Pondělí 16. října: GITMO

Viceadmirál Darse E. Crandall nazval Janet Yellenovou mimo jiné barvitými podstatnými jmény před vojenským tribunálem, který viděl, jak se ďábelská žena opakovaně ponižovala a přitom vznesla záplavu

sebeusvědčujících námitek, které pomohly obžalobě zajistit rozsudek viny a smrt. věta.

Ohňostroj začal dvě hodiny po jednání z minulého pondělí, když Yellenová, vystupující jako profesionálka, hlasitě protestovala proti vystoupení svědka obžaloby: Shannon Corlessově, která od ledna do října nepřímo pracovala pod Janet Yellenovou v Úřadu pro zpravodajství a analýzu ministerstva financí. 2022 a ten měsíc se vzdala JAGu v domněnku, že ji „Trumpovi lidé“ mají ve vlečné síti. Souhlasila se spoluprací při vyšetřování JAG a byla umístěna do ochranné vazby.

Když Corless zaujal stanovisko, byl uvítán neutuchajícím nepřátelstvím. Spoutaná Yellenová vstala ze svého místa a nazvala Corlesse „nesnesitelnou dělnicí“ a „malingerem“, která strávila svá formativní vládní léta jízdou na kabátech jiných lidí a stěžováním si, že je přepracovaná. Yellenová z plných plic křičela, že Corlessová si evidentně vyrobila důkazy, aby ji obvinila z nezákonného posílání Ukrajiny a Volodymyra Zelenského stovky miliard dolarů daňových poplatníků přesahujících oficiálně uváděných 113 miliard dolarů.

Zdalo se, že Corlessová v lóži pro svědky byla obviněními Yellenové nepřírozená.

"Zadrženo Yellenová, dnes jste odmítla vypovídat." Budete mlčet, nebo vaše mlčení prosadíme," řekl viceadmirál Darse E. Crandall.

"Nemusím to brát tobě ani tvé soukromé vládě Banánové republiky," vyhrkla Yellen a tělo se jí třásl. "Sloužil jsem prezidentu Bidenovi loajálně a legálně a tento soud neuznávám a nikdy nebudu."

Vojenští policisté na obou stranách Yellenové ji donutili sednout si na židli a ucpali jí ústa.

"Trocha zdvořilosti je tady hodně daleko," poznamenal admirál. "Nyní, paní Corlessová, není žádným tajemstvím, že vám byla udělena imunita za vaše svědectví." Existuje nějaký důvod, proč bys dnes musel lhát před tímto tribunálem?"

"Ne, pane," řekl Corless.

"Nikdy jsi nebyl zatčen." Vzdal ses dobrovolně. Je to správně?"

"Je, pane."

"Řekl bys prosím panelu, co tě přimělo se odevzdat?"

Corless upřeně zíral na tři důstojníky, které si JAG vybral, aby slyšeli důkazy proti Yellen. "Věřil jsem, že mě sledují - sledují, no, lidé, kteří dělají to, co teď dělají Janet Yellenové." Byl jsem extrémně paranoidní a řekl jsem si, že bude lepší se udat, než aby mi někdo rozbil dveře a zavraždil mě.

"Věřil jsi, že se to stane?" zeptal se admirál.

„Bylo nám řečeno, že Trumpovy síly přijdou pro nás a naše rodiny,“ řekl Corless.

"Možná vás překvapí, že víte, paní Corlessová, že pracujeme jménem Ústavy, ne jednotlivce, žádného jednotlivce." Abychom si ujasnili, vzdal ses ze strachu a ne z výčitek svědomí, je to tak?"

"V té době ano, pane." Hluboce lituji toho, co jsem udělal."

"A co to přesně bylo?" zeptal se admirál.

"Přidávám svůj podpis k nelegálním bankovním převodům."

"To je trochu nejasné." Byl byste konkrétnější?"

„V lednu 2022 jsme schválili převod finančního oddělení. Pro Ukreximbank na Ukrajině to bylo 57 miliard dolarů. Účet vlastněný ministerstvem obrany,“ řekl Corless.

"A jak to víte jako fakt?" zeptal se admirál.

"Protože, pane, byl jsem toho svědkem." Chtěla na tom převodu podpis někoho jiného kromě svého.“

"A jako náměstek ministra v Úřadu pro zpravodajství a analýzu ministerstva financí měl váš podpis váhu," řekl admirál.

"Ano, pane," připustil Corless.

Admirál k panelu promluvil: „Vladimir Putin zahájil svou speciální vojenskou operaci na Ukrajině v únoru 2022. Nelegitimní administrativa proto neměla v lednu žádný důvod posílat Ukrajině peníze, a to vůbec žádné. A nikde není žádný veřejný záznam o daru ve výši 57 miliard dolarů.“

Admirál Crandall vytvořil výtisky 57 bankovních převodů v hodnotě 1 miliardy dolarů z ministerstva financí do Ukreximbank, každý s digitálním podpisem Yellenové a Corlessové. Položil je vedle panelistů.

"Získali jsme je z SD karty, kterou poskytla paní Corlessová, když se vzdala." Byly to peníze, které daňoví poplatníci zaplatili federální vládě a které byly tajně poslány na Ukrajinu, ať už z jakéhokoli důvodu, bez vědomí Kongresu nebo veřejného záznamu. K dnešnímu dni jsme vysledovali více než 1 bilion dolarů poskytnutých Ukrajině. Nemusíme ji spojovat se vším. To dokazuje, že obžalovaná, zadržená Janet Yellenová, spáchala zradu a podvedla Spojené státy americké,“ řekl admirál.

Yellen nějak vyklouzla z roubíku. "Prezident Biden bude mít vaše hlavy," povzdychla si a bojovala proti svým omezením, jako by byla prodchnutá nadlidskou silou - na 77letou ženu. "Ty ses šukal,

Shannone."

"Zajistěte toho ježka," nařídil admirál poslancům.

Ústa panelistů visela dokořán, když Yellenová dokazovala, její odporný jazyk plival každou obscénnost pod sluncem. Poslanci eskortovali Yellenová z jižní soudní síně GITMO a admirál Crandall úpěnlivě žádal porotu, aby shledala čarodějnici vinnou, což se také stalo.

Admirál Crandall se omluvil za narušení a omluvil Corlesse, načež řekl, že Yellen bude 18. října viset.

RRN bylo řečeno, že došlo k oběšení, a já o tom brzy zveřejním. Vzhledem k tomu, co se dnes děje, se psaní o i oprávněných úmrtích stalo...vyčerpávajícím.

Janet Yellenová byla americká ekonomka, která dosáhla dvou prvenství v historii USA: první žena, která se stala předsedkyní Federálního rezervního systému, a první žena, která se stala ministryní financí. Její úspěchy završují dlouhou kariéru veřejné služby ve Federálním rezervním systému... Jen pro ty, kteří nevěděli... 🇺🇸 😄

Yellen vždy projevovovala atributy nezbytné k dosažení velké autority a postavení tím, že prokázala naprostý nedostatek morálního kompasu a ochotu následovat jakýkoli pokyn, bez ohledu na to, jak nelogický nebo nemorální je jeho účel! Usmrtit tuto bytost není nic překvapivého, protože by se člověk mstil proti jakémukoli necitěnému ježkovi, který se odvážil zaútočit na jednu nohu při procházce po pláži! Sbohem Janet! Člověk si nikdy nevšimne vaší existence, a tak vás nikomu nebude chybět! Na vaše místo nastoupí dobrý patriot. ! Nick, NavyBlueSmoke, LST-1195

No mercy. Take her away from the living because she has to pay the consequences. It's an enjoyable news which I've expected to receive long ago. I hope that at this date her carrion is under the earth already.

Michael, my comment was censored again....

The man/woman Shannon Corless hanged in 2022 by your article. I posted his/her death at AMG-news in May 2023. Was the "operative" Corless [alias] pulled from the execution list and given life imprisonment?

She was not hung, why would they do that when she was the witness who co-signed the cheques with Yellen and handed herself in because she knew she'd be an accessory if she didn't say anything. I'd have done the same.

Michael's article on Shannon Corless's Tribunal trial is not available by the search engine, so I cannot answer your question. However, I keep track of the GITMO Tribunals and the outcomes whether "detained," "imprisoned," and "hanged/shot" by Michael's authored articles. Below is my current execution list.

My guess is EITHER Shannon Corless surrendered vital information on the eve of her/his execution that stopped the scheduled execution OR an actor wearing a head mask was used to lead Janet Yellen to unwittingly divulge information that led to a conviction and execution.

Thank you Michael. I don't envy your assignment to report on the intricacies of the dark side. I would have wagered Shannon Corless was tried at GITMO and executed long ago, but she/he hasn't been brought into a Tribunal until this article. I don't think "Janet" Yell'n is a woman since her/his first appearance in the news that seems ages ago. Should we "hope" the GITMO "Detained" category of criminals are either dead or imprisoned for life? They've been in lock-up for years it seems....

Come on you believe any of this? How come we never see one photograph of any of these people sitting in a courtroom being tried? Why, because all of this is pure fiction. If there was a true White Hat force they would have already dealt with the prosecutors and judges

harassing Trump. They would have already arrested the people behind the theft of the 2020 election and are destroying America. Since nothing has changed and no proof is even given, all these people you list are alive and well continuing to destroy America and steal its wealth! We know most people want it to be true, but believing in fiction forces you lose sight of the battle looming over the horizon.

Paragraph 5 is concerning.

How does anyone's prose 'substantive right' to testify become a *privilege?

Q: does that include defendant's ability to cross-examine the witness?

Is there an appearance of impropriety?

Last edited 3 hours ago by John .S

The answer to that is going to be "it's a military tribunal so you don't have any rights". It's in numerous text on this site. Take it or leave it. Your choice.

So in hyperbole, if counsel was attained by defendant the Esq will be forbidden to cross-examine the witness?

The answer to your question is in the Department of Defense (DOD) Law of War Manual (updated July 2023), Office of General Counsel (DOD). You can get a free PDF copy online. Remove the spaces I've inserted in the https address line to reach the DOD website.

America has been under soft Martial Law since the insurrection of the 2020 Election. Military controls America, POTUS Trump and Vice President John F. Kennedy, Jr. were inaugurated for their offices on July 4, 2021 at Mount Rushmore for ceremony and celebration events.

Military encourage Americans to sit and watch their “popcorn movies” while Military completes its missions with the Deep State. Keep in mind that discernment of “disinformation” and “misinformation” in this WWII event is important as a “viewer” of Military entertainment.

Great points you bring out, however, as some commenters have pointed out, a military tribunal is somewhat different than a regular trial.

 HE WON! Congrats Speaker Mike Johnson!

Make no mistake, this is a *HUGE* victory

Couldn't be happier about this!! As this was initially unfolding and the RINO's were voting for McCarthy, Scalise and even Hakeem Jeffries, I feared the worst. But, as I remember Trump's words on Jan 20, 2021, “the best is yet to come.” This is a key component to this coming true, along with what we've been reading on RRN.

Halloween could be Christmas. The satanists believe that was Satan was born on Halloween.

Schwartz has indicated Halloween is Christmas.

Christmas is a pagan festival Santa is an anagram of Satan.

I followed the Dems on Twitter and they spoke lovingly of Obama and indicated he was Satan. I read somewhere recently that Obama's real birthday is Halloween. 29th of Oct starts week 44. 44th president is Obama. We also have potential arrest of Hillary (Q). Let's see what takes place.

Hillary's arrest was supposed to happen in October 2017. The first of many failed Q predictions. Keep on hopin'

Hillary is dead.

Dear Michael, may the angels go with you and guide your steps and give you the strength and understanding you need. May you be like David with the sling of stones against Goliath, hitting the target squarely between the eyes. May the blessings of Almighty God go with you.

I could have “almost” believed this if the urchin screamed, “His Excellency, Ayatoilet Obama, will have your heads on a stick...!”, etc., etc. Not really. I just wanted to post “Ayatoilet Obama” one more time.

You need to work on your delivery and timing, and content as well, if you are going to make it as a comedian

Thank you very much Michael! Was wondering about this creature... With the new Speaker Johnson in the House, its gonna get mighty interesting very shortly...

Every time I read about another deep state criminal getting their just reward I wonder about their staff and peers left behind. What about the secretaries, the accountants, the data entry people, the mail room, the maintenance folks, and the all important ... IT Guys? Doesn't anyone wonder why the boss disappeared and where they went? The office gossip networks must be exploding! Anyone who has worked in an office knows that it's the little people who know everything – and our network is extensive. The paranoia of Ms. Corless makes me think she's not the only one. And just because Mr. Baxter tells us about only one doesn't mean there aren't more. Can you imagine working in that environment? You stroll in with your morning coffee and whump! Your stomach thuds to your toes. Your boss is gone!

You go after people that had authority to move money and did commit the crime and you can prove it. The mail clerk or janitor have nothing to do with authorizing the movement of Treasury Funds.

They just disappear and everyone says, “Oh well” and goes about their business. No questions asked. That would be treasonous. Everyone signs an NDA, agrees to be silent forever, and patiently awaits the fulfillment of The Plan.

Where I used to work, we would have loved to not see our bosses or supervisors anymore! I would bring in doughnuts for the “workers”.lol

Another one bites the dust...She was corrupt and will no longer be able to damage anyone.

Weird how you didn't mention how the trial took s-e-v-e-r-a-l w-e-e-k-s d-u-e t-o h-o-w s-l-o-w-l-y i-t s-p-e-a-k-s. No worries. You can't have everything, can you?

One trillion dollars sent to Ukraine? Proof the funds are there, to seriously pay down the federal debt.

The unlawful, usury interest, counterfeit fiat money phony and unlawful “debt” should be absolved and the evil Jew bastards bleeding this nation bankrupt since 1913 should be executed in public, across the internet and every Jew owned fake news operation.

Then burn down their studios.

Check tomorrow and I'll tell you what I really think.

.

Well, the funds *were* there, until the urchin showed up. I just hope these monies got intercepted by the WHs and returned to our Treasury

Bless you and thank you and thank you for all you do. I believe the craziness is part of G-d's master plan, even if it is hurtful and hard to take at times.

Damn bro are the White Hats taking the month off or something? It took them like a whole month to do this one arrest and tribunal for Janet Yellen and apparently the big ol' White Hat/Black Hat war is already over after those big invisible escalating battles in GA and CA 🙌

This should be showed on live TV, etc. To make it clear to criminals if you commit to treason, etc. this is what you're getting. This would remind people to think again.

Thank you Michael, prayers for you and yours. It is appreciated so much by many of us. Thank you Ms. Coreless for your testimony. as the list of these traitors goes on it gets more and more foul. You see their true colors as human beings. Totally rotten inside and out.

Does she think the real Biden is still alive? They could have added massive stupidity to the charges. It's bad enough they tax the shit out of everyone, but then they send the money to criminals and cry poor every year.

Prayers for you to stay strong. This is one of the only places keeping it real. All the best people are on our side. Patriots have accomplished so much since 2016.

Liars and thieves are inseparable ... where you find one, you'll find the other ... it's a marriage upon first sight.

Allot going on now & plenty of NDAs signed & sealed so many are keeping their mouths shut & for good reason that the less the Khazarian Mafia Worldwide knows.

I can totally relate to the exhaustion you are feeling, not that I am writing articles from information given like you are, but digging for information in multiple sources is exhausting. Listening to several podcasts a day just to get little tidbits takes way too much time out of the day. I do appreciate your writing talent and the fact that the articles

are fairly short and can be read quickly. I like the fact that Admiral Crandall said they were working on behalf of the US Constitution and not any one individual. This also explains why it is taking a long time doing everything by the book building their cases against these rotten treasonous scoundrels. We all want this nightmare to end, but when you consider what's at stake, I just have to dig deep for more patience and keep on trusting those that have all of the evidence. It's hard to believe all the years growing up that I thought we were free. As we continue to learn as they slow drip truth, we have been lied to and have been secretly enslaved my whole life. There are some on this commentary panel that are totally frustrated that the military has taken this long to do something about it. I get it, but it was and still is the biggest task organizing a worldwide take down of so much corruption with secret societies and Satan worshippers. The D.U.M.B's alone was and is a monumental task. Cloning-who knew? Distorted history and a run amuck CIA/FBI that were supposed to be working for the good of the US. The whole NASA scam fleecing us for years. Yeah, I totally relate to your exhaustion Mr Baxter. I'm just really glad we have a total patriot Commander in Chief giving his all to clean up this mess. I think his head does need to be carved in the rock at Mt Rushmore. My favorite President, I don't know how he has the energy to do it. God definately had a plan when he created Him. But our military, WOW!!! And the Russian Military WOW!!! You will go down as being right up there also Mr Baxter. I wish I had a ton of money to offer you, but unfortunately, I don't. But I will continue to pray for you Sir!

You have clearly bought ALL THE WAY IN. Hook, line, sinker, fishing rod and boat. P.T. Barnum was right. Someday you will look back on this and wonder "How could I have been so foolish?"

On this comment, you are 100% correct. Too many millions are mind-bugged by Nazi Fascism and cannot break out of their hypnotic state of mind since the first assault of 1919 when the education system was

commandeered from Americans, and the Classics curricula was forever more removed and propaganda inserted.

Who would have foreseen an entire generation [Zoomers} who cannot identify whether they are either male / female or human / animal?....

The reality is vomitous that demands the execution of each treasonous educator without delay.

Dang, 41 people up-voted you ... hmm.

I am ancient, but there are millions like me who called out the Washington Post as a criminal enterprise in grade school, by high school called out the Presidents, Congress and “supreme” Judges as criminals, and in our 20’s calling out Rothschilds, Bilderbergs, Rockefellers, Roosevelts, Vanderbilts, Trilateral Commission, UN, NATO, CFR, abortion, fake wars, Federal Reserve Bank, IRS, taxation, CIA, FBI, unconstitutional Civil Rights Act of 1964, Immigration Act of 1965 and SO MUCH MORE ... on and on and on and on the crimes are unceasingly streaming, uninterrupted.

You and the “41 upvoters” were hypnotized by Nazi Fascism ... welcome to wakefulness! Now, make it your daily duty to help others, daily, worldwide to shake the mind-buggerings from their skulls.

Maybe you could just not elaborate as much on the hañgings....just date, crime, verdict, and method

I bet she had some really salty last words at the gallos, too....Adm. I bet she demonstrated 20 various word uses for the F word, while singing, “I’ll get your hiney, Shannon”, to the ditty of, “Pop goes another black hat”....! Crandall should’ve stuck his tongue out at’er, just before judgement day, for extra laffs. She was as foul mouthed of a tart, as the Hildabeast was. She should’ve had a “True Grit” style public hanging though, with a carny atmosphere, fair rides, a huge picnic and the works, then watch her sing her hit song for last words.....

What I've always felt would be an infinitely more appropriate punishment for these DS clowns, before they leave this earth, do NOT dignify their last gasps with rants and unhinged diatribes.

They need to know, if not for their [sellout] DS connections, they'd be absolute NOBODIES. I'd make clear we are not just ending their mortal lives, we are ending any trace they ever EXISTED.

You will NOT be written of, fondly, mockingly or disparagingly or at all. You.WILL.Be.UTTERLY FORGOTTEN. You'll be scrubbed from the internet, literature, textbooks, printed or spoken of again.

That they're being allowed to go out gangster style/Bond villain is so unjust to their millions of victims.

Let the name of Yellen be stricken from the record,
Stricken from all pylons, monuments and obelisks,
So shall it be written,
So shall it be done!

Nothing against you, Buck Fiden, but your double standard— so it's A-okay for someone like you to scream the foulest epitaphs imaginable, but absolutely inexcusable for a woman on death row to do the same? Can you please explain your logic— thanks!!

'John Sarbanes' came out today in a press statement to say he would not run for reelection. He has not been seen since he was reported to be killed by special forces while attempting to murder a child in a satanic ceremony. Maryland rejoices.

Someone *claiming* to be...

And how convenient he didn't -also- announce he'll be on Season 29 of Dancing With The Stars or other self-aggrandizing glitz fest..?

Just.., going away...

That's the son. Sarbanes senior is Sarbanes-Oxley accounting standards for publicly traded corporations. His wife is a Bass. The Bass of Texas are large pedo ring.

The evil ones in the government don't give away money with out getting money in return.

Apparently the word "urchin", the definition of "1. a young child who is poorly or raggedly dressed" is the most familiar to me (and entirely unsuited to that arrogant traitor)

can also mean "hedgehog"

Now we are getting somewhere...

Other designations associated with the word, "urchin" include... Devil, Hellion, Imp, Rascal, Rogue, Scamp...

I love that Vice-Admiral Crandall has so well expressed his sense of the absurd when faced so often with the inexcusably grotesque.

Michael Baxter, I salute you and your efforts! Thank you for posting the information you are permitted to post.

Thanks Michael B. for your very hard work and for allowing the drag this must be on your mind and body.....may God supply you with energy from above and then some.....we love and appreciate you and your sacrifices.....

Michael,

I hope you are getting better. I have experienced gout and inflammation.

One of your earlier posts mentioned Allapurinal for gout – I took for awhile and it seemed to work. Also cherries & cherry juice has worked well for me.

Meloxicam taken daily blocks inflammation long term which helps me with an old football knee injury,

I'm making \$90 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning 16,000 US dollars a month by working on the connection, that was truly astounding for me,.i she prescribed for me to attempt it simply. Everybody must try this job now by just using this website.. **Www.MoneyPay1.com**

Every day is Halloween as long as the Bucken Fiden Regime is permitted to breath.

This criminal admin has to go .. Now...before mushroom clouds dot our landscape.. enuf if this getting all the bad guys to show.. you've got millions already who have committed treason...one at a time don't cut it.. especially if these so called Clinton or doubles.. carry just as much power as the original

Great job as always Mr B. Glad you are here to spread the word, it means so much to us. Get plenty of rest, take your vitamins and eat well my friend for we would be lost without you.

BT you are CORRECT, except you are quoting someone else and it would be HONOURABLE to give your source.

To Nukken and Thomas, I've checked out this source for months and it is not the tiniest bit tinged with substance abuse, it proves itself over and over and yes, he is waaaay ahead of other sources and doing an amazing job as an amazing patriot with slender means who could do with all our support – like Michael Baxter here. His only issue is, his spelling, grammar and syntax are atrocious. So what? Gives good cover. Keeps him protected.

Q the Storm Rider on Telegram.

My mistake! No it's not Q the Storm Rider, it's a channel I haven't discovered before. t. me /LASTCARD_Q. Will have to look more closely because a lot of it resembles Q the Storm Rider's style but it is NOT the same.

The date of what BT has copied above, is actually September 5. But I myself cannot copy it from Telegram, weird, never before had refusal even to copy. Mystery author. Not quite Q the Storm Rider; though many idioms are the same. However, the spelling and syntax and grammar are a bit better.

I've learned to make a friend of; The Nash Equilibrium. Where BOTH sides want the same outcome (but for totally different reasons!)

What I HAVEN'T gotten comfortable with is the fact if you're trying... to stock up for the fallout, we might well be PAYING (top dollar btw) for some of the DS's most vile and destructive 'food' they've concocted to date!

Kolik dalších má v úmyslu vyhodit vše, co zbylo, až tohle všechno skončí? Jakmile bude k dispozici zdravé, výživné [skutečné] JÍDLO, kdo by chtěl jíst tento odpad...? A popravdě, jsem také trochu podezřelý z Velkého alkoholu. Rodina Bronfmanů je spojena bokem s DS. Pro mě zatím jen lokální značky.
