[← Genocida v Gaze pokračuje](#)

[Sdílejte s Gabem](#)

Minulé úterý se v Sněmovně reprezentantů Spojených států v jižním křídle budovy Kapitolu odehrála hanebná ukázka útrobního zhoubného bujení. Sněmovna, která se dlouho vyznačovala averzí k pravdě, spravedlnosti a tomu, co bylo kdysi americkým způsobem, byla zkorumpována zvláštními zájmy, které si fakticky koupily drtivou většinu zákonodárců, včetně vedení dvou hlavních politických stran. V oblasti zahraniční politiky, stejně jako přesahu do mnoha domácích a ústavních otázek, neexistuje mocnější lobby než lobby státu Izrael a jeho moc se naplno projevila v úterý odpoledne, kdy byla zástupkyně Rashida [Tlaib odsouzena](#) za zločin palestinského původu a vystupování proti probíhající genocidě svého lidu židovským státem. Téměř všichni republikáni hlasovali pro její odsouzení spolu se značným počtem jejích kolegů demokratů.

Následujícího dne přidal Bílý dům své vlastní [odsouzení Tlaib](#), konkrétně odkazem na frázi „od řeky k moři“, kterou použila, což je slogan, který někteří jako fanatická sionistická Anti-Defamation League (ADL) příhodně považují za Arabský protestní výkřik za vymýcení Izraele. Příšerný ředitel ADL Jonathan Greenblatt nevyhnutelně ztotožňuje použití této fráze s „antisemitismem“ a ADL [trvá na tom, že](#) „Od řeky k moři“ je výzvou Hamásu zničit Izrael“ a zároveň „prohlašovat [že] je to shromáždění koexistence [který] kryje teror.“ Tlaib ze své strany vzkřísila vzpomínku na Palestinu, která kdysi byla, a tvrdila, že slogan je „aspiračním voláním po svobodě, lidských právech a mírovém soužití, nikoli po smrti, ničení nebo nenávisti“. Propalestinští demonstranti toto heslo také používají jako prosbu za

svou dlouho odkládanou národnost, ale skupiny jako ADL raději tvrdí, že tato aktivita poskytuje „hmotnou podporu Hamásu“, a jelikož je Hamas na seznamu teroristických skupin v USA, rovná se na pomoc teroristům. Tlaibová také zvláště rozzlobila Bílý dům prostřednictvím svého nedávno zveřejněného online videa, které obvinilo prezidenta Bidena z podpory genocidy v pásmu Gazy, což je zdánlivě nesporné tvrzení.

Někdo by mohl namítnout, že i kongresmani jsou chráněni právem na svobodu projevu podle prvního dodatku, ale je stále zjevnější, že Listina práv neplatí, pokud jde o Izrael, ať už v sálech Kongresu, ani na univerzitních kampusech, kde palestinské skupiny jsou obtěžováni a zakazováni. Hlasování o vyslovení nedůvěry Tlaibu lze považovat za součást úsilí obou politických stran chránit stát Izrael před jakoukoli kritikou. Rashida Tlaibová neporušila žádný zákon, nikoho nevyhrožovala, ani nevyzývala ke zničení žádného národa, přesto ji řada jejích soudruhů mluvčích ve sněmovně odsuzovala za něco podobného zločinu proti lidskosti, protože se obrátila proti co bylo opakovaně popisováno jako jeden z nejbližších spojenců Ameriky, nejlepší přítel a jediná demokracie na Blízkém východě, což všechno jsou lži. Izrael není žádný spojenec, což by vyžadovalo určitou reciprocitu, slovo, které v hebrejštině zjevně neexistuje. A v současné krizi izraelský premiér Benjamin Netanjahu ukázal, že se nenechá pohnout americkými zájmy, aby zmírnil jatka, bez ohledu na to, jak moc ho Blinken-Biden nasává, aby ustoupil. A pokud jde o nárok na demokracii, Izrael uděluje pouze občanství s plnými právy Židům, což je sotva demokratické opatření. Zjevně ani není na stole odříznutí masivních částek americké pomoci, včetně současných 14,5 miliardy dolarů na vyhlazení Palestinců. Izrael vždy získá svou libru masa a ve svých vztazích s Washingtonem zasáhne všechny.

Tlaibovy komentáře jsou v kontextu Bílého domu, který věří, že je svobodné posílat bomby do Izraele na vraždění palestinských dětí – aniž by dokonce prozradil, kolik letadel bylo dodáno nebo je na cestě.

A pak jsou tu členové Kongresu, jako je senátor Lindsey Graham z Jižní Karolíny, kteří mohou svobodně obhajovat „totální válku“ proti tomu, co nazývá „nejextremističtější populací na Zemi“, tj. Palestincům. Ale verbální kritika toho, co je zjevně genocida a masivní porušení mezinárodního práva, které má americkou vládu jako spoluúčast na válečných zločinech, je nepřípustná a existují dokonce obavy, že by se cenzura Tlaibu mohla stát základem pro kriminalizaci jakékoli kritiky Izrael za předpokladu, že všichni kritici jsou *ipso facto* antisemité a komentáře samotné představují „zločin z nenávisti“.

Zamyslete se na chvíli nad precedenty Tlaibovy ostudy, kteří jsou stále ve funkci nedotčeni žádnými procedurálními kroky k definování přijatelných práv zákonodárců. Kromě nesporného pozvání senátorky Lindsey Grahamové k masové vraždě je zde senátor Bob Menendez z New Jersey, jehož zjevná tendence přijímat úplatky byla obzvláště otřesným příběhem zčásti proto, že velkou část kořisti tvořilo 480 000 dolarů v hotovosti nacpané do kapes bundy, skříní a v trezoru, spolu s 13 zlatými cihlami, z nichž dva označené jako 1 kilogram v hodnotě více než 100 000 \$. Oba muži stále chodí bez výčitek!

Izraelská láska ke Spojeným státům je hluboká pouze na kůži, i když tolik. Vzpomeňte si na chvíli na komentáře izraelských premiérů o povaze vztahu. Podívejme se na komentář Ariela Sharona z roku 2001 : „Pokaždé, když něco uděláme, řeknete mi, že Američané udělají to a budou dělat tamto. Chci vám říct něco velmi jasného, nebojte se amerického tlaku na Izrael. My, Židé, ovládáme Ameriku a Američané to vědí... Je mi jedno, co si Američané myslí, já jsem vlastníkem kongresu!“ Nebo Netanjahuův slavný vtip také z roku 2001: „Amerika je věc, kterou lze velmi snadno pohybovat!“ Takže to je to, co si vedení „nejlepšího přítele Ameriky“ ve skutečnosti myslí o Spojených státech a jejich lidech! Je to dojná kráva, kterou je třeba podojit a jinak využít pro politické krytí, než se zlikviduje, až její užitečnost pomine.

Sharon také slavně řekla: „Slibuji, že kdybych byl jen izraelský civilista a potkal bych Palestince, upálil bych ho a nechal bych ho trpět, než ho zabiju. Vymezuje kruh, proč Gazané 7. října propukli v ^{zuřivost} .

Palestina byla jedním národem od řeky Jordán po Středoziemní moře, když byl Izrael založen v roce 1948. Od té doby Izrael po tři čtvrtě století etnicky čistí Palestince, kradl a drancoval jejich území, nahradil nebo vymýtil stovky vesnice, obléhal Gazu téměř 2 desetiletí a zapojil se do masového hladovění a nyní do genocidního masového zabíjení. V bojích předcházejících nezávislosti Izraele bylo tři čtvrtě milionu Palestinců vyhnáno ze svých domovů a posláno do uprchlických táborů izraelskými milicemi spolu s desítkami tisíc, kteří byli přímo zabiti. Nyní jsou uprchlické tábory v Gaze bombardovány společně s kostely, nemocnicemi, školami a obytnými domy a teprve teď jsme se dozvěděli, že někteří izraelští představitelé zvažují použití jedné ze svých jaderných bomb k úplnému zničení Gazy. Je překvapivé, že Palestinci projevili tolik zdrženlivosti jako oni.

Vzhledem ke škodě, kterou korumpující Izrael napáchal na americkém politickém systému, je důležité se ptát, co dobrého udělal vztah s Izraelem pro průměrného Američana, jehož dolary na daních podporují sionistický podnik spolu s jeho plánem na odstranění Palestinců. Odpověď zní, že nic dobrého nevzešlo z takzvané aliance, která od roku 1946 stála USA 260 miliard dolarů přímé pomoci upravené o inflaci. Navíc je tu velká částka 14,5 miliard dolarů, která byla nedávno schválena a v současné době čeká jako nějaký druh válečného fondu, který měl Netanjahuovi umožnit rozdrtit Palestince. Izrael pravidelně dostává 3,8 miliardy dolarů ročně v přímé pomoci od amerického ministerstva financí, dar od Baracka Obamy, což je více, než kolik jde všem ostatním zemím dohromady. A jsou zde také víceméně „nezaúčtované“ značné dodatečné peníze ze speciálních a společných vojenských projektů, pochybných charitativních organizací a vývojových rad na státní úrovni, které dohromady přinášejí zhruba 10 miliard dolarů ročně, což nezahrnuje miliardy finanční pomoc, což jsou

ve skutečnosti úplatky vyplácené Egyptu a Jordánsku za udržení míru s židovským státem. Materiál od strýčka Sama pomáhá učinit z Izraele velmi bohatou zemi, která si může dovolit poskytovat svým židovským občanům bezplatnou zdravotní péči a vysokoškolské vzdělání a také dotované bydlení.

A být připojen k židovskému státu má značnou nevýhodu, protože vyžaduje používání veta Spojených národů v pravidelných intervalech k ochraně klientského státu a také zapojení do zbytečných válek v místech jako Libanon, Irák, Sýrie a Libye. Na řadě je Írán. Izrael také neváhal zabíjet Američany, když cítil, že USA plně nepodporují jeho zájmy a Bílý dům je natolik omezený jeho „spojenectvím“, že v podstatě kryl zločiny proti vlastním občanům. Loňské zabití palestinsko-americké novinářky Shireen Abu Akleh odstřelovačem, které vyvolalo pouze zakňučení židovského ministerstva zahraničí, plus přijetí izraelských lží o incidentu, je ukázkovým příkladem. A pak je tu zabití 34 námořníků a zranění dalších 172 na USS Liberty v mezinárodních vodách 8. června 1967. Americká zpravodajská loď z velké části neozbrojená sledovala probíhající boje s Egyptem, když byla napadena izraelskými letadly a torpédové čluny. Snahy vyslat na pomoc lodi válečné letouny amerických letadlových lodí byly odvolány prezidentem Lyndonem B. Johnsonem, který také zorganizoval zastírání, které zbavilo Izrael viny. Člověk doufá, že on a jeho ministr obrany Robert MacNamara nyní hoří v pekle.

Americká vláda je tak averzi vůči Izraeli, že se mnozí domnívají, že ve hře jsou i další neodhalené vlivy, včetně pedofilního sexuálního obchodování s lidmi Jeffreyho Epsteina a Mossadu. Dlouho platí, že kandidáty na vysoké úřady v USA oslovují agenti sionistické lobby a nutí je podepsat slib podpory Izraele. Na oplátku získají kandidáti, kteří přijmou, značné politické příspěvky a pozitivní média. Pokud řeknou „ne“, jsou často terčem porážky a jdou cestou Cynthie McKinney, Charlese Percyho, Williama Fulbrighta, Peta McCloskeyho a Paula Findleyho.

Kongresman James Traficant z Ohia byl možná nejagresivnějším hlasem v Kongresu v 80. a 90. letech, který vyjadřoval kritiku izraelské moci. Byl nevyhnutelně kontroverzní a nakonec byl na sedm let uvězněn za obvinění z korupce, kterou mnozí následně považovali za zřízení vlády. Argumentoval mimo jiné tím, že „Izrael silně drží americkou vládu“, vysvětloval, jak Izrael „kontroluje velkou část naší zahraniční politiky“ a „ovlivňuje velkou část naší domácí politiky“. Docela věrohodně tvrdil, že bývalý úředník Pentagonu Paul Wolfowitz, pracující pro Izrael, „zmanipuloval“ prezidenta George W. Bushe ke katastrofální invazi do Iráku.

Traficant v 90. letech tvrdil, že „Provádíme expanzivní politiku Izraele a každý se to bojí říct. Kontrolují velkou část médií, kontrolují velkou část obchodu v zemi a mocně kontrolují oba orgány Kongresu. Patří jim Kongres.“ Kdyby byl Traficant stále s námi, byl by ohromen, kdyby viděl, jak se židovský vliv ve skutečnosti zvýšil, když 35 států má nějaká pravidla nebo legislativu trestající zastánce bojkotu Izraele a zákony, které jsou v současnosti před kongresem, povolující automatickou válku proti Íránu a dokonce vyhnání Palestinců. z USA. Ministerstvo zahraničí má velvyslance, který monitoruje takzvaný antisemitismus, a Bílý dům nedávno vyhlásil válku proti tomu, co popisuje jako „vzrůstající antisemitismus“.

V současné době je každý, kdo je proti angažmá USA s Izraelem při vyhlazování arabského obyvatelstva v oblasti, kterou kontroluje, označován za antisemitu a mluvení za Palestince se stává dobrým způsobem, jak se dostat z univerzity a nezaměstnané. Izraelští přátelé jsou zaneprázdnění sestavováním seznamů studentů, kteří podporují Palestince, a pracují na schématech, jak šířit jejich jména, aby jim byla odepřena práce, jakmile dostudují. Rashida Tlaib je pouze nejnovější urážkou důstojnosti a zdravého rozumu americké ústavy, ale rozhodně nebude poslední obětí židovské lobby, která musí být označena za to,

čím je, a musí se zaregistrovat jako agentka Izraelský stát apartheidu a vyloučen z jednostranného vytváření politik, za které musíme my všichni Američané platit na Blízkém východě.

Židé, komouši a nebílí nenávidí „svobodu projevu“, protože odhaluje jejich méněcennost, lži, šílenství, spiknutí a rituální vraždy. Takže přirozeně budou pracovat na jeho zázaku. Jediným mírovým způsobem, jak bojovat s touto podvratnou spodinou, je tedy odepřít jim „svobodu projevu“ nebo je vyhnat z něčího národa.

talib has done the unthinkable and uttered the ultimate blasphemy. this has so enraged the demonic cabal that she must be censured, censored and blotted from the record after having defiled their dark temple, daring to utter the truth, pulling back the heavy black curtain and allowing a ray of light to illuminate their dark corridors. this sent the vampires hissing in pain and scurrying into the shadows, while cursing the light.

it shows you the power of the spoken word. the power of palestine compels you! well done talib, free palestine, free your mind, free your speech.

I agree with your assertion but don't think censoring a Congressman for unbecoming speech is the best example. To censure is not to censor.

What bothers me is that some people seem to think it is illegal to be an anti-semite, or to make anti-semitic statements. What bothers me more is that many of these people will in other contexts insist correctly that there is no hate speech exception to the First Amendment.

The vicious mass killing of thousands and thousands of helpless Palestinian civilians is on full display for the entire world to see, underwritten by the US, home of the free and brave, yada yada. The media and all others have to double down on the lying and censorship; you don't really see what you're seeing. Although there's a question if they knew anything beforehand, it gives them a pretext to go for the final solution, a goal that's always been lurking in the background. American politicians are the biggest bought off whores there are, all this talk about third world corruption being a case of misdirection. The entire political machine of the US has reached new lows. It gives one a feeling of seeing an oncoming crash in slow motion and being unable to do anything about it.

Happening also in Canada. A member of the provincial parliament in Ontario was censured in the legislature for expressing concern for Palestinian human rights. She happens to be black, female and disabled. Guilty of a thought crime. Meanwhile, Provincial Premiers, the PM and senior cabinet minister—as well as mainstream media outlets—are given a green light to assert Israel’s “right to defend itself” even if it is committing genocide and ethnic cleansing.

What Israel has done to a dirt poor, desperate, defenceless and emaciated refugee population is unforgivable. I don’t how our leaders in the west can sleep at night.

Well, hopefully, this latest series of inept follies- the Ukraine debacle, Israel's maniacal bombing campaign, the rise of BRICS and the SCO, etc., will lead to the end of the US empire, and Israel's complete destruction as well, and ideally, a collapse of the jew-run "everything"; media, government, universities, etc.

The hubris of the jews always leads to their downfall or expulsion, and this time won't be any different.

The only question is- how much global destruction will it take, this time?

@Rusty Tailgate

100% agree.

This supposed “hate speech” debate, has been a creeping death of free speech.

For many years, I keep making the fundamental assertion that it’s still LEGAL to be racist, hateful, prejudiced, etc. The Klan has every right to believe, and say, anything that they want, so do Nazis, Black Panthers, jew hating Muslims, etc., etc., etc.,

The fact that ((they)) are making it essentially illegal to stand up in the market place of ideas, and loudly state “I hate Jews!”, is the death nail of free speech. “Hate Speech” as concept, was always a poisoned pill, because it opens itself to selective enforcement, but worse, there is no carve-out in the First Amendment for hate speech.

Hate is your Right. Whether it be groups, races, “minorities”, religions, retards, cripples, even us white people. The obvious problem is that the jewish media and government, is acting as gate keepers for what they deem approved hate speech.

For the past several years, let’s add it up- it was okay to hate cops, white people, white cops especially, the unvaxxed, the unmasked, then Russians, and now, Palestinians.

Yep, you could say anything under the sun about any of them: Suggest they be arrested, shunned by society, put in camps, denied food, killed en masse, etc. Just listen to that faggot Lindsey Graham (who is the textbook example of a closeted repressed homosexual), his vehemence for Russians and now, Palestinians,

makes him sound like the worst homicidal maniac vampire sadist, since... I don't know... Attila the Hun? He practically has blood dripping from his fangs, he's such a Malthusian parasite.

Does anyone even say "Hey bud, you sound like a fucking maniac, like worse than Charles Manson, maybe you should tone it down a bit"? Nope, he's been tacit blanket permission to the "voice" of the insane, unhinged, warmongering class, as their homicidal spokesperson.

But we all know, if you said the shit that faggot Graham says on a daily basis, about jews, blacks, Mexicans, faggots, etc., you'd be deemed the biggest pariah on the planet, overnight.

I know I'm preaching to the choir with all this, but still...

My point- We literally need a movement, and a leader, that is willing to quote Hitler every day, while voicing the message of the 1920's Klan, expressing hatred for all mud people, calling for genocide, legalized racism, the works! Why? Because before we are silenced forever, we need to scream our message from the rooftops, and force the overton window to acknowledge our views, while also garnering as much popular support as we can, so our movement has legs.

If we stay silent, we will be erased. So we might as well risk "going out with a bang" versus a whimper.

Besides, we have much larger numbers than ANYBODY knows, we are just prevented from rallying, and speaking, a showing our dominance.

Basically, we should be our own ISIS, HAMAS, whatever, in the Western World. Just go full blown Nazi-Klan, and say "fuck the world".

It's worked before.

How is it possible that Phil Giraldi can continue to crank out articles that are even more brilliant and incredibly outstanding than the previous article he wrote, that I thought was his BEST EVER?

Phil Giraldi is an amazing, truly exceptional man and one of the greatest assets to the Truth that this nation has ever produced.

I would like to extend to him my personal thanks and appreciation for his mention of the honorable late James Traficant and his courageous efforts to help alert the American public to the hostile takeover of the United States by the diabolically evil and criminal state of Israel. He was perhaps the one and only Democrat who I have ever had ounce of respect for, and while he did have many positions on various other issues that are default anti-White, anti-America positions that I disagreed with – his stance on this tyrannical stranglehold that Israel has over America and that it absolutely must be broken by whatever means possible was one position that resonates louder and more imperative today than it did during his time in office.

Regardless of what you think of Hamas and its origins, it is a political movement with a military wing. Its political wing had even won the elections held in Gaza in 2006.

Sinn Fein was the political wing of the Provisional IRA (“Provos”). If you consider Hamas a terrorist organization, then it is difficult to claim that the Provos weren’t also a terrorist organization. Sinn Fein openly raised funds in the USA for the Provos, and many Americans of Irish ancestry as well as various U.S. politicians openly supported their efforts. Joe Biden, Teddy Kennedy, Tip O’Neil, and many other Democrats likely did.

Just imagine if the U.K. had carpet-bombed the Irish Republic and Catholic neighborhoods in Northern Ireland like Israel is now carpet-bombing Gaza. Just imagine if the government decided to make it a crime to say “One day all Ireland will be free.” So in the end it always boils down to “Who? Whom?”.

It is up to each American’s individual conscience—not governments—whether or not he or she supports or condemns political organizations like Hamas or Sinn Fein.

Hath not a Palestinian eyes?

Hath not a Palestinian hands, organs, dimensions, senses, affections, passions; fed with the same food, hurt with the same weapons, subject to the same diseases, heal'd by the same means, warm'd and cool'd by the same winter and summer as an Israeli is?

If you prick us, do we not bleed?

If you tickle us, do we not laugh?

If you poison us, do we not die?

And if you wrong us, shall we not revenge?

If we are like you in the rest, we will resemble you in that.

If, a Palestinian wrong an Israeli, what is his humility? [Punishment]

Revenge.

If an Israeli wrong a Palestinian then what should his sufferance be by Israeli example?

Why, revenge.

The villainy you teach me, I will execute, and it shall go hard, but I will better the instruction.

.... with apologies to Shylock

If you can believe everything on this website, and all the other alternate media, as well as the mainstream media and all social media, and any other forms of media you may wish to insert; IF “we” can believe all sources, then the game is over! There is literally NO way to defeat or overcome an all-encompassing shadow-government power.

As former U.S. Vice-President Al Gore once succinctly stated; “there is no controlling legal authority!”

“They” might as well come out of the shadows.....all the way.

The latest “*jew ads*” decrying “*anti-semitism*” (despite most jews not being “*semites*”) on American television (*the “blue box” ads*) claim that 20% of American-based jews have experienced “*anti-semitism*” in the last two years—an obvious lie.

Those ads are just as disgusting as the “*poor holohoax (oops, I mean “holocaust™”) survivor*” needing \$25 for “*jew boxes*” using that disgusting jewish woman shilling for shekels while wearing her expensive jewelry. These ads have been superseded by ads shilling for shekels for israel, presently being on a “*war footing*”, the shekels being demanded are \$45. Inflation, ya know...

From the article:

“And then there are members of Congress like Senator Lindsey Graham of South Carolina who are free to advocate a “total war” against what he calls “the most extremist population on Earth,” i.e. the Palestinians. ”

So Graham thinks the Palestinians are the “most extremist population” on earth. If this is true, Graham can thank himself, the USG and israel.

@Rusty Tailgate

In order to be “anti-” something, you have to know what that something is.

“Semitic languages are a group of languages that include Hebrew, Arabic, and Aramaic: ...”

<https://dictionary.cambridge.org/dictionary/english/semitic>

The Palestinians are “Semitic” the Khazars are not. As usual (((they))) have warped our language by changing word definitions. As for being an Auntie Shem-ite, and its legality, I have maintained, for more than 50 years, that I am an equal opportunity “hater”. I dislike without regard to race, creed colour or religion.

It doesn't matter what the U.S thinks anymore, the world will no longer live or listen to a hypocrite and a liar.

Israel has no future, it may cleanse Israel of Palestinians but the days of playing the victim card are over, in the minds of most they are now the fascist scum, playing the victim has allowed them many liberties but that's over...we will wait and see what playing the fascist gets them?

Rusty Tailgate, [3] is right that hate speech is not prohibited by the First Amendment. That stance goes beyond mere omission. In ratifying the ICCPR, Congress interpreted the first amendment to be in full conformity with Article 19, and explicitly entered a reservation to Article 20's prohibition on hate speech: "Article 20 does not . . . restrict the right of free speech and association protected by the Constitution and laws of the United States." [138 CONG. REC. at S4783]

Congress did so at the direction of DCI head of state G.H.W. Bush's State Department because official hate speech is necessary to stampede the public into wars. The "hate speech" term of art is minimally restrictive under the authoritative interpretive guidance of General Comment 34 and Article 19's implementation framework, but with the US reservation, it's got nothing to do with anti-semitism.

Tlaib missed the boat by not citing the supreme law of the land, with which domestic law at all levels must come into conformity. She could have made it a teachable moment by tacking on an Anglin-grade rant about hooknosed blood-guzzling baby-blowing chicken-swinging ratty Jew kikes and their primitive Talmudic Jew supremacist death cult. For that I guess we'll have to wait for the next Unz for Senate campaign.

American politicians do whatever the money people tell them to do. We live in a plutocracy. Mammon rules, along with his buddy Moloch. Maybe it was always this way. If the Muslims want to change it, they've got to buy more politicians. They already have more of their co-religionists in the US than there are Jews, and there are always politicians available for purchase. Instead of buying football teams, they should buy media and politicians. I wish a few conservative White men would do the same, but I guess they're too busy buying faberge eggs or something.

| Tlaib, for her part, was resurrecting a memory of the Palestine that once was...

An Ottoman province, not to be romanticized, and emphatically not a sovereign nation then anymore than it is now.

Mr. Giraldi, isn't it possible to chronicle the crimes of Israel, which are many, without romanticizing the likes of Tlaib? The censure resolution is toothless and does not deprive anyone of any rights. The actions of the various armed anti-Israel groups prove that they are eliminationist. Even if we say, for the sake of argument, that they have a good *causus belli*, they are not practicing *jus in bello*. Not by a country mile. How many Israelis, including children, the elderly, and non-military women, will survive the fall of Israel if it falls?

@Voltarde

...If you consider Hamas a terrorist organization, then it is difficult to claim that the Provos weren't also a terrorist organization. Sinn Fein openly raised funds in the USA for the Provos, and many Americans of Irish ancestry as well as various U.S. politicians openly supported their efforts. Joe Biden, Teddy Kennedy, Tip O'Neil, and many other Democrats likely did.

So Tlaib and her buddies are no worse than Gerry Adams, Joe Biden, Ted Kennedy, and Tip O'Neill. Not exactly a ringing endorsement.

The IRA has been utterly contemptible since Eamon De Valera ordered the assassination of Michael Collins in the early 1920s. I know they solicited funds from Americans; they hit me up for a donation in a supermarket on the SW side of Chicago in the Mid 80s. Just means they and Tlaib's buddies are both garbage.

A "conscience" which would approve support for Hamas and/or the IRA is a very malformed one.

This is beautiful and inspiring.

In a country where the white majority population does little but cuck and grovel to Jews who mean to replace and dehumanize them, Arab-Americans and their allies are resisting Zion and speaking truth to power.

One wondered, when will whites ever wake up and fight back? They are hopeless brown-nosing cucks. If anything, they aid and abet in the Jewish War on humanity all around the world.

White cuckery and the Arab-American resistance against Zion may be proof that mass immigration is worth it. If whites won't resist Zionist evil, someone has to. Immigrants are finally doing it.

The government is stark raving mad and has totally lost touch with reality, and what matters to Americans. It is surprising that they can find any voters at all. I guess that is why they are bribing Latin American Insurgents to come to America with housing, food, healthcare, jobs, and even cell phones, and legal counselling.

The government refuses to uphold and defend the constitution, which includes defending it against corporations and nosy busy bodies violating other peoples' constitutional rights. The government refuses to honor the basic principle of equal justice under the law, too. Instead, the government specializes in incompetency, corruption, terrorism, high crimes, bribery, and treason.

When will Americans just say, none of these people running for office have upheld their end of the bargain and prevent them from running for office, the way that the courts are now trying to do to the equally corrupt and incompetent Trump ?

They are not qualified because they are guilty of Seditious Conspiracy to Violate Constitution Rights of The Established Authority, We the People, The Sovereign Citizens, the Qualified Electors?!

Rashida Tlaib broke no law, did not threaten anyone, nor did she call for the destruction of any nation, yet she was excoriated by a series of her comrade-speakers in the House for something akin to a crime against humanity due to her turning against what was repeatedly described as one of America's closest allies, a best friend and the only democracy in the Middle East, all of which are lies.

Rashida Tlaib and the others in the House took an oath upon joining the Congress:

"I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God."

Nowhere in that Oath do I see any mention of the Apartheid state. A person can only conclude that the majority of members of the House of Representatives have no respect at all for their duties as US House members.

Earlier today I spoke to a Southern Family Member who also happens to be a Republican. He said he wrote his two Senators and the one Representative telling them he wanted a ceasefire in Gaza. Unlike my own experience in Indiana of being ignored, he got three non-form-letter replies. Each of the three Republican Officials explained the importance of ignoring the civilian deaths Holy 'Israel' was causing.

One thing is certain – under no circumstances whatever will I cast a vote for "Genocide Joe" Biden. Until recently I'd said Cristie was the "least bad" of the Republican candidates, but when I learned of his ass-kissing visit to the pissant state, he was also permanently removed from my list.

The 2024 election (if we live to see it) looks like yet another one where I'll throw away my vote on some person who cannot possibly win. That's because I don't presently see a single candidate in either party who is worth a pewter sh*t.

An excellent statement on this is in Scott Ritter's recent extended interview with Kim Iversen. This is a fantastic interview, great for sharing with family and friends who are stuck in the matrix. He talks about his upbringing, his experiences in his military career, and his perspectives on the conflicts in Palestine and Ukraine. Very blunt and forceful. A classic.

When I read those few words depicted in blue, my very first impression, emanating from deep within the unconscious, described by Carl Jung as the “Universal Unconscious”...or the unified field of human depth Real-Eye-Zation...were :

“Condemnation of Truth”.

When the conscious, leftbrain sector of the mind looked one more time for confirmation those words were clearly printed out as “condemnation of Tlaib”.

How any nation can fall so low as to side with existential evil and a spider’s web of lies is clear proof that we indeed dwell within a RUPTURED REPUBLIC.

I loath being trivial but the nowadays situation of the us reminds me of an italian saying.

Americans are being put without vaseline and shout 'bravo'.

Let'us put humour aside . I have always been fond of ancient latin history and literature.

Since the declaration of indipendance, the us has identified itself with the roman empire. It has, until now, approximately followed the same path, though more rapidly.

During the first centuries, romans were sober, hard workers and had a strong patrioric feeling.

Their prosperity was founded on the assimilation of the conquered peoples, which were allowed to become prosperous too. The rebels were crushed without mercy.

Then from being prosperous, they became very rich and wealthy. That was the start of their long decay. It took a long time. Wealth made the 'elite' more and more greedy and less and less patriotic.

They cared for their own interest and less or even not at all for the welfare of the state.

Senators took bribes from enemies, Carthago, for example.

Europe does not fare better, unfortunately.

The end is near, but the process will be neither quiet nor peaceful.

Only the nations with a strond patriotic feeling will stay afloat.

Poor suffering humanity. Though the past is full of good examples and lessons, always the same tragic mistakes are made.
De finis temporum commoedia.

The scenes coming out of Gaza and the rest of Palastine are becoming too pathetic bear, e.g. Al-jazeera; bombing of hospitals, schools, water sources, killing journalists, etc. And then to know that our government here in the States is not only supporting it, but is actually enabling it all. Seeing how numb Biden and most of the rest of the government is to domestic public action is most frustrating of all. Well, I suppose we all as individuals ought try our best anyway. Writing letters, blogging, and holding up signs in the street helps, but is obviously not enough. It is time for walkouts, boycotts, and stronger actions of all sorts; stuff that hits the economy. Like maybe boycott upcoming Black Friday? Biden winning a second term only suggests the U.S. voting public supports his evil agenda with Israel. That should be a “no way”. So, as a goal we need to keep Biden from getting re-elected; that support of Israel becomes a political liability.

We are witnessing the early stages of a mighty storm which is brewing right across the planet amongst those people who are allergic to lies and detest injustice.

Oh, those bought and paid-for governments across the Western and Western dominated nations are all lining up like so many dogs responding to their masters' promises for more monetary rewards while constantly basking in the glow of the mass-media limelight as important celebrities.

But who are those individuals who have swallowed the blue-pill and thereby achieve high office's by the simple expedient of selling their souls?

We, the common people of the entire planet are being deliberately dragged into the depths of horror and terror imposed by those without compassion, honor or any possible sense of service or of responsibility to steer the ship of state.

Many of these hollowed-out shells of humanity happen to call themselves Christians. Perhaps they have never paid attention to the One who uttered these simple words: "Do unto others as you would have done unto yourself".

At this stage of history it is no easy task to consider oneself as an American. One wonders what the avatar who was called "The Prince of Peace" would have to say about the current status of our Ruptured Republic.

Srdce a duše většiny lidstva volají do nejvyšších nebes, aby zvítězila láska, soucit, milosrdenství a spravedlnost.

Ať je to tak. Požehnán buď.
