Zneuctěná bývalá arizonská ministryně zahraničí a zlodějka guvernérských voleb Katie Hobbsová je na Guantánamu od 28. září a obviněna z vlastizrady bude v polovině listopadu čelit vojenskému soudu, řekl zdroj JAG Real Raw News.

Internet byl 26. září zmítán fámami a teoriemi poté, co Hobbs nevysvětlitelně zmizel a státní pokladnice Kimberly Yeeová byla jmenována úřadující guvernérkou. Několik alternativních zpravodajských kanálů tvrdilo, že Hobbs byl „obžalován“ státním senátem z obvinění souvisejících se spiknutím s mexickým drogovým kartelem, zatímco jiné uvedly, že armáda Hobbse zatkla a přivedla do GITMO. Dokonce i padlý z milosti FOX News zpochybnil Hobbsův záhadný mizející čin. Média Deep State na druhou stranu rychle vyvrátila tvrzení o chybějících v akci s tím, že Hobbs byl naživu a zdrav a setkal se se zločincem Alexandrem Mayorkasem v DC Věděli jsme, že to byla lež, protože Mayorkas se skrýval ve Varšavě v Polsku. , v době údajného setkání.

Tales of Hobbs přijatá na GITMO vzbudila zájem RRN, protože jen zřídka se dozvídáme o historkách o tom, jak se Deep Staters rychle dostali na Guantánamo Bay. Naše první dotazy se zdroji z GITMO, kanceláří JAG Pensacola, Camp Pendleton a Fort Bragg se setkaly s nerozhodnými vrtochy: „Nelze ani potvrdit, ani vyvrátit“, „V tuto chvíli bez komentáře“, „Nikdy jsem o tom neslyšel“, „Kde se to stalo dostáváš ty informace?“ a "Pokud budeme mít cokoli sdílet, dáme vám vědět."

Mlhavé odpovědi zmatené RRN; naše zdroje obvykle poskytují jednoduché odpovědi. Pokud Deep Stater potkal nevyhnutelný osud – například smyčku – řeknou nám to. Pokud nemají Deep Stater ve vazbě, řeknou nám to také. Nutno uznat, že to bylo matoucí.

Ještě matoucí bylo, že Hobbs se později ten týden magicky znovu vynořil v Arizoně. FOX News svůj příběh stáhla a zbytek médií označil osoby, které propagovaly zmizení, za Q-Tardovy konspirační teorie.

Přesto jsme pokračovali v naléhání na zdroje, aby našli definitivní odpověď, ale ty odpovídaly vyhýbavě – až jsme nakonec 23. října obdrželi konkrétní odpověď. „Ano, Hobbs je v Camp Delta a čeká na tribunál,“ řekl RRN zástupce generálního soudce. .

Řekl, že vyšetřovatelé Jagu 26. září nedramaticky zatkli „podivně samolibou“ Hobbsovou, když šla ke svému autu před kanceláří guvernéra ve Phoenixu. Ozbrojení vyšetřovatelé oslovili lakonickou Hobbsovou a obvinili ji ze zrady, volebního podvodu a spiknutí za účelem spáchání vraždy. Hobbsová byla údajně děsivě tichá a natáhla zápěstí, jako by chtěla být spoutána.

"Důvodem, proč jsme byli tak ostražití, jestli ji máme nebo ne, je ten, že i když jsme měli Hobbse, nebyli jsme si absolutně jisti, že ji máme," řekl náš zdroj.

Na GITMO 29. září Hobbsová poprvé otevřela chřtán a řekla vyšetřovatelům, že není Katie Hobbsová. Do té doby prošla lékařským posudkem/odběrem krve (neočkována) a odebráním otisků prstů. Neměla na sobě protetickou masku, neprodělala kosmetickou operaci a indikátory klonování byly negativní.

"Podle všeho jsme měli Hobbse." A pak je zpět na pódiu ve Phoenixu. Takže víme, že [Deep State] používají klony a dvojníky těl, ale nemysleli jsme si, že by byli schopni jednoho vytáhnout z police tak rychle. A chtěli jsme se ujistit, že Hobbs, kterého jsme měli, byl skutečně skutečný Hobbs, navzdory jakékoli hře, kterou si myslela, že hraje," řekl náš zdroj.

Dodal, že Hobbs vydržel tolik zobrazovacích testů, že je zázrak, že ve tmě nezáří.

„Nyní jsme si 100% jisti, že máme Hobbse. Také jsme identifikovali jednoho dvojníka, který se za ni vydává v Arizoně,“ řekl zdroj.

Nicméně, Hobbs ve vazbě stále říká, že není Hobbs.

Na otázku, jaké důkazy JAG předloží u tribunálu, odpověděl: „Nemohu předem uvést podrobnosti, ale budou k dispozici svědecké výpovědi, video důkazy o volebním podvodu a admirál prokáže, že Hobbs zorganizoval neúspěšnou nájemnou vraždu. spiknutí proti Kari Lake.“

### Company & Corporation

Israel registered themselves as a corporate entity in 1947. You cannot register a Corp twice under the same name in 2023 after 70+ years and it be accepted. Which means on October 31st Israel as a cooperation will expire.

Once a corporation is formed, it is a legal entity that exists separately from its owners. This means that it has its own name, tax ID number, and legal rights and obligations as a corporate structure. Israel is bankrupt. When you are in that status you have zero contract rights.

DUAL CITIZENSHIP!

Unconstitutional! Look at this short list of dirty government peeps having Dual Citizenship with Israel!

✓ They have tried to kill us with manmade Covid > then mandating the Death Vaccine.

✓ They have enslaved us with financial slavery and keeping people in debt!

- In 1871, Congress passed the 1871 Act of England, forming a private corporation known as THE UNITED STATES while ENDING the US Taxpayer's RIGHTS OF SOVEREIGNTY.
- US Inc.CORP, owned by foreign interests, including the Rothchilds & their Khazarian Mafia out of ISRAEL, shoved the organic version of the Constitution ASIDE by CHANGING the word 'FOR' to 'OF' in the title.
- The Act GAVE OUR TAXES TO THE BANKERS, and those private bankers – led by the Rothschild's, Rockefellers, & their Khazarian Mafia out of Israel, eventually established THEIR OWN PRIVATELY OWNED FEDERAL RESERVE & IRS in the FOREIGN countries of Washington DC & Puerto Rico.
- In fact, not only did Washington DC's US Inc. become a private corporate entity (that went bankrupt in 2008), but the Vatican, City of London, Buckingham Palace & State of Israel, all were made corporate entities that were totally unaccountable, self-interested, for-profit, corporations abusing the powers of "government."

Been posting contradictory comments upon MSM sites, compromising their narrative, blowing them out of the water.

Once Vaccine, A-chrome, Child Obduction, Frazzle Drip and Doppelganger is mentioned, bells & whistles go off.

Further, any mention of Military Tribunals referencing Gitmo & Guam prepare to be shut down. Been selective and how I phrase things, it doesn't matter.

Youtube is blocking people from watching videos that use ad blockers because they say they are losing money ... they demonetize people that don't fit their political narrative ... which is why I found another blocker that keeps them from blocking the video I want to watch. So screw you youtube ... I STILL watch videos commercial free. 😊 It's called turn about fair play.

Just read on Newsbreak that General Eric Smith was Hospitalized with  
an extreme medical condition. He just ran in a Marine Marathon in  
Arlington, VA. Did someone try to poison him with a tainted cup of

suspicious, they say nothing about him running Gitmo.

And yes there are 100s of q retard grifters who have compulsively lied for the last 7 years. Great on Katie. Great ploy with the 'not me' idea. I prefer the trousers down antics, I must say.

Anyway, I came across this Q-explanation which is very helpful. Saw it on Bluewater's GAB site, with no mention of the true author. BUT, nevertheless WELL WORTH a read: .

---

'ISRAEL WILL BE LAST' >>> WHY? What Did That Q-Drop Mean???

It's All About A CONTRACT! 'Israel was created by THE KHAZARIAN ROTHSCHILD MAFIA BANKSTERS in 1948 but their contract as an independent sovereign nation expires the end of October 2023. (Day after eclipse no coincidence.) They are registered as a corporation, address is next to Kensington Palace.

That means that the timing of this war (in Israel) is completely planned, strategically to coincide with the time that they could be dissolved, with the rest of the central bankers and all the other bankrupt corporations.

So, that finally clears up the Q meaning of "Israel will be last." They had to wait until this contract was dissolved, transferring Israel from a 'Sovereign State' back to a corporation, before WHITE HAT SPECIAL FORCES could invade and have full capitulation of the Israeli Leaders that were not implicated in Human Trafficking and or Crimes Against Humanity....Same as what happened in Washington DC when the US Army fenced off the entire Government District with metal fencing and constantine wire."

---

And this is another indication that this crazy suppression we have been under is coming to an end, and the show we have been watching is winding up, since 'Israel will be the last.' We had that 3rd week of November'23 deadline from C21, kicking around. This also fits in with that.

So, all the nay-sayers, take another look. And all the minnions helping that suppression; better get an away-bag ready, either to run for it or the FEMA camps that are all waiting for you. Your time to pay up is coming soon.

And our time of shaking off all the suppression we have been under is also not far off, either.

Have a great rest of the week:)

utter q retard bullshit. So israel has murdered millions of folks the last 500 years. The white hat plan to deal with that is to wait until their contract runs out?LMAO my god that more ridiculous than trump pimping vaccines for the last 3 years. Whomever came up with this plan is an evil worthless piece of shit.

Since you keep calling us retards for not being your slave to die.

I keep calling you Jim you ugly piece of shit.

Knowledgable Colonel Douglas Macgregor claims our two carrier battle groups, the USS Ford and USS Eisenhower, and the Marine Expeditionary Force ship with 2,000+ Marines aboard, are forced to operate west and north of Sicily (over 1400 miles from the israelis) to remain out of range of enemy missiles which could be used against them. Look at the maps, Sicily is below Italy.

We have to remember that the israelis and MOSSAD have sneak-attacked us before (USS Liberty 1967, and 911 in 2001) and could well do so again to drag us into their World War of sacrificing israelis and

wiping out their neighbors. That is an extreme operational range to conduct an almost certain war, with our very weak military, almost out of ammunition and repair parts, unable to recruit qualified soldiers, airmen, and sailors.

<https://www.youtube.com/watch?v=00frv5blaXM>

Yes, I noticed that, and told several friends.

What's even more interesting is China's latest world maps have literally no Israel on them, meaning the cities are still there but they have erased the country on their maps.

I told Tzi/Dizzi that the Chinese intend to replace Jewish power world wide a month ago and I meant it.

The whole world, and not just the Muslims are getting sick of Israel using the USA to create foreign wars for them, and creating huge refugee exits to Europe and the USA, plus Israel creating the conditions for WWIII.

He is a war general for sure. It is good to hear a sound assessemnt of Israel and that powder keg.

It's Halloween and my gumada asked: "are you going to wear a costume for afternoon trisk", responded: "no, will be my usual self as The Man from Nantucket".

Changing the subject. Why haven't we sent the White Hats into Acapulco? The black hats used DEWS on the people there. There was a hurricane there with absolutely no rain wtf? These black hats are doing in Acapulco what they did in Maui. They're murdering the poor as they did in Maui. I gotta ask this because it's not being reported not even here. If we haven't sent white hat military down there better git'er

done or the casualties could go through the roof. I guess if we're suppose to be winning this how come things like this keep happening???????

I agree – this has been puzzling me also – it seems only the dark hats have dew weapons because if the WHs had them then they would use them to take out haarp and chem trail ingredient manufacturing companies and lots of other bad places, but this isn't happening

I asked about that on here immediately... Naval bases devastated.. WTH?.. your right, no one is talking about this.. alot of Americans DEAD once again... ✓

Talk doesn't do anything.

There's nothing we can say that isn't already known.

The Biden crime family is in power and that is just the way it is until President Trump's Inauguration day 2025.

i disagree.. apparently trump and team q retard think you can literally talk the bad people to death. 60 years , no public arrests. apparently now the so called white hats will sit back and do nothing while they murder more human beings.

Our Special Forces, having trained in underground warfare at a cost of half a billion dollars, have destroyed hundreds of Globalist Deep-State DUMBs (Deep Underground Military Bases) since 2017 using DEW weaponry and RODs from GOD weaponry. So yes, our side has them and even more sophisticated weaponry such as the long-range lasers on the USS Ford. Russia has the laser weapon too.

<https://www.youtube.com/watch?v=0MQs43cnBss>

thank you for clarifying the DEW question MRD that the WHs do have them – I can't help but wonder what the reason would be that these weapons are not used then to take out haarp and chem trail manufacturers – wouldn't this be rather a no brainer? not trying to be disrespectful just cannot make sense of this

We don't know for sure what white hats are doing with the weaponry. FAKE Newsmedia certainly wouldn't tell us. Black hats attacked Maui, and now apparently Acapulco Mexico. Much news of attacks seem exaggerated.

Pretty sure Rods from God took out the North Korea nuclear test site, collapsing the mountain, enabling President Trump to have his walk into N Korea with Kim. Our military is conducting many missions, much of which we know little about.

Mexicans are fantastic... many more mexicans in texas now than white folks in many places. who wouldnt be concerned.

A hurricane is, by definition, a rainstorm. If there was no rain it was not a hurricane. But actual experts and not Internet fruits say it was a hurricane with rain and wind and everything, so this is yet another fairy tale. As most of these tales are.

cowards of the highest degree here. They would rather millions die than have to answer hard questions like this from citizens or the satanic media.

and u still spell worse than a retarded 1st grader and would have your skull crushed in for even thinking that irl fagboy.

Today on YouTube there was a notice from the Canadian Government about COVID and how good it is to get inti-COVID vax. (???)

Obviously, they do not listen to their own doctors who have been against this “vaccination” since 2021.

And, obviously, they never heard about the Nurenberg-1 conclusion regarding any kind of medical treatment and the Nurenberg-2 which started in Europe in October 2021.

The Nurenberg Code (1947)

1. Required is a voluntary, well-informed, understanding consent of the human subject in a full legal capacity.
2. The experiment should aim at positive results for society that cannot be procured in some other way.
3. It should be based on the previous knowledge (e.g., an expectation derived from animal experiments) that justifies the experiment.
4. The experiment should be set up in a way that avoids unnecessary physical and mental suffering and injuries.
5. It should not be conducted when there is any reason to believe that it implies a risk of death or disabling.
6. The risks of the experiment should be proportional to (that is, not exceed) the expected humanitarian benefit.
7. Preparations and facilities must be provided that adequately protect the subjects against the experiment’s risk.
8. The staff who conduct or take part in the experiment must be fully trained and scientifically qualified.

9. The human subject must be free to immediately quit the experiment at any point when they feel physically or mentally unable to go on.

10. Likewise, the medical staff must stop the experiment at any point when they observe that continuation would be dangerous.

## Nuremberg Code

### Article 6, Section 3

11. No government can mandate or force medical treatment without individual consent.

12. In no case should a collective agreement or the consent of a community leader or any other authority, substitute for an individual's informed consent.

This should be posted in Hospital/Doctors waiting rooms in a locked glass case.. Also in schools, colleges and universities.. In work places where staff congregate.. It should be LAW.. All heads/supervisors should be found guilty if the Code is removed.. There should be a sign above the code that informs the public that shld the code be removed or made unreadable in anyway, the institution will be fined as well as the head of that institution will be found personally guilty of enabling the subversion of INTERNATIONAL LAW..

There should be a clause to the Nuremberg code that stipulates that it should be displayed by ALL institutions for the benefit and/or information of the public.

It's pointless having any code that supposedly protects the public from the c+xp that has killed ppl AND is still currently killing people IF such code is buried somewhere deep in the Internet..

why can you not spell you are properly? its very odd. you must have gobbled up all the vaccines and boosters fagboy.

It is time we quit predicting THE future & rest in the knowledge that God has everything under providential control! It is God, not man, who determines all of HIStory as He knows those whom He calls as His children from beginning to the end!

MThe same God who calls every star by name, is in no danger of losing one of His OWN! – C. H. Spurgeon

So God had everything under Providential control when those 40 babies were beheaded?

I don't understand our God.

But thanks Bob I know you mean well.

Those babies are in Heaven. Understand God is patient. Those babies aren't suffering. They have joy now. Safe Loved. God is absolutely good. History always repeats. God is longsuffering. The clean out is still

happening. yes, there will be collateral damage. It sucks, but it will end & teh Kingdom reign will be here. The whole world will be free.

1) that was pure propaganda, specifically something called atrocity propaganda which has been used for a long time as a tool to manipulate the masses into fighting against an enemy. don't be fooled so easily. where is the evidence this actually happened? atrocity propoganda goes like this: "team A did \_\_\_\_ [fill in blank with atrocious act of choice designed to shock and disgust]! team B is manipulated into thinking 'that is horrible! we can't believe they did that! let's fight and destroy them!' team A and B are meanwhile oblivious, like gerbils in a manufactured maze, to the puppet masters watching, studying and steering their beliefs, emotions and actions. the puppet masters use the ensuing conflict to their advantage while innocent on both teams A and B are senselessly killed (rape, war, murder, starvation, famine, disease, torture), and real atrocities are then committed.

2) God is in control, and always has been. He is not the author of evil in this world or any other. "How can God be in control when this tragedy happened, or when there are starving children in Africa, or this person was raped or that happened?" I almost want to laugh at people who think they are the first ones to ask this question – it has been asked for thousands of years. God did not create mankind or angels to be robots – He gave them free will, the choice to love and follow Him or to rebel against Him. satan is ultimately the author of evil in this world and the first to rebel against our Creator. one of satan's oldest tricks is satanic projection and reversal – commit some evil, heinous act and blame it on your opponent while you pretend to be innocent and paint them as the "bad guy." Joseph Goebbels, the nazi propoganda minister said this in another way: "accuse the other side of that which you are guilty."

free will retards are worse than the q retards. someone putting a gun to your head and demanding you do it or else isnt free will. its obey or be shot dead. Even a q retard should understand that isnt free will. You will obey maritime satanic law or pay the consequences.

FAKE News propaganda.

The enemies of GOD from the synagogues of Satan always come up with the most horrendous fake atrocities. The NeoCons wanting a war with Iraq invented the Kuwaiti fake incubator babies.

Those “40 babies” were the ones who beheaded others in past lives. No one among us can ever “understand” God.

You christians and Muslims have shown your true colors. Attacking the holidays again cause they ain’t christian based. Your a sad fuck along with the community.

God doesn’t do things by dates. He does them by events. Too early for the crash. Follow the prophets on Elija streams, Julie Green, & Diana Larkin (watchman’s journal on YT). Lots of things have been happening. This took 100 yrs or more to get this bad. 2027 will be awesome.

Bo Polny (who has interviewed Julie Green in the past) is predicting that between now and the winter equinox (Dec. 21?) that precious metals such as gold and silver will start to rise dramatically. When metals rise, the dollar falls.

The cabal has intentionally suppressed the value of gold and silver. Once the true value of metals is allowed to run, the fiat money system will start to collapse. The collapse will most likely happen in increments though, and not all at once.

I don't think we'll have to wait to 2027 to see amazing changes in our world, I think we will start to see them by the end of the first quarter 2024.

WTF is going on here:

The commander of the US Marine Corps, General Eric Smith, was hospitalized the day before, according to the corps website.

The reasons for hospitalization are not disclosed.

Bad new with thousands of Marines in the Middle East waiting for orders from CiC; yes.

In Marine Corps news, General Smith stated because he was filling two positions as Commandant and Assistant Commandant of the Marine Corps, he was getting 5 hours sleep a night. We can pray for him.

I literally can't believe these creatures exist. I have met many. Triple boosters. Now they are zombies. Just doing what ever people tell them what to do. They don't smile...just look at you blank in the eyes and follow commands.

Spookd blog  
@Spookdblog

Keep in mind:

America's Central Bank was the Federal Reserve Bank, created by the Dems (Woodrow Wilson) in 1913

Trump gained control of the FRB and demoted it to a subset status of the U.S. Treasury – which will issue U.S. Treasury certificates backed by gold as U.S. currency.

Helen = Light @Manifest\_Utopia

ICYMI, Trump set up the take-down of the Rothschild Central Banks around the World and most people have yet to notice, it's well in progress.

even though in actual reality the fed and the jew banking cartels still controls the global financial system 100 percent. metals are still rigged. the stock market is still rigged. gas food and housing prices are through the roof. the purchasing power of the dollar is terrible. the list goes on.... but sure thing. trump and team q retard are most certainly in full control..... just like they were during covid huh.

## 🔴BREAKING NEWS🔴

6 o'clock can be dangerous was 1 hour ago. Israel just lost the Balfour contract. ISRAEL NO MORE! They can no longer operate. THE GAME IS OVER NOW!

Israel has just lost its RIGHTS TO EXISTENCE. Your rights to operate. They are now a State that operates illegally. Everything they do now is illegal. That is why they are surrounded by warships from all countries.

So, all the corporations, banks, etc. that operate and are owned by the Rothschild Empire and all corporations registered in Israel but operating around the world are now illegal. These are around 90% of corporations in the world such as the WHO, Blackrock, WEF, etc.

The New World Order globalists' grand reset plan is over.

They need to surrender NOW!

Of course they won't surrender. If I was one of these deep state dildo's, I would gather up all of my shekkles and my family and hightail it to the CERN portal and try to bribe my way off of earth to either the moon, or mars, until the shit settles down, then figure out how to get back to earth, which could be another problem.....

I cannot believe all the thumbs up on this. Israel will always exist. Y'all didn't get filled with the holy Spirit, did you? Or have sound Biblical teaching. There are good & bad & secular people in Israel, just like here. Satan infiltrated our churches too, or we wouldn't have denominations & all Christians would believe in the 5 fold ministry. Be pissed off & give me thumbs down if you want. Come back & visit this in 2027 & tell me then Israel won't exist. Do you want the Satan worshipping muslims to have it? We will all be doing a pilgrimage to Jerusalem every year.

So call this woman a liar, & that God doesn't speak through her. So many prophecies she's spoken have already come to pass. Fools.

Julie Green:

Date Word Received: December 3, 2022

'Something significant is about to take place in Israel. A freedom will take place, and land will be given back, land **that no one thought would be returned. Yes**, this will take place. So, My children in Israel, **I am bringing back a great ally, one** you have been waiting for to return. The one who is My David, who will help you get your freedoms and your rightful lands that had been held back from you. The One World Government will not have its way. I did not leave you to fight this fight alone. **My David's soon return will be seen by the world**, saith the Lord of Hosts. '

another one

Date Word Received: April 6, 2023

'Israel, oh Israel, do not fear what they have tried to do to your Nation. No, they will not tear you apart or take you down. Your civil war will

come to an abrupt end. The ones who have brought this mess will be exposed and removed.

You have been infiltrated, and I will show you the infiltrators. They will not have their way. Turn to Me, My Israel, and know that I am still the God of Abraham, Isaac, and Jacob. I am still your deliverer, and healing will come to your land, saith the Lord.

Oh, Israel, shout your enemies down. Shout them to nothing.

Remember the walls of Jericho. Blow your shofars, and remember I am still on your side. Remember who delivered you from Pharaoh's (from Moses' time) hand. This is no different. So, look to Me. Call upon Me, and I will answer thee and free your land, saith the Lord. '

Every country has been infiltrated. Stop hating Israel & claiming you are with God.

read all her prophecies. The Lord talks about that people have already been arrested & judged. He talks about eh fake white house. The tunnels. The military movements. The actors playing politicians. The exposures of the Biden family. A volcanic eruption in Hawaii. Crazy weather. Lots of things that would be in headlines that were. The blackout that's coming. The financial reset. Those things you know are true. So is she just making up crap about Israel?

First, you need to know who the true Israelites are. Which large group on Earth has recognized their Messiah, and followed Him? They have over a hundred Biblical marks which reveal who they are, none of which are possessed by the fakers.

They are not the israelies, the Brood of Vipers from the Synagogues of Satan. You have been deceived by the wolves in sheep's clothing filling the judaized pulpits of America and the world.

I REALLY, REALLY need to see the videos of all these Deep State traitors and PEDOs getting what they deserve. It will be like therapy for me. I'll be there cheering as I watch as if I'm watching my favorite team win the super bowl. YEAH!!! SHOW THE REPLAY!

I'm not sure how I will feel, but want the opportunity to see some proof of justice for the evil. For the abusers of children, I will sing Hallelujah.

You want to tell us how it works? I would love to know 

Last edited 12 hours ago by Rebecca Tracy

Only bofa I know is Bank of America. Guess you can't tell me how it works either? 

Oh shit up.

Chris rock: keep my name out of your mouth, slaps.

I'm guessing it wont be before 2025. The Lord told me the blackout won't happen in winter, Dave at X22 thinks they'll have the riots closer to the election to say they have to postpone them. Makes sense to me. Then we should have the blackout, Marshall law, mass arrests, reset.

Imao at dave from x22. he lies more than the average q retard does here. also its martial law.

Worked for me after I removed all the spaces. I didn't bother with the characters from the question mark to the end—that is tracking information and can be omitted most of the time.

In the case of videosharing platform Rumble, this extra information is NECESSARY in order to get a direct MP4 URL link to play correctly in a browser window where it can be downloaded by clicking on '...' and selecting 'Download' from the popup window.

I watched that vid yesterday! Was awesome! She & her pals broke down their table/signage & left! I saw it either TS or TG channel.”

Works just fine if you remove the 4 spaces.

Now I see why Michael decline her for article job.

wow. israel does not even show up on baidu or alibaba! China knows that country is about to go bye bye!

As a government, true but there are millions of people that are Christian and being killed or imprisoned for their belief—Churches destroyed etc.—prophetic—must think world wide when looking at scripture also—One of the greatest prophets and writers of Christian belief’s —a modern day Paul—was Watchman Nee—any books or literature you can get of his do it—amazing revelations and dissection of the Word—Your eyes of enlightenment will be enhanced—not like today’s so called preachers—He will show you the difference of being in the Spirit as opposed to displaying of soul power from which many if not most of todays preachers preach—

Oh how some people don't research the real ancient scripts.. the Roman Catholics made it the number 666 so the common people who didn't read or write, could remember an easy number . The REAL NUMBER IS 616.. ✓

She is correct. Don't know what it proves or means.

i meet people everyday in az who want more, if you can believe it.

I'm in California and tons of idiots proud and willing to take more injections ~ home of the Kool aid drinkers and suicide cult. This is home of the Jim Jones cult ... Diane Fienstein was pivotal in orchestrating Jim Jones. A fun fact.

It's an easy way to commit suicide and they know it. it's a way out so their not judged after death.. ✓

Took an elderly to doctor today. They asked what vaccinations he had taken.

Nurse Asked if he had flu vaccine and if wanted one? No he answered, but Said he might want a COVID booster!

The nurses said they don't have covid vaccinations there anymore!!!! I about fell out of my seat TWICE.

BUT lots still going to Walgreens & Walmart pharmacy. There are still some

Stating firsthand experience today about people taking vaccines still. My opinion is that is very sad many still don't know how dangerous they are.

I will take no more vaccines & I'm cool. How you sense mocking is beyond me. 🙏🇺🇸

i keep coming here, hoping there is another story from Mr. Baxter, but there is nothing. i know he said he's having medical problems, but i'm wondering if his problems may be something even bigger; perhaps about this site. perhaps he's being 'silenced' or otherwise threatened. has he lost his privileges with his sources?

although Mr. Baxter is doing a great job of writing these reports, there are far too few of them—there could be fifty of him at work, and yet, there must be even then, more action to cover.

certainly, there must be many more arrests and trials than we learn about here, but i simply don't find many other sources reporting on them. much of the altMedia has junk on it and few stories that cover rounding up the turncoats and other criminals and bringing them to justice. i hope Mr. Baxter is not in trouble—and won't have trouble concerning this website.

He does about two stories a week three if we're lucky he's all right he's just on vacation again 🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔🤔

Currently closer to 1 story every 10 days +/-

And not 1 word response to multiple questions/concerns from adoring fans in between.

I'd pondered those words when they were mine. Glad I'm not the only one who is calculating these long gaps of zero information.

Now watch 5 minutes after you see this, MB'll post the anticipated story of Yanet Jellin's trip to her new home 😊

I like Michael. Wish he'd inform us more in a timely manner.

He can only write stories when they give him the info to write. It's not like they have given him 30 stories and he just does not have the time to write them.

The US Admirals and Generals of JAG, are running this site. Michael is their spokesperson and typist. He is just as important as the Generals and Admirals are.

Total up your best guess of the number of alts/trolls/bots on this site versus real people who post.

I cannot help but wonder who is running all the alts/trolls/bots.

Or why are they allowed to stay and abuse this site.

I count about 8 +/- very intelligent, knowledgeable people, yet no one else raises the issue or question.

Most of the trolls here are from one or two people with multiple accounts. There should only be one account for each IP address. That would pretty much solve the problem.

He's making it up as fast as he can. Don't rush the great artist

Hoping MB can give us better information on the status of General Smith.

Hospitalized Sunday (30) evening? Possible heart issues?

Overworked, 5 hours sleep a night?
