, oh boy, oh BOY, MB! You just turned my day from good to GRrrrrreatttt!!!!!!! I will be rereading this article at least 10 TIMES (ala Principal Ferris Beuller) today! Just friggin WOW, MB!

One by one, all of them are no human,, that is my perception when I read their answers before to leave this planet. With devil there is not negotiation!

Good. Glad to hear another of the evil doers is gone..... there are just so many. How anyone can think that biden and his regime is IN POWER, when they are not

even allowed at the WH. They have to have their pretend meetings in Atlanta at the fake set..... I mean, seriously? It's all just nuts and they have taken so many lives.....

“When I was assigned this task, it pained me. But I soon learned you people have no redeeming qualities—you're irredeemable. And I'm numb.”

When you meet up with soulless creatures it is an education process, and then you come to the realization; that is not what God designed....

Thank you again Michael for providing the final moments. I know its not your favorite topic to cover. For me, I find the psychological and spiritual aspects of these final moments fascinating.

Are the dead buried at sea at GITMO? . . I have always assumed that but heard any confirmation one way or the other. . . Please share if you know more details.

I think they behead the guilty and then send her to the incinerator! She is dust now! God's word was true to Adam and it stands today: all men return to dust! It is simply a matter of time!

“you people have no redeeming qualities—you're irredeemable.”
Waste no prayers on the wicked.

“Should you help the wicked and love those who hate the LORD and so bring wrath on yourself from the LORD?” (2 Chronicles 19:2)

“Do I not hate those who hate You, O LORD? And do I not loathe those who rise up against You? I hate them with the utmost hatred; They have become my enemies.” (Psalm 139:21-22)

“Love must be sincere. Hate what is evil; cling to what is good.”
(Romans 12:9)

Unfortunately, the biggest cancer in the church has taught unconditional love as a basic requirement! Nothing could be further than God's truth as you just pointed out! The biggest promoters of these lies happen to be women in positions of pastoral care!

The world must see her name engraved on a giant wall with all the names of the genocidal maniacs who pushed, advertised, mandated, created, participated in giving shots, took money and the one's behind the idea of using vaccines to kill billions. Moore is just the tip of the iceberg.

F-in' Satanic Scum-Bags...Every last one of 'em!

They ought to use that big fat bag of sh_t's body at their next "Spirit Cooking Event". Definitely be enough for a second and third helping! May they ALL rot in hell 😞

Wow. A self-proclaimed witch of who knows what gender/sexuality. I understand Crandall's comments. I hate executions and have opposed the death penalty all my life. But these people truly deserve it and it is needed to clean up our country and the world. Thank you for your great work MB and RRN.

Wish i could have hanged that witch for killing my brother. I hope you go after her tranny lover Janet Kosloff.

I have never heard of that god before...I'll have to do some research. Marxist will believe anything. Bye bye

Don't waste your time researching. Instead make better use of your time reading the Bible.

I agree. People can get sucked into satanic crap if they research too much. Better to keep your distance.

From Encyclopedia Britannica:

Velnias, also called Velinas, Vels, or Velns, in Baltic religion, the god of the Lithuanian *vėles* or Latvian *velis* ("zombie"), the "phantom of the dead." He is a one-eyed, prophetic trickster capable of raising

whirlwinds and leading the host of the dead through the skies. Velnias is akin in type to the Germanic Wodan or the Scandinavian Odin and is identical with the god Patollo, or Pickollos, of early Old Prussian and Lithuanian sources.

Humpty Dumpty sat on a wall,
Humpty Dumpty had a great fall.
All the king's horses and all the king's men
Couldn't put Humpty together again.

Buh-bye.

To je dobré přirovnání. Myslím, že si to někdy půjčím. Dík.
