Jednotka speciálních jednotek White Hat věděla, jak najít federální odposlouchávací stanici, která odposlouchávala jejich komunikaci s Fort Bragg, když hledali zlotřilé agenty FBI údajně zapojené do kroužku obchodování s dětmi.

Odposlechové posty, jak je White Hats nazývají, jsou neškodně vypadající struktury – výkladní skříně, prádelny, obchody s koblihami, lahůdkářství, někdy chatrč v lese –, kterých počet vzrostl poté, co zločinec Joseph R. Biden ukradl prezidentské volby a dal řediteli FBI Christopher Wray nezavazuje odposlouchávat zákony dodržující občany, patrioty, milice a Trumpovy příznivce po celé zemi bez důvodného podezření, pravděpodobné příčiny nebo zatykače. Federálové přirozeně využili těchto protiústavních stanic k zachycení žvanění Bílého klobouku v naději, že zmaří taktické operace, které

ohrožují agendu režimu. Pro běžného občana neviditelné stanice pokrývají americkou krajinu, od největších metropolí po venkovské komunity v severní Montaně.

Zdroj z Fort Bragg řekl Real Raw News, že White Hats jich za poslední tři roky zničilo několik, ale federálové s neomezeným financováním a schopností rozmarně tisknout peníze jednoduše přestavěli nové poblíž.

V minulosti vojáci, kteří našli tyto základny, dali federálním odposlechům šanci se vzdát. A několik využilo příležitosti a ocenilo život před kulkami v mozku. Někteří se stali 5. sloupky, buď povzbuzeni pocitem probouzejícího se vlastenectví, nebo se chtěli vyhnout jednosměrné cestě do zálivu Guantánamo, a pomohli White Hats získat umístění dalších tajných odposlechů.

Když však generál Eric M. Smith převzal velení nad Bílými klobouky, dny ultimát skončily. Hovořil s velitelem 5. skupiny speciálních sil plukovníkem Brentem Lindemenem o morálce a zákonnosti „eliminace“ Deep Staters bez toho, že by jim byl nabízen výběr, a oni souhlasili, že byli příliš shovívaví, zvláště když 75 % federálních zpravodajských služeb bylo buď nesprávným směrem. nebo zastaralé.

Pohlíželi na odposlouchávací stanoviště jako na nezákonné a nezákonné a na Deep Statery, kteří je obsazovali, jako na otroky kabaly.

„I kdyby jen čtvrtina toho, co jsme dostali, měla hodnotu, bylo to lepší než nic. Nová směrnice znamenala, že jsme museli najít různé způsoby, jak najít naslouchající příspěvky. Nemohu zabíhat do všech detailů, ale zahrnuje to vojáky v poli, pomoc kybernetického velení, lady štěstí a někdy i mučení. Nikdo to nemá rád, ani to nedělá. To se nedá vyslovit. Ale pokud to pomůže zachránit děti nebo chytit pedo, uděláme, co musíme,“ řekl zdroj.

Začátkem srpna pronásledovala jednotka speciálních sil v severní Montaně čtyři federály podezřelé z obchodování s dětmi přes hranice a do Kanady. Intel navrhl, aby zločinci běžně unesli děti v národním parku Glacier a převezli je lodí přes jezero Upper Waterton, které se rozprostírá na hranici.

Při procházení drsným terénem poblíž Red Rock Point na západní straně Glacier jednotka speciálních sil klopýtla do zálohy a byla obklíčena osmi neznámými útočníky vyzbrojenými automatickými zbraněmi. Navzdory překvapení, speciální jednotky obrátily stůl a zabily útočníky, z nichž žádný neměl identifikaci. Měli vysílačky, přes které si jasný hlas vyžádal aktualizaci stavu.

Jasný signál byl příliš silný na to, aby byl vzdálený v prostředí plném nerovného terénu a tyčících se horských vrcholů, které blokovaly přímý přenos a příjem. Také šance, že náhodně vstoupíte do zálohy, byla nekonečně malá vzhledem k absolutní šířce severních Skalistých hor a tisícům mil turistických stezek spojujících jejich nesčetné vrcholy, jezera, řeky a potoky. Útočníci museli znát cestu speciálních sil; nebyla to náhoda.

Speciální jednotky zůstaly ve spojení s Braggem prostřednictvím zabezpečeného satelitního telefonu, což znamenalo, že blízká entita mohla prolomit jejich šifrování a komunikovat s přepadovou jednotkou; rádia ambusherů, komerčně dostupné 8wattové transceivery Baofeng UV-54, které se prodávají za 60 dolarů, skutečně nedokázaly prolomit šifrování.

Poslouchali opakované výzvy k aktualizaci stavu a hlas nakonec řekl: "Musí být v mrtvé zóně." Když mluvil, druhý hlas v pozadí se zeptal, jestli někdo něco nechce od Abruzzi.

Speciální jednotky strávily v Montaně dost času, aby věděly, že Abruzzo je italská restaurace v Whitefish, celoročním turistickém městě vzdáleném 50 mil vzdušnou čarou, jihozápadně od jejich současného umístění. Z toho vyvodili, že federálové museli použít jeden nebo více opakovačů – elektronické zařízení, které přijímá slabý nebo nízkourovňový amatérský rádiový signál a znovu jej vysílá na vyšší úrovni nebo vyšším výkonu, takže signál může pokrýt delší vzdálenosti bez degradace. udržovat kontakt s útočníky.

"Byl to Whitefish nebo krach," řekl náš zdroj. "Speciální jednotky udržovaly rádiové ticho, protože věděly, že nepřítel poslouchá, a usoudili, že když se chlapi, kteří se je pokusili skočit, nehlásili dovnitř ani zpět, každý Deep State v Whitefish si pravděpodobně myslel, že se jejich přepadení zhroutilo a zabalili obchod." Není to tak, že by se tam naši kluci dostali za pět minut. Ale s tím museli pracovat – s tím a trochou štěstí.“

Dva nápadně oblečení agenti FBI stojící před obchodem s rybami a náčiním s 35 stop vysokým anténním polem trčícím ze střechy nikdy nevěděli, co je zasáhlo. Speciální jednotky je zastřelily tam, kde stáli. Štítek na ocelových dveřích – zvláštní na rybářský obchod – hlásal „zavřeno z důvodu renovace“ a okna byla zabeďněná, jako by vydržela hurikán. Rozrazili dveře výbušninou, vstoupili do budovy a zastřelili federála oblečeného v tričku a khaki šortkách.

Nebylo tam žádné rybářské náčiní, žádné pruty, navijáky ani návnady. Ani jediné lákadlo. Byly tam stojany na rádio a počítače, trezor na střelné zbraně na podlaze a další ocelové dveře, které vedly do zadní místnosti.

Jakmile byli uvnitř, uviděli dva federály krčící se za stolem. Oba byli zastřeleni naprázdno. Nedostali šanci se vzdát. Prásk prásk.

Speciální jednotky zdemolovaly vybavení a stáhly se.

Náš zdroj řekl, že nakonec našli a vypořádali se s únosci a zachránili tři děti, které by byly prodány a zotročeny.

"Dokud víme, že tam venku jsou poddaní, kteří těmto otrokářům pomáhají a napomáhají jim, nebo to dělají sami, oni a jejich nelegální základny jsou platnými cíli." Bez milosti. Ty děti by neměly žádné slitování. Po dlouhou dobu má Deep State tuto auru neporazitelnosti. No, nejsou neporazitelní. Ne od nás," řekl náš zdroj.

Dodal, že White Hats od incidentu zlepšili šifrování své komunikace.

BARACK HUSSEIN OBAMA – a Muslim and the Biden puppet master?

Could that be the reason America has been destroyed from the inside?

If so then the following were all preparations to weaken America for WW III on American soil:

- \* Opening our Southern border to millions of America's enemies.
- \* Depleting our treasury funds.
- \* Depleting munitions.
- \* Depleting our oil reserves.
- \* Halting our oil production.
- \* Poisoning us with fake vaccines.
- \* Filling our government seats and agencies with corrupt politicians and secret agents.
- \* Reducing our police forces.
- \* Pushing to take away our guns.

- \* Destroying our economy.
- \* Giving away billions of the finest war equipment to Afganistan.
- \* Attacking Israel and sending our military over there now.

The only man they fear who could expose and intercept their plans is  
PRESIDENT TRUMP.

They absolutely cannot let him regain power!

When our Enemies are ready; China, Russia, N. Korea and the Middle  
East will strike an all-out War.

It all seems to fit together perfectly and make sense doesn't it?

Certainly something to think about.

Yep, we know and to think there are still simpletons out there that think  
we are making this stuff up.

Yup. There's no cure for stupid.

I think some people just trust the mainstream media so what they hear  
is all they know.

They are also told that we are a bunch of crazies.

Many of the sheep don't even know there are alternatives news sites to  
mainstream media.

Barry is DEAD, he has been EXECUTED, We know this breaks your  
heart as well as your bullshit narratives, The lowlife degenerates  
operating the brain addled PEDO-joe Biden mask wearing poser or  
clone, and his puppet masters are dual -citizen American -Israeli zionist  
satanist degenerate jews and Israeli jews THIS IS THE REALITY and  
FACT. Kay you can choke on this continually till you accept and  
understand this reality.

Dave Kelly, I bet you're one of the alts belonging to the Troll group of alts like:

Ethel, Biggs, Julie, goober and the other dozen.

So I'll add you to my announcement list and post it at least once a day on RRN.

All your alts have the same obscene, vile tone.

People need to know there are liars like you on this board and how far you'll go.

No, because the exact same thing has been done to Europe long before St Barry was Fake President. It's called communism. More specifically Stalinism, because Uncle Joe pioneered mass migration in the Soviet Union as a tool to destroy culture and traditions there. This is all just so much bigger than the pathetic Obama that I can't even begin to explain it.

Xi is rubbing his hands and salivating contemplating an attack possibly landing in California where anti gun laws are strong.

Believe Barry is dead quite a long time now. Gitmo did him and Big Mike in, almost 4 years ago. Only their clones, operating as them, is all the deep state has left.

GLad no Marine's were lost to this..... I just don't understand WHY we still have the FBI, CIA, CDC, DOJ. DOD, all of them are in cahoots and need to be abolished!

The changing times started with the lockdown for a fake virus that was really shit in the blood from mandatory vaccinations in China, which sickened people in Wuhan when they turned on huge amounts of 5G

with the newly vaccinated Chinese, so the 5G timing was tracked, they did turn it on and something in the vaccine reacts with this frequency that sickens people.

Why do we still have hospitals? They were all complicit in the stab and the 5G and the death triages for a planned end times of human beings, usually just a standard civilization reset, but much of the end times was to make humans into some kind of hybrid roboticized being of transhumanism not just a quick genocide rollout.

It sounds to me like all the hospitals should be empty. They all got down 22 levels I've heard of from people that worked down there and that's been since 1981 when I first found out. Then to find out all wars are created for human trafficking fresh live orphans....Where to they go? Down in those levels. A few might actually get adopted to surface dwellers. CPS working right there ready to snatch if the doctor's and lab tech's don't 1st create a tragic death for some reason they can dream up on whoever comes in pregnant near delivery with an illness or even giving birth. They get plenty of those and many other ways.

RRN would have us believe children human trafficked are always snatched out of national parks or from the streets because it hasn't covered all these other ways they get their vampire blood underground where they all live hundreds of years.

Back in the 1700's people knew about the grey aliens people called goblins snatching children. Earth was created to be a giant blood and loosh factory for what's underground or lives in spaceships. That would include microchipping all these 3 letter agency employees and every last doctorate, cops, lawyers, judges and politicians, whatever they can microchip to control surface earth.

What's more Humanna, CVS, our local Richmond Sheriff's office are still requiring the VAX.

Maybe rotten eggs and a note on their cars? “Stop vaccinating we are tracking you, the system is corrupt we are no longer depending on police, we have your tags, mechanics won’t fix your car if you bring it in to any of our garages for any repair”. Photo their face with your camera, document their names. Leave a flyer with a list of the evil employees and photo, that your sorting out who is doing evil vaccinations. That would start to get them noticing they are being watched. People won’t figure out to change unless it hurts. Sometimes a soft threat goes a long way.

Richmond Virginia or where? It’s a terrorist act to require vaccines of any kind and I don’t care if the law sais otherwise. It’s no way to live on this planet with toxic vaccines, birth or otherwise later.

Choreography is the key to success, random acts, helter skelter and all of the EVIL DOERS simply go-to-ground and delay the saving of humanity, if it is not too late by then.

They need to be REMOVED , TAKEN -OUT AND TAKEN -DOWN with FORCE and be done VIOLENTLY and with EXTREME PREJUDICE AND RIGHT FUCKING NOW!

It’s a century+ usurpation of the American public. There are no institutions left outside the Borg at this point. It’s basically forbidden to organize outside the State, which is how communism works. It has been that way for the last twenty years. If you want to run a knitting club, the FBI will infiltrate and destroy it. It has to be a state-run knitting club with weekly drag shows and Marxist sermons and things for it to be legal. So anyway, there’s nothing at hand to replace all this. All we can do is create a vacuum. But vacuums inevitably get filled, and you’ll have no control over that process. Again, because we don’t have anything ready to fill it.

It’s just very difficult to get out of this now. They just gave a “Nobel

prize” to people responsible for the greatest genocide in human history. That’s basically a microcosm of our situation. Everything has been hijacked.

Thank you Michael, this is refreshing great good news. Father Jesus does respond to prayers.

The FBI no longer conceals their criminal intentions ... it’s open season then for Patriots to take control.

Sadly, you are not keeping up and apparently do not support what is being done to “save you” and all others (even the sleepers). Keeping on, going along is the reason we are where we are now.

I find myself watching out for 35-foot-tall antenna arrays where they shouldn’t be.

This site will be notified I spot one!

If one were to see an incoming nuke it would be the last thing they saw (unless military personnel at a radar tracking station like NORAD)

No one said it was going to be easy, but rest assured the US Military is now engaged in brutally taking down the US deep state. Revenge is sweet.

That’s good but they better be stopping the influx of Millions of our enemies across our border.

This new no surrender policy sounds good to me. These people are amoral and have unlimited cash, so the best way to stop them is to kill them early and often. They will run out of manpower soon enough.

Thank you patriots and RRN.

Are you talking about the combined manpower of our enemies like China North Korea, Russia and the Middle East?

Think BIGGER.

Just yesterday I prayed and told God that I wanted to hear that children are being rescued. HalleluJah !! the cabal is worm food.

With such daring bravery, courage & resolve, the US White Hats and Special Forces, easily attract the attention & company of the Angelic kingdoms who fly with them.

Didn't Putin say "It's not my job to judge them, it's my job to send them off for judgement"

Found the Italian Restaurant & the bait & tackle shop closed for renovation. At least that part of the story checks out. I've eaten at the Italian place before during ski trips to Whitefish.

Then you may be complicit in the trafficking crimes and are possibly a confederate of the CRIMINAL FEDS, It is no wonder you maybe attempting to discredit this story at RRN. This story is TRUTHFUL but you SeanW, you may not.....be credible , Are you a troll with criminal intent, TREASON perhaps? What say you SSeanW

It is proper to verify facts and cross reference details of ANY news story to validate authenticity of the story. I personally don't buy anything unless I get it verified. Much of what I read on RRN is what I WANT to

hear and I avoid emotions clouding reason by cross referencing the materials I read here and other sites. Dave is spot on not taking things at face value and doing his homework

Cheers to you Dave Kelly!

The govt trolls here jump in quickly with downvotes for the real folks, and upvotes for each other.

Give it a little time. Their influence goes away.

Last edited 3 days ago by Jimbeau

Actually there are only a small handful of trolls here but they have many alts they use to down- vote and annoy.

For example:

“Biggs”, is a straight-up ISIS sympathizer who uses a dozen other names on this board to spew anti-Israeli propaganda, obscenities and distractions.

The Alts:

Ethel, noname, Julie, JB II, Exile, Bofa. Wozz, Russell and many more.

The board is full of commenters with differing opinions. Do not take it so hard! We all get negatives once in a while. I like your comments.

Down-votes on positive speech are from psychopathic baby-ass-rapers. They practice satanic child sacrifice and don't want their carnal pleasures to be stopped. Just know God is watching and knows all. Evil online anonymous trolls know in their hearts they will end up in hell.

Yes, the trolls will be cast into Hell, but I speculate they don't know that in Hell they shall be sodomized and slaved every day for an eternity as promised by the demons.

People who are forced to have a child they don't want, DO NOT, (as a rule),  
make good parents.

Those children suffer greatly for their entire life.

ROE = Rules Of Engagement

Not Roe v Wade –

People are not forced – it took 2 to tango... they had free will to make a child. Unless, and courts upheld this – rape. OR if the mother's life is in danger.

Now if they don't want the child, then put up for adoption.

Roe v Wade was based on a lie and should have been overturned back then and she should have been put in prison for perjury.

People make mistakes and getting pregnant isn't always a decision but a consequence of that mistake.

Every child should be wanted by its mother But in reality that doesn't always happen and those children usually suffer greatly for their entire life.

Your view of the situation is highly judgmental and short-sighted.

Who are you to judge?

“Judge not lest ye be judged.”

I hoping Our glorious Marines or any of the good military STOPS N. Korea from BOMBING the U.S.S. Gerald Ford.. because their fixin too... 🤪 🇺🇸

You should worries a strike from IRAN..not N Korea...

Keep a wolf at home(Iran) and feeding them (ayatollah) for the last 30 years...now Iran is strongest than ever with hypersonic missiles.. do USA have that kind of weapons? No.. this country is so busy with fu#^\$^%! LGQBT ideology and left dogma, affirmative action, US citizen are cheering with f#&\$^\$^! flood of illegal, ecitc..etc. .. and proxy wars everywhere that they forgot to improve the missiles capabilities with new tech..

What do the white hat does for the last 75 years other than waiting the ANOINTED and their CHOSEN ONE (TRUMP?) to carry the war with black hat and fu@&\$^NAZI donkey

WOW.... SOO SAD > YOU ARE { DEAF/DUMB & BLIND }. <><

There is no "lady luck" or just "luck." This is the hand of the Almighty God, who said that one who harms a child is better dead. People are praying and crying out for these children and God is listening and moving. He gives man, including the White Hats, wisdom and understanding. People are praying for the White Hats to have wisdom, knowledge, and safety.

"For a long time the [DS] has had this aura of invincibility."

Calls to mind the POV that there's only about a million of these demons and the remaining 7B could easily take them....if we were organized, like the White Hats. It would be so much more expedient and effective if the WHs would just deputize us-PLEASE!

Why u need to deputized? If you have skill, learn from terrorist HAMAZ how to kill the enemy.. here u need to learn how to help WH by organizing your fellow Patriots by killing them yourselves...

It's called – chain of command...

Though if you see something, say something.... BUT to who...

We don't know who to trust outside this bubble...

This is what they are avoiding – civil war 2.

We have NOT been called on.

President Trump and the military have their plan.

Don't blunder in and create a January 6th scenario.

The Cabal would love to use their DEW weapons on us and blame President Trump for it all.

Stand down and stay ready.

UMMMM..... A BUNCHA "DEPUTIZED" > ARE OUT THERE < & "CALLED~BACK" MILITARY "SERVING" HUMANITY { ALL OVER THE STRATOSPHERE }. : }

In the mean time Deep State assholes, establishment inbred conspirators serving in political offices across the entire Nation have passed legislation in their respective states to allow the hiring of ILLEGAL IMMIGRANTS ( INSURGENTS ) to be hired into Law Enforcement as this has been perpetrated in the state of ILLINOIS and it's Gov. JB Pritzker just signed such legislation to make it possible for ILLEGAL IMMIGRANTS ( INSURGENTS ) to be hired by state , county and municipal law enforcement agencies and departments which when shit does start to hit the fan, there ILLEGAL IMMIGRANTS ( INSURGENTS ) will be DEPUTIZED , given badges , weapons and police powers then let loose to RUN AMOK killing and arresting US CITIZENS and the rest of the AMERICAN PUBLIC, TIME IS OF THE ESSENCE to move against these Deep State TREASONOUS CRIMINALS, ZIONIST satanist degenerate jews , and ALL THEIR CRIMINAL TREASONOUS CONFEDERATES such as the IDF ,ADL SPLC, and numerous other TREASONOUS DEGENERATE LOWLIFE ASSHOLES PEDOPHILES, SEXUAL PREDATORS ETC. THESE FUCKING EVIL DEGENERATES MUST BE VANQUISHED ENTIRELY and must be VANQUISHED RIGHT FUCKING NOW!

I will trust President Trump's judgment on where and when if ever he needs us.

You sound like a certifiable lunatic.

TRUMP is a DECEIVER and a LIAR, I am very confident that the TRUSTED , RIGHTEOUS US MILITARY ARE FULLY AWARE OF TRUMPS DECEIT and LIES, this has no doubt been revealed when Gen, Smith took over OPERATIONS after Gen , Berger's FAILINGS. Both Berger and TRUMP have been slow-playing these White Hat Special Forces ops and critical info having been leaked emanates from these two DECEITFUL ASSHOLES. DJT FUCKED THE Jan.6TH VICTIMS , HE SUCKERED THOSE MAGA and PATRIOT SUPPORTERS and CONTINUES TO DO SO TO THIS VERY DAY. Trump is a DECEITFUL degenerate jew through and through just as his daughter/dude Ivan/ivanka and Jared Kushner both TREASONOUS American -Israeli CRIMINALS. PEOPLE NEED TO WAKE -UP, and PAY FUCKING ATTENTION.

I did a little research and found the Italian restaurant that was In the article on Google maps. I can't get street view to work . I wanted to find the bait and tackle shop . If anyone else finds it let us know. Thanks. Be the change for the better world and universe. God bless the white hats and all others riding us of this evil. I did run across a good video of the election fraud truth of fraud... I've shared it on my Twitter account. 🇺🇸

Call Abruzzo's and inform them Google Street View image is not appearing, that's bad for business. 406-730-8767, they open at 4pm MST.

Physical street address as per website.

115 Central Avenue

Whitefish, Montana 59937

abruzzoitaliankitchen com/

Myself will notify Abruzzo's that their patrons are potentially conducting child trafficking activity from their restaurant, and their parking lot could be a child transfer location.

John, they are IN on it.

The City of Whitefish is Tel Aviv West. The Kharzarian Mafia RUNS this town and Montana. Period.

The Police have extortionists having free rein of their Police Data Base and terrorizing local wealthy people ( lots of them there ). There is a great article in

\*\*\*"Law Enforcement Today"

Featuring WFPD Chief Bill Dial\*\*\*

This guy is a transferred ILLINOIS STATE TROOPER COMMANDER FOR CHICAGO & VICE PRESIDENT OF THE MONTANA CHIEFS OF POLICE ASSOCIATION committing all these crimes. Chicago Kharzarian Mafia sent him there to get away with all this. That train depot in Whitefish is a HIGH TRAFFIC HUB of Human Trafficking. How convenient with the NP providing all those unsuspecting tourists and all those billionaires living there to purchase the product. Same with the Monterey Peninsula.

Huge Wealth = Lots of Buyers  
All Police provide the Supply  
Of Humans.

If Maui didn't wake you up that the police are there to HURT YOU than this WILL.

Tks for posting this, something to look into, will put my Sherlock Holmes hat on when having time.

BTW, I'm currently jamming-up a few cops, they don't know where it's coming from, love it, in adage: "in this day and age".

Anxiously await to read their obituary for Christmas, just turned up the heat, FTP, all's fair in love and war, especially 'Mixed War', Yippie Ki-Yay.

The Chicago Khazarian Mafi does NOT run the CHICAGO , nor the ILLINOIS POLICE DEPARTMENTS so you have that part WRONG, you are way off, is this a MISTAKE on your part or is this MISDIRECTION ? Huummmmm

Kay you are a meddling FOOL , you have not a fucking clue you are just a fucking troll and a lame one at that. That angle and shot you took has been used and FAILED, Paranoia is what degenerate criminal satanist jews are feeling these days, as ALL OF THEM WITH BE VANQUISHED ,....ENTIRELY, and right about NOW. You will be amongst them , you know this.

I used to live in Whitefish and know the manager of the sister restaurant to Abruzzo. High end. The National Park System is a HUGE area for kidnapping BOTH children and adults. Research the 411 series with David P. ( a retired detective ) who showcases all of this. A real eye opener. I've lived both next to Yellowstone NP in Bozeman and Whitefish next to Glacier NP. Both these areas have some of the highest missing persons rates in the world 🌍.

A backstory on Glacier NP is that it is also a Nazi/CIA Base of operations.

Hitler is purported to have transported all the stolen gold from Europe via the railroads ( they have an excellent railway system in N. Montana ) from Montauk. He set up operations there for a time before moving to Argentina and Antarctica. The CIA utilize this base of operations for their nefarious dealings ( Tesla's stolen technology was purportedly

stored there also ).

Very strange occurrences happen around this Biosphere ( one of two in the world ).

The CIA's trained assassin Ted Kazinski ( University of Michigan Mathematician ) was recruited from there ( the adjacent county of Lincoln is where Ted had his "rustic cabin" outpost ). No coincidence. Montana is politically extremely corrupt and run by the Kharzarian Mafia. No surprise this occurred there.

Last edited 3 days ago by Teddi

Ted kazinski was not cia and he was 100% right. The last few years have proven Ted right.

I liked Jeffrey Dahmer, that eats what he kills, my type of guy hunting and butchering his own food.

Some meats not found in supermarkets, thanks to the Dept. of Agriculture, dam those alphabet entities.

Here a interesting read, referencing Kazarian Mafia. Posted below link in Milley's execution article too..

[prepareforchange.net/2020/02/02/bibi-netanyahu-is-the-operational-head-of-the-khazarian-mafia/](http://prepareforchange.net/2020/02/02/bibi-netanyahu-is-the-operational-head-of-the-khazarian-mafia/)

If it's true that Netanyahu is evil, then I'm highly concerned how so many prophets and pastors are supporting him. A lot doesn't add up.

TRUMP supports the zionist satanist degenerate kike Bi Bi as well  
TRUMP is a huge Fan of Bi Bi, WATCH OUT, BE VIGILANT!

What if he knows the truth, and his position is all for optics?

WOW....TY....MUCH TO CLOSE TO < HOME >, HERE. UGH....WE HAD W~FISH < BREWERY TRANS~PLANTS >, TRY TO > CREATE A WHOLE NEW & SEPARATE < CITY COUNCIL HERE > ! THEY GAVE NO NOTICE OF “ASSEMBLING” A SEPARATE > LOCAL GOV’T/CITY “PLANNERS”, ETC <. ALL ILLEGALLY & TO TRY TO RUN “LOCALS” OUT !!

Those are very common jew tricks, this being for a marxist – communist take -over of the US GOVERNMENT starting at the local level, Just THINK ALL POLITICS IS LOCAL, REMEMBER THIS PEOPLE , IT STARTS WITH THE ELECTIONS, ELECTIONS ARE LOCAL, DO NOT FORGET THIS REALITY AND FACT.

Maybe Lakestream Fly Shop it’s got like a 25’ metal pole in the back that attaches to the power lines all very close can be used for antennas and a couple of bubbles on top that might be part of “antenna array” also. It’s just curiosity seeking I guess because why would we NEED to know? Just to prove it? The most likely thing I heard is we get OLD stories, and DATES ARE LEFT OUT. This is more of a wake up disclosure than the real deal perfect details.

I did find some corroborating details on the Idaho substation attempted sabotage, over a huge traffic blockade all around it. My niece lived a country block away more like 10 city blocks east and 10 more north and the alleged time it happened was during the superbowl when there is no traffic but my sister was stuck in it.

Military has to clean up blood and bullets FAST, so what do they use? I can guess the places would have police yellow tape while they are working. It’s possible they can just lock the doors and wait til middle of the night to do clean up. What do they do? A special vacuum steam cleaner? Any blood bath has clean up.

As for antenna's they are not always as they appear, they take shape and manifest in ways you would never recognize , so keep that in mind

That's not what President Trump wants. He's trying not to cause a civil war and doing it behind the back round.

Trump had enough time to straighten things out.

WTF "vax continues" known as deadly, and our borders are wide open etc.

HELLO, Trump dropped the ball of fiduciary worth, clearly and conspicuously he doesn't give a rats-ass about We the People, because if he did, Vax would be halted, and boarder on lockdown.

of course you are an IDF TROLL Kay and a LAME one too. And how about all those GROUP THINK assholes you partner with Kay ? Are you their WHORE? or just The GROUP SKANK and BITCH they pass around?

LoL this a veiled threat Kay, I've been down this road way before you had training wheels.

I love it! As the White Hats pivot to taking, shall we say, a more hard line towards the Deep State, this will pay dividends. Word will get around that tactics have been changed and Black Hats can expect immediate execution on the spot. I expect a trickle of Black Hat surrenders, then a flood. MAGA!

Praise be to God! Let's ramp-up the Armour of God Light Energy Shields and boosters We sent to Our Soldiers! It's time – 7+ years – 6000+ years actually – We're ready – Arm Your Brother and Sister With Light – With intuition and team harmony of the Divine:controlling All Energy. May the Force Be with Them and Around them – We can be a layer of the onion of protection.

The Onion of Protection. Wow. What kind of flashlight do you recommend for the Light Energy Shields?

The FBI and CIA need defunded and dismantled. I cant believe taxpayers are funding child sex trafficking. That is horrendous. Surely someone somewhere has a list of all the communists and nazis that expatriated to America through project paperclip. McCarthy was so over the target with his red scare.

If the Corporation Govt has been bankrupted and defunded I can't imagine where they are getting money to pay their salaries???

Maybe that's the reason the Feds have taken to openly trafficking children themselves??

Unless this was just meant as a trap to kill a few WHs???

The Chinese are paying them.

Why they are ALL TRAITORS .

They are being bankrolled by the Chinese AND Taking a salary from us the Taxpayers.

Why we kill them on the spot.

Why ALL "Public Safety" is Being DEFUNDED ( except local fire departments ).

The GREATEST Terrorists in the World 🌍 are the US "Public Safety"( Maui recently illustrated this ).

Who is RUNNING ALL this Human Trafficking???

( ALL these corrupt police chiefs ~ Pence's security detail outlined STATE TROOPERS delivering boys to Pence's Indiana lairs and PARTICIPATING IN the debachery and horrors ).

Teddi, NO mention of the VATICAN Catholic Church, aspects of Military of different nations all over the planet, the Israeli government, Mossad , IDF ADL , Israeli TALPIOT and ARMY UNIT 8200 and ORGANIZED FREEMASONRY and MASONIC LODGES WORLD WIDE, the Black Nobility , zionist satanist degenerate Oligarchs, and establishment inbreds COMPLICITY in WORLD WIDE Human/child sex-slave -body parts TRAFFICKING/MARKETING

No way Abruzzo's gets fresh seafood delivered daily. Money says, shrimp, calamari and scungilli comes frozen. Clams and Oysters on the half shell, I don't think so.

[abruzzoitaliankitchen.com/](http://abruzzoitaliankitchen.com/)

As per my code of conduct, going to notify Abruzzo's and let them know their establishment is jumping with Feds, and their place has probability in being wired for sound.

Will advise them to electronically exterminate their discreet dining areas [secluded tables].

You do know technology is so advanced that the entire neighborhood is satellite monitored ~ meaning that ALL ESTABLISHMENTS are heard for a mile radius that they zero in on. It's all done by SATELLITE.

The WHOLE HOUSEHOLD can be monitored by your NEIGHBORS, FORGET THE GOVERNMENT.

People were so upset to hear all their HOUSEHOLD talk played back to them. This was 2007 Sonoma County, California.

Living in California, FIFTEEN YEARS AGO people were complaining of their neighbors being able to RECORD EVERY CONVERSATION in their HOUSEHOLD.

A State Trooper's WIFE in 2007 waved her hand over the whole area ( we were standing outside her home on the Northwood Golf Course which is located due north 1/2 mile from the perimeter of the Bohemian Grove in Sonoma County ) and said : "This whole area is recorded 24/7" .

So do you THINK they can't do this elsewhere???? And do ?????

The WHOLE USA is Recorded.

TIA -TOTAL INFORMATION AWARENESS HAS BEEN AROUND SINCE AT LEAST THE EARLY 1990'S, It has been codified into law just after 9-11-2001.

Only seafood here is: Coney Island Whitefish a'la Feds, bringing alleged Chinese spy balloon drifting over Montana for additional scrutiny.

Thank you for the update.

Where I live in UK it's been a busy week for the Alliance Aircraft. Though quiet today Sunday.

The UK, when I visited London, WORSHIP the ugly inbred "royal" family. They are blind as bats to the whole charade. Naked children trying to escape Buckingham Palace ON TAPE ~ falling to their death in their escape THEY DENY.

Last edited 3 days ago by Teddi

I had a dog trainer I was going to utilize for therapy dog training, who was a former UK police officer that came highly recommended by other dog guardians. When I spoke with him concerning the political situation at the Buckingham Palace he irrevocably DENIED WHO THEY ARE. He stated his good friend was PRESENTLY one of the BUCKINGHAM PALACE POLICE!!! ~ And that none of this was happening "all conspiracy" ~ ( that kids caught on film ~ naked ~ and trying to rappel with bedsheets from the highest stories of that Buckingham Palace ON TAPE & DENIED IT!!! )

Needless to say, he didn't get a penny of my money. Saw his daughter, a little girl, and she LOOKED abused. Guy's in Whitefish. He can hide there and prosper.

Show the deep state shills the same mercy the deep state dictators are showing J6 patriots. Which is none.

Fri. 13 Oct. Well, crap. Today there was a public announcement of U.S. Weapons being delievered to Israel. They're getting ready to tell up something BIG in the U.S. Sleeper cells could be activated at the moment. Intel encourages folks to stay in their homes over the weekend as tensions rise in Israel. New York City, Florida and California are on high alert. NORAD and Space Force are on high alert. Stay in your homes if you live in large cities. Stay safe....

Great update, thanks for sharing.

Yeah, the DS is so used to executing forced, unnatural migrations..., why they hardly give it a second THOUGHT any more..!? Have backpack Will travel. Leaky raft, rickety motorcycle, on foot, pregnant, it's all good.

It won't save you from nukes.

More people die in their homes than out and about. Actually statistically, more injuries occur within a 10 mile radius of home

Last edited 3 days ago by Teddi

Actually Its because people let their guard down within a one mlle radius of home for it's their comfort zone, making one suseptible to accidents.

Last edited 2 days ago by Teddi

Most of the time people spend outside would naturally be within a very close proximity of their respective homes , therefor chances of dying near one's home would naturally be grater , that stands to reason.

That whole area can never get it right. They're worse than the Black Op US and that's saying something

What I heard from Jimmy Paine on supersoldiertalk.com months ago, the Chinese military are coming in and they are gross, and they are here to rape all the USA military men I guess who has the karma from being a horn dog with the asian ladies, etc.

NYC and Florida with Washington DC are major targets that WILL be obliterated. As will Seattle and Portland. The prophesies have stated this over and over. The enemies ( China ) definitely have them in the crosshairs.

Florida is NOT the bastion of goodness portrayed with De Santis at the Helm and so many attacking WH operations.

Believe it or not, Southern California has a Much Better Chance of surviving an attack than these places listed above.

Our WH Navy are down there.

Highest concentration of ACTIVE MILITARY ( not retirees like Florida )

Last edited 3 days ago by Teddi

It's a matter of WHEN not IF these areas will be Nuked.  
America has Nuked too many places over the years. Karma comes back.

Still pushing the scare narratives, NUKES are going to land on you and yours Teddi, THY will Be Done.

God will not allow Southern California to be harmed as Commandant Smith is down there.

Strike17, three questions. Is that a new item for 2023? Can you reveal source? And I did not think Q had ever mentioned KM before, is that a first?

Or MRD is right, S17 just didn't identify it as his own creation. Admire the enthusiasm then, but it'd have been better to indicate to that effect.

The Bible says the trap they laid for others will become their own snare. So whoever built the FEMA death camps for the goyim to force them to go along with noahide laws will themselves be executed in them. Glory be!!!

You are absolutely correct, It has been tampered with by Constantine and his minions [ he never converted to Christianity], who decided what was included in the Bible and what was changed. The RC church also had input in the final version. The word reincarnation was removed. After all, who would give great sums of money to the church to buy their way into heaven if they found out that they may not go there. Everyone needs to find the TRUTH about the Bible. Read the PhoenixJournals or now known as Four winds 10.com to read the true word of God. This is not second hand information but is presented by God and his hosts.Oh I can hear the comments now. God can do anything and he would not allow his word to be changed. First of all, the universe does not operate in time like us and God knew that this biblical event was coming. The changes they made was small potatoes to what is happening now when truth shall prevail.This information is known as The holy Book of the Lighted Realms or the Bible of these times. Please read!!

It was CORRUPTED LONG BEFORE Constantine LONG BEFORE. Starts back in 458BC with the Masters of Judah the Levites, Levite priests, who corrupted the Law, This is were the CORRUPTION begins, Jews , Levites are NOT Israelites and have NEVER been Israelites or of ISRAEL,NEVER,

700 accuracy on ALL PROPHECIES told THOUSANDS of YEARS ago. Hmmm..... as a scientist I'd have to acknowledge that the Bible as a source for PROPHECIES is Empirically VALIDATED.

NO NEED FOR FAITH  
STRAIGHT UP FACTS.

Buckle up your seatbelts.  
You are in for a bumpy ride.

YOU are not a SCIENTIST , you may be posing as one but you are NOT a scientist. Nice try. LoL

All the big box stores and general dollars where supposedly been built to be FEMA re-education camps built in plane site under our noses. And all the Manufacturers that belong to these global agenda rules and regulations where made to cripple our ability to fight back when they were planning to invade us. And alot of the border crosser our slepper soldiers waiting to be activated. In my opinion. So be well armed and well stocked up and God bless us all amen. We are the world's last obstacles for the New world oder take. When we go one we go all . 🇺🇸

Exactly!!

No Weapon Shall Prosper Against the Righteous. Our enemies will be destroyed before our eyes

Her death look what's happening today because the occupant of the White House is a laughing stock, all over the World America's enemies cannot believe how lucky they got. They got real lucky, every monster villain dictator and terrorist, and there is plenty of them I know most of them. I got to know a lot of them all over the planet. They're having a field day, because they will never have it better than they do with Crooked Joe, who in many cases received money from those countries, and unfortunately with the most corrupt and incompetent president in our history we're closer to WW III, than anyone can understand. There's never been a time where we've been closer, we're

inches away and we have a man that literally can't speak he can't get off a stair.

A President Trump speech God bless President Trump!

Really it started 1/20/17.

Stepped up a few gears 3/24/22 with Ukraine Russia SMO.

The world has become so corrupt and evil.

What we've heard that ISIS has been doing in Gaza to hostages, even children and babies, is beyond one's wildest imaginings of Evil.

Beyond even Sodom and Gomorrah no doubt. I don't know why God allows man to continue.

If the whole disgusting planet blew up today, the universe would a Cleaner place!

Who are you listening to? I've gotten conflicting stories, so I turn off the news crap. We've been lied to so much that we don't know what to believe anymore.

She is first listening to her CONTROLLERS the IDF , Mossad or some zionist satanist degenerate jew sociopaths, Then she begins her infulencer schtick to corral The GROUP THINK.

I listen to "Forbes Breaking News" found on Youtube and Trump's daily rallies.

Youtube videos of Conservative Republican Congressman and Senators I trust.

I subscribe to The Epoch Times and OAN. So far I trust their coverage.

Where do you get your news?

I don't use any of those. Frankly, I believe OAN is compromised, and I don't subscribe to any msm, even if it's called conservative. I've been lied to so long I'm tired of hearing it. No one knows what's really going on in all these places in the news, because we're not there to see it. Why the hell would I believe it after knowing the deceitful track record of the media?

I come here and sometimes listen to Julie Green for my news. I'd love to get news at the source, but I guess I wasn't born to be a journalist.

I ask more questions now than I ever have before in my life. How about you?

Go eat a sh\*t sandwich and die traitor.

The only possible way you could get any upvotes is from your own alts.

**ISIS = Israeli Secret Intelligence Service**  
an out in the open branch of the MOSSAD

The End Times.

Read The Book of Revelations.

Then you'd be informed as this is all unfolding as prophesized and a **WHOLE NEW WORLD** will be Born.

But **NONE** of the inhabitants will be here when this occurs.

As in the Days of Noah  
( denial denial denial )

What you have heard is **HEARSAY** , so much has been retracted yet you keep Talking shit, you are **HERE TO PUMP BULLSHIT NARRATIVES** and **ACTING**, as an **RRN INFLUENCER**, just like the assholes at social media entities , You are the **Pied Piper of The GROUP THINK** here at **RRN** .

Yes I know how you are feeling I wish I was too, but this is not the case, very unfortunate though. DJT was never the end-all – be – all and folk need to understand this and move on, NEVER GIVE UP! NEVER!

Number one, you buried the lead. Newspaper people know what that means. Second, this is the most plodding explainer we have seen in a while. So long and dull, and minimal bloodshed

Not at all. I have everything I need including a nice house on a lake and a great family. This site is like going to the zoo.

Sometimes having a nice house in a nice neighborhood means living in mom's basement as she tends to all needs such as housekeeping, laundry, food and drink, utility and Internet bills from her pension or job. Her car can be used if she put gas in it that day and promise to pick her up at a certain time from work. Some guys exchange moms for sugar mamma. But there are some guys that work and loaf in their cave.

137k federal agents with arms. 1.6 million active military. It seems any so called 5th columnists would have a bad knee that they have to retire over and get the h-ll out of that crap show by now.

I'll take my marching orders from DJT as valid President first, or if God forbid they assassinate him, from Q failing that. But everything I've read so far suggests Q's advice has always been, don't get faked out. Let the mili guys handle it first. Stay safe till we say we actually need you.

Of course I wouldn't recommend any fraud FEMA guys go around door to door like they did with Katrina in the meantime either 😊

No, because in disproof of the slanders from the libtards, we are not cultists, we actually DO think independently for ourselves.

Versus for example doing the Fauci-ist mask and fake-vax lemming thing, you know.

No doubt!

And if President Trump were to be assassinated, no doubt there would be an uprising like none other in all of history!

I just hope the Cabal creatures realize it BEFORE they do something that stupid Again.

“Even if he were to be struck by lightening ....”, they would be held responsible for it!

(to paraphrase Marlon Brando in the Godfather)

Last edited 4 days ago by Kay Mitchell

That’s a scenario I never would have imagined.

How would that work?

I don’t think President Trump would sit still for someone claiming that he was dead.

He could quote Twain: “Rumors of my death are greatly exaggerated!”

There are over 350 million citizens in America. Almost all of us hate Communists Human Traffickers, traitors and pedophiles. Whites, Blacks, Browns Yellows etc...

We may all have our differences with one another but when it comes to uniting for a cause like protecting our children from these demons we will unite and defeat them.

One Third are Foreigners with less than the best interests of the USA.

Where do you get these stats????

Wishful thinking.

HOW do you THINK we got this bad of a country if WHAT you said was true????

As of 2023 , 13.6 percent of AMERICANS are FOREIGN BORN,  
Where do you get your stats from Teddi? Are you pulling them from out  
of your ASS? It appears this is the case and from a scientist no less,  
Trust the science? NOT your science Teddi

Probably alot more than 70 million I'd bet alot have lost their guns in a  
fishing boat accident 🤔🙄🤔😁 and are at the bottom of a lake or river  
I plead 5th amendment rights 😊😌🇺🇸 ❤️❤️❤️❤️❤️❤️❤️🙏🇺🇸🙌😎  
🤔

You need a LOT more than guns to defend yourself as you can easily  
be disarmed ( 4 heavily armed Tacoma police were disarmed by ONE  
street punk and got themselves KILLED ~ thinking all they needed  
were guns ).

Are you trained in Martial Arts???

For to A Great Warrior  
EVERYTHING is a Weapon.

Měli byste být trénováni v meči a noži, protože ty jsou NEJÚČINNĚJŠÍ,  
když jsou napadeny zblízka  
(a psychologicky větší odstrašující prostředek, protože každý má  
zbraň, ale pouze VYCVIENÍ jedinci NESOU NOŽE).

Když jsem to vytáhl, mnoho lidí mi ustoupilo. Vlastně jen můj lupičský  
pepřový sprej přiměl lidi co nejrychleji ustoupit, aniž by ho museli  
odpálit. Berou to vážně. Zatímco zbraň, pokud je NESTŘÍLETE, bude  
SNADNO použita proti vám).

STATISTICKY,  
více lidí používá své zbraně proti nim v USA.  
Osvědčený fakt.

Promluvte si s JAKÝKOLI KVALITNÍM trenérem bojových umění a on vám to potvrdí.

Zbraně jsou falešným pocitem bezpečí.

S Swords & Knives vám NIKDY NEDOCHÁZÍ NÁBOŽÍ. Povolení nepotřebujete. A má je každá kuchyně. Jak mi řekl zabiják CIA : „Kdo v dnešní době potřebuje zbraň, aby někoho zabil??? Pass“

Odkud jste vzal dobře prokázaný FAKT, že v USA proti nim používá zbraně více lidí? Zdá se, že nejsem schopen NAJÍT ten dobře prokázaný FAKT, že mluvíte o Teddim?

Naučit se nějaké bojové umění nebo pár bojových umění vám může zachránit život. Musel jsem se vypořádat s lidmi, kteří se vloupali dovnitř během spánku. Vyhodil jsem je sám. Vyhodil jsem je ze dveří a křičel na souseda, aby zavolal o pomoc... Snažili se mě unést a zabít. Zabezpečení se nikdy neukázalo až do týdne nebo tak později LOL! Dělal jsem lekce kendó, tai chi, capiera a smíšená maršálská umění. Opravdu se to hodí. Mano a Mano. Já dva nebo tři proti mně, který se stočil dolů k jednomu, který se počůral, zatímco jsem nad nimi stál a ležel v kaluži jejich vlastních činů za mými dveřmi.

Není to passé, ale je to velmi přesvědčivá možnost.

A pepřový sprej vám dává nesmrtelnou možnost.

Myslím, že pro bojová umění bych se rozhodl pro brazilské Jiu-Jitsu, kdybych mohl, je to nejlepší pro detailní záběry všech z nich, včetně karate a taikwondo a kung-fu.

Dnes je pátek 13. října 2023. Je to druhý důchodce vězně Milley za méně než dva měsíce.
